

## Friends and colleagues bid a fond farewell to departing town administrator

BY DONNA RHODES  
dhrhodes@salmonpress.news

TILTON – Joyce Fulweiler began her time as the Town Administrator for the Town of Tilton in August of 2007, and as she heads toward a well-deserved retirement on Oct. 31 this year, friends and colleagues gathered at Island Park last Thursday evening to celebrate her career and impact on the community.

After everyone enjoyed a cookout and live music provided by Kent Finemore, a longtime friend of Fulweiler’s, accolades for the hard-working administrator were delivered by friends, co-workers and associates on both sides of the river.

“Joyce Fulweiler is a queen as far as I’m concerned. I love you, Joyce,” said Selectman

### Tilton-Northfield Fire & EMS investigates gas leak at Tanger Outlets

TILTON – Tilton-Northfield Fire & EMS was called to the Tanger Outlet Mall last week for the report of a gas leak outside one of the stores near the entrance to the multi-business shopping complex on Route 3 in Tilton.

Deputy Chief Tim Joubert said the call came in at approximately 7:06 a.m. on Wednesday, Sept. 5, alerting them there was a problem outside the Old Navy store.

“When the landscaping company was mowing the lawns that morning, an employee accidentally struck a gas line and caused the leak,” Joubert said.

As a result of that leak, Liberty Utility Company was contacted and Tilton Police were called to the scene to close down the entrance to the outlet center as firefighters evacuated employees from the Old Navy store.

“We then deployed a hose line to disperse the gas until Liberty arrived. They were able to access a shut-off valve and we then metered the building, roof and outside area and found no more dangerous levels of gas,” said Joubert.

Once the situation was rectified, the shopping center was re-opened and the business day resumed.

There were no reported illnesses or injuries as a result of the incident.

### Belmont police warn of phone scam

BY DONNA RHODES  
dhrhodes@salmonpress.news

BELMONT – Police in Belmont are now echoing a warning that the Laconia Police Department had recently issued concerning the latest phone scam that claims to come from the IRS.

Capt. Richard Mann said his department began receiving calls from Belmont residents last week about the scam, and therefore wanted to make others aware of it as well.

“Please be aware that if the IRS needs to communicate with you, a taxpayer, it sends a letter — not an email, not a

### Unexpected company

A home in Sanbornton had some surprise guests drop by last weekend, searching for a bite to eat. As summer comes to an end, bears are on the lookout for tasty meals to help them fatten up before the winter arrives. While they may occasionally pass through backyards in their search, state officials urge people not to give them a reason to stay or pay a return visit. Birdfeeders should be taken down, trash secured and pet foods kept inside until the bears head off to their dens for the winter.

# Explore Abenaki history at the Belmont Public Library

BELMONT — On Sept. 18 at 6 p.m. at the Corner Meeting House (17 Fuller St.), the Belmont Public Library will host archaeologist Dr. Robert Goodby of Franklin Pierce University, who will speak about Abenaki history in New Hampshire.

For 35 years, Goodby, the founder of the Monadnock Archaeological Project, has led teams on archeological projects throughout New Hampshire and has collaborated with other scientists throughout New England to research questions surrounding New England's Indian people.

Abenaki history has been reduced to near-invisibility as a result of conquest, a conquering culture that placed little value on the Indian experience, and a strategy of self-preservation that required many Abenaki to go "underground," concealing their true identities for generations to avoid discrimination and persecution. In this New Hampshire

Humanities presentation, Robert Goodby reveals archaeological evidence that shows their deep presence here, inches below the earth's surface.

Robert Goodby is a professor of Anthropology at Franklin Pierce University in Rindge. He holds a Ph.D. in anthropology from Brown University and has spent the last thirty years studying Native American archaeological sites in New England. He is a past president of the New Hampshire Archeological Society, a former Trustee of the Mount Kearsarge Indian Museum in Warner, and served on the New Hampshire Commission on Native American Affairs. In 2010, he directed the excavations of four 12,000 year-old Paleoindian dwelling sites at the Tenant Swamp site in Keene.

For 44 years, New Hampshire Humanities has brought the transformative power of ideas to people of all walks of life, in all cor-

ners of our state. New Hampshire Humanities provides opportunities to cultivate curiosity, connect across cultures, examine beliefs, practice civility, strengthen community bonds, ignite ideas, inspire a passion for learning, and engage in civic life. New Hampshire Humanities' most accessible and far-reaching program is our speakers bureau, Humanities to Go. It enables nonprofit organizations and community groups to offer free, high-quality cultural programs to the public at minimal cost to the host. Each year 400 Humanities to Go programs get 12,500-plus New Hampshire residents together in more than 165 local community settings to learn together on topics that challenge one's understanding of the past and expand one's perspectives.

The Belmont Public Library is open six days a week and any time at [www.belmontpubliclibrary.org](http://www.belmontpubliclibrary.org), serving the community with books,

digital resources, and cultural programming. In 2018, the library celebrates 90 years in the same building and 125 as Belmont's community library.

## Clarification

TILTON — The community forum to be led by Tilton's First Impression Committee has been moved to a new location, Juliet Harvey announced on Monday. Rather than taking place in the Tilton School Chapel, it will now be held across the road in the Academic Building on School Street. A meet and greet will begin at 5:30 p.m., while the meeting and group discussions is set to get underway at 6 p.m.

The event is open to all who live, work or do business in Tilton, and people are encouraged to come share their thoughts or ideas on ways to improve the downtown district.

## SANBORTON POLICE LOG

SANBORTON — The Sanbornton Police Department responded to 32 calls for service during the week ending Sept. 8. The breakdown was as follows: one alarm, five animal involved incidents, one report of criminal mischief, two fire/medical calls, two reports of fraud, one house check, one report of lost property, one money relay, one motor vehicle accident, six motor vehicle summons, one neighborhood dispute, four phone scams, one pistol permit, one report of reckless operation, one road hazard complaint, one report of a suspicious vehicle or activity, and one V.I.N. verification.

## "A Great Local Resource"

"I have used the Community Guide and newspapers as a resource for my position at Lakes Region Community Services. It's so helpful for finding information that individuals on my caseload can use. It is full of listing of events, businesses and nonprofits where people can give back to their community by working or volunteering. Both Salmon Press guides and newspapers are very helpful!"

# Hall Memorial Library Happenings

## Tilton/Northfield

Something New... This year we're coming to a school near you! Stop by our Library Llama booth at your school during lunch. The Library Llama is a mobile library hosted by us, Hall Memorial Library. Its purpose is to bring books from the public library to student and teachers at local schools. We recognize that for some students coming to the library is not an easy option and we want everyone to have access to the information they want and need. Here's the line-up for September: WRMS, Monday the 10th - Southwick, Wednesday the 12th - WRHS, Monday the 24th... and remember: Stop in during Lunch-

time at the Library Llama for all your reading needs.

**Monday, Sept. 17**  
Rock & Read - Every Monday in September, 10 a.m.-8 p.m.  
Have you ever dreamed of getting paid to read? Then make that dream come true! For every half-hour you spend reading one of our books while in the library you'll receive one buck... that is a "Hall Memorial Library Buck." Library Bucks can be used to pay down your fines, send a fax, make photocopies or buy books from our book sale. Before you begin, let the librarian at the main desk know you're participating in the Rock & Read pro-

gram. Double your time... Every 15 minutes spent reading to a child who is not yet a reader or is a beginner reader, will earn the child one Library Buck. Only physical books please... no devices.

Chess Club, 3-5 p.m.  
Herb Walk with Nathan Searles, 4:30 p.m.  
Come learn to identify and use some of the many common medicinal and edible plants and mushrooms that surround us every day. This class will focus on easily identified plants and mushrooms that can be safely used in a household setting. Be prepared to explore outside, wear proper walking shoes and dress for the weather. # Franklin VNA & Hospice hosting free Advanced Directives session

FRANKLIN — Do you have Advanced Directives? I'll bet you don't. Most Americans don't, despite the fact that at some point we'll all need them. Advanced Directives outline the care we want, or don't want, to receive in a situation where we can't speak for ourselves and it states who we have chosen to be that decision maker if you're unable to do it for yourself.

Advanced Directives sound like a very complicated document, but with a little knowledge you will be prepared to

write your own, or have a conversation about developing them with a loved one who has not prepared theirs yet.

Since the policies and procedures for emergency situations and healthcare needs vary from place to place it is important that you leave clear instructions for the direction you want your health care to take and advanced directives also give someone you chose power to make those decisions if you cannot.

To help individuals navigate through these life changing choices,

Franklin VNA & Hospice is hosting a free Advanced Directives Session at its 75 Chestnut St. office in Franklin on Wednesday, Oct. 10, 10 a.m. – noon. Their social worker will be available to help answer questions, notarize your advance directives, and provide information to help you complete your Advanced Directives forms.

## STRATEGIES FOR LIVING

### A question about Jesus

BY LARRY SCOTT

John the Baptist, languishing in prison and thoroughly confused about Jesus, sent a group of his disciples to interview his famous cousin. “Are you the one who is to come, or should we expect someone else?” John knew Jesus, and knew him well, and he was still confused.

The promised Messiah turned out to be a peasant carpenter. Jesus was, and remains, a radically different person from what John was expecting. The Jewish people were looking for a political man, a military leader. They wanted a man who would cater to their selfish, national interests, a leader who would once again bring Israel to international prominence. But it was not to be; Jesus had a different agenda.

He challenged the status quo, he broke with the religious right, he denounced the pious for their hypocrisy. And, perhaps most important of all, he demanded a standard of righteousness few were prepared to accept.

“Go tell John,” Jesus responded, “the blind receive their sight, and the lame walk ... the dead are raised, and the poor have the gospel preached to them.” Something was happening in Israel. And it was more than just a supernatural demonstration. The crowds were profoundly impressed by His message. Lives were being changed. “To those who received Him,” we are told, “to those who believed in his name, he gave the right to become children of God.”

The problem with Christianity – and with Jesus Christ – is that our faith demands a change of heart. Jesus said, “Out of the heart come evil thoughts – murder, adultery, sexual immorality, theft, false testimony, slander. These are what defile a person.” It is not a change of attitude or a change of life-style that God demands; it is a change of heart. When the heart is right, everything else begins to fall into place.

A classic example of this can be found in the story of Jim Vaus. “Vaus had been a wiretapper, an employee of the mob, a friend to virtually every ganster in the 1940’s. He had heard the preaching of Billy Graham and found in the simple story of the Cross the power he sought. ... ‘I know what his conversion was like; I was there,’ recounts Cliff Barrows. ‘I drove around with him in the backseat of a chauffeured limousine while we went from one person to another, from one company to another. He had long lists of all the people he had wronged or from whom he had stolen money or electronic equipment. He was determined to make restitution to every person and organization on that list. And he did it, even though it broke him financially. But when he finished, he was a totally liberated man’” (Gordon MacDonald, “The Life God Blesses,” p. 85).

Men and women continue to ask of Jesus the critical question: Are you the one? And we, like Jesus, invite you to check it out; see for yourself. The miracles now, and they are miracles in the fullest sense of the word, are metaphorical but still valid. The blind see, the lame walk, lepers are cleansed; the dead continue to find new life. The ravages of sin are being reversed; hell has met its match. His name is Jesus Christ.

## PET OF THE WEEK

## CHANCE

CHANCE: so named by his original shelter, all the way down in South Carolina, this sturdily built canine travelled a very long way for his “second chance”. Sadly overlooked, he’s been waiting since June 1st for his lasting forever home.

Medium sized brown dog, just about 50lbs – he seems to have faded into the background of the adopting public’s consciousness and after this length of time, as the prettier, more obviously pure-bred, and cute tiny puppies leave the building, he remains, forlorn and lonely.

We know he would be a good dog with some guidance away from the shelter. For some dogs it’s just is too loud, too busy, to reactive for them to cope with the

constant stream of visitors, and proximity of other canines.

Ideal home, Chance is actually afraid of cats! He may be able to enjoy the company of another dog at some point in his life, maybe a local canine playmate. We must be very clear, he has had no experience that has been positive with children and really needs an adults only home.

Please come and visit this sweet two-year-old Shepherd mix today and chat with one of our knowledgeable adoption staff. We really want to make the right match for him.

Shelter is open on Weekends, 11-4 and every day except Mondays and Wednesdays Noon to 5p.m Check [www.nhhumane.org](http://www.nhhumane.org)

## LETTERS TO THE EDITOR

### Direct support professionals make a difference

To the Editor:

This week Lakes Region Community Services (LRCS) joins with thousands of organizations around the country to celebrate Direct Support Professionals (DSPs). While it is both fun and important to dedicate a week to recognizing our DSP’s and their career choice, at LRCS we work all year round to support the challenging work of DSPs and value all they give to our community.

DSPs are on the front line of LRCS - directly supporting our most vulnerable population day in and day out, throughout the greater Lakes Region. They are asked to always maintain a positive approach while working in a career that includes an incredible range of duties and challenges, as well as offering the emotional rewards inherent in helping others.

While we have made tremendous strides in the field, there are still barriers and challenges that individuals experiencing an intellectual disability, an acquired brain disorder or physical disability

face every day. Access to their community, to living safely, to adequate transportation and housing, to finding employment and enjoying the same opportunities that living in the Lakes Region provides to the rest of us, presents a constant struggle. Thanks to DSPs - individuals and families do not face these challenges alone. DSPs stand side by side with them to access the community and push the limits to achieve better quality of life for everyone.

So we thank our DSP’s this week, we celebrate the profession to which they have been called, and we hope that their work and dedication to others is recognized not just here at LRCS, but throughout our community, all year long.

Thank you to the over two hundred DSP’s that we have working for LRCS. You make a difference!

Sincerely,

*Rebecca Bryant  
President & CEO  
Lakes Region Community Services*

### Thank you for supporting Laconia’s Multicultural Festival

To the Editor:

The 18th annual Laconia Multicultural Festival was a resounding success! The perfect weather set the stage for a day full of great music, food and celebration of diversity, culture and our various heritages. The thousands of attendees gathering in our downtown for this festival made for an exciting and rewarding day. The smiling, happy faces of all the people, of all ages, gathered at Rotary Park, the Belknap Mill and the City Hall parking lot thrilled us all!

Great events like this can only happen with the support of many sponsors, advertisers, committee members and volunteers. We cannot thank you all enough. We are so very grateful to our major sponsors, Laconia Human Relations Committee, Lakes Region Mental Health, our anonymous friend, and the Penny Pitou-Milo Pike Family Fund of the New Hampshire Charitable Foundation. To produce an event like this requires substantial funding. The Multicultural Festival recognizes, with gratitude, all of our program advertisers. To our many patrons and supporters of this wonderful event — our heartfelt thanks for your donations.

To all the volunteers who are there for us each year, as well as the many new volunteers that joined us this year, we salute you! A huge shout out to our “muscle,” the New England Wolves hockey team.

You made set up easy! To the helpers from the Belknap County House of Corrections, Dept. of Public Works, and Laconia Police & Fire Department, we thank you all! Our thanks go out to all the flag bearers led by our Mayor, Ed Engler, for kicking off the day with the colorful Parade of Flags! To the staff at the Belknap Mill, thank you so much for your hospitality. This building is truly a local treasure!

We hope everyone enjoyed the incredible, varied & diverse group of entertainers we had this year. Our sound engineers, Wayne & Kevin, rock! There wouldn’t be a festival without our great vendors and non-profit/service agency friends. Thank you all for participating. Finally, and most importantly — to all of you that attended, we so appreciate your continued support and encouragement of the Laconia Multicultural Festival. For more information about getting involved, check out our Web site: [laconia-multiculturalfestival.org](http://laconia-multiculturalfestival.org). Mark your calendars for next year’s date of Sept. 7! Again, thank you Lakes Region! Please follow us on Facebook and check our website for some great photos!

The thing about a nursing rehab home is, you get to meet some pretty nice people

By JOHN HARRIGAN  
COLUMNIST

There is a device, made of a piece of plastic and a piece of rope, for putting your socks on if this is a major challenge in your life. There probably is a professional name for this contraption, but I just call it my sock-putter-on'er. If only I owned the patent.

About two months ago, I disappeared from most people's radar screens, unable (or even unwilling) to answer e-mail. A detailed explanation for this isn't really necessary. Suffice to say that it involves a hip surgery gone terribly awry.

The sock device enables me to get my socks on without too much effort, and slide my feet into the warm embrace of a pair of moose-hide moccasins. Writing this column is sort of like that, as comfortable as an old shoe. It'll be good to slip back into it.

+++++

The lion's share of my obscurity was at Country Village in Lancaster, from which I emerged on Sept. 7. I now have been a guest at two of the North Country's major long-term care and rehabilitation facilities, and can say that the food and housing are pretty much the same.

What makes a place stand out it its people. At Country Village, there are dire situations all around, yet visiting and laughter abound. It is, to understate things, a good facility with a fine crew.

+++++

Long-term recuperation leaves you with three main sources of entertainment: television, books, and the company you keep. The usual cast of characters sought me out, Baker Bob chief among them. Their familiar faces peering around the doorway were a sight to gladden the heart.

Even a good book or two, plus magazines and the like, get tiring to hold, and anyway, you can read only so much. That leaves television--way too much television. To say that TV, particularly daytime TV, is a vast wasteland is a vast understatement, with apologies even to the word "wasteland." An item or two:

---Television programmers have cut the time between ads from a second or two to almost non-existence. This may well save up to several minutes of time that station owners can sell (think "squeezing a rock"), but it's a bit disconcerting to be watching a car ad one moment, and penguins in the Antarctic the next.

---Spiro Agnew's main attorney, Martin London, appeared on a

news show to liken the current White House situation to "rats leaving a sinking ship." This reminded me of that time so long ago, when five bells ringing in the Wire Room signaled the resignation of Richard Nixon. I took part in an interview with Agnew back when he was the Vice President, and I can still see him standing there, hair all slicked back and his demeanor and delivery as smooth as silk.

---Alaskans, I know, are thoroughly embarrassed by shows such as "Alaskan Bush People," and when asked what's wrong with this particular stripe of tripe don't know where to begin.

---Everything seems to be breathless "breaking news" these days, to the point where this has become a watered-down phrase and means next to nothing. And astute viewers may have noticed that producers

hardly ever say just where the latest disaster has occurred--so they can keep viewers hanging on into the next (or the next) "segment" (think ad dollars and ratings).

+++++

Back in the days when I was helping Rudy Shatney guide clients on a hunt, it wasn't unusual, of course, for someone to shoot and miss. We generally hunted thick cover, by the way, and for anyone to even get a crack at a deer was an occasion.

Often, we'd look for hair, on the off chance that a shot had scored. Shatney could tell you where any hair we found had come from---back, belly or legs.

Elder daughter Karen was taking me down to Dartmouth-Hitchcock the other day when two deer suddenly appeared smack in the middle of Interstate 91. She did an

excellent job with steering wheel and brakes, and avoided an accident I thought was inevitable.

It was close enough that I wanted to get out

and look for hair.

Liberty Is Our Motto! Songs and Stories of the Hutchinson Family Singers at the Gilmanton Historical Society

G I L M A N T O N — Join the Gilmanton Historical Society on Tuesday evening, September 25, for Songs and Stories of the Hutchinson Family Singers.

The year is 1876, and New Hampshire's

own John Hutchinson sings and tells about his famous musical family. From Milford, the Hutchinson Family Singers were among America's most notable musical entertainers of the mid-19th century. Steve Blunt performs

as John Hutchinson.

The program, at Old Town Hall on NH Route 140 in Gilmanton Iron Works, begins at 7:30 p.m. It is free and open to the public. This is the final program of the Society's 2018 summer series.

LRSO announces 2018-2019 Season

MEREDITH — The Meredith-based Lakes Region Symphony Orchestra (LRSO) is proud to announce its upcoming 2018-2019 season. Celebrating our 43rd year, the LRSO introduces its concert lineup beginning Saturday, Nov. 3rd at 7:30 p.m., at Inter-Lakes Auditorium in Meredith.

This season is filled with a variety of Classical and Popular classics sure to appeal to every taste. Thanks to you we had record-breaking attendance last season, and have new patrons every concert that marvel at the performance quality, musical variety, environment, and entertainment value. We take our music seriously, but perform with a hometown flair that is comfortable, familiar, and uplifting. We invite you to enjoy the experience of live orchestral music.

Our season opener on Nov. 3 features the winner of the LRSO's 2018 Student Concerto Competition, pianist Penny Brant from Phillips Exeter Academy, performing the first movement of "Piano Concerto No.1" by Edward Grieg. Also on the November program: "Peer Gynt Suite" (Grieg), "Finlandia" (Sibelius), "Variations on a Theme by Haydn" (Brahms), and "L'Arlesienne Suite No. 1" (Bizet).

Our dual holiday POPS concerts return on Saturday, Dec. 8 and Sunday, Dec. 9. You loved Seraphim Afflick as a soloist. You loved Michael Gallagan as our Sinatra crooner. You will adore them together! That's right -- Sera

LRSO 2018-2019 soloists (left to right): Penny Brant, Seraphim Afflick, Michael Gallagan, and Ashley Whalley.

season's holiday extravaganzas. Seraphim was our holiday soloist last year, and is a renowned theater performer, singer, actress, and Marilyn Monroe tribute artist. Gallagan has performed with the LRSO at our holiday concerts, and in our recent Sinatra tribute. Get tickets early. These performances will sell out.

On March 23, 2019 at Moultonborough Academy, we present Beethoven's triumphant "Symphony No. 9." Beethoven's illustrious masterwork, written when he was deaf, is one of the most celebrated works in all music literature. Known primarily for its finale "Ode to Joy" -- which is almost a mini-symphony unto itself -- this famous piece features the orchestra

with full chorus, including the Suncook Valley Chorale and four soloists. This audacious work will be performed at Moultonborough Academy.

LRSO ends its season with two fabulous concerts on May 18 and May 19, 2019 featuring some of the greatest hits of Barbra Streisand. Actress, dancer, and singer Ashley Whalley will delight you with her stylistic renditions from the Streisand songbook. Ashley is a Meredith resident you may know from her dynamic starring roles in multiple Inter-Lakes Summer Theatre productions including Cassie in "Chorus Line," Morticia in "The Addams Family," and as Evita in "Evita." Ashley also is the owner and principal chore-

ographer for her dance studio, The Studio at Meredith Bay.

Tickets are available now at [www.LRSO.org/tickets](http://www.LRSO.org/tickets) or by phone at 800-838-3006. Individual tickets are \$20 for adults and \$10 for students elementary through college-age with ID.

Save 25% with our \$60 discount season subscription -- four concerts for the price of three. Season tickets are available online at [www.LRSO.org/tickets](http://www.LRSO.org/tickets), or by mail (download the form on the ticket web page).

Ernest L. Burdick, Jr., 78

FRANKLIN — Ernest L. Burdick, Jr., 78, a Franklin resident for many years, died at his home in Tilton on Sept. 3, 2018 with his family by his side.

He was born in West-erly, R.I. on March 6, 1940, the son of Julia & Ernest Burdick, Sr. He enjoyed hunting, fishing, and anything outdoors.

Mr. Burdick worked at NH Bituminous for over 50 years in addition to a number of years for the City of Concord.

He leaves his wife of 56 years, Carol Burdick; a son, Robert

Burdick, Sr., and wife Nancy; a daughter, Barbara Patten; son William Burdick; son Ernest Burdick III and wife Judy; and daughter Bonnie Clark and husband Frank; 15 grandchildren and 19 great grandchildren.

He was pre-deceased by a brother, George

Burdick, and a grand-son, Brandon Burdick.

Visiting hours were held Sunday, Sept. 9, 2018 at Thibault-Neun Funeral Home, 143 Franklin St., Franklin, from 2-4 p.m. A grave-side service was held at Woodlawn Cemetery in Penacook on Monday, Sept. 10, 2018 at 11 a.m.

Donations in memo-ry of Mr. Burdick may be made to Franklin Animal Shelter, 19 Rescue Rd., Franklin, NH 03235.

FRANKLIN — Da-vid E. Fuller, 72, a life-long resident of Frank-lin, died at his home, Wednesday, Sept. 5, 2018 following a long period of failing health. His fami-ly was at his side.

David was born in Franklin, Sept. 12, 1945, son of the late, John H. and Helen M. (Thibo-deau) Fuller. He attend-ed Franklin schools and graduated from Tilton School, Class of 1963. He went on to study for his BA degree in Economics at the University of New Hampshire, but made the decision to enlist in the U.S. Army, serving from 1967 until 1970, as an engineering equip-ment mechanic. He served during the Viet-nam Conflict and was the recipient of several Vietnam medals and was a sharpshooter-M14 and Expert M16. He was dis-charged with the rank of SP5. After an additional year of service in Germa-ny, he returned to UNH.

David was employed for over 26 years at Concord Savings Bank, and was the Vice Presi-dent of Operations and Purchasing. He later worked part time at Ke-arsarge Marine, New England Boat and Motor Restoration, and the U.S. Postal Service as a rural route delivery postman. David was active with the Franklin Outing Club, Veterans Memo-rial Recreation Area,

Boy Scout Troop 61, and was a Board member and longtime member of the Franklin Targe-teers. Over the years, he became a talented mas-ter craftsman, including becoming a juried mem-ber of the League of New Hampshire Craftsman for his impressive Ken-tucky long rifles. David had so many varied in-terests and was always working on a project. Among those, he enjoyed playing and building banjos, ice boating, sailing, camping, and flying remote control airplanes. He and his wife enjoyed time with their red 1962 Corvette and Harley Davidson, as well as winters in Florida with family and friends. His proudest accomplishment was be-ing “Gramp” to his five grandchildren. When his oldest grandson be-gan playing in wooden bat baseball leagues, David started turning wooden baseball bats. These bats became known as “Gramp Bats,” and he became known as

the GB Legend. It was a true highlight of his life to attend the ball games and activities of his grandchildren.

David leaves his wife of 48 years, Mary Katha-rine (Gilchrist) Fuller of Franklin; his son, Rich-ard “Rick” G. Fuller of Franklin and his daugh-ter, Wendy K. Beaudet and her husband Rob of Franklin; grandchildren Teddy, Johnny, and Ellie Beaudet, and Cody and Carly Fuller; his sister, Susan J. Pope, and her husband Brian of Frank-lin; aunt, uncle, nieces, nephews, and cousins

A celebration of Da-vid’s life was held Mon-day, Sept. 10, 2018 from 5 to 7 p.m. at the William F. Smart Sr. Memorial Home, Franklin-Tilton Road (584 West Main St.) in Tilton, including an exhibit sharing pieces of his many talents. A graveside service with military honors was held Tuesday, Sept. 11, 2018 at 11:30 a.m. at the New Hampshire State Veter-ans Cemetery, 110 D. W. Highway in Boscawen, NH 03303.

David would prefer that flowers be omitted and donations in his name being made to the “Rope Tow Fund,” Franklin Outing Club, in care of James Jones, 51 Freedom Drive, Frank-lin, NH 03235.

Jeannette (Kus) Rucker, 87

FRANKLIN — Jean-nette Rucker, 87, a long-time resident of Frank-lin, died Friday, Sept. 7, 2018 following a period of failing health.

Jeannette was born in Cleveland, Ohio, Aug. 8, 1931, son of the late Frank and Eleanor (Du-plaga) Kus. She spent her youth and schooled in Old Lyme, Conn. Prior to moving to Frank-lin, she had resided in Sanbornton for several years.

Jeannette worked as a typesetter of many years with Tyler Press in La-conia, and later with Northern Telecom. She enlisted in the U. S. Navy and served 18 months during the Korean War, discharged as CTSN. She was the recipient of the National Defense Ser-vice Medal.

Jeannette was mar-ried to her late husband, Bibb Rucker in Honolu-lu, Hawaii. Her inter-ests included her crafts.

A soft spoken lady, Jeannette enjoyed shar-ing her many kindnes-ses to her special family and friends.

She was a faithful member of the Calva-ry Independent Baptist Church in Tilton.

She leaves her sons, Michael C. Rucker and his wife Debo-rah of Franklin, Ste-phen J. Rucker and his wife, Anne Marie of Car-michael, Calif. and Joel E. Rucker of Colches-ter, Conn.; grand and great-grandchildren; brothers, Theodore Kus and David Kus of Old

Lyme, Conn.; nieces and nephews.

Respecting Jean-nette’s wishes, there are no calling hours. A service will be held on Saturday, Sept. 15, 2018 at 11 a.m. at the Calva-ry Independent Bap-tist Church, 128 School St. in Tilton, with Dr. Chester Kulus, Pastor, officiating. Burial with military honors will be held following the ser-vice at 1 p.m. at the fam-ily lot in Franklin Ceme-tery, Thompson Park in Franklin.

Those wishing may make memorial contri-butions in Jeannette’s name to the Calvary Independent Baptist Church, P. O. Box 22, Til-ton, NH 03276.

Assisting with ar-rangements is the Wil-liam F. Smart Sr. Memo-rial Home of Tilton.

For more informa-tion, go to [www.smartfu-nerahome.com](http://www.smartfu-nerahome.com).

Arline Marion (Moulton) Shaw, 74

TILTON — Arline M. Shaw, 74, a lifelong resident of Tilton, died Wednesday, Sept. 5, 2018, at the Dartmouth-Hitch-cock Medical Center in Lebanon following a lengthy period of failing health.

Arline was born in Laconia, March 14, 1944, daughter of the late Al-bert Henry and Marion (Drouin) Moulton. She was a graduate of the Tilton-Northfield High School.

Arline worked for over 40 years with the Tilton School District as classroom aid, substi-tute teacher and foster grandparent at the San-bornton Kindergarten Class. She always found joy being around school children. She was proud to bring that joy by work-ing with young children in school and improving

their lives in a positive manner. She and her husband enjoyed va-cationing together and camping. In addition to her parents, Arline was predeceased by, sisters, Judy St. Louis and Bon-nie Simpson.

She leaves her hus-band of 55 years, Donald W. Shaw of Tilton; son Jason Shaw and his sig-nificant other, Theresa Thibeault of Belmont; daughter Kelly Clev-erland and her husband Chuck of Gilmanton;

grandchildren, Mariah and Mackenzi Clev-erland, Jason and Ian Shaw and Alexis Hein; sister, Marilyn Karaso-poulas and her husband Ted of Maine; nieces and nephews.

Assisting with ar-rangements is the Wil-liam F. Smart Sr. Memo-rial Home of Tilton.

Services and burial will be held at a later date when the family gathers. Burial will be held in the New Hampshire State Veterans Cemetery in Boscawen.

In lieu of flowers, do-nation in memory of Ar-line may be made to the New Hampshire Special Olympics, 650 Elm St., #200 Manchester, NH 03101.

# Franklin man sentenced to eight and a half years for methamphetamine trafficking

CONCORD — Brian R. Sanborn, 53, of Franklin, was sentenced to serve 102 months in federal prison for methamphetamine trafficking, said United States Attorney Scott W. Murray.

According to court documents and statements made in court, on Dec. 8, 2017, the New Hampshire State Police executed a search warrant at Sanborn’s residence in Franklin and located approximately 17 grams of nearly pure methamphetamine in the basement of the house. On the same day, Sanborn, who previously had been convicted of felonies, possessed seven firearms, including four revolvers, two shotguns, and an SKS rifle.

Sanborn previously pleaded guilty to possession of methamphetamine with intent to distribute on May 15.

“Methamphetamine is a dangerous drug that is appearing with increasing frequency in the Granite State,” said U.S. Attorney Murray. “In order to protect the public, we will work closely with our law enforcement partners to identify and prosecute methamphetamine traffickers, particular those who endanger the community by possessing firearms while engaging in the drug trade. I want to thank the law enforcement officers whose efforts stopped this individual’s criminal activities.”

This matter was investigated by the New Hampshire State Police, Franklin Police Department, DEA, and ATF. The case was prosecuted by Assistant U.S. Attorneys John S. Davis and Shane B. Kelbley.

## OBITUARY

### Mark (Mooch) Kenneth Stevens, 51

BELMONT — Mark Stevens, 51, of Belmont, passed away unexpectedly from a heart attack on Sunday, Sept. 2, 2018.

He was born in Concord on March 14, 1967, to Alan and Rosemary (Maloney) Stevens. He grew up in the White Park neighborhood and being an active kid, was always involved in sports, ranging from Little League baseball, to hockey in the Concord Youth Hockey League.

Once, when he was young, he charged his sister’s friend a quarter to put her half-eaten candy bar in the freezer, then when she wanted him to get it back, he demanded another twenty-five cents, only to return with the empty wrapper. For this he was given the nickname Mooch, and this name stuck with him his whole life.

He attended Bishop Brady High School, where he continued to play hockey and joined the football team. He was part of the team that won the state championship and, in 1985, was nominated to the NHIAA Division III All-State Football team as a nose guard, even though he only weighed 140 pounds. He got a lot from his time at Bishop Brady, but easily the most important thing coming from his time there was he met the love of his life, Suzanne Shaw. They both fell in love immediately and were inseparable. They graduated in 1985, attended Plymouth State College together and, in 1995, they were married. Together they had two sons, Connor and Derek, who were without a doubt his pride and joy.

Having a wide variety of talent and an incredible work ethic, Mark was employed at a number of different companies over the years, working for a long time at Pitco Frialator in Bow, and most recently LSNE in Manchester. But work was never the most important thing in his life. Mooch’s true passion was always his family, constantly putting his wife and children ahead of everything else. He enjoyed spending as much time as he could with them, whether it was playing golf with his sons or spending time with his wife at their favorite place, York Beach in Maine. He also spent many years coaching his sons’ various youth sports teams. Drawing from his own experience as a young athlete, he was a wealth

of knowledge for the many organizations he worked with and served as a role model to all the kids he coached.

Mooch could be a role model to adults as well. An avid New England sports fan and Patriots season ticket holder for many years, he applied his love for football to the Capital City Football League, his fantasy football league that he participated in with his friends for close to 20 years. Here he acted as the league’s commissioner, organizing and regulating the game, often solving disputes between grown men who were probably acting more like children than they cared to admit. Any one of them would tell you that he was the reason the league lasted as long as it has.

The irony of his nickname is that he wasn’t a “Mooch” at all, in fact he was just the opposite. Mooch gave so much of himself to those he loved and cared about. He was an extraordinary human being, liked by everyone he met. He had a great sense of humor, loved to laugh and make others laugh as well, and wherever he went, he touched people’s lives with his infectious smile and kind heart. When times were tough, he seemed to get stronger pushing through adversity all the while caring for those he loved.

He probably believed he was an ordinary man, but he truly was the epitome of what a good man should be. His greatness cannot be summed up in this short summary of his life, rather it would take years to write his biography, to capture all he was to so many people. But one fact is certain, if we could all be just a little more like him, the world would be a much better place.

Mark was pre-deceased by his mother, Rosemary (Maloney) Stevens, and his father, Alan Bruce Stevens.

He is survived by his high school sweetheart and soulmate, Suzanne (Shaw) Stevens, and his two sons, Connor and Derek Stevens, who are his pride and joy. Mark is also survived by his siblings, Kim Benton and husband Sam of

Concord, Lynn Blanchette and husband Peter of Canterbury, and Bill Stevens and wife Denise of Loudon. Mark is also survived by his father-in-law, David Shaw of North Carolina; his mother-in-law, Linda Shaw of Laconia; and brother-in-law Kevin Shaw and wife Lisa of South Carolina. Mark was adored by several nieces and nephews, Justin, Molly and Ashley Blanchette; Tyler and Brady Benton; Josh and Ryan Stevens; and Tianna Shaw. They all considered Uncle Mooch to be their favorite uncle. He will be dearly missed by all and never forgotten.

Calling hours will be held on Friday, Sept. 14, 2018, from 4 – 8 p.m., at Bennett Funeral Home, 209 N. Main St., Concord. A memorial service will be held on Saturday, Sept. 15, 2018, at 11 a.m., also at Bennett Funeral Home. Following the service, a reception will be held in Mark’s honor at Beaver Meadow Golf Course, 1 Beaver Meadow Dr., Concord.

In lieu of flowers, donations in Mark’s name may be made to the Belmont High School Basketball Program, Belmont High School, 255 Seavey Rd., Belmont, NH 03220.

# Local artists featured in Veterans Home exhibit

TILTON — The New Hampshire Veterans’ Home in Tilton will be hosting an art exhibit on Wednesday, Sept. 26 from 10 a.m. until 4 p.m. Featured will be the artists of VynnArt Gallery in Meredith, who have collaborated with the Meredith Historical Society to create “Postcards from the Past.” Also featured

will be art work from various veterans that reside at the Veterans Home. This event is free and open to the public. Refreshments will be provided from 10 a.m.-noon.

“Postcards from the Past” is part of Meredith’s 250th celebration. Artists of VynnArt selected old Meredith postcards or

photographs and were asked to interpret the images. This was a challenge as many of the postcards and photographs were in black and white.

There will also be artist painting throughout the day. Everyone is welcome to observe the artists. Please come and enjoy the exhibits!

ichinia. New Hampshire uses a threshold of 70,000 cells per milliliter of lake water as a guideline for posting advisories or lake warnings for recreational exposure to cyanobacteria. Nearshore conditions appeared to be layered with green filamentous algae that were surfacing and accumulating along the shorelines. However, overall water conditions contained the varieties of cyanobacteria reported here. As a result, the New Hampshire Department of Environmental Services (NHDES) has issued a cyanobacteria lake warning for those who use the waterbody for recreation. It is advised to look out for accumulations in other areas of the lake, coves or shorelines. Please continue to monitor your individual shorelines for changing conditions.

Cyanobacteria are natural components of water bodies worldwide, but blooms and surface scums may form when excess nutrients are available to the water. Some cyanobacteria produce toxins that are stored within the cells but released upon cell death. Toxins can cause both acute and chronic health effects that range in severity. Acute health effects include irritation of skin and mucous membranes, tingling, numbness, nausea, vomiting, seizures and diarrhea. Chronic effects include liver and central nervous system damage.  
The warning went into effect on Sept. 7, and will remain in effect until additional samples reveal cyanobacteria levels have diminished.

Visit the NHDES Beach Program website for photos and more information about cyanobacteria at <https://www.des.nh.gov/organization/divisions/water/wmb/beaches/index.htm>.  
Updates on advisories and warnings may be obtained at <http://www4.des.state.nh.us/WaterShedBeachMaps/WaterShedBeachMaps.aspx>.  
Follow the Beaches twitter feed: <https://twitter.com/NHDESBeaches>.

If you notice anything resembling cyanobacteria, please refrain from wading, swimming, or drinking the water. Keep all pets out of the water and contact NHDES immediately. Please call NHDES to report a cyanobacteria bloom at 848-8094.

phone call, and definitely not a message over social media,” Mann said in his press release.  
Most of all, he added, the IRS will not ask someone to purchase a prepaid card from a nearby store to make any payment on overdue taxes.  
According to the IRS, the scheme begins when scammers obtain a taxpayer’s personal information and file a fake tax return, requesting the refund be deposited into the victim’s bank account. A call to that victim is then made

with the scammer posing as a representative of the IRS, demanding repayment in the amount of the refund. As part of their tactic, they often threaten people with criminal fraud, an arrest warrant or to “blacklist” their Social Security Number.  
Mann cautions anyone who receives a phone message that states, “Time sensitive and urgent ... we found that there was a fraud and misconduct on your tax, which you are hiding from the federal government. This needs to be rectified immedi-

ately, so please return the call as soon as you receive this message.” They should not return the call, he said, but contact the IRS directly at 1-800-829-1040; businesses are asked to report the matter to 1-800-829-4933.  
People should also be wary of purported IRS calls and/or emails claiming they owe money to the federal government. The IRS does not call individuals about tax matters nor do they send emails that are not solicited from the taxpayer. All suspicious emails stating they are

from the IRS should be forwarded to [phishing@irs.gov](mailto:phishing@irs.gov).  
Anyone who believes they have become a victim of identity theft or tax fraud is urged to report the matter to the Treasury Inspector General for Tax Administration. The IRS also has detailed instructions available for those who receive what is believed to be a fraudulent tax refund, explaining how the money should be returned. For that and more information on tax returns please visit [www.treasury.gov/tigta](http://www.treasury.gov/tigta).

Joe Jesseman.  
Pat Consentino shared her praise for the administrator she has worked beside for a decade as well.  
“She’s been a very special lady to me; an amazing mentor. Joyce has been our backbone. The light at the end of the tunnel,” Consentino said. “On behalf of [the board], we are going to miss her terribly.”  
Selectman Katherine Dawson, the longest standing member of the board, said Fulweiler came to the town during turbulent times back in 2007 but managed to maintain a positive attitude and kept the town moving forward.  
“She came on with compassion and got us all on the straight and narrow, and we never even noticed,” said Dawson.

separates the two towns (Northfield and Tilton),” said Norton. “I worked with her in both towns and she was an amazing force of positivity, moving things forward even in the face of negativity some times, and I thank her for that.”  
Others who stepped up to praise her were former selectmen, commissioners and committee members, and friends from both sides of the Winnepesaukee River.  
Kathi Mitchell of the Tilton Conservation Commission had some fun with a special presentation for Fulweiler though, handing her items she could enjoy during retirement. Among them were mints to remind her she is “worth a mint” to the community, marbles to replace the ones she might have lost in the course of her job, and toothpicks so she can now “pick and choose” what she does during the day.

(Top) Last Thursday evening, Tilton selectmen each took a turn in thanking Town Administrator Joyce Fulweiler during her retirement party at Island Park.

(Bottom) Tilton Police Chief Robert Cormier gave Town Administrator Joyce Fulweiler a big hug as he presented her with a special plaque and Certificate of Appreciation at her retirement party at Island Park last Thursday evening.

Besides her many duties for the town, Fulweiler, who lives in Northfield, was also a huge supporter of the Winnepesaukee River Trail that runs through Tilton, Northfield and Franklin, and Jon Scanlon, the current chair of the Tilton Board of Selectmen, also heaped praise on her for those efforts as well.  
“She brought a cheerful face to all who came in, but one of the dearest things to my heart here is the river and the trail, and Joyce was very instrumental in that,” he said.  
Rick Silverstone of the Winnepesaukee River Trail Association said he couldn’t let Fulweiler get away without a thank you and Ken Norton, who worked to keep the river available to kayakers and other whitewater enthusiasts, also took a moment at the microphone to thank her.  
“Some think the river

Finally, Tilton Police Chief Robert Cormier took a moment to thank her as well.  
“Joyce and I came in together (as town employees) and to have had Joyce on Speed Dial has been a blessing,” he said.  
He then presented her with a Certificate of Appreciation and a plaque from Tilton Police Department, complete with an official TPD shoulder patch, expressing their gratitude for all she has done over the past 11 years.  
At the end of the night though, the one person who was actually looking forward to her upcoming retirement was her husband Tom Fulweiler.  
“I’m looking forward to finally spending more time with her,” he said with a smile.

# Join Lakes Region Community Developers' Third Annual Putt Putt fundraiser

BELMONT — Lakes Region Community Developers (LRCD) is hosting their 3rd Annual Putt-Putt Tournament on Saturday, Sept. 29 from 10 a.m. to 2 p.m.! Thanks to this year's sponsor, Meredith Village Savings Bank, this event will be held at Pirate's Cove Winnisquam.

Lakes Region Community Developers has proudly provided 341 affordable apartments around the Lakes Region, enabling more than 2,000 Lakes Region residents to live and thrive in their past 25 years of operation. Healthy homes are safe, affordable, and energy efficient. LRCD builds healthy homes so that everyone can afford a nice place to live in the Lakes Region.

For just \$100, you and your team of four get to play 18 holes of mini-golf, enjoy lunch catered by the Common Man, and participate in a raffle with lots of great prizes!

If you cannot attend this family-friendly event, you can still support this critical LRCD fundraiser by sponsoring a team for one of LRCD's tenant families. For some families, a day of mini-golf and lunch out is just too expensive. Your \$100 sponsorship makes it possible for one of our families to enjoy a fun day out together, which is important for family bonding and making lasting memories.

All proceeds from this fundraiser go directly to LRCD's resident services like; transitional services, housing for homeless families and their camp scholarship program.

Registration is limited to the first 144 paid registrants, with registration starting at 10 a.m. The format is a four-person team, but if you do not have more people to sign up with, we will match you with other individuals, so you can still be in on all the fun. Prizes will be awarded to the top three teams!

Teams and/or individuals can sign up by going to [www.lrcommunitydevelopers.org](http://www.lrcommunitydevelopers.org) or check out their Facebook page that will then bring you to an Eventbrite page to register and purchase tickets.

For more information on single player registration or a donation, please contact Caitlin Meaney at 524-0747, ext. 108 or at [cmeaney@lrcommunitydevelopers.org](mailto:cmeaney@lrcommunitydevelopers.org).

Lakes Region Community Developers creates opportunities for the Lakes Region to thrive by developing healthy homes, creating vibrant community assets, and engaging residents.

We are a proud member of HOMEteam, which provides first-time home-buyer education and financial counseling to hundreds of New Hampshire families every year.

We were founded in 1988 as the Laconia Area Community Land Trust. For the past 25 years, we have developed high-quality, affordable rental housing throughout the Lakes Region. We currently own and operate a \$46 million real estate portfolio comprising 341 affordable apartments in Ashland, Laconia, Meredith, Tilton, and Wolfeboro.

We also operate a four-unit transitional housing program for homeless families. These families stay with us for approximately 18 months while they focus on securing stable employment and permanent housing.

Today, in addition to building affordable rental housing, we are working to develop other types of real estate that respond to local community needs. This includes affordable, single-family homes for sale; mixed-income multi-family rental properties; and community facilities for child care, health care, and workforce development.

In addition, we are increasing our capacity for community building and engagement. As we deepen our relationships with our tenants and their neighbors through public safety and neighborhood improvement initiatives, we will coordinate mentorship and training opportunities to help residents achieve their goals for financial mobility and meaningful participation in civic life.

## LRPC Principal Planner receives governor's appointment to LCHIP board

MEREDITH — Susan Slack, Lakes Region Planning Commission's Principal Planner, has received a Governor and Council appointment to the NH Land and Community Heritage Investment Program (LCHIP) Board of Directors.

The LCHIP is a vitally important source of funding for land and heritage programs throughout the state. In 2017, four projects were funded in Lakes Region municipalities: \$57,727 to the Belmont Conservation Commission, \$10,500 for the Burleigh cottage in Franklin, \$202,000 for the Belknap Mill in Laconia, and \$10,000 for the Model Railroad Museum in Wolfeboro.

Prior to joining the staff of the Lakes Region Planning Commission (LRPC) in December 2017, Slack served as Principal Planner at the New Hampshire Office of Energy and Planning (now Office of Strategic Initiatives). She received her law degree from the UNH School of Law (formerly Franklin Pierce Law Center) and was a member of the legal staff at the New Hampshire Municipal Association for 10 years before becoming a private practice attorney focusing on municipal and land use law. She serves as Effingham's Town Moderator, and was a founder of the Green Mountain Conservation Group in the Ossipee watershed and is a member of its board of directors.

Slack currently provides land use, transportation, watershed management, and hazard mitigation planning services to the LRPC's 30 member communities. Susan can be reached by calling LRPC's office at 279-8171 or visiting LRPC's Web site at [www.lakesrpc.org](http://www.lakesrpc.org).

## Football Golden Eagles off to 2-0 start

BY BOB MARTIN  
Bob@Salmonpress.news

GILFORD — The Gilford/Belmont football team is off to a great start this fall with a 2-0 record, including a come from behind win over Pembroke and another solid win over Merrimack Valley.

On Aug. 31, the Golden Eagles came out on top 21-20 in a rollercoaster ride of a game that had Gilford/Belmont winning in the final seconds on a Patrick Carr field goal.

It was the first ever home game under the lights thanks to MB Tractor, who donated the lighting structures for the evening. Coach Josh Marzahl was happy with the win, but knows that it could have very well been a loss for the team.

Pembroke took a 6-0 lead after one quarter due to some early miscues including an interception in the first quarter that gave Pembroke great field position. It led to an 18-yard touchdown run for Pembroke and the early lead.

In the second quarter, another interception by quarterback Alex Cheek led to Pembroke driving downfield for another score to make it 12-0 at halftime.

Marzahl was not pleased with the first

half, saying the Golden Eagles made mistakes early and couldn't capitalize in the red zone. The second half was a different story, however after Matt Thurber recovered a fumble early in the third quarter to swing momentum. With about 7:10 remaining in the third quarter, Cheek ran the ball in for a score to make it 12-6, as the two-point conversion failed.

Gilford/Belmont then

had a defensive stop led by Jon Mitchell and Zach Cobis, and the Golden Eagles got the ball back in good field position. Cheek hit Curtis Nelson for a 25-yard gain and Gilford/Belmont was in striking distance for another score. With about 3:28 left in the third quarter, Cheek scrambled and toss a six-yard

touchdown pass to Carr to tie up the game 12-12.

With 1:16 left in the third quarter, freshman Josh Merriam picked off a deep pass and Gilford/Belmont suddenly had full momentum. Cheek put together a solid drive covering 50 yards where he hit multiple receivers to march down the field. With 8:03 left in the

game, Cheek threw an eight-yard touchdown pass to Thurber for the go ahead touchdown, making it an 18-12 game.

However, Pembroke answered back just minutes later with a long touchdown pass play to tie the game at 18-18. Pembroke then took the lead with a two-point conversion.

In the final minutes, Cheek marched the Golden Eagles down the field once again, but the team couldn't put it together in the red zone. The Golden Eagle defense had a great defensive stop to give Gilford/Belmont a last chance with a minute left. Cheek tossed a pass

## Soccer Bears score first win

BY BOB MARTIN  
Bob@Salmonpress.news

TILTON — The Winnisquam soccer team got its first win of the season last week in a 6-2 victory over arch rival Franklin High School in front of a home crowd.

Leading the charge for the Bears was Pat Welch who had a hat trick and an assist. Hunter Hinxman also had a solid day with a goal and an assist. Calvin Dodge added a pair of goals and Eric Young

had two assists.

Franklin's Jacob Weaver provided all of the scoring with two goals.

"I thought Winnisquam played really well this game," said Winnisquam coach Jacob

Bodah. "We were able to possess the ball, find feet, find runs, and applied a high rate of pressure. Patrick Welch, who led in scoring, played an exceptional game and was able to

# Raider net girls looking to get in the win column

**BY BOB MARTIN**  
Bob@Salmonpress.news

**BELMONT** — The Belmont volleyball team has struggled with an 0-2 record to open this season with a pair of losses to Winnisquam and Prospect Mountain.

Winnisquam beat Belmont by scores of 25-18, 25-16 and 25-16. Coach Adam Gaulin said the team needs to work on their ebb and flow and defensive coverage, but he said he felt the team actually played well against the defending champions.

On Sept. 7 the Red Raiders lost to Prospect Mountain with Belmont coming away with one 25-21 win in the second set. Other scores in favor of Prospect Mountain were 25-18, 25-21 and 25-16.

“Our team battled through some adversity and a couple injuries to key players during the games,” said Gaulin. “Throughout the match we had nine total aces, led by senior Chantelle Martin with three.

**Margaret Witham taps the ball over the net against Prospect Mountain.**

We had 15 total kills lead by another senior Arianna Janosz with seven. We also had a total of nine blocks led by seniors Jenny Joyce and Chantelle Martin both with three apiece.

Junior Rebecca Camire had 12 assists as well.”

Belmont took on Moultonborough and Trinity after deadline. Next up is an away game against Franklin at 6:15 p.m. on Sept. 17.

## Belmont soccer teams continue strong play

**BY BOB MARTIN**  
Bob@Salmonpress.news

**BELMONT** — The season is still very young, but Belmont boys’ soccer is off to an incredible start where the Red Raiders are 4-0 and have outscored opponents 27-0.

Last week the Red Raiders hosted Newfound and dominated in a 9-0 win. Griffin Embree led the way with three goals and an as-

sist. Nate Sottak had a pair of goals and other goals came from Nolan Gagnon, Evan Cochran, Mike Sprague and Jake Brown. Lucas Mathieu and Zach Ennis had a pair of assists each. Jake Deware had six saves in the shutout win.

“It was 2-0 at the half and Belmont was able to put the ball in the net all throughout the second half,” said Coach Mike Foley.

Belmont then took the long bus ride to Berlin on Friday, but all that travel time didn’t seem to faze the Red Raiders as the team came away with a 6-0 victory. Sottak had two goals and two assists, leading the scoring charge for the day. Mathieu had a goal and an assist in the win. Other goals were by Cochran, Gagnon and Colby Brown. Deware had three saves and stopped

a late game penalty kick to hold onto the shutout.

Foley went into the season with high hopes and so far he has been very pleased with the effort and production put forth by his team.

“We have played excellent defense so far and look to continue this Friday at Inter-Lakes at 4 p.m.,” Foley said.

## Bear field hockey splits a pair

**BY BOB MARTIN**  
Bob@Salmonpress.news

**TILTON** — It was an up and down week for the Winnisquam field hockey team, who had a blowout 10-0 win against rival Franklin followed by being shut out 4-0 by Hopkinton.

On Sept. 5, the Bears hosted Franklin and dominated from the beginning. It was 5-0 after the first half, with coach Erin Cayer saying the offensive line held their ground and kept the ball

in Franklin’s defensive circle.

Franklin had a couple of breakaway opportunities, but they were met with a “fierce and determined” defensive unit including seniors Jasmine Gove and goalie Jessica Lee. Freshman Kaitlyn Carey had a great day stopping balls that came her direction and completing transitions that had the Franklin defense on their heels. The Winnisquam midfielders worked hard

to make plays and find lanes to move the ball.

Cayer said the team did well setting the tone and keeping the heat on Franklin the whole time. Maddie House and Hannah Max each had three goals to lead the offense. Carey had two goals, as well as fellow freshman Kelsey Rotonelli. Freshman Emma Griffin had a goal, as well.

Assists came from House, Eveline Auger, Maddie Gilbert and Lexi

Poole.

“This year’s focus is building a strong team through sportsmanship and positivity,” Cayer said. “Today, the girls communicated as one team, played as one team an ended with a score that they can be proud of. The girls’ task was to work for what you want. They wanted a win and they made sure they worked together to get the job done. They know their work is far from

## Edward Jones: Financial Focus

### How Can Life Insurance Help You?

You may not be aware of it, but September is Life Insurance Awareness Month. Of course, you probably recognize, at least in a general sense, the importance of life insurance, but do you know the various ways in which it can help you?

Life insurance can play a sizable role in your ability to achieve some important financial goals, such as these:

**Helping your family maintain its lifestyle** – If you are married and have young children at home, you and your spouse may need to

work. If you were no longer around and your earnings were gone, could your family still afford to live as they do now? Adequate life insurance can help them preserve their lifestyle.

**Helping your children continue their education** – Even if you weren’t planning to foot the entire bill for your children’s college education, you still might be doing what you can, such as contributing to a 529 education savings plan. If your income was lost, could your family still afford to continue these contributions? With enough

life insurance, you can improve the chances that your children will at least get some financial help for college or vocational training.

**Helping your survivors pay off debts** – Are all your debts paid off? If not, you could be leaving your family on the hook for some of them, such as credit cards and car loans – not to mention your mortgage. Also, as uncomfortable as it may be to consider it, funeral and burial costs can easily run into the thousands. The proceeds of your life insurance policy can help pay down debts,

handle your final expenses – and relieve your family of costly burdens.

**Helping your spouse build resources for retirement** – It’s almost impossible for most of us to save too much for retirement. Your spouse may already have some retirement accounts, such as a 401(k) and an IRA, but will these be enough to sustain a long retirement? Through life insurance, you can potentially add significant amounts to your spouse’s retirement assets.

As we’ve seen, you can ac-

complish a lot with life insurance. But how much do you need?

If you want the appropriate amount of coverage, you should consider a variety of factors. How much do you earn? How much does your spouse earn? How many children do you have? How old are they? How much do you owe on your home? By answering these and other, similar questions, you can arrive at a coverage level that’s suitable for your needs. Also, keep in mind that those needs will change – for example, if your children are

grown and you’ve downsized your living arrangements, you may require less insurance than at earlier times in your life.

Life Insurance Awareness Month is a good time to remind yourself of the importance of insurance and of the need to own the correct amount. So, review your coverage soon – after all, you can’t predict the future, but you can still prepare for it.

# Champs open with two wins

**BY BOB MARTIN**  
Bob@Salmonpress.news

**TILTON** — The Winnisquam volleyball team started its Division 3 state title defense last week with convincing wins over Belmont and Fall Mountain by scores of 3-0.

On Sept. 5, Winnisquam beat Belmont by scores of 25-17, 25-16 and 25-16 for the sweep. Gabby Isabelle led the way with 21 kills and seven digs. Shannon Goodwin, last year's co-player of the year, had five kills and 10 digs. Olivia Dill had 26 assists and two digs. Aubrey St. Onge had nine digs and six assists. Alli Foster had six kills and four blocks. Sarah Seymour had two kills and five digs.

"Nice opening win in a very hot gym," coach Mike Livernois said. "Need to work on keeping our intensity consistent."

On Friday, Winnisquam had an easy time with Fall Mountain

with wins of 25-6, 25-5 and 25-14. Winnisquam had an incredible 23 aces in the win.

Goodwin had nine kills and two aces. Isabelle had six kills and two aces. Dill ended with 15 assists in the win. Hannah Blackburn had nine aces and four digs. Becca Perrson has five aces.

Livernois said he is happy to start off with wins, but it is tough to tell where the team

stands. The Bears are still adjusting to a new setter, as last year's co-player of the year Talia DeBlasie moved away in the offseason.

"It is a matter of getting confident as a group and maintaining the intensity," said Livernois. "We haven't really been pushed yet but Wednesday at Inter-Lakes should be tough because they will make it a statement match. I think Shannon

and Gabby are a lethal one-two punch and we serve really well, but we need to work on overall floor play. If we do that I think we will be fine."

## Magic Blades skate swap is Sept. 17

**TILTON** — Registration is now open for Magic Blades Figure Skating Club of Tilton. With three six-week sessions, there's room for everyone of every age and ability.

Lessons will begin Monday, Sept. 24, at 6 p.m. at the Tilton School Ice Arena. Skaters are divided into levels based

on skill, and each skater has a 30-minute group lesson and 30 minutes of practice ice. Parents of the youngest beginners are welcome to join their skater during free-skate time.

Each six-week session is \$80, but family and multiple session discounts are available. Discounts are automat-

ically applied when you register online.

Because the Tilton School does not have skate rentals, the club offers a limited amount of good used skates available for purchase or seasonal rental. Inquire with the club about sizes, and show up Sept 17 to try on skates between 4:30 and 6 p.m. to assist

with skates and online registration.

Magic Blades is one of more than 1,000 clubs sanctioned by US Figure Skating's "Learn to Skate USA" program. Membership includes a skill book and badges earned for each level from Snowplow Sam 1 (ages 3-6) to Freestyle 6 (advanced skaters).

This year the club is planning to repeat its holiday performance in December that is free to the public. For more information, see the registration page at "magicblades.org" or e-mail information@magicblades.org.

against Fall Mountain and came away with a 1-0 win in overtime.

Coach Mark Dawalga said the Belmont squad controlled the game throughout, but he commended the Fall Mountain goalkeeper for her strong work in goal with

18 saves. It took an overtime goal by Sierra Bourque at eight minutes into the first overtime to win the game. It was assisted by freshman Kailey Gerbig.

"With multiple scoring chances in regulation time it took a quick throw in from Kailey

Gerbig to Rebecca Fleming, with Rebecca making a great cross on a nice back side run to Sierra Bourque to beat the Fall Mountain keeper for the game winner," Dawalga said. "It was a game we really controlled tempo. It really took a great play at the end to beat the Fall

Mountain keeper who really played well. Very proud of the girls overall effort today."

The Hopkinton game was a different story with the Bears struggling to maintain communication. Cayer commended the defensive play by Gove, Carey and Maddie Genier. She also

said Lee had a strong game in goal.

"The girls have determine what and how we will improve and I'm confident in their ability to come back together and redeem themselves," said Cayer. "These are all struggles that come with rebuilding a program and a new coaching staff."

to Carr to get the Golden Eagles closer, and then he dumped off a pass to running back Blake Descoteaux, who got to the 11-yard line with 1.8 seconds left.

Carr then came up huge with a dramatic game winning 27-yard field goal to give the Golden Eagles an opening night win.

Cheek had 268 yards on the day with a pair of throwing touchdowns and one rushing touchdown. Carr had seven catches for 80 yards and a touchdown. Cobis had 11 tackles including three for losses. Mitchell had 11 tackles and an interception.

"At the end of the day the team was able to get the job done," said Marzahl. "It was an exciting atmosphere and I couldn't imagine a better ending for our first ever home night game. We have a lot of work to do going forward but the team earned the right to enjoy this win and celebrate their hard work. It was just a great night for the community."

On Sept. 8, Gilford/Belmont traveled to Merrimack Valley and won 20-7 and improved to 2-0.

Merrimack Valley drove downfield and

scored the first touchdown of the game on the opening drive thanks to a 20 yard touchdown and a successful point after attempt.

However, on the following kick return, Ethan Roy scampered his way down the field to the Merrimack Valley four yard line. Descoteaux scored on a four-yard touchdown run and this was the beginning of the end for Merrimack Valley.

The next scoring drive was a 90-yard romp downfield for the Gilford/Belmont squad, which was finished off with a six-yard touchdown pass from Cheek to Descoteaux.

It was 13-7 after two quarters and the second half was a defensive battle for both sides. Neither team scored until early in the fourth quarter when Nelson caught a short pass from Cheek for a 29-yard score to

The defense had a strong day, led by Mitchell who had an amazing 17 tackles. Cobis had eight tackles.

Cheek was solid, going nine for 14 with 140 yards passing. Descoteaux was a workhorse, carrying the ball 27 times for 119 yards.

"The defense put the team on their backs today and led the way to the win," said Marzahl. "Anytime you have a middle linebacker capable 17 tackles, like Jon

Mitchell had, you know that you're defense had a good day. He took the dive and inside run game away from MV, which allowed the defense to get their stops. The offense was able to do enough to get the win and really grind out some long possessions shortening the game. It was a great team effort and I was proud of each player and coach."

**Alexandria, NH -** Charming cape on 3 hilltop acres offering breathtaking views of Cardigan Mountain Range. Open concept floor plan with a nicely appointed kitchen which open to the dining room and living room with a stunning brick fireplace. Upstairs is a generously sized sleeping loft and the spacious area off the kitchen (currently used as a craft room) would make a lovely master bedroom. The walkout basement is mostly finished offering additional living space.  
**MLS # 4717099 | \$199,900**

**Ossipee, NH -** This corner end unit condo enjoys beach access to Ossipee Lake. The condo features a large master suite with whirlpool tub, a 2nd good sized bedroom and a sleeping loft. The remodeled finished basement currently being used for recreation could be used as another bedroom. The kitchen cabinets are currently being replaced and the selling is providing a \$3,000 allowance towards countertops and an \$1,800 allowance towards carpeting. This is a great buy!

Sadly our mixed-Jack Russell  
terriers need a new, loving home.  
They are older, fifteen and  
seventeen, but livelier than dogs half  
their age. Healthy, they have some  
stiffness. Phoebe loves to fetch,  
while Rocky prefers keep-away. Both  
are curious, smart, and attentive,  
and great little heat sources on a  
chilly night. Though indoor dogs,  
they do not, mix well with other  
animals, so must be the only pets in  
the house. If you are the special  
person who could take them, or  
know someone who might be able  
to, please call 603-323-8353.

# Winnisquam football rolls in season opener

**BY BOB MARTIN**  
Bob@Salmonpress.news

TILTON — The Winnisquam football team struggled most of last season to put points on the board, but the Bears appear to be ready to get back to winning ways, as the team kicked off this fall with a 39-7 victory over Farmington-Nute.

The Bears led 6-0 after one quarter thanks to a 10-yard run by quarterback Phil Nichols with 2:30 left in the quarter. The team dominated in the second quarter, scoring three times and taking a 26-7 lead into halftime.

It was 13-0 after an 11 yard pass from Nichols to Gunnar Horman. This stemmed from a fumble recovery followed by the team marching downfield.

The score became 19-0 after another touchdown

COURTESY

Quarterback Phil Nichols had a great opening game for Winnisquam, scoring twice through the air and twice on the ground. run by Nichols, this time yard run to make it 26-0. Farmington-Nute scored on a 30-yard touchdown

pass when the Bears had trouble with their pass coverage.

In the third quarter Nichols continued his strong day with a 26-yard touchdown pass to Horman to make it 33-7. Brycen Wiles finished off the scoring with 1:13 left in the third quarter with a five-yard touchdown run to make it 39-7.

Nichols ended the day with an 11 for 13 showing and 220 yards. He had two touchdown passes and two rushing touchdowns in a good all-around day. Nichols

had three rushes for 74 yards and also led the team with six tackles.

“It was a really good day for Phil,” said coach Pat Riberdy. “It was really impressive.”

The leading receiver was Garret Mango with three catches for 112 yards on the day. Glover led the rushing with 14 carries for 116 yards, to go along with a touchdown. Wiles had nine rushes for 48 yards and a touchdown.

Defensively, Horman and Chaz Hibbert had fumble recoveries in the

win.

Riberdy was very pleased with the win and said it was a huge morale boost for a team that struggled last season, but has been used to winning ways in the past.

“This team has something about them,” said Riberdy. “They are a good bonded team and want to win. They are young but the mix of the seniors and sophomores is exciting. They want to be part of something big.”

capitalize on many of his chances. Hunter Hinxman, Eric Young, Trevor Gray controlled the ball well in the center field and found targets thank to runs by Sam Wood and Calvin Dodge.”

On Sept. 7, Winnisquam couldn’t find an answer for Bishop Brady and took a 4-0 loss at home. Bishop Brady’s Thomas Daly gave the Bears trouble with a pair of goals in

the game, but the score may be a bit misleading to how Winnisquam played in the loss.

It was a tie game at the half until the wheels fell off for the Bears. Bodah said it was a standout game for freshman defender Lucas Robdau, who he said is growing quickly and learning how to be more involved in the offense.

Bodah remained optimistic in the team following the loss.

“Winnisquam played

a dominant first half creating many scoring chances but unfortunately we were unable to find the back of the net,” said Bodah. “Bishop Brady responded back in the second half scoring four goals. We can see what we need to work on, and will continue to make growth.”

The Bears traveled to Sanborn on Sept. 11 after deadline. Next for Winnisquam is a home game against Mascoma Valley on Sept. 14.
