

Tilton and Northfield celebrate summer at Old Home Day

BY DONNA RHODES

drhodes@salmonpress.news

NORTHFIELD A dedicated group of volunteers worked all winter to put events together for the annual Tilton-Northfield Old Home Day, and on Saturday, Mother Nature did her part as well when skies cleared and folks of all ages came out to enjoy this year's "Community Beach Bash."

The day began with the D.A.R.E. 5K road race and the Fun Race for young athletes. Once that event was completed, residents then lined the streets of both towns for the parade that wound its way from Union-Sanborn Elementary School, down Main Street in Tilton, back over the bridge into

Northfield. From there, it headed out along Park Street to The Pines, where a day filled with activities awaited one and all.

Special guests in this year's parade included Northfield's 2017 Citizens of the Year, Rob and Nancy Steady, and Tilton's Citizens of the Year, Chuck and Lisa

From the mini-bikes of the Bektash Shriners to the antique cars and colorful regalia of the Knights of Columbus, marching groups from youth organizations and large floats from local businesses, the parade was a colorful sight to behold this year. In the spirit of the beach theme, many wore leis, SEE CELEBRATE, PAGE A15

Emma and Seth enjoyed meeting the horses before the horse pulling competition got underway at the Tilton-Northfield Old Home Day celebration last Saturday.

Two deserving couples honored as Citizens of the Year

BY DONNA RHODES drhodes@salmonpress.news

NORTHFIELD — Before weekend festivities got underway last weekend, the Tilton-Northfield Old Home Day Committee honored the 2017 Citizens of the Year in a surprise ceremony at the Pines Community Center in Northfield.

This year, it was all about couples who have made a difference in their individual towns. Rob and Terry Ann Steady were selected for the distinction from the Town of Northfield and Chuck and Lisa Drew were this year's designees from the Town of Tilton.

Old Home Day Vice President Deb Shepard emceed the ceremonies,

and first introduced the Northfield's surprise honorees.

Ron Steady began his service to Northfield in 1972 as a Library Trustee. In 1976, he was elected as a selectman and held that title until approximately 1982. Throughout the years he further served as a Police Commissioner, Welfare Administrator, chairman of the Community Block Development Advisorv Committee and helped acquire the land for the Southwick School. Steady was also on the Sewer Commission, and the Arch Park Commission. Spreading his time to other regional endeavors, he served on the New Hampshire SEE CITIZENS, PAGE A15

Ice cream social gets Make A Wish supporters fired up for Rafting for Wishes fundraiser

drhodes@salmonpress.news

TILTON — Make-A-Wish New Hampshire Foundation held an ice cream social at Tilton AutoServ last Thursday evening as a prelude to their Rafting for Wishes event, which will be held on Lake Winnipesaukee's Meredith Bay from July 21-22 as a major fundraiser for the nonprofit organization. The weekend will include fun activities, food and fireworks for the public to enjoy as well.

As part of the Rafting for Wishes fundraiser, boys and girls who are battling life-changing illnesses are paired with teams of volunteers from state and local groups who help raise money to

Armed only with her keen wit and sharpeyed determination, she knows that her family is doing what they believe to be best when they take her to Rosalind House, an assisted living facility. But Anna has a secret: she does not plan on staying. She also knows there's just one another resident who is her age, Luke. What she does not expect is the love that blossoms between her and Luke even as she resists her new life. As her disease steals more and more of her memory, Anna fights to hold on to what she knows, including her relationship with Luke. - Eve Bennett, suddenly thrust into the role of single mother to her bright and vivacious seven-year-old daughter, finds herself putting her culinary training to use at Rosalind house. When she meets Anna and Luke, she is moved by the bond the pair has forged. But when a tragic incident leads Anna's and Luke's families to separate them, Eve finds herself questioning what she is willing to risk to help them. Eve has her own secrets, and her own desperate circumstances that raise the stakes even higher. -With huge heart, humor, and a compassionate understanding of human nature, Sally Hepworth delivers a page-turning novel about the power of love to grow and endure even when faced with the most devastating of obstacles. "Summertime Fun" in Belmont Saturday, Aug. 12

BELMONT — Belmont Old Home Day is less than two months away, and we've got an exciting line up of entertainment for you! With the theme of "Summertime Fun", this would be a fantastic time to organize family unions and show your creativity by entering a float in the parade. Saturday, Aug. 12, will feature the

live music of Tyler Road a wonderful challenge, Band on the bandstand during the day and the B Street Bombers up at Bryant Field before the fireworks.

To start our celebration, the First Baptist Church will host delicious Pancake Breakfast under the Tioga Pavilion on Mill Street. Our 49th annual 10-Mile Road Race is so start training now for the back road scenic course. Registration forms for that race, as well as our Tioga Fun Run, are available at Belmont Town Hall or on the town Web site at www.belmontnh.org. You may also register the day of the event. The popular Pedal Tractor Pull for

kids between the ages of three and eight years old will kick off the children's activities at 10 am. Cheer on the young "farmers" as they pull their load across the parking lot near the bandstand. We will also be offering a free climbing wall during the day and evening activities.

With the general theme of "Summertime Fun," ideas for parade floats should be easy to come by as we live in a region that promotes beaches, boating, ice cream, gardening, etc. Get some friends or co-workers together and start planning now. Being a part of the grand parade is always so exciting! Stop by Belmont Town Hall to obtain a parade form or print one from the Web site. If you are a food vendor or crafter, contact Gretta Olson-Wilder, Special Events Coordinator, at 998-3525 or events@belmontnh.org to inquire about space.

The Belmont Fire Department will be offer-

BBQ in the early evening. Inquire at Belmont Fire Department for ticket information. There will also be plenty of food options up at Bryant Field on Route 106 during our evening activities. Don't forget your blanket or lawn chairs and enjoy the wonderful sounds of the B Street Bombers before the spectacular fireworks. If you have any questions regarding our Aug. 12 celebration, or if you would like to support Old Home Day with an advertisement in our program book, contact Gretta Olson-Wilder at 998-3525.

Comics workshop at the Belmont Library

BELMONT — The Belmont Library is hosting Marek Bennett's Comics Workshop for ages eight and up on Thursday, July 6 from 1-4 p.m. at the Belmont Mill. Using only blank pages, pencils, ink, and four basic "building blocks" of stories, we'll craft dynamic characters and rich settings, and bring them to life in comics panels, strips, and pages. We'll also look at how artists and authors use peer feedback to improve their work, and how to supplement our new worlds with helpful maps, splash pages, and more. This interactive workshop builds literacy skills, hones powers of imagination, shares complex project organization and self-publishing techniques, and helps young artists collaborate, appreciate, and support the work of

Marek Bennett

their neighbors. Participants each create one or more pages of original comics, and go home with the skills necessarv to continue creating comics all summer long. No experience required – everyone can draw comics!

New Hampshire-based cartoonist, musician, and educator Marek Bennett leads discovery-based Comics Workshops for all ages throughout New England and the world beyond! His comics work includes his latest book, "The Civil War

Diary of Freeman Colby," the local history webcomic "LIVE FREE AND DRAW!" the graphic novel travel memoir, "SLOVAKIA: in the Heart of Europe," numerous community-specific mini-comics projects (such as serving as the Official Cartoonist of New Hampshire's Weeks Centennial), the long-running Xeric Award-winning weekly newspaper strip "Mimi's Doughnuts," and more. Marek's educational programs incorporate sequential narrative cartooning techniques & music into community-based projects that explore and develop participants' sense of history, culture, and individual & collective identities. Artists of all ages, backgrounds, abilities discover their own unique capacities

for storytelling, performance, and communication as they contribute to projects and presentations in workshopdiscussion-based events. Through focused webcomics like "LIVE FREE AND DRAW!" and "COF-FEE+DUMPLING+KO-MIKS," Bennett shares his own experiences of travel, research, and community with a wider audience of readers and contributors.

The Belmont Public Library is open six days a week and any time at www.belmontpubliclibrary.org, serving the community with books, digital resources, and cultural programming. For more information, contact:

STRATEGIES FOR LIVING

BY LARRY SCOTT

John passed away last evening. After a long, lingering illness, John and his family knew death was imminent and the inevitable happened; John (and I write of no "John" in particular) was gone.

Everything he has done now lies behind him. The principles he lived by, his standards of ethics and morality, the objectives that drove him as he developed his life's meaning, the high, the low and the ugly are all a matter of the past. Forgotten are those special moments in his life ... the day he and the love of his life dedicated themselves to share life's up's and down's together ... the first time he held his new daughter in his hands ... the battles he won and those he lost ... all now lay behind him.

The time had finally come and he was now in no position to influence the outcome. The die was cast during those many years he had opportunity to choose what was right and, indeed, what was wrong. It was time to "pay the piper" and face the consequences of the life he had lived. One would think that with death imminent religious issues would have surely been a part of the conversation, but not so. John had given little thought to God and Jesus Christ was but an historical figure in Whom he had no interest. He was always too busy, and life was too good to worry about all of that. Live and be happy! That was his motto!

I am always amazed at how easy it is to ignore the God Who has given us a simple set of guidelines and offered His help to make each of us the best that we can be. The New Testament book of Hebrews tells us that God "is a rewarder of those who diligently seek Him." Our God is no man's debtor; He never takes more than He gives in return. And yet for many, God does not factor in any way in the issues of their life – and death. They leave all of that to "those religious types," but as for them, they don't need God. Thank you very much!

That, however, does not change reality. There is life after death. If we walk with God in this life, we shall enjoy His presence in eternity, and that is heaven no matter how you picture it; if we live without God in this life, we are going to spend eternity apart from him, and that is hell, no matter how you picture it.

And to think that our "John" would willingly turn his back on God is to me unbelievable. Life as a Christian is no downer. I am nearing the end of my journey and my life has left me profoundly satisfied. I am at peace, content with my station in life. And, as if that were not enough, there is light at the end of my tunnel, a future of unimaginable happiness! And, please, don't misunderstand. I am neither bragging nor complaining; I am just profoundly grateful! The Bible has become my guide and Jesus Christ has been invited to be the Lord of my life, and I rest confident: heaven awaits!

PET OF THE WEEK

Most scooped up quickly once we at New Hampshire Humane Society have rehabilitated them and placed them on the Adoption Floor. Grover, an abandoned Laconia stray was in particularly rough shape suffering from the scrapes and results of fisticuffs on the

streets by other cats.

He had to have been an owned cat at some point in his life, but ended up fending for himself – which is not something most former housecats can adopt to very well. Poor Grover, he arrived under police escort with horribly matted fur, and injuries from trying to defend

himself outside. His long black and white fur was just a mess, matted and filthy. So disheveled was he that the best bet was to give him a 'kitty makeover', the so called Lion Cut, thus freeing him from that mantle of bedragglement, allowing him to grow a new luxuriant coat.

Grover is affection personified. He'd love to be your confidante, he will keep your secrets. Given his harrowing road experiences, he'd rather not share a home with a dog, or other cats, but he is big enough to totally fill your heart with love and your home with feline companionship.

June is ADOPT A SHELTER CAT Month! Our man Grover is the fourth in the series of showcased cats we'd love to see in permanent loving homes. Come and visit this big boy today www.nhhumane.org for more details.

GROVER

LETTERS TO THE EDITOR

Budget passes and you get high utility costs

To the Editor:

This is the 19th of my reports to the voters of Hill and Franklin on what is happening in Concord. This last week was filled with budget issues. With the legislative year coming to a close I will continue writing to you but on a series of topics that I believe will interest you.

The New Hampshire budget, as I predicted, passed, but on a partisan vote. It started as the Governor's budget...spending was cut some by the House but failed to be approved.... Spending was cut more by the Senate and the Committee of Conference reduced spending again. This wasn't because the Republicans are heartless; it was because there are not the revenues necessary to do more. It fully supports what we can afford and puts some money in our severely depleted rainy day fund. I was disappointed that it could not garner Democratic support but they decided against supporting anything "Republican," including what the Governor wanted. All this in the desire that Gov. Sununu will fail and not be reelected. However, as with President Trump this is not going to happen while the Democrat party driven by the hard left is spiraling into insignificance. They are letting Elizabeth Warren and Bernie Sanders steal their party's heart. They can do better by returning to the John Kennedy type of Democrat.

On another note, Senate Bill 129 passed, and is on its way to the Governor, along with increased utility costs for businesses and ratepayers like you. It was a bill that promotes solar and biomass (wet wood) generated electricity. It subsidizes these "renewable" sources by mandating the utility companies purchase a certain percentage of electricity from these sources. Sounds good, but they are forced to purchase from you at retail prices rather than the

wholesale prices they use to purchase other energy sources, like natural gas. But don't worry, the utility companies are allowed to pass the extra cost on to you. The utility companies are happy while your pocketbook suffers. The solar, wind, and wet wood suppliers are happy because their uneconomical product has a guaranteed customer. Some of the cost is hidden as a set aside for low income customers, but that is just a smoke screen.

What's the problem and solution? Remove all the subsidies for all energy related ideas and sources. Is there any wonder why New England, and New Hampshire in particular, has the highest rates in the country? This is something that we have to address rather than passing the buck on for someone else to solve.

Oh, and by the way, don't be fooled by the repeal of the Electrical Consumptions Tax. It is just a feel good so you wouldn't be as concerned about the renewable subsidies. Don't let them pull the wool over your eyes. It amounts to a minuscule amount in comparison the solar and wet wood subsidy.

As I said in the beginning of the letter, the Legislature concluded the work of this term last week. Activities will begin again in October. There are a few bills we will study over the summer, but our work load will be much lighter. Please contact me if you have any thoughts by email at dave@sanbornhall. net or you may call me at 320-9524 with your comments or if you just want to talk.

Cheers!

North Country Notebook

In a railroad family, you always try to find any excuse to take the train

By John Harrigan COLUMNIST

On Sundays, like most families, we call around to exchange news, and in consideration of the Sands of Time, reassure ourselves as to who's still on the right side of the sod.

My father's brother, Uncle Carl, is 93---a World War II vet---and lives in an assisted living community between Portland (Maine) and the sea. We call each other more than just on Sundays, and each call is special in its own way. Sometimes we talk about

The Lisbon railroad station back in its heyday, probably around the 1920s.

circuses.

On this particular week talk turned to railroading. Carl's father, my grandfather George C. Harrigan, of Lisbon, was a 47-year man for the Boston & Maine, beginning as a track worker ("gandydancer," in the parlance of the times) and ending up as a section foreman, quite a step up in the day.

Railroading came up because my uncle, whom I call Uncle Fudd, had a visitor that day, the son of a visiting therapist. This boy's father com-

mutes to Boston each day, and of course, being an inveterate railroad guy (I've taken trains all over the continent, and the world), I asked Uncle Fudd whether he commuted on the justly famed Downeaster. "I don't know," was the answer, but I'll bet he'll find out between that call and the next.

ridden I've Downeaster several times. It is clean, quiet, fast (80 m.p.h.), smooth, and most always on time. There must be hidden problems, but I can't

The Lisbon station now, its life preserved by a dedicated consortium of area citizens. My grandfather Carl laid some of the tracks, ca. 1948, recently torn up in the foreground.

fathom why anyone who commutes from Portland to Boston doesn't go by train, thereby avoiding (a) the hassle of driving, which in this age of declining road manners and safety rules can be pure hell on wheels, and (b) parking fees, which in Boston can be out of

On the train the seats are spacious, to say the least, and you can get up and move about, say, to the Snack Car. and can sit in a booth with a table and spread out your newspaper, or work at your seat with a folddown tray and free wi-fi.

Well, okay, there's the cost of riding the Downeaster on a regular basis. The train's "commuter fee" promotes itself as from anywhere from \$6 to \$29 each way. That's a pretty wide stretch. Try finding out exactly what the "commuter fare" from Portland to Boston is. Good luck.

But wait! There's More! I actually found it---not on the Downeaster site, but by calling Julie, Amtrack's prettydamned-good automated answering system.

You can get a 30-day Portland-Boston muter special for \$299, round-trip. That's about \$10 per day. No way can you drive for that, considering gas, tolls and

So what's the rub? The time. It takes the train about two and a half hours, versus a driving time at about an hour and 45 minutes. That's because of the Downeaster's ten station stops. But that's a 45-minute difference.

But then if you drive, how much time does it take to park, and walk,

or take public transportation or a cab?

All of which is part of why I decided, about 40 years ago, not to pursue a job offer from the Boston Globe. I'd have spent half my working time trying to find ways to vacation or do stories up where I've actually been living and writing for half a century, and counting.

This was while I was working for the Nashua Telegraph. At just about decision time, I heard Joe Green in the WBZ Copter doing a traffic report, featuring a jampacked Storrow Drive and a pileup on the Alewife Parkway. That pretty much did it.

But were we? With my Uncle Fudd, and his young friend at Village Crossing.

If I were this kid's Dad, and had to commute from Portland to Boston every single stinking day, like a rat going back and forth to the dump, I'd budget the extra 45 minutes into the daily slog---and to try feeling like a human being, take the train.

MARK ON THE MARKETS

Tax diversification with benefits

BY MARK PATTERSON

Most of us would agree diversification is a good thing as it relates to our investment mix but also as it relates to our income as we approach retirement. In all likelihood the tax code will change during our lifetime, so the ability to switch from least to most tax advantaged income sources as possible is a worthwhile goal.

Tax free income can come in the form of a Roth IRA. You would not have had a deduction from taxes when you put the money in and likely would have paid tax on that income when received, but then the money could grow and after 59 and a half could provide tax-free income. While this is a great tool for retirement savings, it is not without limitations.

The maximum that you can contribute depends on your modified adjusted gross income. The Roth like other retirement vehicles does not allow, without penalty, for a withdrawal before 59 and a half under most circumstances. But what if there was a way to save for retirement that would not limit how much you could save annually while providing tax-free growth and future tax-free income? There is a financial tool that has been used for many years, but has recently, for a host of reasons, come back into vogue. That financial tool is maximum-funded life insurance.

For certain clients, this can be a powerful tool to amass income that can later be loaned back to yourself, tax free through the loan provisions of the policy. The insurance company uses the death benefit as collateral against the loan. Loans prior to 59 and a half are not penalizes as with qualified plans. These loans also may not affect Social Security benefits.

For clients near retirement or in retirement, assets accumulated may be used for legacy planning.

Structuring a policy to focus on accumulation as opposed to face amount or death benefit will often times increase the accumulation of cash to be distributed as a

Because everyone's circumstances are different, life insurance as a financial tool may be exactly what you were looking for, but may not have considered it because of radio and TV personalities that try to convince their audience that anything other than "term" insurance is not good. You must also qualify medically, but if you do there are a bunch

of other "living benefits" that are available with many of these policies.

Reviewing some of the better companies Indexed Universal life policies, I have discovered that many IUL's have a better IRR or Internal rate of return than some mutual funds net of fee's plus a death benefit to your heirs!

To paraphrase Darwin; It is not the fittest or strongest that will survive, it will those who can adapt to change. Life insurance is an asset class that should not be ignored.

have worked in the past must be reviewed with an open mind towards changes for the better in a changing environment. Tax rates and policy will continue to change, we must find ways of mitigating these increases.

Wayne Stanton Jackson, Sr., 78

FRANKLIN — Wayne S. Jackson Sr., 78, a resident of Franklin for over 45 years, died Sunday, June 25, 2017 at the Franklin Regional Hospital following a long period of failing health.

Wayne was born in Medford, Mass. March 24, 1939, son of the late Theodore and Julia (Brown) Jackson. He was brought up in Sharon, Mass.

He enlisted in the U. S. Navy, serving with the rank of

AN, and was involved with aviation maintenance and support aboard ship, as well as electronics training. He served honorably from 1957 to 1959, transferring to the Reserves.

Wayne lived for a time in Henniker, mov-

from Massachusetts, before becoming a resident of Franklin.

Wayne was a long distance tractor trailer driver, and traveled the country for many years. He enjoyed traveling, the outdoors, and spend-

ing time on the water fishing and yard work at his home. He always looked forward to the deer approaching while he worked in his garden.

He leaves his wife of 57 years, Barbara A. (Lonergan) Jackson of Franklin; daughter Laura Jackson Gaudette and husband Randy of Sanbornton; sons Wayne S. Jackson, Jr. and his wife Wanda of Franklin, Michael G. Jackson of Hereford, Az., Gregory A. Jackson and his partner Amanda of Manchester, and Todd W. Jackson and his wife Tara of Sutton. Wayne was a devoted grandfather to Eric, Kariann, Kelsey, Kaitlin, Gregory, Bryanna, Brian, Abigail, Brandon and Garrett, and a loving great grandfather to Joey, brothers Joel, Roderick, Gary and Stephen, sisters Judith Sanders, Marilyn Lombard, Carol Jackson, Donna Panagopoulos and Cynthia Jilson, all of Massachu-

Following through with Wayne's wishes, there are no calling hours planned. A gathering for honors will be held Thursday, June 29, 2017 at 11 a.m. at the New Hampshire State Veterans Cemetery, 110 Daniel Webster Highway in Boscawen.

Assisting the family is the William F. Smart Sr. Memorial Home of Tilton.

In lieu of flowers, memorial contributions in Wayne's name may be made to the New Hampshire Veteran's Cemetery Association, Inc, P. O. Box 626, Concord, NH 03302-0626.

"My joints ache"

LRVNA offers tips on how to deal with arthritis

REGION — Arthritis is a painful and degenerative condition marked by inflammation in the joints that cause stiffness and pain. Approximately 50 million Americans have some form of arthritis or a related disease. There are two main kinds, osteo and rheumatoid, both which affect the join in different ways. Osteoarthritis is when the cartilage between the bones wear down, until the bone grates on bone. Rheumatoid is caused by an autoimmune disorder that causes inflammation of the synovial membrane (a soft tissue that protects joints in the body) and that can lead to bone loss. Whichever you experience, there are many ways to manage your arthritis, here are some tips and helpful remedies that you can

-Do some gentle exercise - Exercise is vital for those who suffer from any form of stiffness, joint pain or arthritis. Exercise will help control weight, strengthen the muscles that support joints and even lubricate the joints allowing them to move more freely. Try going for a brisk walk. Start with 15 minutes and work your way up into a solid daily routine.

-Get some rest - Sleep can restore your energy so you can better cope with the pain. It can also rest your joints to reduce the pain and swelling. A short nap can store your energy and spirits.

-Get a massage- Massages may improve pain and stiffness. It is important to make sure your massage therapist knows you have arthritis and where. Massages increase blood flow

and bring warmth to the sore areas.

The LRVNA can assist with in-home therapies and although osteoarthritis and rheumatoid arthritis may never go away and can disrupt your lifestyle. Light exercise and treatments certainly can help manage the condition.

To receive special health tips and notices about flu clinics and health screenings, you are invited to sign-up for the free LRVNA "Nurses Care" email newsletter program by visiting www.LRVNA.org. Franklin Farmer's Market makes healthy local foods more accessible

FRANKLIN — Franklin Regional Hospital is excited to once again host a weekly Summer Farmer's Market in collaboration with the Franklin Healthy Eating Active Living (HEAL) Coalition. Join local food vendors on the lawn at FRH on Tuesday afternoons from 3-6 p.m., beginning Tuesday, June 27 and continuing through Sept. 12.

Encouraging healthy lifestyles of community residents is the focus of the market and shoppers will get to enjoy locally-grown produce and other goods in an easily accessible location. The market will also be accepting debit, credit, and SNAP/EBT payments for purchases. Through a partnership with the Merrimack County

Conservation District's Granite State Market Match program, SNAP benefits will be matched up to twenty dollars per week per shopper. Double SNAP dollars can be used towards the redemption of free fruits and vegetables!

Also this year, free round trip bus transportation to the market from scheduled Franklin locations as well as any Franklin address. This is being made possible with a grant from Franklin Savings Bank and a partnership with the Belknap-Merrimack County Community Action Program (BM-CAP). Franklin bus stops will include City Hall, the Woods Apartment Complex, and Senior Haven East at Damy Drive.

Eating a wide variety

of fruits, vegetables, and lean protein sources are essential to a healthy body and mind. Stop by Franklin Regional Hospital on Tuesday afternoons this summer for the freshest, most delicious local food!

For more information or a bus route schedule, please call 934-2060, ext. 8369 or visit our Facebook page at "Franklin Farmer's Market"

Electrical and plumbing apprenticeship classes offered

LACONIA — Laconia Adult Education is offering Electrical and Plumb-Apprenticeship Classes starting on Monday, Sept. 11 and Wednesday, Sept. 13. The classes will meet on two nights per week from 6-9 p.m. for a total of six classroom hours of instruction per week, explained Chris Ennis, Program Director. All classes are held at Laconia High School. This is a four year program and years I - IV are offered in the Electrical and Plumbing trades.

The Electrical and

Plumbing Apprenticeship classes are the pre-requisites required for anyone desiring to become a licensed electrician or plumber in the State of New Hampshire. In order to become eligible to take the Journeymen's Exam, an apprentice must have completed 8,000 hours of "on-the-job" training and 600 hours of related classroom instruction over a four year period in a State approved program. There is a charge for these classes of \$975 per year and the books

are included in this fee.

The Electrician's "on-the-job" training involves planning layouts, installing and repairing wiring and electrical fixtures, apparatus and control equipment. The apprentice learns about current electrical codes and safety as a focus of the classes.

The Plumber's "onthe-job" training covers but is not limited to assembling, installing, and repairing pipes, fittings and fixtures of heating, water, and drainage systems according to specifications and plumbing codes. Learning how to read blueprints and plans along with safety and international plumbing codes are the focus of the classes.

The economy is beginning to turn around and Electrical and Plumbing Employers are seeking apprentices for employment in the trades.

For more information please call the Laconia Adult Education Office at 524-5712 or stop by the Adult Education Office located in Room #805 at Laconia High School.

Edward Jones: Financial Focus Declare Your Financial Independence Day

We're getting close to the Fourth of July, when we celebrate the freedoms we enjoy in this country. The U.S. constitution grants us many of these liberties, but we have to earn others such as our financial freedom. What steps can

For starters, always work to build your resources. Contribute as much as you can afford to your IRA and your 401(k) or other employer-sponsored retirement plan. At a minimum, put in enough to earn your employer's matching contribution, if one is offered. If you don't take advantage of this match, you are essentially leaving money on the table.

you take to achieve the financial independence

you need to reach your long-term goals?

While how much you invest is an essential factor in gaining your financial freedom, how you invest your money is equally important. So make sure you have sufficient growth potential in all your accounts. While growth-oriented investments, such as stocks and stock-based vehicles, carry investment risk, you can help moderate this risk by also including other investments, such as bonds.

Another way to gain your financial independence is to liberate yourself from the shackles of debt. This isn't always easy, of course - most of us have experienced times when our cash flow simply wasn't sufficient to meet our expenses, so we had to take on some type of debt, either through a credit card or a loan. But the more you can control your debts, the more money you'll have to save and invest for your future.

One way to manage your debt load is to build an emergency fund, containing three to six months' worth of living expenses, which you by your local Edward Jones Financial Advisor.

can use to pay unexpected costs such as a major car repair or a large medical bill. Ideally, you should keep this money in a liquid, low-risk account, so you can access the funds quickly and without penalty. Aside from possibly helping you control your debts, an emergency fund also may enable you to avoid dipping into your longterm investments to pay for short-term needs.

Thus far, we've only discussed achieving your financial freedom through methods of saving and investing. But you also need to consider your protection needs, too. If you were to become ill or suffer a serious injury, and you could not work for a while, your financial security could be jeopardized. Your employer might offer you disability insurance as an employee benefit, but it may not be enough for your needs, so you might need to purchase some additional coverage on your own. And to help ensure your family's financial security, you'll also need sufficient life insurance.

You also might want to protect yourself from the catastrophic costs of long-term care, such as an extended nursing home stay. The average annual cost for a private room in a nursing home is more than \$92,000, according to the 2016 Cost of Care Study issued by the insurance company Genworth. And Medicare

generally covers only a small percentage of these expenses. You may want to consult with a financial professional to learn about ways you can protect yourself from the long-term care burden.

By following these suggestions, you can go a long way toward declaring your own financial independence. Consider taking action soon. This article was written by Edward Iones for use

One Light Theatre presents "Moon Over Buffalo"

TILTON — Join One Light Theatre for another riotous comedy, as once again they bring a collaborative cast of community members and professionals to the stage. "Moon Over Buffalo" follows the trajectory of a family of actors performing repertory theatre in Buffalo, N.Y. who are suddenly given a chance to impress a Hollywood director. Charlotte Hay (Heather Young) is thrilled for a chance at making their big break, but her husband George (Bo Guyer) throws wrench after wrench into the plan through a series of

The cast brings back many familiar names in this season's professional company—Matthew McGinnis (Ethel), Owen Thomas (Richard), Jack Harding (Howard), and Heather Hunt (Eileen) and also features One Light company manager David Sheehy (Paul) and marketing director Ashley Hanson (Rosalind.) The leading roles will be filled by two talented figures from the Lakes Region community.

Bo Guyer of Laconia is no stranger to the role of George Hay – he's portrayed the character three times at various local theaters. For many

years Bo has been an active member of the New Hampshire theatre community. He is also a member of the four man vocal group The Rockin Daddios.

Heather Young—Director and Head Teacher at The Red Oak Montessori School in Franklin-holds a BA in Theater from the University of Maine, Orono (1993), a New Hampshire Teacher's Certificate K-6 (2016), and a Masters of Education from Plymouth State University. After a 17-year hiatus from theatre, Heather returned to the stage in the spring of 2016 as the Baker's Wife in Winnisquam

production of I"nto the Woods."

"Moon Over Buffalo" will run from July 21-23 and 28-30 at Tilton School's Hamilton Hall. Join One Light Theatre for a wild evening full of love triangles, mistaken identities, and Irish cof-

LRCC student art on exhibit

TILTON — Two students from Lakes Region Community College have the honor of presenting a sample of their work in a mini show at the Lakes Region Art Association Art Gallery, located in the Tanger Outlets, 120 Laconia Rd., Suite 132 in Tilton. On display now until Thursday, July 27 are the works of sisters Hannah and Leah Cheney from Webster.

Leah and Hannah, seniors at LRCC, are showing works from painting and drawing courses they took in their freshman year at the school.

"Both girls are working towards their Associates in Fine Art and show great promise and passion in their work," said instructor and LRCC Fine Arts Program Coordinator, Liz Wilson. "It's great for students to have a place to show their art and we thank the Lakes Region Art Association for this opportunity."

More student shows will be planned for the future.

The Fine Arts program at Lakes Region Community College offers a solid foundation of drawing, figure study, 2-D and 3-D design, and art history, plus additional studio courses such as painting, printmaking, sculpture, and ceramics. The new Introduction to Art Education course gives budding art and classroom teachers a strong underpinning with which to build their career. Also, offered throughout the year are a number of short-term workshops, programs and events for students and faculty, and exhibits.

Also on exhibit at the Gallery is the "Around the Lakes" Art Show. For this show, Lakes Region Art Association artists capture the beauty of the Lakes Region in original works of art. From lake scenes and mountain views to forest hiking trails and New England architecture, 34 local artists catch the splendor and charm of the area. Over 68 pieces of original works in oils, water-

to the event will provide the opportunity to make a child smile.

"All of the children who are partnered with Rafting for Wishes groups have already had their wishes granted but they'll be out there that weekend to support the people and volunteers who make wishes come true," said Blanchard.

She added that Make-A-Wish grants as many as 80-90 special wishes for New Hampshire children each year and the overall goal of this year's rafting event is to raise \$100,000 to help make even more wishes come true in the future.

Emily (Emma as she prefers to be called) is one teen who has not only been granted a wish but was recently crowned "Miss Amazing" at the

Special Olympics New Hampshire pageant in Laconia. Hailing from Center Harbor, Emma will now represent the state at the national "Miss Amazing" competition in Chicago next month, but first she will cheer on her many local Make-A-Wish friends.

A veteran of the Rafting for Wishes event, Emma had plenty of hugs for old friends at last week's social, like Make-A-Wish veteran volunteer, Chip Baron of Gilford. Baron is once again part of the N.H. State Police rafting team and over the past 10 years has also helped bring Make-A-Wish kids to New Hampshire Motor Speedway for an up close look at the sport of auto racing.

As he received a big hug from Emma on Thursday, he said with a smile, "How do you not

do this?"

New Hampshire State Trooper Bill Wright is also part of the team and, like Baron, he, too, has volunteered with Make-A-Wish for nearly a decade.

"It's something I love to do. The kids get to meet the race car drivers, and we all have a great day. It's pretty special," Wright said.

Cheering on the State Police rafting team this year will be their partner, 15-year-old Matthew from Gilford, who has been diagnosed with Osteogenesis imperfecta ("Brittle Bone" disease). Matthew dreams of being a puppeteer and through Make-A-Wish he not only enjoyed the amusement parks at Disney World, but also got to take part in a special puppet school. His mom Taryn explained that Make-A-Wish generously provided Matthew with the chance to work with the Fichelee Puppets in Orlando and it was an opportunity he will never forget.

"They really showed him the ropes. He got to make his own puppet and even got to make a movie with them. It was incredible," she said.

Taryn said her entire experience with Make-A-Wish has been truly positive over the years. Not only did her son enjoy the trip of a lifetime, she has also met and made friends with other families who are dealing with childhood health issues.

"We're not all going through the same thing with our kids, but we can share feelings and experiences that benefit us all and that's been very helpful," she said.

For the first time in 2017, Better Homes and Gardens Real Estate agency, also known as Team Masiello, has jumped onboard to join Rafting for Wishes. Last week, a few members of the team got to meet their 10-year-old partner Ally of Concord who is battling Neuroblastoma, a cancer that affects cells within the nervous sys-

Ally's wish a few years ago was to simply have a playhouse in her backyard so Make-A-Wish volunteers built her a playhouse that would exceed any child's dreams.

"It's two stories high and about the size of a one-car garage," Ally's mom said. "It has a slide, a balcony, and it's fully furnished. It's amazing!"

Employees Sheryl, Wanda's Wanda and daughter Neveah represented Team Masiello at the ice cream social where they got to meet the young gal who will cheer them on while they occupy a lake raft to show their support for Make-A-Wish.

"Our team will probably be doing this in shifts but we're looking forward to it because it's all for a really good cause. This is all about the kids," said Wanda.

Rafting for Wishes will begin at noon on July 21 and the 30-hour

event will include a number of great activities at Hesky Park in Meredith for both the teams and the public to enjoy as well. At 4 p.m. that day, there will be Rafting Team Games that spectators can witness as well as live entertainment and music at 7 p.m. A fireworks display is also scheduled for 8:50 p.m. that night.

On Day Two, the morning will kick off at 7 a.m. in the park with Cider Bellie Donuts and Woodshed Roasting Company coffee available by donation. Studio 151 will also present a Fitness and Yoga program from 7:30-9:30 a.m., while rafting games, children activities and more will take place from 10 a.m. until noon.

Lunch on Sunday will be available from Fratello's Restaurant with live music at that time provided by Caroline Carter. Live entertainment will take place from 2-5 p.m., followed by dinner, closing ceremonies and awards for Rafting for Wishes participants taking place from 5:30 until 6:30 p.m.

"Participants the parade did a great job with the floats this year, which really made the parade a lot of fun to watch," said Old Home Day Committee Vice-President/Treasurer Deb Shepard.

Back at The Pines there was plenty more to see and do once the parade ended. An outdoor market of booths sold all sorts of great items such as plants, artwork, jewelry and much more. There were children's games, a bouncy house, and new this year, a very popular

Pines Community Center also held sack races, three-legged races and other fun competitions and later in the afternoon, Wildlife Encounters entertained and educated both old and young with a variety of unique animals from their facility.

Bleachers filled fast for the horse pulling competition in the adjacent area while another crowd gathered at the horseshoe pits for the return of the Horseshoe Tournament.

Food was bountiful as well. Among the many offerings were the sausage subs and Obstacle Course provid- fried dough served up neighbors and both old

Tilton-Northfield Fire Department, Park Street Pub and Tavern helped the Old Home Day Committee with a booth that sold hot dogs and hamburgers, while Tilton-Northfield Rotary sponsored this year's Chicken BBQ. "We want to thank everyone who volunteered their time and services to make this a wonderful community event. The floats in the parade were awesome and once again we had a great turnout," said Shepard.

The committee will be holding a post-event meeting in the next few weeks and would like to invite others to join them as they look to make next year's Old Home Day another big success.

"We'd love to see some new and enthusiastic young people come on board and this meeting will be a great way to help familiarize them with what we do," said Shepard.

is at the polls, you can always count on her for a smile and a hug. This couple is the perfect example of what community service is all about."

Across the river in Tilton, this year's nominees were yet another couple, Chuck and Lisa Drew, whose accolades in the nomination were endless.

Together, they have owned and operated Camaro Heaven and the new Drew's Auto Parts Division of their company and donated generously to local and regional endeavors over the years. Chuck and Lisa also started New Hampshire's first Every Child is Ours nonprofit group that provides

needy school aged children healthy meals. Everv Child is Ours has not only been recognized in its success by local agencies, but also by the prestigious Myra Kraft Foundation, which is affiliated with the New England Patriots football team.

Together, the couple also volunteers for the Tilton Senior Center, they coach and sponsor local youth softball teams, belong to the Tilton-Northfield tary and most recently jumped on board to help develop the new Pemi Youth Center in Tilton. In addition to all of that, the Drews still find time to coordinate the annual Webster Lake Fishing

Derby, are active members of the Tilton-Northfield Rotary, are sponsors of this summer's Movies in the Park and are involved with the New Hampshire Make-A-Wish Foundation.

"This couple sets the bar high on community service. They are the most down to earth people you will ever want to meet and they make this community a better place just by being part

of it," Shepard said. Both couples received plaques from the Old Home Day committee to honor their distinction and took part in last Saturday's Old Home Day parade as the committee's guests of honor.

Fast wheels give BHS's Riley and Allman All-State honors

BY BOB MARTIN Bob@Salmonpress.news

BELMONT Allman and Alice Riley personal records school records throughout the track and field season for Belmont High School, and their exceptional performances gave them All-State nods as voted by coaches around the league.

Eli Allman

Allman had a fantastic senior season for Belmont High School. He said he is most proud of his performance at the Division 3 State Championship located at Winnisquam High School, where he set a personal

record and beat his own school record in the 110-meter hurdles with a time of 15.53 seconds.

The 110-meter hurdles is a favorite race of Allman, and he said he prefers the short races in general. He also participates in the 300-meter hurdles and the 4X100-meter relay. He set a school record in the 300-meter hurdles with a time of 43.11, good for fifth place. The 4X100 team placed second just behind Bow with a time of 45.29.

Allman said that he has put a lot of work into getting to the level he has today. He said during practice and in the off season he and

his teammates rev each other up and push each other to be great. He said he works on his overall strength, as well as burst training to improve his speed.

"Hurdling takes a lot of skill and not just speed," Allman said.

Allman has been running for three years and is the second season in a row he was named to the All-State team for track. He also plays soccer and indoor track.

Allman admitted that he didn't expect to be named this season.

"It's a great honor," said Allman. "I wasn't expecting to get it twice but that is pretty great."

Allman will be at-

tending St. Lawrence University in New York next fall to study conservation biology, and he plans to continue his track and field career.

Alice Riley

It was a terrific season from beginning to end for Riley, but when thinking about the race where she felt the best she knew the immediate answer: Wilderness League Championship at Gilford High School.

"I just absolutely loved Wilderness this year," Riley said. "I felt the joy of running that day. It reminded me why I keep running."

Riley ran the 3,200 meters that day and led right from the be-

ginning, coming away with a personal record time of 11:45.90. Riley won by a landslide with the Jenna Bears of Kearsarge closest behind with a time of 12:24.91.

She also won the 1,600 meters with a time of 5:26.40, which was nearly four seconds ahead of Moultonborough's Rebeca Velie.

Riley also did very well in the Division 3 Championship with a first place finish in the 3,200 meters with a time of 11:54.59. This was another big win, with Joelle Lafreniere closest behind with a time of 12:15.03. Riley placed third in the 1,600 meters with a time of 5:26.65, as well.

Riley was exceptionally proud to be named to the All-State team this season for the first time as a sophomore. She said she is happy now to be training for cross country, a sport she loves because of being outside in the elements where anything can happen. She also participates in indoor track, so her constant activity keeps her in incredible running shape.

"It's not easy to get to All-State and it is a real privilege to be named along with so many other great runners," said Riley. "I want to keep working hard and continue to improve. Hopefully I will get better and better."

Lauren Bolstridge

To make All-State once in your high school career is a great feat, but to do it all four years is something incredible.

"I was excited that all my work had paid off by

getting this four years in a row," said Bolstridge. "It was really nice knowing the work has been recognized."

Bolstridge has been named to two first teams, one third team and one honorable mention for All-State in her career. She is regarded by Dame as one of the best players he has ever coached and

Post 72 gets big win over Londonderry

BY JOSHUA SPAULDING Sports Editor

ALTON — In a back and forth game on Saturday, the Alton Post 72 Junior Legion baseball team came away with a hard-fought win over Londonderry, the team's second win of the week.

Londonderry got on the board first against Ryan Dube in the top of the first inning, as an error, a walk and a fielder's choice plated the first run. A double drove in another and a grounder to first plated the third run. A nice play by Austin Garrett at first on a high throw allowed Alton to get out of the inning with no more runs crossing the plate.

Alton then put up their own runs in the bottom of the inning. Ryker Burke led off with a walk and moved up on a wild pitch. With one out, Colby Brown and Drew Nickerson worked back-to-back walks. Garrett Smart grounded to third, forcing Burke at home, but the catcher tried to throw to first to complete the double play and the throw went

wide, allowing Brown to score the first run for Post 72. Smart then stole second and the throw went into the outfield, allowing Nickerson to score the second run, cutting the lead to 3-2.

Dube had an interesting second inning, as he walked three batters. but also struck out the side and didn't allow a runner to score.

Alton took the lead in the bottom of the second inning. Austin Didsbury led off with a walk and Robbie Rohrbaugh had a base hit. Burke's grounder to short forced Rohrbaugh but allowed Didsbury to score. Garrett worked a walk and Colby Brown reached on an error, putting the go-ahead run across the plate. Londonerry in order in the top of the fourth and Garrett worked a one-out walk in the bottom of the inning. After a Brown base hit and another out, Smart had a base hit to load the bases, but all three runners were stranded.

Didsbury worked around a two-out walk in the top of the fifth inning and in the bottom of the frame, led off with a base hit. A Kyle Stockman double put two runners on, but one out later, a double play ended the threat.

Didsbury got the first out of the sixth and then surrendered a walk. Nickerson came on to pitch and worked around two more walks. Londonderry plated the tying run in the top of the seventh, but Alton pushed the winning run

across in the bottom of the seventh.

BOB MARTIN

Lauren Bolstridge got her fourth All-State nod in her senior season, this time being named to the first team.

SOFTBALL

he said she is highly deserving of her first-team honor.

"Lauren has been All-State caliber player since I started coaching her, and she has been one of the best hitters in the division all four years," said Dame. "She is tough to strike out and she played some solid third base."

Bolstridge had a batting average with eight doubles, two homeruns, 19 RBIs and 20 runs.

"She has been a tough out her whole career and that definitely didn't change this year," Dame said.

Dame admits that this will be a tough hole to fill in the lineup, but he said he couldn't be happier to have coached Bolstridge the last four years. He said she has been "rock solid" since she entered the system. Dame said this is the first season without nagging injuries. In her past seasons she may have had more power, but this was her best overall hitting sea-

"Even when we would play the best pitchers in the division she would have multiple hits," said Dame. "That's how good she is. It doesn't change when she is facing a fast or slow pitcher. She will definitely be missed in any ways."

Bolstridge said it has been a good run at Winnisquam, and the last four years were "nothing less than amazing."

"My teammates were great and my coaching has been great," said Bolstridge. "The chemistry with all the players was great this year so it was definitely a good way to end the season and my career."

Softball was only sport she has been named All-State, but in the past she has also played indoor track, field hockey, unified soccer and unified basketball.

Bolstridge will be attending Great Bay and will be involved in prevet tech studies. She

BOB MARTIN

has decided to focus on her classes and not play sports.

Carly Catty

Catty played exceptional shortstop during her freshman season and Dame said she is someone who is exciting to watch. Most of all, she is what the future of the Bears will be built around.

Catty batted .420 with three homers, 24 RBIs, 20 runs, four doubles and a triple. Dame said he got the chance to see her play at the middle school level and he knew they had a special player coming up, but even he was surprised about just how well she did.

"She loves softball," Dame said. "Carly might be the best freshman hitter I've ever coached. She can play."

Dame said Catty has very quick bat speed and is tough to strike out. She also gets to balls quickly at shortstop, saving hits and keeping the team in the game.

Catty said she was really excited when she found out, but also surprised as she was only a freshman. In fact, she said she didn't even know the accolade existed before she was told.

A top day that stood out to Catty was when the Bears played Prospect Mountain in a home doubleheader where she had a couple of homer-

Catty felt that she was chosen because of her hitting. She said softball is the only sport she plays and has been playing since she was five years old. Catty is from

played on their travel team for years. She now

plays for both Winnis-

quam and the Nor'Eas-

Catty spends plenty of time in the batting cages and is trying to acquire a hitting coach at the moment. She said in the off-season she will be working with players to prepare for the future.

Looking at next year, Catty hopes to improve her skills overall. However, she knows that it will be a bit of a challenge by losing Bolstridge, pitcher Molly Tinker and starting catcher Ema Atherton. Catty said she will have patience with the younger players coming up through the system, and hopefully they can put together a solid team with a promising future.

Nicole Antonucci received first team All-State honors for her fantastic play at third base this season.

BOB MARTIN

Julianna Estremera batted leadoff and played shortstop for Belmont, while also getting some quality innings on the mound. She was named to second team All-State.

Makenzie Donovan was named to second team All-State as a sophomore. She had a great season at the plate, batting .415.

io of softball honors

Bob@Salmonpress.news

BELMONT — The Raiders softball team had a great season with a 13-5 overall record, and while Belmont didn't get by the quarterfinals, they had some huge wins during the regular season as they were led by three All-State players: Nicole Antonucci, Julianna Estremera and Makenzie Donovan.

Nicole Antonucci (First Team)

Antonucci finished off her senior season with a .350 batting average, but it wasn't only her hitting that caught attention of the coaches around Division 3. Coach Bill Clary applauded Antonucci for her phenomenal play at third base all season, including several great putouts during Belmont's big wins against powerhouse teams like division champion White Mountains and Bishop Brady.

Clary described Antonucci as a "strong third baseman" and went on to say she is "one of the best in the state covering the bunt and a top bunter herself." He said she was the leader on the field.

"I'm going to miss

coaching her," Clary. "A very smart player."

Antonucci said she was a bit surprised to make first team, but she did acknowledge that she had a consistent season at the plate and on the field.

"I didn't feel like I did anything amazing but the White Mountains game was something I will remember as being one of my best defensively," said Antonucci. "It's hard to get a compliment from the White Mountains coach and he said I did very well so that was pretty enlightening."

The Red Raiders won that game 1-0 and they were the only team to beat White Mountains last season. Clary gave credit to Antonucci after the game for making "fantastic plays covering their slap hitter."

For the past five years Antonucci has played summer softball with the Bay State Brats, which Clary was the assistant coach for. She felt that the incredible talent displayed there helped prepare her.

"It really drove me to improve my game over the four years of my high school career." said Antonucci.

Antonucci said this

year was one she was most excited for, knowing that they had some great talent. She said the first few games were a little shaky, but as the season wore on they showed that they were one of the best teams in the division.

"I was very impressed with how we played this year, but I was pretty upset we couldn't go further in the playoffs." said Antonucci. "But this year, with Bill being the coach of the year, it showed that we were not a pushover team at all. Since I started at Belmont we had at least 12 wins but the playoffs have been tough."

Antonucci said she will miss playing softball for Belmont, saying that the team meshed well.

Antonucci is attending Suffolk University in Boston to study Finance. This was the last season of softball for her, as she will be playing golf for Suffolk.

Julianna Estremera (Second Team)

The future of Belmont softball looks very bright with Estremera being looked at as a centerpiece, along with fellow sophomore Donovan. She was the leadoff hitter for the Red Raiders this season, and had an excellent batting average at .435. Toward the end of the season Estremera was called upon for pitching duties, including during the 1-0 win against White Mountains where she outdueled their star pitcher Katlyn Coulter by allowing only two hits in the shutout win.

Clary said Estremera has a great career ahead of her.

"A shortstop at heart, but a pitcher with talent," said Clary. "I think any position we put her in she will work hard and excel."

Estremera was on the mound in the state tournament for Belmont and had a couple great performances. She got the win in the opening round with a 6-0 shutout against Newport. In the game she allowed only two hits while striking out 13 batters in the complete game.

She was called upon again against Campbell, and while Estremera pitched well she took the loss. However, it she allowed only two hits on the day and the five runs against her came in one inning due to poor field-

Estremera said she was happy to be recognized for her great season. Like Antonucci, she recalled White Mountains because she limited their offense. She also took pride in her performance against Gilford High School on May 11 where Belmont beat them 6-1.

"It's funny because at the beginning of the season I had all my focus on shortstop because that is really where I wanted to play," Estremera explained. "Then at the end I started to help out with the pitching and did well."

Estremera said it will be tough to lose their senior leaders. However, she said the group of upcoming freshmen and the team they have should lead to a successful campaign next spring.

"We should be able to make it further in the playoff if we just keep working," said Estremera. "In a lot of sports, the teams kind of end when the seniors are gone, but I don't think that is the case here."

Estremera has also been an All-Stater in basketball, and plays soccer as well.

Makenzie Donovan (Second Team)

Donovan was one of the top young outfielders in Division 3 this past season, but Clary said she is also becoming a very good shortstop. The duo of Donovan and Estremera gives high hopes for Belmont softball for years to come.

This season she was also one of the top hitters on the team, batting .415. Clary said she will be a player that is counted on for production next season.

Donovan felt that she turned it on at the end of the season with the help of the coaches, who helped fine tune her swing and assist her in the transition to shortstop once Estremera began pitching.

"I think I might like shortstop better than the outfield now," said Donovan. "There's a lot more action."

Donovan said she was "shocked" and excited to make the team as a sophomore. This was her first time making All-State in any sport, as she also plays soccer and basketball.

While she said next year could be a growing season, she hopes that she can improve her play and help lead the squad to victory. She said she would love to be named to the first team for All-State, but it is the team's victories that matter most.

Soccer program provides essential skills to young players

LAKES REGION Four years ago, local soccer club Lakes Region United established an "Early Development Program" (or EDP) to teach essential soccer skills to players 6-9 years old. The brainchild of Belmont parent Keith Duggan, the goal was to allow young players to develop skills in a fun, local environment.

The program has been extremely popular with parents and budding soccer stars from throughout the Lakes Region. This spring 16 players participated. They were coached by Northfield resident (and member of Belmont High School's 1998 state championship team) Dave Nelson, with Steve Jordan providing assistance.

Nelson was enthusiastic about the program, saying "We teach them foot skills, decision-making, passing, cuts, pullbacks, and other basic skills they will be using forever."

Coaches Dave Nelson and Caitlin Dulac give instructions to EDP players at a Lakes Region United practice.

The program involves two practices a week and an organized scrimmage (typically 3v3) every weekend. It runs year round (with indoor soccer at Tilton Sports Center in the winter), but players can sign up for one season at a time.

This fall, as Nelson's son ages out of EDP, the program will be coached by former college standouts Uni Karlsson and Caitlin Dulac. Karlsson comes from a soccer-loving Icelandic family. He played club soccer in Iceland after helping

Gilford High School win a state championship in 1990. His wife, Dulac, was a standout defensive player at New Hampton School before playing for two years at Smith College.

Thornton, NH - This ranch style with a fully finished walk out lower level has it all. Set on a beautiful level lot with a fenced in back yard, built in 2003 this home

has been meticulously cared for. Recently a beautiful MLS #4636268 mudroom/entrance was added to the house along with a fantastic deck overlooking the incredibly private back yard The interior of the property is open and filled with natural light. The kitchen has a great center island and is set up for the chef in the family. There are two large bedrooms on the main level along with a smaller bedroom/office. The master bedroom is extremely large and is situated in the lower level with sliders walking out to a patio. There is an equally large family room in the lower level that walks out to the back yard where the paved driveway wraps around the house. Both levels have full baths and there is a huge laundry room/ exercise room in the lower level. There is a generator set up at the house, a huge shed in the backyard, a brand new septic system and it is on community water

REQUEST FOR PROPOSAL Friends of Wentworth Parks and Recreation

Friends of Wentworth Parks and Recreation, Wentworth, NH is seeking proposals from qualified firms to construction approximately 280' of wooden approach railings and to install approximately 140' of Owner supplied steel railings. The project is partially funded by a Northern Borders Regional Commission Grant. The scope of services will include:

-Supply and install all necessary lumber and hardware for the installation of wooden railing approaches to both entrances of the new Friendship Bridge. -Install restored steel railings adjoining the wooden fence system on East Side Road.

Site visit is encouraged as steel railings are stored on site and all fencing system installation markers are in place. Firms submitting proposals shall provide a list of appropriate references. A maximum of \$20,000 has been budgeted for the project. The project must be completed by September 1, 2017. Detailed scope of work is available from Jen Meade, Jen@FriendsofWentworth.org,

781-293-1200. Send two (2) complete copies of all proposals to: Max Corbett, PO Box 212. Wentworth, NH 03282 or deliver to a public bid opening on the bridge on Eastside Road, Wentworth, NH on July 14th at 11:00 a.m. No proposals will be accepted after that time. The Friends of Wentworth Parks and Recreation

reserves the right to reject any and all

proposals. Contract award is anticipated

to be announced no later than

July 17, 2017.
