A birthday visit from Smokey

New Hampshire's forest rangers brought an old friend, Smokey the Bear, to the New Hampshire Veterans Home Thursday for a celebration of the 75th birthday of the fire-prevention icon. Four of the rangers who are also military veterans received pins in recognition of their service during the ceremony in the Home's Town Hall auditorium. And there was some bear-y good birthday cake. The joint event was co-sponsored by the New Hampshire Division of Forests & Lands.

Judi Abbott Dog Rescue Fund offers unique fundraiser

SANBORNTON – As a unique fundraiser for the newly established Judi Abbott Dog Rescue Fund, people can take home their choice of several specially decorated small tea trays for a donation of \$20 or more to help local animal shelters in the Lakes Region. Priscilla Bodwell was a longtime friend and fellow member of the Sanbornton Harmony Grange, over which Abbott presided for 12 years. She said Abbott had a deep love of animals, but most especially dogs. While Abbott herself rescued five dogs over the years, she also worked tirelessly with rescue centers near and far to help find forever homes for as many as 500 others. When Abbott passed away in April of this year, the grange members wanted to do something special to honor her memory. "We came up with the idea of the Judi Abbott SEE **FUNDRAISER**, PAGE A8

Local legislator backs sport betting bill

COURTESY

Last week Gov. Christopher T. Sununu signed HB480 into law, a bill whose primary sponsor was State Rep. Timothy Lang of Sanbornton. The bill legalizes sports betting both online and at retail locations throughout New Hampshire. The signing took place at the N.H. Lottery headquarters, where the commission will oversee the new program. It is estimated that revenue from sports betting will provide as much as \$10 million for state education funding by the second year of operation. After signing the bill, the governor then handed the ceremonial signing pen to Lang and posed for a celebratory photo.

“Meet Ove. He’s a curmudgeon—the kind of man who points at people he dislikes as if they were burglars caught outside his bedroom window. Behind the cranky exterior there is a story and a sadness. When one November morning a chatty young couple with two chatty young daughters move in next door and accidentally flatten Ove’s mailbox, it is the lead-in to a comical and heartwarming tale of unkempt cats, unexpected friendship, and the ancient art of backing up a U-Haul. A feel-good story in the spirit of The Unlikely Pilgrimage of Harold Fry and Major Pettigrew’s Last Stand, Fredrik Backman’s novel about the angry old man next door is a thoughtful exploration of the profound impact one life has on countless others.” (Booklist, starred review)

Re-live the Coast Guard’s “Finest Hour” at Veterans Home program

TILTON — On Feb. 18, 1952, two oil tankers split in half a few miles apart during a ferocious nor’easter just off the coast of Cape Cod, setting the stage for a life-and-death drama of heroism, survival – and tragic mistakes. The rescue of the crewmen trapped on those severed bows and sterns is the subject of “The Finest Hours: The True Story of the U.S. Coast Guard’s Most Daring Sea Rescue.”

On Monday, Aug. 5, at 2 p.m., New York Times bestselling author Michael Tougias will be at the New Hampshire Veterans Home with a slide presentation about the book, which was the basis for the 2016 Disney movie “Finest Hours,” starring Chris Pine and Casey Affleck.

Tougias, co-author

of “The Finest Hours,” will use slides of the storm, the sinking tankers – the Pendleton and the Fort Mercer – the rescues, the victims, the survivors and the heroes to tell the story of this historic event. He’ll describe the harrowing attempts to rescue the seamen, especially focusing on four young Coast Guardsmen who must overcome insurmountable odds – 70-foot waves, blinding snow and dangerous shoals – to save the lives of 32 crewmen stranded aboard the stern of the Pendleton. Of the 84 seamen aboard the tankers, 70 would be rescued and 14 would lose their lives.

The author will also discuss the making of the movie, working with the screenwriters, and will share some humorous stories about the actors and his cameo in the movie.

“I enjoy doing these programs,” says Tougias, “because I like to transport the audience into the heart of the storm so that they ask themselves ‘what would I have done.’ I don’t like to do author readings because I think they are boring, but with a slide presentation, the viewer can visually relive the adventure.”

“This event was and still is– the greatest and most daring sea rescue ever performed by the Coast Guard, and it happened right here off the New England coast. I felt this episode of heroism and tragedy needed to be told in its entirety because it’s an important piece of overlooked history,” Tougias said.

Tougias is the author and coauthor of 29 books, including “Fatal Forecast: An Incredible True Tale of Disaster and Survival at Sea.” Tougias’ previous book, “Ten Hours Until Dawn: The True Story of Heroism and Tragedy Aboard the Can Do During the Blizzard of ’78,” received an Editor’s Choice Selection from the American Library Association which selected it as one of the top books of the year. He has also co-written a new book about the Cuban Missile Crisis titled “Above & Beyond.” Visit www.michaeltougias.com for more information.

A book signing will follow the program, and the presentation is suitable for all ages. The event is free, open to the public, and made possible by a grant from New Hampshire Humanities.

Historical Society to explore antique Gilmanton homes

GILMANTON — Doug Towle, long-time Gilmanton resident (and per New Hampshire Magazine’s Katie Curtis “the constant restorationist”) will show photos and talk about the many restoration projects he has completed in Gilmanton, from his first in the early 1970s to his current undertaking. The program takes place at Old Town Hall in Gilmanton Iron Works on Tuesday, July 23 at 7 p.m.

The Society’s 2019 program series continues on the fourth Tuesday of each month, through September, with programs featuring Gilmanton history: The 12th New Hampshire Regiment During the Civil War on Aug. 27; and A Brief History of Gilmanton’s Churches on Sept. 24.

Doug Towle of Gilmanton describes his restoration projects on Tuesday, July 23, 7 p.m. at Old Town Hall in Gilmanton Iron Works.

Vietnam “Moving Wall” returns to Veterans Home Monday

TILTON – The New Hampshire Daughters of the American Revolution’s “moving wall,” bearing dog tags with the names of New Hampshire’s 228 Vietnam War

casualties, will return to the New Hampshire Veterans Home on Monday, July 22, for a ceremony honoring the 48 Vietnam veterans who live at the Home.

The wall, a 36-foot-long set of panels studded with replica dog tags, each bearing the name of one of the 228 New Hampshire residents who died in the

Vietnam War, will be set up in the Home’s Town Hall auditorium as a backdrop to the event. DAR members will present pins and certificates of appreciation to the residents who served during the Vietnam era, who currently make up about a quarter of the Home’s population. The DAR conducted a similar ceremony at the Home in 2017, honoring about 50 residents.

The speaker will be Julie Pike, chairwoman of the DAR’s 50th Anni-

versary Commemoration of the Vietnam War Committee. DAR State Regent Patricia Jackson is also expected to attend the event, which is being organized by the DAR’s Mary Butler Chapter of Laconia.

For directions, please visit the NHVH Web site at www.nh.gov/veterans.

refreshments begin at 7 p.m., and the program begins promptly at 7:30 p.m. The Society’s museum, in the basement of Old Town Hall, will be open at 7 p.m.

The Society’s museum in Old Town Hall in Gilmanton Iron Works is open every Saturday morning, 10 a.m. to noon, June, July and August.

The programs are free and open to the public. Donations to support the work of the Society are always welcome.

Supry completes Doctor of Chiropractic Program at Sherman College

SPARTANBURG, S.C. — Carissa Supry of Belmont, was one of 21 students from around the world who received the doctor of chiropractic degree from Sherman College of Chiropractic in Spartanburg, SC, at the 135th Commencement Program on Saturday, June 15.

Chiropractic icon and Sherman supporter Irene Gold, R.N., M.A., D.C., gave the commencement address, and Sherman College Assistant Professor of Clinical Sciences Christine Theodossis, D.C., DCCJP, delivered the charge to the graduates.

The doctor of chiropractic program at

Sherman College requires students to complete approximately 4,600 hours (14 quarters) of classroom and laboratory study and also

includes an internship in the college’s on-campus Chiropractic Health Center.

STRATEGIES FOR LIVING

The Gateway to Hell

BY LARRY SCOTT

Pornography, once available only in print, and then only in theaters, is now available for free on the internet. Easily accessible on all our electronic media, pornography is having a devastating impact on the moral standards of our society. For those caught up in its offering, it is indeed the gateway to hell.

The statistics are staggering. One popular site claims 33.5 billion visits in 2018 for a daily average of over 92 million visitors. Every minute saw 63,992 new visitors to the site, watching 207,405 videos through 57,750 searches. To feed the growing demand, there were 4.79 million new videos uploaded from amateurs, models, and contract partners.

Samuel Perry, in his book “Addicted to Lust,” writes that “data from a large probability sample of American adults surveyed in 2014 show that well over half of men and a quarter of women under age 40 seek out pornographic material monthly, and over 45 percent of men and 16 percent of women under 40 intentionally view porn in a given week.”

The reality here is that “normal” sex is no longer satisfying to our self-centered, sex-oriented society. Aberrant sex, child pornography, and sexual exploitation go with the package. And there is no end in sight. With the advent of virtual reality, one can only imagine where things are going to go from here. Pornography is, in a very real sense, the gateway to hell.

Significantly, that which is available on the Internet is all an illusion. The subjects, mostly young and attractive, are performing before a camera crew, putting on an act they hope the market will find entertaining. Everything is fun and games, intimacy without shame, sex without consequences.

But life isn’t like that. Pornography is all smoke and mirrors. Love is more than a five-minute tryst. Love demands commitment, respect, and yes, self-discipline. Sex may attract an audience, but showing pornography for what it is would devastate the industry. Who wants to look at the ravages of sexually transmitted diseases, teenage pregnancies, marital infidelity, rape, and sexual abuse. What you see is not what you get. Like so much of sin’s attraction, the dream is overshadowed by reality.

In writing about this, I am aware I raise the question as to how I have become such an “expert.” I will admit that if I allowed myself the freedom, I would find it easy to indulge. But I am not into pornography, for it gives the forces of evil access to my mind. My moral stability, the pleasure of a clean conscience, and my attitude toward women, to say nothing of my spiritual experience, are all on the line. I can accept no “time out” in my walk with God.

The conflict between what the Bible terms the “flesh and the Spirit” is a never-ending battle. “Every man is tempted when he is drawn away of his own lust and enticed. Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death.” That’s Bible for “the gateway to hell.”

“Be not deceived,” writes the Apostle Paul, “God is not mocked: for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting.” And that is a truth every one of us needs to take to heart.

Slow it down

Mike Hall of Dipsy Doodle Dairy Bar teamed up with the Northfield Police Department to use a light-hearted touch in reminding drivers about the more serious topic of obeying the speed limit on Park Street.

North Country Notebook

By JOHN HARRIGAN
COLUMNIST

Sudden, brief rain squalls rolled through the area over the weekend, and I was glad I wasn’t haying any more. Others were, and went racing by with lowbed trailers of round bales.

I decided to weed my garden, not a big job because it’s not a very big garden. Just a row of radishes, some lettuce, and by and by, cucumbers and carrots.

I’m in no hurry, and it’s a good thing because I was late and slow putting the seeds in, even though Mother Nature gave me plenty of time. Plenty, at least, for life halfway between the Equator and the North

Hydrate for better health

Hydrate, hydrate, hydrate! We’ve probably heard it a million times, and because of that we started to tune it out - this is called neural adaptation, in case you were wondering. So why the pressure to drink water? First, it doesn’t need to be water. It can be around 90 ounces of any liquid, except alcohol since that causes

some other dehydration-related problems. Second, it doesn’t even have to be liquid! Soup, gelatin, or anything that will melt into a liquid counts, as do juicy fruits like watermelon or even some vegetables like tomatoes! So now that you have a few new ways to help with that hydration, let’s look at why it’s so important. The

American Heart Association notes that keeping hydrated helps the heart pump blood more easily, and helps muscles work efficiently. This is why, when we get dehydrated we may faint, feel weak, or even have a heart attack or stroke. A 2015 research article in the American Journal of Neuroradiology found that dehydration also

affects our brain volume. Studies are even looking at the link between dehydration and an increase in asthma attacks and COPD flare-ups. In fact, to keep those critical systems hydrated, our body will steal water from our other body cells, causing them to shrink and causing additional problems for

Spaulding Youth Center celebrates End-of-Year Field Day and Academic Awards Ceremony

NORTHFIELD — Spaulding Youth Center is pleased to announce it recently held its annual Spaulding Field Day to celebrate another successful end to the traditional school year. Students and staff enjoyed a hot summer day filled with exciting outdoor activities, such as potato sack races, a water balloon toss, corn hole games, gaga ball pit, egg and spoon races, slip and slide, and more.

Everyone on campus looks forward to this seasonal event which is full of friendly competition, comradery and old-fashioned fun. After switching between activity stations throughout the field day, students were awarded with a commemorative medal to emphasize the significant achievements throughout the year and throughout this special day.

Students and staff also celebrated the end of the school year at the organization's Academic Awards Ceremony. This celebration is the culmination of all academic and personal successes students achieved throughout the year and many families and friends join us on campus to participate in this inspirational afternoon. Spaulding students were recognized for their academic efforts and accomplishments, receiving trophies for:

- Elementary Student of the Year
- Middle School Student of the Year
- High School Student of the Year
- Elementary Most Improved Student of the Year
- Middle School Most Improved Student of the Year
- High School Most Improved Student of the Year

This year, two students were also recognized for their creative writing talents. These students received awards for their original short stories that were submitted to the 2019 NHPBS Kids Writers Contest.

Spaulding staff also received acknowledgments for their outstanding work. The honorees this year included:

- Teacher of the Year: Theresa Hemmer
- Related Service Provider of the Year: Linda Pletch
- Teaching Associate of the Year: Michael Freeman
- Support Staff of the Year: Michael Schaffnit

"Our annual Field Day and Academic Awards Ceremony are two events that are especially exciting for everyone on campus," said Susan C. Ryan, President & CEO of Spaulding Youth Center. "Both events serve as a celebration of the hard work our students and staff have demonstrated throughout the school year. I am so proud of the achievements our students have made in the last year and grateful to have such dedicated staff members who truly believe in these extraordinary children."

Franklin Savings Bank promotes Brian Lamontagne & Shauntee Currier

FRANKLIN — Brian Lamontagne was recently elevated to Branch Manager of the bank's Gilford office. He will continue to focus on supporting the professional development of his team to ensure exceptional service levels are achieved for this office.

According to Julie Buker, AVP, Retail Operations & Administration Officer, "Brian has worked hard to earn the trust and confidence of his customers by looking for ways to provide exceptional customer service. He is an enthusiastic and engaged manager who cares a great deal about the growth of his team, as well as his own professional development in this essential role."

Lamontagne joined Franklin Savings Bank in July 2016 as a Personal Banker at the main office in Franklin, then was promoted to Assistant Branch Manager of the Gilford office in January 2018. He is a 2018 graduate of Northern New England School of Banking and the Applied Leadership Institute through the University of New Hampshire.

Locally, Lamontagne is an active member in the Gilford and Laconia communities. He is a member of the NH Bankers Association's Young Bankers Committee and Gilford Rotary Club. In addition, he serves on the Board of Directors for the Gilford Rotary Club, Lakes Region Partnership for Public Health and Neighbors Helping Neighbors. He resides in Meredith and enjoys spending time with his family, traveling around New England, and supporting local merchants.

She joined the bank's retail team in July 2013 as a part-time teller at the Boscawen office, then was elevated to a Teller position at the Tilton office and a Floating Personal Banker role. In 2016, she transitioned into a Loan Processing Specialist position, then advanced to Junior Residential Mortgage Loan Originator this past March.

"In a relatively short period of time, Shauntee has gained the skills and aptitude to assist her in transitioning into this new role," said Janet Haines, VP, Loan Administration & Operations. "She is a tremendous asset and

welcome addition to the residential lending team and will continue to excel as she continues to advance further in her position."

Currier received certificates in Principles of Mortgage Banking I and SAFE Comprehensive Mortgage Loan Originator and has completed a few other courses in residential mortgage lending and consumer

lending.

"I really like the fact that FSB is a community bank and promotes from within the organization," commented Shauntee Currier, Residential Mortgage Loan Originator. Raymond Carrigan, 70

LACONIA — Raymond Carrigan, 70, of Union Ave., died Thursday, July 11, 2019 at his residence.

Raymond was born on Oct. 18, 1948 in Laconia, the son of the late Arthur Carrigan and Irene Dionne (Perkins). He proudly served in the United States Army during the Vietnam War. Following his military service, he worked for Madera eventually becoming a manager.

Raymond is survived by his wife of 49 years, Judith (Graham) Carrigan; five grandchildren (Malory, Damien, Dillen, Charles, and Logan); his sisters, Linda Sirles and her husband, Mark and Marie Chenette and her husband, Rodney.

In addition to his parents, Raymond was predeceased by his

son, Robert Carrigan, and his grandson, Robert Carrigan, Jr.

Services will be held at a later date.

Wilkinson-Beane-Simoneau-Paquette Funeral Home & Cremation Services, 164 Pleasant St., Laconia, is assisting the family with the arrangements. For more information and to view an online memorial go to www.wilkinsonbeane.com.

Albert D. Chartier, 70

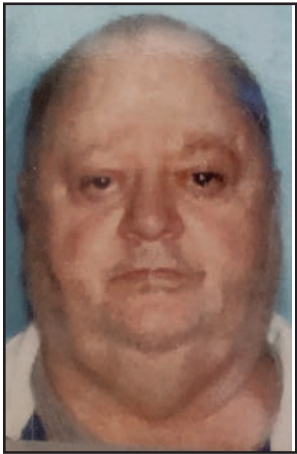

FRANKLIN — Albert D. Chartier, 70, passed away on June 20, 2019 after a period of failing health.

He was born in Newport on May 22, 1949 to William and Frances (Decosta) Chartier. He was raised in Newport, one of five children.

Family members include four daughters (Katie Lemieux, Angela Livingstone, Candace Emery, and Kelsey Emery); four sons (Albert Chartier, Jr., Christopher Chartier, James Simoneau, and John Simoneau). Also included are three grandchildren, Caylee Livingstone, Jackson Stanton, and Zoey Colburn.

Al fought in the Vietnam War from Aug. 26, 1966, and returned to the U.S. on May 8, 1969.

He spent many years as a tow truck operator. He enjoyed

watching old shows on TV, and spending time with his children and grandchildren, as well as friends and neighbors. Al will be missed by all who knew him.

A celebration of life in his honor will be held July 27, 2019 from noon to 4 p.m. at the Bessie Rowell Community Center, located at 12 Rowell Dr. in Franklin.

Thibault-Neun Funeral Home in Franklin is assisting Al's family.

Darrin Gary Harbour, 45

TILTON — Darrin Gary Harbour, 45, passed away unexpectedly on July 8, 2019.

Darrin was a lifelong resident of Tilton, and loved the town he grew up in. He could often be seen with a skateboard around town.

His personality was magnetizing, his smile infectious and his heart made of gold.

Some of Darrin's passions were snowboarding, fishing, skateboarding, music, drawing, tattooing and spending time with family and friends.

But his greatest passions were his children.

Darrin was predeceased by his mother, Cyndi Harbour, just eight months ago.

He is survived by his father, Dennis Harbour, who resides in New Port Richey, Fla.; his older sister, Jill Knowlton of Tilton, and her children Grace,

18, Griffin, 16 and Gabe, 14; his daughter Korrine, 17, who resides in Billerica, Mass. with her mother Kristin Young; his daughter Kalise, 10, and son Dexter, 4, who reside in Palm Bay, Florida with their mother Tabatha Harbour. Darrin also leaves behind very dear friends and countless others who love and will miss him.

While Darrin's passing is

devastating, his loved ones take solace in knowing he is no longer in pain and finally at peace. Now he is back with his mom, safe and happy.

In lieu of flowers, donations can be made to support his surviving children at Citizen's Bank under Darrin Harbour Donations. A portion of all donations will go to Webster Place, a place Darrin felt safe and truly helps all addicts who walk through their doors.

A graveside service with Military Honors was held on Friday, July 12, 2019 at 3 p.m. at the New Hampshire Veterans Cemetery, Boscawen.

For an online guestbook to offer messages and condolences, please visit www.neunfuneralhomes.com.

Paquette-Neun Funeral Home in Northfield is assisting with arrangements.

Glen P. Scheffer, Jr., 38

LOUDON — Glen P. Scheffer, Jr., 38, of Loudon, died at his home on July 1, 2019.

He was born in Conroe, Texas, the son of Glen P. Scheffer, Sr. and Anita (Vinson) Scheffer. Glen moved to New Hampshire with his family 35 years ago. He was a student at Pembroke Academy. He schooled and trained as a plumber and was currently working for Roto-Rooter in Manchester.

Glen was and still is loved by many. Everyone will miss his laugh and sense of humor. He being handsome is an understatement. He definitely took pride in his appearance! Glen loved adventure and trying new things. Recently he had gone skydiving and

white-water rafting. He also enjoyed snowboarding and riding motorcycles. Above all else, his greatest accomplishment was his boog, his daughter Adrian-na. She was his pride and joy.

Family members include his daughter, Adrianna Scheffer;

his parents, Anita and Glen Scheffer of Loudon; his sister, Denise Scheffer of Loudon; his grandmother, Shirley Vinson of Spring, Texas; and many aunts, uncles, and cousins.

Visiting hours were held on Wednesday, July 17 from 6:30-8:30 p.m. at Paquette-Neun Funeral Home, 104 Park St., in Northfield.

Donations in memory of Glen may be made to www.gofundme.com/f/mbctt5-unexpected-funeral-costs?utm_source=facebook.

Educators from across the nation to tour Prescott Farm

LACONIA — On Wednesday, July 31, early childhood educators from across the nation will board buses in Manchester and travel to Prescott Farm Environmental Education Center in Laconia for a tour of the nature-based preschool.

The stop at Prescott Farm is part of a day-long field trip offered to conference attendees. Fledglings Nature-Based Preschool is a fully licensed program that uses the Prescott Farm property as the backdrop for helping students ages 3-5 become lifelong learners and create meaningful connections to nature, the self, and others.

Conference attendees will be guided on the tour by Preschool Director, Jayne Hastings.

With the preschool out of session for the summer, Hastings will share what's special about nature-based learning on the Prescott Farm property by highlighting unique learning spaces and a Q&A about how Fledglings educators use the cycle of the seasons and natural world to facilitate learning and pique curiosity in young children.

"It's an honor to be recognized by The Natural Start Alliance as a leader in nature-based education for young children," Hastings said. "As we share our successes and other lessons learned, we will also be listening to and learning from the other educators as they tour our property. It's really a priceless opportunity!"

The Natural Start Alliance offers the field trip to conference attendees as an opportunity to gather new ideas and inspiration by visiting model nature-based early learning programs.

The Natural Start Alliance is a network of people and organizations that believe that all young children need frequent opportunities to experience, learn from, and care for nature and the environment through high-quality education. The Alliance, a project of the North American Association for Environmental Education, serves as a backbone organization to focus and amplify the collective impact of the people and organizations that share this common vision. The

Natural Start Alliance's annual conference is the nation's largest professional event for teaching, administration, research, and advocacy in nature-based early learning.

Prescott Farm is a nonprofit 501c3 organization dedicated to providing year-round environmental education programs for all ages and a place in the Lakes Region community that encourages curiosity, discovery, fun and connection to the natural world. For details about Fledglings Nature-Based Preschool, WildQuest Camps, School & Community Programs and more, visit prescottfarm.org or call 366-5695.

Jenni's Ride takes off July 27

GILFORD — The Harmon family and friends are pleased to announce a special summer event: the Fifth Annual Jenni's Ride Around the Lakes charity motorcycle ride and barbeque fundraiser to benefit the scholarship fund established 13 years ago in memory of Jenni Ann Harmon. Since Jenni's passing, the Harmon family has been helping graduating seniors, in the Lakes Region area, who will be entering the nursing, pre-med or other medical service or fire prevention fields.

Jenni was a 2006 graduate of Gilford High School. She passed away in a tragic automobile accident in December of that same

(Left) Jenni's Ride was established five years ago by the Harmon family to raise funds for a scholarship which had been established in Jenni Harmon's memory. With the support of many area motorcycle enthusiasts, the family has been able to add scholarship money to the fund every year to award scholarship money in her name. The Jennie Harmon Memorial scholarship is awarded through the Lakes Region Scholarship Foundation. Pictured here are LRSF Executive Director, Paulette Loughlin, Jami Harmon (Jenni's sister), Russ Harmon (Jenni's dad) and mom, Jane Harmon.

istration will run from 8-10 a.m. A barbeque will begin at noon at the BCSA and will feature live music, games, a silent auction, raffles and other fundraising games and activities. If someone was interested in just the barbeque and the other events at the BCSA, but not in the motorcycle ride, the admission is \$25 per person."

The Jenni Ann Harmon Memorial Scholarship is one of the more than 260 donor funds distributed through the Lakes Region Scholarship Foundation. Paulette Loughlin, Executive Director of LRSF added this comment regarding this donor fundraiser: "those unable to attend, but who would like to make a tax deductible donation toward Jenni's scholarship can visit the Lakes Region Scholarship Foundation website at lrscholarship.org and click on the home page. Scroll down to the section titled "You and now donate online" and in the purpose section of the form, enter the "Jenni Ann Harmon Memorial." If you are not an on-line person, you could mail a check to the Lakes Region Scholarship Foundation, PO Box 7312, Gilford, NH 03247, Attention: Jenni's Ride. The Foundation wishes the Harmon family every success with their fundraiser.

year, while she was on her way to an EMT class in Gilmanton. Jenni spent her high school years playing sports, creating art and volunteering with the Girls Scouts and Students Against Destructive Decisions. After graduation, she decided to become an EMT, through the Gilmanton Fire Department, as a way to continue to serve her community.

According to her mom, Jane Harmon, "Jenni loved motorcycles from the start. She loved to ride and she really enjoyed summers in the Lakes Region. Each year, on her birthday, July 31, Jenni would have a great party inviting friends and family to celebrate with her."

Jenni's mom continued "So, we have been honoring her with this event on the weekend of her birthday the past five years."

Jenni's Ride organizers, Jane & Russ Harmon announced that "the charity ride is scheduled for Saturday, July 27, starting and ending at the Belknap County Sportsman's Association Clubhouse located at 182 Lily Pond Rd. in Gilford. Registration fees are \$30 per person or \$50 per couple. Reg-

Rotary Car Show returns July 27

Renzo Hamilton-Miller is ready to tour the 2019 Lakes Region Rotary's Car Show on July 27, 10 a.m.-2 p.m. at Faro Italian Grille in Weirs Beach. Cars from decades ranging from the early 1900's to today will be represented and judged. This great family friendly event, presented by Graham & Graham, PC, is the major fundraiser for the Lakes Region Rotary, raising thousands of dollars for local charities and scholarship/Rotary programs. us, like sunstroke. Sunstroke, or heat stroke, is when our body temperature rises too high and damages our kidneys, heart, and brain. This damage can become permanent, and even death can result, like during the 1995 Chicago heat wave that led to 739 heat-related deaths! Our bodies are mostly water. According to

the USGS, the brain and heart are composed of 73 percent water, and the lungs are about 83 percent water. Our skin contains 64 percent water, muscles and kidneys 79 percent, and even our bones are 31 percent water. So this summer, and really year-round, make sure you are drinking your water or eating your cucumbers, and soup, just like everyone's always telling you to!

Pole. The further north you go, the shorter the seasons. Everything is compressed. People in South Carolina think we are crazy for living in northern New England. I love it here but don't really understand how people manage to get by in the Far North, even though I've been there.

+++++

The winds were stiff and all over the place while I was in the garden. A stiff breeze will sometimes keep the black flies at bay, especially when the wind keeps changing directions. Still, while I was still in the protection of the shop I doped up, old-time parlance for putting repellant on.

Black flies are sneaky, and will let the wind fool you. They are so fast they can change direction when the wind does, and fly in the lee, and thus get the hovering time they need to land and latch on to hair or skin.

I sprayed my hat, a ridiculous piece of ap-

parel I would not want to be seen in public in, but of course I am. There we are, after all, out there in full view, the both of us, looking silly.

Long ago, I learned to spray a little repellant on two fingers, and use them to apply it around eyes and ears. I also dope up arms and pants cuffs. All this usually gets me enough time to do whatever task is at hand without getting chewed half to death.

Why not a hat-net instead? I've tried them, including some of the most recent and best, and just can't tolerate them dominating my field of vision. And I certainly don't mind jumping into the shower.

+++++

I still call it bug dope, but it's a far cry from the old stuff. Today's repellants are said to have the minimum DEET needed, last much longer in water, and are easier on the skin.

Rudy Shatney used to mix up his own repellent, out of pine tar oil and citronella and

a third (maybe fourth) mysterious ingredient I've forgotten. Many of the old woods-guides had their own repellent recipes, allegedly sworn to by generations. The people who were fighting deer flies and black flies before Europeans got here are said to have used bear grease.

Plastic steering wheels became common at about the time I started using Rudy's bug dope. He had an old Dodge I drove around to do camp chores, and the first (and last) time I ever tried to drive it with bug dope on my hands it melted the steering wheel.

+++++

I got a call from an old friend as I was writing this, about as old as they come--we were boyhood friends and neighbors. He and his date were driving up the road to their home in Stewartstown when they got a good long look at a full-grown bear with a very long tail.

"We thought at first we were seeing a five-legged bear," Skip

joked.

Long-tailed bears, as the old saying goes, are not rare but are indeed uncommon. In older times, when people would slow down to look at such curiosities, they were placed on exhibit, and sometimes even trained to dance.

+++++

As we drift toward the Dog Days of August, I close with a photo sent my way by longtime reader and fishing friend Lou Ferland, who always signs his mail "Dr. David "Lou" Ferland, Chief of Police (Ret.), Adjunct Professor-Southern NH University."

Lou and I are part of a loose and varied group that has fished for years at Tim Pond, Maine, a body of water said never to have been stocked, meaning that it has its own native strain of fish. The photo, fittingly I think for us both, is of a turkey, happily and inexplicably plopped atop one of Lou's feeders.

Dog Rescue Fund, which we thought was quite fitting for her," Bodwell said. "To help raise money for the fund, I decided to make tea trays as a small thank you gift for anyone who made a donation of \$20."

Now on display this month at the Sanbornton Public Library, the trays are truly one of a kind. Bodwell said people have given her teacups and other items that she has used to design the individual tea trays, each with a look all their own. There small potted plants, silk flowers, colorful napkins and even miniature ceramic dogs on each tray as a reminder of the purpose for which they are being given.

In addition to all of that, Bodwell's youngest helper with the project, Eva Sargent, crafted tiny hearts that each dog figurine sits on to exhibit

Abbott's deep love for dogs.

Sanbornton Library staff reported that so far quite a few of the trays have been selected by donors; no worries though because Bodwell has more trays in the making.

Sanbornton photographer Ian Raymond helped create the "A Cup of Tea Solves Everything" display now showcased at the library with photos of Abbott poised above many of Bodwell's teacups.

While \$20 is the donation for the teacup selections, contributions to the Judi Abbot Dog Rescue Fund in any amount are now being accepted both at the library and through Sanbornton Harmony Grange. They can also be placed in special canisters that will be available during this weekend's Old Home Day celebration in Sanbornton.

DONNA RHODES

"A Cup of Tea Solves Everything" is the current display at Sanbornton Public Library, raising money for the Judi Abbott Dog Rescue Fund to benefit local animal shelters. Those donating \$20 or more to the fund can select their choice of several beautiful tea trays crafted by Priscilla Bodwell of Sanbornton in Abbott's honor.

Watch historic deep sea search live with WinnAero

GILFORD — The famed Samoan Clipper, one of Pan American Airways “Flying Boats,” exploded in flight near Pago Pago in 1938 following an emergency call of a suspected oil leak. Captain Edwin Musick, one of Pan Am’s most experienced pilots, his crew and his aircraft were lost in the Pacific Ocean at depths as great as 6,000 feet.

Technology in 1938 precluded any meaningful ocean search at the time. WinnAero, the non-profit STEM education group, is offering the general public a rare opportunity to view the live satellite feed of the current search for the Clipper free of charge.

Dr. Robert Ballard of Titanic discovery fame, has commissioned his research vessel, the MV Nautilus, to pinpoint the wreckage of the Samoan Clipper and retrieve, if possible, artifacts and possible details of what led to the explosion on board. This search will be broadcast from the Pago Pago site to the WinnAero ACE Academy students at Laconia Airport on Thursday, July 18, starting at 10:45 a.m. for approximately 30 minutes. WinnAero is inviting the general public to this free interactive satellite link-up taking place at the Viking Hangar of Laconia Airport located at 50 Airport Road. This is a great opportunity for aviation history buffs and teachers, as well as interested citizens to see a deep sea search as it happens.

“We have this rare opportunity to witness this search as it unfolds,” said Dan Caron, Education Director for WinnAero’s ACE Academies.

“We felt the general public might enjoy sharing this time with our ACE students as they watch and speak with the search crew leaders while the search is in progress,” Caron added.

The Viking Hangar is located on the west side of the Laconia Airport beyond the popular Kitchen Cravings Restaurant. Look for the ACE Academy sign on the fence line and join the ACE group for this free of charge unique experience.

The public is invited to come enjoy conversation with their neighbors, meet new neighbors and friends, and enjoy free burgers, hot dogs, desserts and drinks while they last. There will be plenty of activities and demonstrations for families to take part in, along with safety information booths, music, a visit from Highland Mountain Bike Park, face painting, children games and much more. Tilton-Northfield Fire Department will be on hand that evening, too, and there will be an opportunity for boys and girls of all ages to take part in a special Touch-a-Truck event.

All are welcome to spend a fun night out with local law enforcement officers, emergency responders and other community partners who will be taking part.

“If we work together, stand together, and have fun together, this community will be a safer place. Hope to see you there,” NPD said.

LaClair named D3 Assistant Coach of the Year

BY BOB MARTIN

Bob@Salmonpress.news

BELMONT – Sometimes there is work being done behind the scenes that is vital to the success of a baseball team, and at Belmont High School, that is the work of Jim LaClair, who was named Division 3 Assistant Coach of the Year.

“I was very honored to be named assistant coach of the year,” said LaClair. “Especially because it is voted on by the state's high school coaches. Many of them I have coached with and against for many years.”

(Right) Coach Jim LaClair poses for a photograph at New Hampshire Fisher Cats Stadium with his Belmont Red Raiders.

(Left) Jim LaClair worked with the pitching staff at Belmont High School this season, and he was recently recognized for his hard work by being named Division 3 Assistant Coach of the Year.

LaClair has been coaching, volunteering and sponsoring sports since he and his family moved to Gilmanston in 1977. He explained that he became more involved in athletics when his son and daughter were growing up in Gilmanston, and as they got older and went off to college, he continued and now has grandchildren in sports playing baseball, softball and basketball at the middle school level.

“I have been fortunate to be involved as a coach in their lives,” said LaClair.

When not coaching, LaClair has owned and operated LaClair Electric since 1990, which is an electrical contractor with offices in both Gilmanston and Farmington. His business sponsors youth sports teams in Gilmanston, Farmington, Pittsfield, Belmont and Laconia.

LaClair said this year was one of the most enjoyable ones he's had with the Red Raiders, albeit with a difficult ending in the final four. He said he felt for his players in the loss.

“I've got state championship rings and got to experience winning state championships,” LaClair said. “I wanted it for them. Hands down one of the best groups of players and coaches I've ever been associated with.”

LaClair called this year's team hard working, dedicated, respectful and a group that played the game of baseball the way it was meant to be played. He said while this group deserved a title, the game of baseball can be tough.

“The game can rip your heart out,” said

LaClair. “As long as I've been doing this, if you care you can't help but have it affect you.”

LaClair thanked this year's squad for their hard work and determination, and also said it was a pleasure to work with coaches Matt Leblanc and Brett Sottak. He said all three coaches have been varsity head coaches for many years and it was a great combination.

“We each brought something a little different to the team,” said LaClair. “Matt trusted me and let me work with the pitchers and the kids bought into what we were doing. A special year for sure. Next year brings many new challenges. Many seniors have left and we will miss them for sure. However we have a lot of young talent coming back and moving up. As many coaches will tell you, the day your season is over your already thinking about next year.”

Leblanc said having a coaching staff like he has at Belmont is vital to building a quality baseball program, which the Red Raiders have had and will continue to have for years to come.

“Any team is gonna instantly improve with the likes of Jim LaClair on the coaching staff,” said Leblanc. “His wealth of knowledge and experience are invaluable. He's experienced every possible situation in baseball and is often the calming voice in tough situations. He's so good at building bonds and the players thrive under his direction. He is great at calmly explaining and teaching. The kids seek Jim out to talk fundamentals and he makes time for each player. As an opposing coach we always respected Jim and his teams and it has been an absolute pleasure to have him to rely on as an assistant. I know that I'm

Hunt named new Winnisquam football coach

BY BOB MARTIN

Bob@Salmonpress.news

TILTON – The Winnisquam football team is coming off an undefeated season in the final year for long-time head coach Pat Riberdy. Now the Bears will have another familiar face at the helm with Derek Hunt, who was named the new Winnisquam Regional High School head football coach after spending more than a decade as an assistant coach.

Athletic Director Brian Contorchick said that there was a vetting process where several applicants were interviewed for the position, noting that it was not an easy choice since there were so many worthy of consideration. Contorchick said in the end it was clear that Hunt was the man for the job and he is looking forward to seeing what the Bears can do under his leadership.

“There were a number of quality applicants who were seeking this position and ultimately we decided

Derek Hunt will be the new Winnisquam Bears football coach next season.

to go with Derek,” Contorchick said.

Contorchick said that there was a hiring committee put together and he praised their work. He said that continuity in coaching was a big part of the hire, adding that he knows the program and the players coming off a state champion-

ship season.

“That was definitely appealing but it wasn't a deciding factor,” Contorchick said. “But it was a nice piece to have, to understand the history of the program and being involved for so long. I'm not going

to lie though, it was a tough decision because some really qualified people applied.”

Contorchick said that it was important that Hunt knew the philosophy of Winnisquam and should be able to carry on the traditions and the winning ways.

Hunt has been coaching for 19 years and 16 of them were coaching alongside Riberdy between high school and youth football coaching. This is something that will help with the continuity of the program, as Hunt said they were on the same page coaching the team.

“By working under him and coaching with Pat, I learned a lot of aspects to use,” said Hunt. “Being with him for so long, we saw eye to eye.”

Last season Hunt was the team's defensive coordinator, but this year he will be focusing on offense.

16U Nor'Easters continue to play well

BY BOB MARTIN
Bob@Salmonpress.news

WATERVILLE, ME – The 16U Nor'Easters softball team went 4-1 in the Blue Demon Bash, which took place from June 29 to 30, in what was a rain short-ened weekend where the team continued to excel.

The first game was a 6-2 victory over the Coastal Riptide, with Kelley Allen of Belmont picking up the win on the mound.

The second game was an 8-3 win over the Northeast Hurricanes, with Lilly Allen of Meredith the winning pitcher.

Morgan Hall of Belmont picked up the win in an 11-1 victory over the Warriors in the third game of the tournament.

The fourth game

Morgan Hall has been a top pitcher for the Nor'Easters this summer.

was a 4-2 win over ECF White, with Al- len pitching her best

game of the season to pick up the big win. She had 10 strikeouts and no walks over six strong innings of work. Savannah Per- kins of Belmont had a double in the win, and Kara Stephens of Bel- mont had a pair of hits

to go with three RBIs. The final game of the tournament was a 5-3 loss to the Wild- fire of Charlton, Mass. with Simpson taking a loss in the tight game. Over the course of the tournament Gilford players Kim

Daigneault and Alexa Smith were solid at the plate, with batting av- erages of .325 and .313. In the Comets Turn 2 tournament, the Nor'Easters went 2-1 in pool play. The team started with a 9-3 loss to the Cole Harbor

Comets of Nova Scotia, Canada. Allen took the loss with five strike- outs and no walks. Nora Dunleavy had a pair of hits and Lilly Simpson had a double. Simpson pitched the second game and won 8-0 over the Atlantic Threshers. She had four strikeouts and a walk in the complete game win.

The third game Hall won in a 6-2 battle over the Berlin Bobcats. She had eight strike- outs and a pair of walks.

With a 2-1 record, the team had a five seed in the 16-team tournament. Simpson pitched in the 10-2 win, and had eight strike- outs with two walks. Becca Fleming went 4/4 with three RBIs. Stephens went 2/4 with four RBIs.

The Nor'Easters lost in the quarterfinals with a 4-1 loss. Hall had four strikeouts and two walks in a 4-1 loss.

HUNT

CONTINUED FROM PAGE B1

Hunt knows that the team is coming off a season for the ages, but he said the main goal for any team should be to get to the playoffs to set themselves up for a championship run.

“I’ve been here 12 years and we’ve had some great teams,” said Hunt. “Last year was a great year but this year really is a

totally different team. It should be fun to see what they can do this season.”

Hunt said this sum- mer he plans to meet with the players to go over how the team is going to look like and information about workouts, which begin in the middle of July. Hunt said he is looking forward to getting the season going, which for Winnisquam be- gins on Aug. 16.

18U Nor'Easters win another tournament

BY BOB MARTIN
Bob@Salmonpress.news

WATERVILLE, Maine – The 18U Nor'Easter softball team continued its strong season with a first place finish at the Blue Demon Bash from June 29 to 30.

On June 29, the Nor'Easters played two pool games and dominated the com- petition. The Nor'Eas- ters shut out the Maine Illusion 8-0 in a six-inning game. The second game was a 9-1 victory over Madison Maine in a five-inning game.

The Nor'Easters then took on Prince Edward Island in the first round of the championship games and came away with an 11-3 win in a six-in- ning game.

On June 30, the Nor'Easters took on

the Maine Frost, who were the defending champions from last summer. The Nor'Eas- ters squeaked by with an 11-9 win, and with all games called after noon, the Nor'Easters were declared champi- ons.

The Frost went up 2-0 in the top of the first inning and then the Nor'Easters scored a run in the bottom of the first inning on a deep homer by Hope Duval of Profile. Frost scored two more runs in the top of the third inning and went up 4-1, but the Nor'Eas- ters responded with a pair of runs in the bot- tom of the inning to cut the lead to one.

The Frost scored two more times in the top of the fourth in- ning but the Nor'Eas- ters responded again with four runs in the

bottom of the fourth inning. Sam McCann of Berlin had a three- run shot to spark the big inning.

Continuing the back-and-forth battle was the Frost with two runs in the top of the fifth inning to go up 8-6. The Nor'Eas- ters continued their resilience and scored four times, with Du- val smashing a grand slam for her second homer of the day. She finished out the game pitching an inning and one third.

Ella Harris of Gil- ford started on the hill for the Nor'Easters and went four and two thirds innings. Coach Fern Beaudet com- mended her for her pitching against “a very talented team.” She gave up four runs on two walks and three strikeouts.

“Our toughest test so far this year,” said Beaudet. “It was an amazing game. Two very good teams bat- tling out back and forth.”

Jill Lachapelle of Gilford batted .625 in the series with a ho- mer and two RBIs. Harris hit .428 with two RBIs. Carly Catty of Winnisquam batted .364 with a triple and a pair of RBIs.

McCann pitched three games and gave up only one earned run on one hit all weekend. She had 14 strikeouts and four walks.

Harris pitched two games, giving up four earned runs on 12 hits, four walks and 13 strikeouts.

This victory gave the Nor'Easters three tournament wins in a row.

Mahindra Roxor to sponsor Xfinity Series race at NHMS

LOUDON — New Hampshire Motor Speedway’s Triple-header Saturday (July 20) features three exciting races for fans to enjoy, with the highlight of the day at 4 p.m. when the NASCAR Xfinity Series takes on “The Magic Mile” with the newly-named Roxor 200. The day also includes the NASCAR Whelen Modified Tour Eastern Propane and Oil 100 at 2 p.m. and the NASCAR K&N Pro Series East United Site Services 70 at 6:45 p.m.

“We’re pleased to welcome Mahindra Roxor to our July race weekend,” said David McGrath, executive vice president and general manager of New Hampshire Motor Speedway. “Just like Mahindra Roxor vehicles, racing in New England is ‘built for the long haul,’ as the Roxor 200 will mark the 34th NASCAR Xfinity Series race here at New Hampshire Motor Speedway.”

Mahindra has been building vehicles such as tractors, automobiles, airplanes, motorcycles and more for over 70 years, building 600,000 automotive vehicles annually, all designed to complement many different channels of specialized businesses including construction, community work, ranching, search and rescue and, of course, hardcore recreation.

“We are excited to partner with New Hampshire Motor Speedway as a title sponsor,” stated Richard Ansell, vice president of marketing of Mahindra Roxor. “The audience aligns well with our marketing strategy for Roxor and the NHMS program is a perfect extension to our overall racing program.”

Fans can check out the latest Roxor models in action at The Flat Track during the Friday Night Dirt Duels presented by New England Racing Fuel as they are used to prep the new 0.25-mile dirt track in between racing action. They’ll also be on display in the Fan Zone, located in the S2 lot, throughout race weekend in a 3,000-square-foot Roxor display.

Roxor’s sponsorship of the NASCAR Xfinity Series race nearly completes the entitlement sponsorship lineup for New Hampshire Motor Speedway’s July race weekend, which already includes the following:

- Monster Energy NASCAR Cup Series Foxwoods Resort Casino 301;
- NASCAR Whelen Modified Tour Eastern Propane and Oil 100;
- NASCAR K&N Pro Series East United Site Services 70;
- Friday Night Dirt Duels presented by New England Racing Fuel;
- Cape Cod Café Pizza Pole Day.

For ticket information for all 2019 events at New Hampshire Motor Speedway, including the July 19 Friday Night Dirt Duels presented by New England Racing Fuel, the July 19-21 Monster Energy NASCAR Cup Series Foxwoods Resort Casino 301 race weekend and the Sept. 20-21 Full Throttle Fall Weekend, visit the speedway web site at NHMS.com or call fan relations at 783-4931.
