Auburn handles another sewer break

BY GUS STEEVES
STAFF WRITER

AUBURN — For the second time this year, the Selectmen had to approve deficit spending for a sewer main break on Monday June 11.

According to Sewer Director Jeff Mitchell, a resident noticed water bubbling out of the ground on Southbridge Street Court and examination found it to be sewage from the force main carrying waste from the Holstrom Court station over Pakachaog Hill to Pinrock Station. Excavation the next day found about 7000

gallons had spilled through a two-inch crack, but was contained, repaired and fairly easily cleaned up within a day.

“It was one of the easier and quicker ones,” he said, noting the project’s cost is “in the \$40,000 range.”

DPW Director Bill Coyle agreed, saying, “As far as a sewer main break, it went as well as it could.”

He noted this line carries about 1 million gallons per day under constant pressure. That pressure is what made the spill even detectable; he said he believes nobody would’ve

even seen it had the line been a regular gravity line.

The department is already about \$140,000 in deficit because of a bigger break this winter on Upland Street. Mitchell said he’s in the process of using some of the department’s capital funding to study the system’s overall needs and identify the areas most in need of repairs. Over the next few years, Mitchell and Coyle hope to be able to line some of the pipes to increase their life expectancy.

Doing so will be far easier with gravity lines (which have

manholes about every 300 feet) than force mains (which don’t), Mitchell noted.

Mitchell said the town’s force mains are “at 139 percent of their life expectancy,” being over 40 years old with a standard life of 30. But he added many towns have pipes in the ground that are 100-plus years old without problems, and doesn’t “foresee any sort of catastrophic failure that would collapse the system.”

Coyle also discussed resident concerns regarding traffic safety on Southbridge Street, saying the state Department of

Transportation recently identified extra funding to re-stripe Route 12 from the city line to Drury Square, designate the entire stretch as a no-passing zone, and create a turning lane into Sword Street. He said DOT might be willing to look at speed limits there as well; currently, most of it is 40-45 mph, although the Worcester end is designated “thickly settled” and 30 mph. Worcester controls that section, but the state controls Auburn’s section.

Staying Strong for Ryan

KIMBERLY MASCHI
NEWS CORRESPONDENTS

It was a beautiful day for a beautiful boy. June 2 was Ryan Myers Strong Benefit day and the partying didn’t stop until late that night. During the day event hundreds of residents from Oxford, Charlton, Auburn, and more came to support this boy and his family.

Ryan Myers was diagnosed with leukemia and is currently going through treatment. Ryan is also diagnosed on the autism spectrum and this adds to the struggle that Ryan and his family faces. There have been multiple pleas for help from the community to help the Myers family and all have been answered. While the bills, from hospital and home, keep increasing the community continues to rally for this strong little boy and his family.

Behind the A.M. Chaffee school there were numerous activities and countless supporters sharing in fun. An enormous bouncy castle, where children jumped and flipped for Ryan, was full of laughter. An enormous inflatable slide rested in the shade and kids slid down with glee. The Suzy Q’s ice cream truck from Charlton was parked and the lines

CATS CATALYZE COMMUNITY IN AUBURN

AUBURN — Cats were a catalyst for community last weekend, and the Horgan Arena hosted the Cat Fanciers’ Federation All-Breed Cat Show.

A few dozen feline participants spent the bulk of their time sleeping when not actually being gently stretched and prodded by judges.

Many of their human companions, by contrast, spent their time socializing, sometimes over marble cake provided by one owner to celebrate her cat’s Grand Championship. Others checked out the displays of cat furniture and related items, listened to an author tell of how his cat saved him and vice versa, learned about “comfort cats,” and a variety of other things between judging rounds.

On Wednesday, June 6 in Blackstone, 35 individuals had their first-ever experience on a bicycle, and were able to enjoy the beauty of the Blackstone River Greenway.

“Something,” Bonnie Combs of the Blackstone Heritage Corridor, Inc. said, “that was an opportunity they might never have had without this event.”

Millville’s historian, Margaret Carroll, was present at the ribbon cutting for the Blackstone River Greenway in September 2017. At age 93, Carroll was not able to bike or walk the distance of the 3.7 mile segment from Blackstone to Uxbridge. After mentioning that she would really love the opportunity to see the Greenway after volunteering for many years on com-

Ride for Conservation in the works

Opacum Land Trust is once again partnering with Rapsallion Brewery and Hyland Orchard of Sturbridge, and Southbridge Bicycle for our second annual Bike Ride for Land Conservation, scheduled Sunday, July 8 in Sturbridge.

The Ride brings cyclists through the heart of Opacum’s service area including Sturbridge, Brimfield, Brookfield, Monson and surrounding towns in south-central Massachusetts. Bike enthusiasts will be challenged by our hilly 100 mile ride while others can choose a route in keeping with their ability, including a 50 and 25 mile loops, and a family-friendly 7.5 mile ride that makes the day a win for everyone! All proceeds from this ride will go to support the land conservation work of Opacum Land Trust – helping to protect the beautiful character of our communities.

Registration for all routes is online at BikeReg.com, with

the proceeds from the \$50 registration fee going to support Opacum Land Trust. Rest stops with food and water are available, and a SAG vehicle will be on hand for emergency assistance. Registrants receive a free T-shirt, snacks and flatbread pizza, and a free craft beer upon their return. Rides begin at staggered times and are synchronized to wrap up between 1:30 and 2:00 back at Rapsallion. Details of the routes and starting times can be found at BikeReg.com/tour-opacum, and on our website. For specific questions about

Car Buying Tips

Customers ask place: How should I pay for my new car or truck?

The RIGHT answer: There are three ways to pay for your vehicle. They are to pay cash, finance the balance or lease the automobile. Each method has its pros and cons.

If you pay cash, you have the knowledge that you own your car outright. You could, in theory, cut back on insurance and you will not pay interest as you would with the other two methods. The downside of paying cash is that you are spending a large part of your liquid assets and potentially losing investment potential. The other thing is if your car gets totaled and you did cut back on your insurance you are out all that money.

If you finance, you will have a budgeted monthly payment and won't need to spend all your hard-earned cash. In fact, with today's low interest rate options, in some cases as low as 0%, it may make more sense to finance your car. You also have options with the financing that can help to protect the value of the car. Consider GAP protection to protect against a total loss. Ask us for more details on how this works. Of course, the downside of financing is that in most cases you will pay interest. Because today's cars are rather expensive many customers take on longer term notes increasing the interest expense and leaving them still owing money when they want to trade in for another. This leads us to leasing.

If you lease a car you usually get a lower monthly payment. You will also get GAP protection (at least with Ford Motor Credit Leases) at no charge and your term will be shorter allowing you to seamlessly get a new car in just a few years as your needs change. Downsides to leasing are the excess mileage or wear and tear concerns. Let us tailor a lease to your needs to help avoid these concerns.

At Place Motor we will discuss with you your situation and offer you your choices, so you can make the RIGHT choice for you. You'll experience why Place Motor is the RIGHT Place since 1923.

Tips to gear up for a great garden

Hot on the heels of Memorial Day weekend, gardeners everywhere are heralding in a long-awaited annual rite of late spring: official planting time! Backyard gardeners who patiently waited for the threat of frost to pass, are now eagerly scurrying to get their precious seeds, seedlings and fertilizer into the ground in anticipation of a bountiful harvest crop. And while many successful planters boast their own "secret" techniques to cultivating impressive rows of ripe, red tomatoes and patches of multi-blooming flowers, there are some easy tricks even "green thumb impaired" gardeners can use to give their plants a growing edge.

TAKE THE HINT
KAREN TRAINOR

Boost Blooms: Plants that grow best in alkaline soil such as geraniums and hydrangea will thank you with better blooms if you water them with a mild mixture of baking soda and water occasionally.

Proper pH: The first thing to check if your azalea leaves are looking yellow is the soil pH. Azaleas need a soil on the acid side. Alkalinity locks up iron needed for green color.

Save \$: For cost effective mulch, use three sheets of newspaper under bark mulch. You'll save money on bark and the newspaper decomposes, enriching the soil.

Rooting Trick: It can be difficult to successfully take cuttings from shrubs to root and plant. Here is an option that ups your chances the cutting will take: Take a small potato, make a small hole, and place your shrub cutting inside. Immediately plant, potato and all, either in the ground or in a pot.

Pucker Power: To safely keep ants and insects off your plants, simply sprinkle concentrated lemon juice in the garden.

Need more green thumb tips? Try these problem solving "recipes!"

Miracle Grower Garden Tonic: Are your plants suffering from lackluster leaves? Are your blooms bowing out? Try this tonic to miraculously rejuvenate your plants this growing season.

Ingredients: Five gallon bucket; water; three pkgs. unflavored gelatin; two cups Epsom salts; one teaspoon borax (boron); one fourth cup dishwashing liquid (made with vegetable oils, not animal fats). Instructions: Put gelatin

ing it in a large plastic bucket with the bottom cut out.

Rain Gauge: When planting your garden, sink a small jar or can in the middle of a row. This way, you can gauge exactly how much water your garden is getting from both irrigation and rainfall.

All Purpose Lawn Fertilizer: Lush lawns don't have to be a luxury with this homemade brew.

Ingredients: One can of beer; one can of cola (not diet); one box or cup of apple juice; one cup lemon scented dishwashing liquid; one cup ammonia; one cup liquid lawn fertilizer. Instructions: Mix together all ingredients. If you buy liquid lawn fertilizer with a hose sprayer attachment, you can use the attachment with any one liter bottle to make a 50 gallon sprayer. Spray your lawn and garden with the above mixture every three weeks, early in the day. *For houseplants, mix four shot glasses of the above mixture to one gallon of water and add one quarter tsp. unflavored gelatin.

Easy Pesticide: This mild insecticide uses only two ingredients, but gives bugs a powerful one-two punch!

Ingredients: One gallon water; 1/3 cup Murphy Oil Soap

Instructions: Mix oil soap with water and apply to stems and leaves of plants.

Dash of Salt: Adding Epsom salt to plants has been reported to enhance the color of blossoms and leaves, promote new flowers and fruit, improve the root system and improve the strength of stems. For roses: sprinkle one teaspoon of Epsom salts per foot of plant height and spread evenly around the base for better blossoms and deeper greening. Add 1/2 cup sprinkled around the base and then scratched in, for strong production of new flowering canes and healthy new basal cane growth.

bond funds to bring about 600 feet of Briarcliff Road up to town standards. Coyle said the Planning Board formally seized the money (\$85,000) back in 2011, when the cost was estimated to be \$110,000 to finish the work, which will include planting a few trees, adding a couple streetlights and adding the top pavement layer. Coyle said he'll wait until next year to do the last part, so the road can settle over a winter and Town Meeting can accept the road itself.

When he started in the job about 10 years ago, he said, erosion issues on Briarcliff were "awful," with sediment in people's yards and other concerns. It was "something you never want to see," but has become "much better," to the point issues reflect "anything you'd expect from a 20-year storm or a 100-year storm," when those happen,

Coyle said. The board also approved a different kind of bond – a three-month "bond anticipation note" to borrow \$230,624 because of an "anticipated revenue deficit" regarding the middle school project. Town Manager Julie Jacobson said the need is simply because the state hasn't yet finished auditing the project, so it's still withholding the final payment. She said she hopes the Mass School Building Authority will finalize the audit this summer.

Fishing both fresh and saltwater just fine say anglers

THE GREAT
OUTDOORS
.....
RALPH
TRUE

Fishing fresh and saltwater can be an exciting past time for young and old. It also can make great memories for the fishing public.

This past week this writer went striper fishing with Steve Mercure of Uxbridge at the Providence River. We arrived at the Bold Point boat ramp at 4:30 a.m.! By the time we had launched my boat it was just breaking light. As I navigated my 16 ft. boat through the channel and out into open water, I noticed a couple of boats about a quarter mile out and decided to check them out. Now I know I wrote a column about "Googans" a couple of weeks ago, where some fishermen follow and fish too close to commercial fishing vessels, but I was just trying to observe what they were fishing for. My pre-

diction was right! They were trying to snag a few porgies for bass fishing.

We set up a few hundred feet from them and found our own school of porgies. It was not a large school of bait fish but we managed to snag a few for our morning fishing trip.

I decided to head out to a favorite spot of mine that often had us catching stripers on past fishing trips. We started our first drift by 6:00 a.m. and had a couple of hits on the first drift. They evidently were school stripers and were not large enough to handle a full size bait.

After a short run, they dropped the bait and it was time to go back up to where we had started our first drift. As we let our lines out we noticed a couple of osprey circling our baits. Suddenly one of the large birds plunged from the sky and picked up Steve's bait fish.

What the heck!! I started to laugh as Steve battled the huge bird with his fishing rod. Suddenly the osprey dropped the bait fish and it crashed back to the surface of the ocean. Because

the bait fish were swimming close to the surface it was easy for the osprey to spot the fish swimming just under the surface of the water.

Suddenly the second osprey plummeted from the sky and grabbed my baitfish, and I went through the same ordeal that Steve had just encountered. Giving the rod a good tug, the osprey also dropped my bait. Now we noticed that there were five osprey circling our boat waiting for another opportunity to steal one of our baitfish.

We decided to leave the area to avoid another encounter with the birds. We were also concerned that they could become entangled in our fishing line or ingest one of our hooks. I sure wish I had my camera running to capture at least one of the moments, but it happened so fast I did not have time.

We soon found ourselves fishing back where we had snagged a few porgies earlier in the day, and encountered a few more short runs from more than likely school stripers. I decided to check out another

Gobi secures reimbursement for regional school transportation

BOSTON – Senator Anne M. Gobi (D-Spencer) has announced a unanimous vote by the Massachusetts Senate to increase regional school transportation reimbursement funding during

Tuesday's budget debate. The amendment, filed by Senator Gobi, raises the reimbursement rate to 80 percent of full funding, at a total of \$68,878,679 - a \$7,357,679 increase over FY18 funding.

"This 80% reimbursement is a positive step towards the 100% promised by the state when schools were encouraged to regionalize," said Senator Gobi. "There are 107,000 students in 170 regional schools across the state and this funding helps to assure they receive other critical services."

Ellen Holmes, chair of the Massachusetts Association of School Committees, had this to say, "Anne's advocacy for

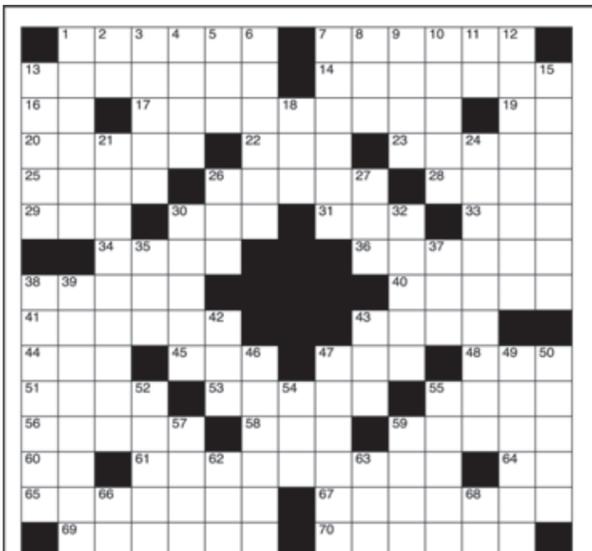

regional school district issues has been greatly appreciated. The unanimous support in the Senate today for her Regional School Transportation reimbursement amendment moves us closer to the legislative promise to the voters in these regions. We look forward to the members of the Senate Conference Committee working with the House to secure this essential funding."

"Regional school transportation costs represent a significant portion of the Wachusett Regional School District's annual budget," said Margaret Natowicz, Rutland town administrator. "The state's year-on-year regional transportation reimbursement underfunding has resulted in increased assessments to member communities. If funded, Senator Gobi's amendment to increase regional transportation reimbursements from 68% to 80% would provide much needed relief to the town of Rutland and other municipalities challenged with sustaining an array of public services. We express our sincere appreciation to the Senator for her tireless work to assure that the state allots its committed share of aid to municipalities and school districts.

State Auditor Suzanne Bump released a study on October 18, 2017 making recommendations to modernize laws and regulations within the regional school district structure. The report made sure to point at that state laws passed in 1949 entitle regional school districts to full reimbursement for school transportation expenses, but this is subject to annual appropriation. In fiscal 2016, the reimbursement rate from the state was just 73 percent, the auditor reported, creating a collective shortfall of \$14.4 million in this category for regional districts.

Regional school districts often have higher student transportation costs since they cover larger geographic regions. There are currently 58 regional school districts in Massachusetts with 171 member schools. The transportation money that is not reimbursed by the state comes directly out of their school budgets. Senator Gobi has advocated each year for an increase in funding with a goal of 100% reimbursement.

The House of Representatives approved \$63,521,000 and the two amounts will be negotiated by the conference committee.

June Real Estate Market Update

REALTOR'S
REPORT

JAMES
BLACK

According to Bankrate.com as of 06/10/2018 the rate on a 30 year fixed loan was 4.46% which is up slightly from last month. We are continuing to see a very hot Real Estate Market. What we are seeing locally is that buyers are starting to bid on homes with prices that are higher than market value with the intention on negotiating down after inspection since they figure the sellers will be more apt to do that since they don't want to get under con-

tract with another buyer and go through another inspection. In the heat of the multiple offers, we are also seeing buyers offer on a home with a higher than list price offer only to back out of the sale with no cause and possibly even forfeit their deposit due to buyers remorse. I don't think this is a sign of the market slowing down but it is something to watch over the next several months to make sure.

Today we have 1774 single family homes for sale in Worcester County compared to 6 months ago where we had 1547 single homes for sale. However, 12 months ago we had 1821 homes for sale so inventory is still just slightly lower than this time last year. of year. The average days on market is currently 92 days which is a 8.0% decrease in days on market from last month. This shows that homes are continuing to sell quicker and homes that have been sitting on the market are either expiring or selling

as well. If we look at homes sold over past 12 months compared to the same time for the previous year there is a small decrease in sales of less than 0.1% and a 5.0% increase in average sales price while it is taking 16.0% less time to sell the homes this year than last year in Worcester County. This shows that prices are still rising and homes are still selling quicker than a year ago. The lower inventory is starting to catch up with the sales causing a lower number of sales these past 12 months compared to the 12 months prior.

It is important to hire a Realtor familiar with your market especially in this market where it seems you can just put a sign out front and get a bunch of offers. The right agent will ensure you get the most money for the house in the shortest amount of time. The reason for this is the properly staged and marketed home is selling in what seems minutes while homes that do not show well are staying on the market and selling for a lower price.

Bay Path graduates 233

WORCESTER – Bay Path Regional Vocational Technical High School celebrated the graduation of 233 students on Sunday, June 3 at the DCU Center in Worcester including 14 students heading off to the armed forces. Graduates marched together into the event and crossed the stage one by one, some seemingly humbled while others added their own flair to the experience. Graduates from the school hailed from the towns of Auburn, Brimfield, Brookfield, Charlton, Dudley, Leicester, North Brookfield, Oxford, Paxton, Rutland, Southbridge, Spencer, and Webster.

30 inches!!!! At least it was a legal fish and was all that we needed to bring home for some of my acquaintances at the Uxbridge Rod & Gun Club to eat.

My brother Ken and his son Mark sent along a picture as shown in this week's column of a nice lake trout they had caught a couple of weeks ago at Gate 8, in the Quabbin Reservoir. A \$23 fee to rent a boat and 9.9 hp. motor for the day also included a full tank of gas and admission. They caught seven lake trout throughout the day. They were all released back into the Reservoir. Although no salmon were caught by the two anglers, many fishermen still catch them on some of their trips. They are planning another trip to the Quabbin as early as next week.

Ed Pokornicki will be holding another firearms safety class at the Whitinsville Fish & Game Club for 12 to 17 year olds for first time applicants wanting to obtain their FID card on Saturday Aug. 11, and Sunday Aug. 12. A \$25 registration fee, which is refundable after the student passes the course is

required. Live shooting of handguns and shotguns will be available for every student taking the course. Contact Ed to register, or for more information at (508) 278-6002. The course is open to both female and male students from any town or state. A light lunch will be served both days.

To the disappointment of many people in the area, the 200 Sportsmen's club will not be holding their annual spring picnic this year. It was rated as one of the best picnics in the area, and the food was always top notch. The Blackstone Valley Beagle Club is planning a clam bake with all of the trimmings in the coming weeks. I will try to keep you posted.

Haddock fishing on the North Shore remains steady. Talking with a couple of anglers that fished aboard a charter boat in Salisbury this past week commented about the fast action fishing for haddock, but also stated that they had caught many nice cod fish that had to be released because of the closed season on all of the Gulf of Maine. Hopefully the restrictions will be lifted soon.

Friday's Child

Hi! My name is Deniol and I love basketball and soccer!

Deniol is a sweet and social boy of Hispanic descent. He makes friends easily and his favorite activity is playing sports, especially basketball and soccer. He also enjoys playing video games. Deniol is very comfortable talking and playing with adults and children of all ages. He also adapts quickly to new environments.

Legally freed for adoption, Deniol is looking for a loving family that can provide him with support, structure and consistency. An ideal family will also be able to advocate for his needs, and

help him utilize appropriate community services. Although his social worker believes that he will do well in a family of any constellation, with or without children, she believes that he will do particularly well in a family where he can have siblings. A family who enjoys being active would also be a good match for Deniol.

Who Can Adopt?

Can you provide the guidance, love and stability that a child needs? If you're at least 18 years old, have a stable source of income, and room in your heart, you may be a perfect match to adopt a waiting child. Adoptive parents can be single, married, or partnered; experienced or not; renters or homeowners; LGBTQ singles and couples.

The process to adopt a child from foster care requires training, interviews, and home visits to determine if adoption is right for you, and if so, to help connect you with a child or sibling group that your family will be a good match for.

To learn more about adoption from foster care, call the Massachusetts Adoption Resource Exchange (MARE) at 617-964-6273 or visit www.mare-inc.org.

The sooner you call, the sooner a waiting child will have "a permanent place to call HOME."

Opacum Land Trust or the TourOpacum, please call or contact us at info@opacumlt.org.

The afternoon will feature live music from the Tony Soul Project along with additional food options and craft beer at the beautiful Hyland Orchard Pavilion. Guests are invited to bring their own lawn chairs and picnics, and hang out in the orchard surrounding the pavilion, soaking up the sun. The venue also offers a full 18-hole Disc Golf Course.

Rapscallion will again brew a special "Opacum Ale" for the occasion – celebrating the land trust's namesake, Ambystoma Opacum, the blue marbled salamander, a rare and threatened species that inhabits this region. A portion of the sales of the beer will be donated to the organization.

Opacum's Executive Director Ed Hood is pleased

to announce that Southbridge Credit Union is the lead sponsor for TourOpacum, demonstrating their commitment to the character of the communities that Opacum Land Trust serves. The Sturbridge Tourist Association has also made a substantial commitment supporting TourOpacum, including funding to support digital marketing efforts that will bring riders to the Sturbridge area.

"After a successful first year with 91 riders, we hope to more than double participation in 2018 with the help of the expanded marketing impact that our relationships with Southbridge Credit Union and the Sturbridge Tourism Association will provide," says Hood.

Hood is also excited to have Rapscallion Brewery's enthusiastic and generous support for this event. With its central location in Opacum's service area, the very important feature of local craft beer, and its

commitment to helping grow TourOpacum, Rapscallion is an ideal partner for the event. Hood is particularly grateful for the guidance and technical support of Jon Steppic, owner and manager of Southbridge Bicycles, and himself an avid bike rider. Southbridge Bicycles will provide a "SAG Wagon" – a vehicle equipped to assist riders who have mechanical failures during the ride.

Based in Sturbridge, Opacum Land Trust is a not-for-profit 501(c)3 organization lead by a volunteer board of directors. Opacum cares for 1,992 acres of conservation land in its 13-town service area, stretching from Monson to Charlton and Southbridge to North Brookfield. Proceeds from the first TourOpacum in 2017 were used to help purchase a 76-acre forested parcel on Monson Road in Brimfield known as Dingley Dell, which Opacum will open to the public as The Clayton and Margaret Thomas Nature Preserve. This property contains a waterfall, a natural spring, a spectacular 25ft high boulder, and is adjacent to the Hemlock Gorge section of Brimfield State Forest.

In 2017 Opacum Land Trust also conserved 57 acres of "Stillmeadow Farm" in Monson, belonging to Nancy Clark, her daughter Laura Rogers and her son-in-law Eric Rogers, and 125 acres of land in Charlton belonging to Richard Kisten. Opacum's

OBITUARIES

Lance Arnold Holmes

Lance Arnold Holmes of Whitinsville passed away unexpectedly on Tuesday, May 22.

Lance was born in Brockton on September 30, 1951 to the late Arnold and Marjorie (Armstrong) Holmes and grew up in Dedham graduating from Dedham High School in 1969.

Upon graduation, he entered the Coast Guard, training as an electronic technician.

During the Vietnam War he was assigned to the USCGC Spencer. Lance was proud of his wartime experience and when the Spencer was decommissioned in 1974, he transferred to Chatham Lighthouse Station, retiring from active duty in 1975 with the rank of Telephone Technician 3rd Class Petty Officer. For the next 8 years he remained an active Air Force reservist with the rank of Staff Sergeant at Westover AFB, Chicopee and later Hanscom AFB, Bedford.

Lance graduated with honors from the University of Lowell in 1979 with a degree in Electrical Engineering and began his 35+ year career as a senior software engineer. At the time of his death, he was a consultant at Lockheed Martin (Leidos) in Eagan, MN.

Lance's hobbies were many. A clarinet player who spent time in college as a DJ, he was a lover of all music genres with a great knowledge of musical trivia. As a former "Coastie" he was a boat owner and fisherman and delighted in attending the USCGC Spencer reunions. His other interests included golfing, bowling, the Red Sox and the Patriots. He was an accomplished

cook as well and was known by his family as their "Computer Guru."

Lance's greatest attribute, however, was his extraordinary patience and calm. A man of few words, he was always willing to help a friend or neighbor in need. He was the neighborhood go-to man for help with TV or computer problems, was generous with his snow-blowing of neighbors' driveways, and had a soft spot for the stray cats his wife was always welcoming to their home.

As a final act of kindness, Lance's family has donated his eyes to give the gift of sight to someone in need.

Lance is survived by his wife of 34 years, Lois (Riley), his daughters, Katherine of Whitinsville and Alison and her partner Mel Marcou of Auburn, his brother Wayne of Cincinnati, OH, his sister, Priscilla Lovely of Dedham, a niece, 2 nephews, and several cousins as well as a large group of friends with whom he shared over 40 years of friendship.

His funeral service will be held Tuesday, May 29, at 9:30 AM in the Village Congregational Church, 5 Church Street, Whitinsville. Visitation with the family will follow in the church hall.

Burial with full military honors will take place at the convenience of the family at the Massachusetts Veterans Memorial Cemetery, Agawam, MA. Carr Funeral Home, 24 Hill St., Whitinsville, is assisting the family during this time.

In lieu of flowers, please honor Lance's memory with a donation to the Bosler Humane Society, PO Box 12, Baldwinville, MA 01436. To leave a condolence for the family, please visit www.carrfuneralhome.com

NUMISMATICS: Looking for a new hobby? Come learn about the hobby of Coin Collecting. Or maybe you are an old time collector. Our club, the Nipmuc Coin Club, has both. We learn from each other through our monthly guest speakers, show and tell presentations, monthly coin auctions and free attendance prizes. Our group loves to share their knowledge with each other. About half of our members also like to eat. Each month we have a simple dinner with dessert and refreshments just prior to our meeting, which allows us time to socialize too. We meet the fourth Wednesday of each month starting at 6:30 p.m. in the Oxford Senior Center located at 323 Main St. in Oxford. It is the building directly behind the Oxford Town Hall building. For more information, please contact Dick Lisi at (508) 410-1332 or lisirichard15@yahoo.com.

STORY TIME: Open Story Time will be held 4:30 p.m. every Thursday at the Auburn Public Library. No registration required. Please drop in. Open to all ages. For information, call (508) 832-7790.

BOYS' GROUP: Chuck wants boys in the 6th through 10th grades to join The Man Cave. The Man Cave is a boys' group that meets from 7:30 to 8:45 p.m. Thursdays at the AYFS, 21 Pheasant Court, Auburn. This is where members will learn that peers their own age share similar concerns. Group members will be able to discuss ways to cope with their concerns as well as receive positive feedback. Each week will center around a particular topic for discussion. No cost to join. For information, call Brandon Pare (508) 832-5707 x 16 or Dan Secor (508) 832-5707 x 14. Free food available.

FRANK G. CHILINSKI
STONEBRIDGE PRESS PRESIDENT AND PUBLISHER

EDITORIAL

We are not the only ones....

In the wake of the G-7 conference, at which our president has confirmed decisions to continue to levy tariffs and penalties on historic trade partners; it is interesting to realize the world could easily go on without us.

We are not integral to the world's markets any longer.

Name one, just one product produced in the United States that is not available elsewhere.

Anyone? Anyone?
You are right.
There isn't one.

And often, because we are somewhat isolated from some of the most populous possible customers, our costs for shipping and handling mean we may not be the most economically feasible choice. We have oceans between us and many of the places that might rather have US goods. Air shipments or ocean shipments are expensive.

It limits just who our closest possible trade partners might be, north or south; and we pretty much ticked off our neighbors to the north this week.

We already messed up our relations to the south by threatening to bar them all with a gigantic wall...whether it is ever built or not it is a subtle threat indeed.

Everyone else in the world...an ocean. And costs.

The costs we incur in this country for employees, insurances, utilities, raw materials, spaces, machinery, display costs, shipping, and even advertising means we are not competitive with many other, smaller, leaner, entrepreneurial global enterprises. We just can't compete. And when we start demanding others pay our prices or else, we're cutting our own throats.

We can't even demand it on the precedent of quality. Not any longer.

Others do it better.
They just do.

So we are in trouble in the US of A. And we are not helping ourselves much with our bully attitudes. It might have worked in the earlier industrial ages, but no longer. Because we just aren't the best, or the even the least expensive, or the only ones with the widget others need, or a lock on any market anywhere.

It's going to hurt when the rest of the world realizes the power they have, and begin to exercise it. The power of the wallet has always been the most telling; and it will crush us in the long run.

LETTERS

Extra! Extra! Read All About It!
We think you're important enough to tell all our readers to turn to the Opinion pages and read your Letters to the Editor.

But first, you have to write us!
Mail your letters to the Auburn News, P.O. Box 90, Southbridge, MA 01550.

Or e-mail your letters to the editor at ruth@stonebridgepress.news.

You'll need to provide your name and place of residence, along with a phone number, so we can verify the letter is yours.

We don't have a set limit, but if you keep it around 600 words or so, you're going to have a better chance at seeing all your words in print.

If you want to write a bit longer about a particular issue, maybe a guest Your Turn column is your cup of tea. If you do that, try to keep it between 700-800 words.

Remember, libelous remarks and/or personal attacks are a no-no and could lead to your letter not being published.

So, what are you waiting for? Start writing!

Giving back to community a goal

Earl Nightingale said, "Our rewards in life will always be in exact proportion to the amount of consideration we show toward others." The Auburn Public Schools has a longstanding commitment to giving back to the Auburn community, believing that a true partnership is one where there is both give and take, with the best interests of the community and all of its citizens – young, old and all of those in between – always at play.

As has become our tradition, the first School Committee meeting in June each year features the students and staff sharing some of the many ways in which the Auburn Schools engaged in community service learning (CSL) projects throughout the school year. Immensely appreciative of the support that our District receives from the Auburn community the whole year through, our "giving back" is hopefully likewise appreciated and evidence of the true partnership that is in place between home, school and community. The presentations made on June 6th were outstanding, with them serving as evidence of only some of the many ways our students and faculty contribute locally, nationally and, in some instances, globally.

At Auburn Middle School, students and staff shared how they, under the direction of a student with some friends and faculty support, collected 700 new toys and delivered them to Boston Children's Hospital. Another student, again with the support of friends and faculty, baked gourmet dog treats and, with the money earned, made a donation to a local animal shelter.

At Swanson Road Intermediate School, the two CSL projects highlighted were Pride & Purpose and the revitalization of the SWIS Arboretum. With a student leader presenting about Pride & Purpose, we learned that over \$3,000 was donated to a school in South Africa, helping to provide a vibrant learning environment for the young children in that country. Additionally, the students and faculty continued their work to revitalize the Arboretum in memory of James Courville, a longtime Auburn educator who died tragically in a scuba diving accident. They spoke about this year's culminating event, the Mother Earth Day celebration, which took place on May 19th and, among other engaging activities,

included the unveiling of the mural on the rear wall of the school...truly magnificent!

At Bryn Mawr School, students and staff spoke about several of their CSL projects, including making donations to a homeless shelter for veterans that included students' handwritten notes of thanks for their service; a blood drive for adults that was held in conjunction with Pakachoag School, the resulting amount collected being the equivalent of saving 81 lives; collecting spare change for their Pennies for Pasta challenge to raise funds for leukemia and lymphoma; with the Snowman Challenge – wherein 1,370 non-perishable food items were collected and donated to AYFS – being their favorite as it resulted in their beloved second grade teacher, Mrs. Tarini, dressing as a Snowwoman!

Last, but by no means least, the Pakachoag School students and staff highlighted three projects they undertook this school year. The second graders filled buckets as part of the APS Team's "More than a Bucket" challenge where disaster relief buckets were filled and shipped to Texas and Puerto Rico to assist those residents in the aftermath of hurricanes. Grade one shared their "Real Heroes Don't Wear Capes" CSL project in which they collected monies to purchase gift cards and treats for Auburn's phenomenal first responders, with the children dressed as their heroes (two serviceman, a nurse, and a police officer). And finally, the kindergarten students and staff participated in Project Bread, winning the "Enthusiasm Award" for their incredible support in helping to end hunger.

As Frank Guzzetta stated, "There's nothing more rewarding than giving back and making a difference in the lives of people in this great community." Breathing life into his words, this is a lesson we seek to demonstrate to our students daily: the joy of helping others and in so doing, helping ourselves. Thank you to the entire Auburn community for your ongoing support and to the APS Team who is appreciative of that support, demonstrating their thanks in myriad ways.

To contact me to share an idea, a concern or to ask a question, I can be reached at 508-832-7755 or via e-mail at mbrunelle@auburn.k12.ma.us. Thank you for your continued interest in and support of the Auburn Public Schools!

Father's Day - lessons about money can be priceless gifts

FINANCIAL
FOCUS
DENNIS
ANTONOPOULOS

Father's Day is almost upon us. If you're a dad, you certainly may enjoy getting cards and gifts, of course. But, over time, you will gain even greater satisfaction by what you can give your children – such as some valuable financial lessons.

These lessons can include the following:

Setting goals – If you are contributing to an IRA and a 401(k) or similar employer-sponsored plan, explain how you build these accounts now, while you are working, so you'll have enough money to enjoy a comfortable retirement someday. And you can bring your children into the picture, too, by telling them that another financial goal is saving enough to help send them to college or to further their education in other ways.

Value of understanding the financial markets – You may actually be quite surprised at how interested your kids are in investing, especially the concept of "owning" companies through stocks and stock-based vehicles. Depending on their ages, you might even want to show them the progress of your own investments and describe, in general terms, how different events can cause the markets to rise and fall, especially in the short term. You could even discuss the difference between the basic types of investments, such as stocks and bonds.

Putting time on your side – You might want to emphasize the importance of patience, and how investing is not a "get-rich-quick" scheme, but a process that requires decades of diligence and persistence. Let your children know that it's of great value to start investing as early as possible, so you can put time on your side, giving investments a chance to grow.

Living within your means – We all know that you can't always get what you want. Stress to your children that you can't just splurge on big purchases whenever you feel like it, because such behavior can lead to bad outcomes. Use concrete examples: If you have a car that's several years old, tell your children that it would be nice to have a new one, but you simply must wait until you can afford it.

Paying debts on time – Tell your children that, no matter how good a saver you are, or how thrifty you try to be, you still have debts, such as your mortgage payment, and it's important to pay these debts on time. You may not want to get too detailed about the consequences of missing debt payments – bad credit scores may not be that easy for children to understand – but you can certainly mention that if you're always late on payments, you might find it harder to borrow money when you really need it.

By sharing these principles with your children, you will, at the least, give them something to think about, and you may well find that you've helped start them on the path to a lifetime of making solid financial moves. And who knows? If they truly master the ideas you've taught them, one day they might give you some really nice Father's Day gifts.

Happy Father's Day

A father is more than a man; he is a hero, warrior, mentor, and friend. He loves, listens, cares, and leads. He leads by example, or by hand; he leads you through the journey of life with strength and intelligence. A father is there, and sometimes he's not.

No matter what part he plays he leaves a mark like the sun on a flower. He can attain its bloom or he can scorch the delicate petals. A father will always be true. No matter the role, he will always be a part of you. He will compose the fabric of your thoughts, introduce you to the basics of life, be close to your heart, or a voice in your conscience. Near or far, a father is a fragment in us and helps design who we are and who we become. The journey I faced with my own father is not different from some but unique to me. If you miss a father, you can find strength in others to guide you, his absence does not define you. If you have a father that is all the things he should be, love him and show him how much he means to you on this day and every day. If your father is lost, given up to the cosmos, know he is watching from the stars and leading you with each sparkle in the

night and each day break. When the sun illumines from darkness it is him, keeping you warm, keeping you safe, keeping you within his light for eternity.

I stand alone on the front stairs of my mothers' home. My bare feet pressed into the concrete step. I focus on the pain and the remaining heat left from the sun soaking into me; hopefully giving me the strength I need. I push my skin deeper into the concrete until I'm intimate with every pebble and stone. The jaggedness is deeply engraved into my flesh and I welcome the discomfort. I can do this. If I can take this pain, if I can grind the soles of my heels in deeper I can stay, I can be the bigger person. I must be the bigger person. That's how it's always been with my dad. I made a hard choice, instead of running away, I would stand still.

My father was to drop my little sister off from her visitation with him any minute now and I would be here. A sign of forgiveness, me to him. A shadow crosses over my sight. My father's silhouette formed in the sunshine coming down the hilltop. He brought my sister to my feet. My feet, bare and numb now from the

continued for refreshing treats. The kids were so grateful to have a nice cold ice cream on this hot stunning day. Later in the day Coco's Tropical Ice from Auburn came to join in the festivities and supply some more icy treats. Children ran around and played on the school playground. There was face painting and the Firefighter Explorer Post 2021, from Oxford came to demonstrate the firetruck and equipment. The Dragons Volleyball Club set up a net and had everyone playing a game. Aquarion Water Company donated 5 10-gallon tubs of water to keep everyone hydrated. There were so many activities outside for Ryan Myers, the amount of support Ryan is receiving is truly inspiring and inside the school were tables lined with gift baskets and prizes all in support of him.

Companies and residents all chipped in to help this little boy and his family. Raffles and silent auctions were numerous and the prizes were amazing. Robin's Garden Center was giving away one ton of pellets, Sue Bray Photography was giving away multiple prizes one being a \$250 session. There were sports memorabilia, like Stephen Gostkowski signed football. There were raffles for gift certificates to Isador's in Oxford, N&J Donuts, Ted's,

Walmart, The Home Depot, Zoink's Fun Factory, Clambox at Dresser Hill, Baba Sushi, and Annie's Country Kitchen plus so much more. There were gift baskets made for the raffles. This was all just for the day event! There was still an entire night for parents to enjoy.

At the Singletary Rod and Gun Club in Oxford participants were able to enjoy a night out of live music and dining adventures with friends and fellow residents. There were tastes of the town provided from many local restaurants including P&D Pizza and Asia Kitchen. The end result was around \$10,000 raised for this little boy and his family.

Ryan Myers is fighting every day for his health. He remains strong and his family is determined to get him everything he needs. Residents from near and far rally around this young boy and his family. They show their support through kind words, volunteering, and helping to get the family all the care and support they need as they continue through this trying time.

The Myers family needs support in any way possible, not just by check, but by a smile, a hug, a hand and a heart. A time no child should ever have to go through, but Ryan has us. We are all strong for Ryan.

Greenway, volunteers looked into the adaptive cycling program offered by All Out Adventures, a partner of Massachusetts DCR.

A call was made by the visitor services supervisor at Massachusetts DCR-Blackstone River & Canal Heritage State Park to All Out Adventures and it turned out there was money left in the budget that season to bring out equipment to give Margaret her bucket list ride.

"Last October, we held a special event to honor Margaret and make her wish come true," said Combs.

After that event, so many people called and asked how they could have this opportunity for themselves.

Over the winter, All Out Adventures secured a grant through the Greater Worcester Community Foundation, enabling them to bring a large fleet of adaptive cycling equipment and hold a

day-long event. Support was also given by Massachusetts DCR's Universal Access Program.

People had to make a reservation with All Out Adventures, who spent time on the phone learning about each person's disability so that they could choose the proper piece of equipment.

In April, the Blackstone Heritage Corridor Bikeway Ambassadors spent a day at All Out Adventures in Northampton to get training on the bikes, how to pedal with a person on tandem equipment, etc.

The DCR's Universal Access Program gives outdoor recreation opportunities to people of all abilities. They provide assistance with hiking, boating, cycling, birding, fishing, winter sports, and horseback riding. They also provide interpretive programs.

heat and pain. I smile at my beautiful sister and watch her go inside. With the same smile I look up into his eyes. He sees me. He sees his daughter, 15 years old, in front of him, standing, staying, I'm here dad. His eyes leave mine and drift to the ground, he turns on his scuffed shoes and walks away from me. I watched his silhouette fade beyond the hill and I knew I would never see him again.

I used to go to my father for everything and he would give me advice on things that truly mattered to him. We had the kind of relationship that every father and daughter would be jealous of. I remember our road trips. He would sit me in the front of his Jeep and lean me out the window to look for lost wallets on the side of the highway. It was so exciting, like a scavenger hunt through a wind tunnel.

He would explain that when he finds a wallet he keeps the cash inside but never the cards or the wallet itself. He would look at the ID and mail the wallet back to the person explaining in a kind note that they were so very lucky that it was him who found their wallet and not some crook. He would be keeping the cash as a finder's fee, but returned the wallets intact. He was so kind and giving. He told me this all the time so it must be true. My father told me I had eagle eyes and he used my eagle eyes for so many things. I was the look out for when he found items in neighbors' yards to sell on ebay. He brought me to thrift shops to find antiques that could be re-sold at higher prices. I could spot trinkets of gold and silver anywhere I was planted, I was his little helper and he always made everything an adventure! He would take his earnings in clinking bottles and reside himself to his office, but when

he eventually returned, the adventures could begin again. My childhood was filled with excitement. On weekends we would go digging for arrowheads together and hike into the woods. He taught me to always watch my path, know where I was going, and intend every step I took. He would use my youth and drive to his advantage in the community. Posing me for pictures in local newspapers, he was a beacon of pursuit in justice my father, he fought for those who could not fight for themselves, and I was proof of success. He was my hero, and I was his little helper.

My father was a writer. He wrote articles for newspapers and magazines. He was working on a few books about politics, politically incorrect toys, and how communism is essentially a good thing. Not many were published but when they were we all celebrated. He was such a brilliant man when he succeeded; when

he didn't, it was because his family got in his way. We were too loud and needy, or just too alive.

I love to write. I believe his sense of whimsy may have infected me. I thank him for that. He has instilled in me a certain outlook on life. Everyday is an opportunity for adventure. The dull and mundane can be altered by your perception of it. What was once an amazing father to me is now a distant memory. I thank my father for showing me the exact kind of man that I can learn from, but not necessarily have to love. The man I choose to love is far from cruel, miles from hate, and strong in all ways that matter. The man who is the father of my children will never leave. If his children's feet hurt he will lift them off the concrete and carry them. He will bathe them in cool water and kiss them until they're better. He will love his children no matter what path they choose. Happy

Father's Day to my husband Keith, father of my children, and the most kind, generous, intelligent, and hard-working man I have ever met.

And Dad, wherever you are, I hope your adventures keep you sustained and your heart is full with everything that is not me and mine. You were my father, long ago, but, the adventures had to stop when I became aware to the scheme. When I lost my child like whimsy and grew knowledgeable on my own, that is when reality set in and the dreams ceased. On this one day a year, I promise I will think about the joy I felt when I made you proud. Only on this day will I think of you, briefly, in passing, while I share my gratitude to those more deserving and hold my children tight and thank the world that they don't know you as I did. Happy Father's Day dad, may you spend the day waiting for the silhouette of the young girl with eagle eyes.

Shutout performance boosts Auburn by Beavers, into District Semifinals

AUBURN — The playoffs finally began for the Auburn High varsity baseball team on Monday, June 11, and the Rockets took full advantage in their first opportunity to defend their District title.

Auburn, seeded second, blanked No. 7 Blackstone Valley Tech, 7-0, in a Central Mass. Division 2 Quarterfinal. Mike Breen pitched a shutout for the Rockets.

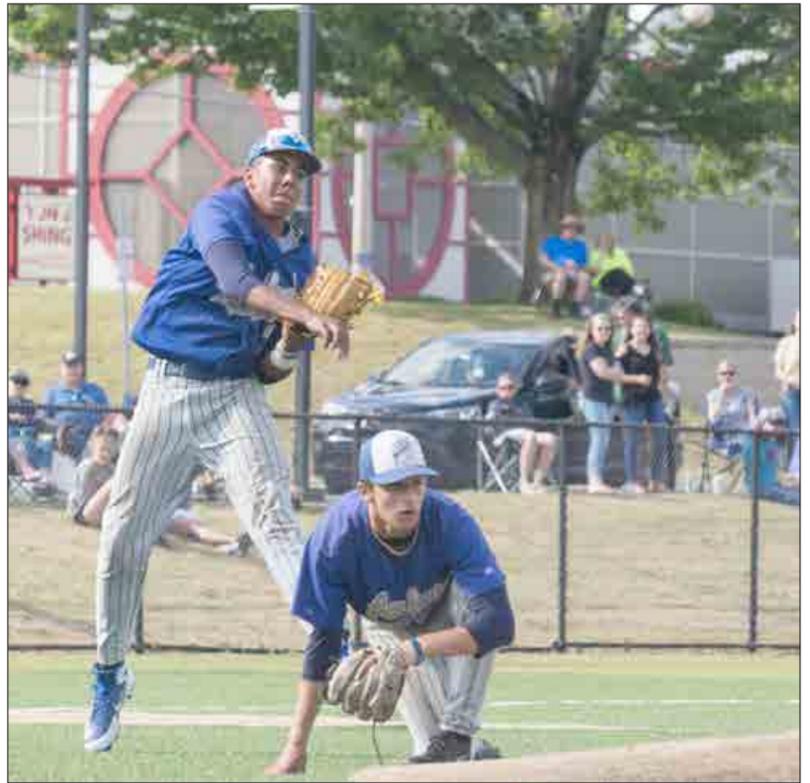

Now 15-6, Auburn will play No. 3 Nipmuc Regional (18-3) in the semifinals on June 13, after press time. Valley Tech finished 13-10.

AUBURN — The Auburn High girls' varsity lacrosse team made a tremendous jump from season No. 1 in program history to season No. 2, as the Rockets went from winning a few games to gaining a 13-5 regular season record this spring.

That record boosted Auburn into the Central/West Division 2 District Tournament, and the Rockets earned the No. 4 seed. They defeated Chicopee High in the first round, 15-5, before hosting No. 5 Chicopee Comp in the quarterfinals at Memorial Field on Thursday, June 7.

Auburn saw its season end there, as the Colts defeated the Rockets, 10-5. Auburn finished with a record of 14-6.

Wolverines explode for 18 runs to take down Auburn

Auburn's Jess Chenard gets aligned with the ball to make the catch in the outfield.

pair of singles and a sacrifice fly. She drove in five runs and scored three. Wickson went 4 for 4 with a single, three doubles and four RBI. She scored two runs.

"We've swung the bat well all year and today was indicative of that, but I never saw anything like that before — never," Leicester head coach Dave Stanick said. "We've never scored 10 in the bottom of the first inning after we gave up three. That was really a table-setter."

The Wolverines have scored 32 runs in their two District games, including a 14-0 drubbing of No. 13 Worcester Tech in the first round on Thursday, June 7.

McKay, a junior, is back in a groove offensively after struggling at the plate for a stretch earlier in the season.

"I felt great at the plate today. I feel like I'm seeing the ball and hitting the way I was when the season started," said McKay, who said she got back on track offensively thanks to extra work in the batting cage and a sharper focus.

McKay said she was surprised — but very happy — with her team's 10-run first inning.

"That was unbelievable," she said. "I've never been on a team that scored 10 runs in the first inning. We have come back on teams this season several times, so I felt we'd come back after going down 3-0, but not like that."

Other big hitters in the Leicester lineup against Auburn were Caitlin Kemp, who was 3 for 3 with two walks and five runs scored, Maddie Hippert, who had two hits, a sacrifice bunt, drove in a run and scored three, and Alley O'Neill, who smacked a pair of singles and drove in three runs.

The Wolverines led, 14-3, after the third inning, 16-4 after the fourth frame, 16-5 after the fifth and 18-8 after the sixth.

Leading the way offensively for Auburn were Kayley Markvenas and Alex Simonian, who both homered and drove in two runs. Colleen Fellows was 3 for 3 with a sacrifice bunt and an RBI, while Makena Mulcahy and Jess Chenard both had a single and a double. Chenard also drove in three runs.

The Rockets hurt themselves defensively by making four errors in the game, three coming in Leicester's 10-run first inning.

"It was a tough day for us, we made a lot of errors," Auburn first-year head coach Sandy Lavallee said. "That was disappointing, especially after we played awesome defensively [against Bartlett]. "We had a heck of a night defensively [against Bartlett] but we just

LEICESTER — Talk about answering the challenge and grabbing the momentum back.

The Leicester High varsity softball team spotted Auburn High a three-run lead in the top of the first inning and then roared back with 10 runs in the bottom of the frame, en route to an 18-9 victory in the quarterfinal round of the Central Mass. Division 2 Tournament played Saturday, June 9.

With the win the fourth-seeded Wolverines (16-6) advanced

to the semifinal round of the tournament, where they played top-seeded Hudson High (18-3) on Wednesday, June 13, after press time. Auburn, the No. 5 seed, finished its season with a 14-8 record.

Katelyn McKay and Hannah Wickson, the Nos. 3 and 4 hitters in the Leicester lineup, led the Wolverines' 19-hit attack, combining for seven hits and nine RBI.

didn't show it in the beginning of this game."

Lavallee was disappointed in her team's approach at the plate as well.

"We just didn't want to bat enough in the beginning of the game. We waited too long on pitches; it was like we were waiting on the perfect pitch," Lavallee said. "We waited too long to play hard. We didn't play hard out there until the second half of the game. I'm not sure why."

Lavallee said the disappointing end to the season didn't take away how proud she was of her team this year.

"Halfway through the season we lost our No. 1 pitcher," Lavallee said, referring to Boston University-bound Julia Handfield. "The team really came back and played hard after that and made up for that. We didn't get as many strikeouts, we didn't get that pitching part of it, but defensively our team made it matter. All season long we hurt a little offensively; we just couldn't get the hits when we needed to. All in all, for what we've had and the injuries we've had, they played hard and we got where we got because of it."

Rockets blank Bartlett in tournament opener

AUBURN — The Auburn High varsity softball team exacted revenge on Bartlett High during the most important time of the season — during the playoffs.

The fifth ranked Rockets hosted the 12th seeded Indians in the first round of the Central Mass. Division 2 Tournament on Thursday, June 6. Bartlett defeated Auburn in regular season play, 5-1, but the Rockets returned the favor this time around, winning a 2-0 decision.

Auburn's Jaycie Opuda pitched a gem inside the circle, while the big bats of Makena Mulcahy, Jess Chenard and Kayley Markvenas were enough offense the Rockets needed.

Auburn improved to 14-7, while Bartlett finished 9-9.

POSTSEASON SCOREBOARD

Auburn boys' tennis falls in District Quarterfinal

After amassing a perfect 16-0 regular season, the Auburn High boys' varsity tennis team earned the No. 1 seed in the Central Mass. Division 3 Tournament. And, on Thursday, June 7, the Rockets had the tough task of hosting No. 9 Sutton High — a tough team playing out of the tennis-strong Dual Valley Conference — in the District Quarterfinals. The Sammies got the better of Auburn, 4-1, ending the Rockets' season at 16-1.

Minutemen fall just shy to Millbury to end season

MILLBURY — Falling behind by a score of 8-3 on the road in a District game is not normally grounds for mounting a comeback. But Bay Path Regional's varsity baseball team didn't let the five-run deficit to Millbury High affect them.

In fact, the fifth ranked Minutemen rallied all the way back against the fourth seeded Woolies, tying the score at 8-8.

When all was said and done, though, Millbury plated the final three runs to take an 11-8 decision in a Central Mass. Division 3 Quarterfinal game played on Monday, June 11.

"It was great. They didn't quit the whole game," Bay Path head coach Mark Sansoucy said of his team's comeback.

Nate Shoemaker put the

Minutemen on the board first with a two-run homer in the top of the first inning. After the Woolies got a run back in the home half, Bay Path's Alec Desimone upped the lead to 3-1 thanks to an RBI single in the top of the second.

But Millbury got hot at the plate in the bottom of the second and third frames, combining for seven runs to take the aforementioned 8-3 lead.

Then, in the top of the fourth, the Minutemen rallied to tie it up. John O'Loughlin scored first, and then Jake Leone pitched in with an RBI groundout. Nick Jose followed by scoring on a wild pitch, and Christian Keeler and O'Loughlin both drew bases loaded walks.

Ethan Teixeira, the Woolies' ace pitcher, was pulled from the game at that point, as he surrendered a staggering six walks to go along with three hit batters.

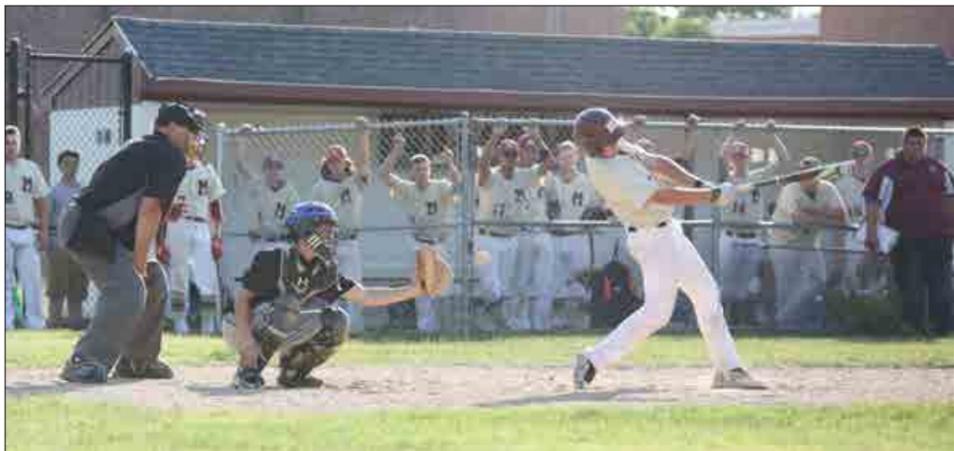

"He was all over the place. We were just patient and not swinging at junk," said Sansoucy. "Our kids were really patient at the plate and that's why they stayed in the game."

Millbury couldn't score any runs on Shoemaker — Bay Path's pitcher — in the bottom of the fourth, so the Minutemen had the chance to retake the lead in the top of the fifth.

Bay Path nearly did so, but they ran into two outs on the bases as the score remained deadlocked at 8-8.

"We just made a couple of base-running mistakes and that was our chance to jump ahead. That was the turning point in the game in terms of jumping ahead on them," explained Sansoucy.

The Woolies retook the lead for good in the bottom of the

fifth when Nick Morley hit a sacrifice fly and they scored twice more in the sixth on a Teixeira home run and a Mason Broyles triple and coinciding throwing error.

Bay Path then went down 1-2-3 in the top of the seventh to conclude its season.

Sansoucy was pleased with Shoemaker's complete game pitching performance, especially after giving up a number of runs early on and then settling down.

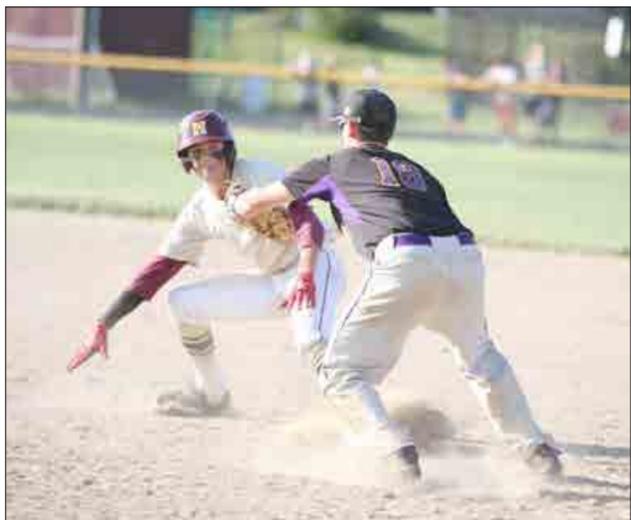

"He pitched great. I wanted to take him out and he didn't want to come out. He was a bulldog out there," said Sansoucy.

Bay Path wound up 14-4 through the regular season, 1-1 in the State Vocational Tournament and 1-1 in Districts to finish 16-6. The Minutemen were also Colonial Athletic League co-champions.

"I thought it was a good year. If you said we would have been 14-4 at the beginning of the year I would have been happy with that," said Sansoucy.

Bay Path has lost seven seniors to graduation, but with players like Shoemaker — a sophomore — returning, Sansoucy is excited for the 2019

season. "We've got a lot of good young kids coming up, so it looks good for the future," he concluded.

CHARLTON — The Bay Path Regional varsity baseball team had the opportunity to play for the Large Schools State Vocational Championship when they hosted Blackstone

Valley Tech on Tuesday, June 5 and, even though things didn't turn out the way they wanted them to — the third ranked Minutemen fell to the fourth seeded Beavers, 9-2 — there is still some-

thing to play for, according to head coach Mark Sansoucy.

"Obviously you want to win, but you forget about it, move on and get ready for Districts," he said.

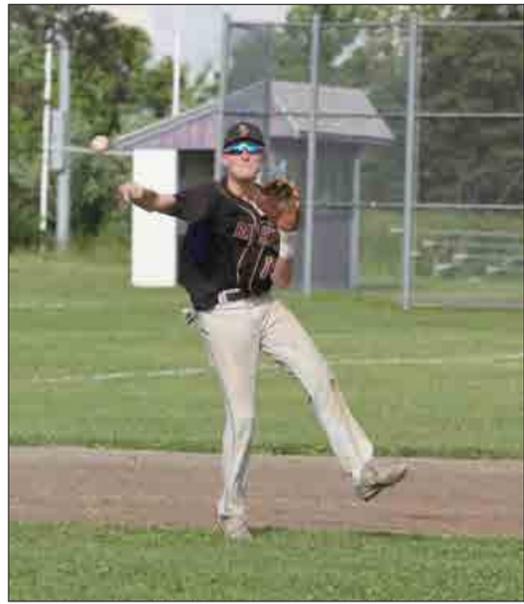

Bay Path defeated

Valley Tech twice in regular season play, but it wasn't to be in the tournament.

"They're definitely a good team and it's tough to beat somebody three times," Sansoucy said of the Beavers.

Bay Path's record slipped to 15-5 — they endured a 14-4 regular season and defeated No. 2 Worcester Tech in the semifinals of the Voke Tournament — as they then moved onto Districts inside the Central Mass. Division 3 bracket.

There, the Minutemen earned the No. 5 seed and hosted No. 12 Nashoba Tech in a first round game. Bay Path was able to win that game, their third time defeating Nashoba this season, by an 11-8 final. The Minutemen (16-5) will next play at No. 4 Millbury High in the quarterfinal round.

With loss to Murdock, strong season ends in disappointment for Bay Path softball

BY KEN POWERS
SPORTS CORRESPONDENT

CHARLTON — The Bay Path Regional varsity softball team finished its first round Central Mass. Division 3 Tournament game against Winchendon's Murdock High with seven singles, but none were delivered when the Minutemen needed it most and the end result was a disappointing 6-2 loss to the Blue Devils.

With the win Murdock, the No. 11 seed, improved to 13-7. Bay Path, the No. 6 seed, finished its season with a 14-5 record.

"We couldn't come up with that big hit we needed. We had baserunners and we couldn't execute," Bay Path head coach Rick Carrero said. "We didn't play our best game, but I felt we played good enough to win if we could have gotten a few of those hits. Sometimes they don't fall your way."

Murdock jumped out to a 1-0 lead in the top of the first inning, with lead-off hitter Maria Polcari tripling to right field and then coming home on an RBI single by Molly Murphy. The Minutemen looked as if they would answer with a run or two in the bottom

of the inning — they had runners on first and second with one out — but the threat fizzled on a pair of infield outs.

In the bottom of the third Bay Path's Kyleigh Sutherland singled to center with two outs, stole second and advanced to third on a Murdock error. Meagan Harding was up next and she hit a shot to center, too, but hers was right at Murdock's Lindsey Smith, who easily caught the ball to end the inning.

In the bottom of the fourth the Minutemen had runners on first and second with two outs, but Murdock pitcher Emily Smith got out of the jam by striking out opposing pitcher Sarah Gosselin to end that inning.

In the top of the fifth inning Murdock increased its lead to 3-0 thanks to an RBI single off the bat of Murphy and an RBI double down the left-field line by Jocelyn Garner. In the bottom of the frame Bay Path got a runner to second base with one out, but she was doubled off first when Garner, playing shortstop, made her second diving stab of a low line drive and then threw to first to complete the double play.

The Blue Devils doubled their lead to 6-0 in the top of the seventh inning, on RBI singles by Ashley Seigny and

Polcari — who was 3 for 4 with a double, triple and RBI — and another RBI double by Garner on a ball that hit off the left field fence on the fly.

Bay Path finally got on the scoreboard in the bottom of the seventh inning, scoring two runs.

Evelyn Sheehan got things started with an infield single and moved to second on a throwing error. She advanced to third on a single by Gosselin and then both runners scored on a two-run single to left field off the bat of Lizzy McLam, who finished with two hits.

"Defensively they played very well. Their shortstop made a couple of great, diving catches that they turned into double plays, and their pitcher pitched well," Carrero said. "We made a few errors in the beginning and we had a few hits in the outfield that were shots, but they were positioned perfectly defensively. They played a great defensive game. That's a good team; they were very aggressive."

The silver lining in the disappointing loss for Bay Path is that, with no seniors on this year's roster, the entire team will return next year.

"We have a good team," Carrero said. "Our goal was to get to Worcester State

[site of the tournament's semifinal and final round games]. Last year we went past the first round, this year our goal was to build on that and get through two rounds. Our expectations for next year are that we're going to win our league and get into Districts again, we've just got to find a way to win games like this."

To help do that Carrero said he plans to schedule some tougher out-of-league opponents.

"Our schedule is very bipolar. We play the Colonial [Athletic League] Large Division and the Colonial Small Division. The Colonial Large Division is good and competitive. We went 4-3 against Colonial Large teams and we beat Assabet, Worcester Voke twice and we beat AMSA," Carrero said. "Our Colonial Small Division games do not prepare us in a lot of ways because they're so lopsided. A lot of times we don't get anything out of them."

"Next year we're going to have four non-league games to pick up," Carrero continued. "I'm hoping to look to the SWCL and the Mid-Wach and play some of those teams, schedule some higher division teams."

Do Something
FUN
This Weekend!

These 27,972 local homeowners chose our windows.

= Our MA and Southern NH customers

Why have 27,972 MA and NH homeowners chosen us?

No pressure. During your Free Window and Patio Door Diagnosis, we'll give you an exact, down-to-the-penny price that we'll honor for an entire year.

115 years of window expertise. We're the full-service replacement window division of Andersen, the window and door company that your dad told you to trust.

No middleman to deal with. There's no runaround between the installer and the manufacturer because we handle it all, from custom-building to installing to warranting all our products.*

We won't sell you vinyl. We've replaced thousands of poor-quality vinyl windows and patio doors, so we made our windows with our Fibrex® composite material, which is two times stronger than vinyl.

Must call before June 17th!

SAVE \$325
on every window¹

SAVE \$700

A Place To Call Home...

JUST LISTED

WOODSTOCK- This 1700+ sq. ft. Ranch style home features 3 (or a possible 4th) bedrooms along with 2 full bathrooms including a master suite. The kitchen could be out of a magazine with its perfect marriage of quartz & butcher block counters, modern cabinets with a farmhouse sink, tile backsplash & higher end stainless steel appliances. There is plenty of working space and a breakfast bar island for entertaining. The kitchen/eating space/room is very open and features bamboo floors, a shiplap accent wall and an exit to the large upper level deck. In the basement the opportunities are endless! There is plenty of space for finishing extra living space and storage or workspace for hobbies. The home sits on over 8 AC. of privacy and is surrounded by nature. Don't miss your opportunity to call this great property home. \$269,900

JUST LISTED

THOMPSON-A great mixture of new and old greet you in this 1920's vintage gambrel colonial with 1990's style addition. Located just off historic Thompson Hill, this home offers 4 bedrooms and 3 full baths, one of which is located in the master suite. There is a formal living room in the main section while the newer addition hosts a 600 sqft family room with fireplace and wet bar. The kitchen has solid oak cabinets, Corian countertops, and double corner sinks. There are numerous nooks and crannies for reading, sewing or play. Sitting on almost 1/2 acre, the graciously manicured grounds also provide a potting shed as well as a 1 car garage with attached workshop. \$299,500

JUST LISTED

THOMPSON-Located on a quiet country road sits this 1,080+ sqft raised ranch with a partially finished basement. This home features 3 good size bedrooms, 1 bath that was remodeled in 2013. Other updates include, roof 2012, water tank 2017, pump 2013, new kitchen counters & floors 2013. Kitchen is very spacious with beaded wainscoting, with easy access to the porch if you want to grill outdoors. There is lots of potential in the basement for added living space or a workshop. Great starter home or looking to downsize. \$189,900

NEW PRICE

THOMPSON- 1950's Cape style home located on a level .37 acre lot with convenient access to highway. First floor offers an eat-in kitchen with solid wood cabinets and Formica countertops. There is a formal dining room as well as living room, and the master bedroom is also located on this level, all with hardwood floors. A 1/2 bath is also located on this level. The 2nd floor houses 2 additional bedrooms (both with dormers) and lots of closet space. A full bath is also located on this level. Recent updates include Well McLen Boiler, Windows, Roof, and Well Tank & Pump. Priced affordably at \$269,900

JUST LISTED

PUTNAM-Located in an established neighborhood in Putnam's lower tax district, this split ranch/colonial style home offers 4 bedrooms, 2 full and 1 half baths, a generous sized family room, as well as more formal living and dining rooms. The master bedroom is located on the first floor and has a private bath with shower. A guest bedroom also located on the first floor could serve well as a home office. 2 additional bedrooms and a bath are located on the upper level. The walk-out basement provides ideal space for workshop and hobby area. An inground pool, patio & shed round out this great offering. \$275,000

JUST LISTED

KILLINGLY- Sitting on a great city lot with a spacious fenced backyard for gardening and close to downtown & all amenities this great 2 bedroom 1 bathroom home is a must see! Home features a kitchen with brand new appliances, counters, lighting & flooring. There are refinished hardwood floors throughout the first floor and thru the two good sized bedrooms. The heated second floor walk up attic has been recently remodeled and makes great additional living space. The three season front porch is a great addition along with the rear entrance/mudroom off to the back deck. There is a large 1+ car garage also! Live here & own for cheaper than you can rent! \$159,900

PRAYER TO THE HOLY SPIRIT in Thanksgiving for requests received Holy Spirit, You who make me see everything and showed me the way to reach my ideals, You who gave me the divine gift to forgive and forget the wrong that is done to me and You who are in all instances of my life with me, I want to thank You for every thing and confirm once more that I never want to be separated from You no matter how great the material desire may be. I want to be with You and my loved ones in Your perpetual glory. Amen, In Jesus Christ, Your Son's name, I ask that you grant me (state your specific request or intention here). While making the request, you must promise either: (a) publish this prayer or (b) to circulate the favor. This prayer should be said for 3 consecutive days or 3 hours straight. After the 3rd day, the request will be granted, no matter how difficult it may be. LMP

Safety tips for grilling season

People have been cooking meals over open flames since the discovery of fire. Even today, when there are so many ways to cook a meal, many still insist there's nothing better than the taste of food cooked on the grill.

The Hearth, Patio & Barbecue Association, which tracks industry trends, points out that one-third of con-

sumers plan to use their grill or smoker more often this year. Even though grilling is widely associated with summer, a growing number of people are embracing year-round grilling. HPBA's CEO Jack Goldman has said, "Barbecuing is no longer just a pastime, but an integral part of the North American lifestyle."

Seven in 10 adults in the United States

and eight out of 10 in Canada own a grill or smoker. With so many people firing up their grills, it's important to recognize the importance of grilling safety. Each year an average of 8,900 home fires are caused by grilling, and close to half of all injuries involving grills are due to thermal burns, advises the National Fire Protection Association.

Here's how to stay safe.

- Only grill outside. Propane and charcoal barbecue grills should only be used outdoors. Grills should be placed well away from the home. Keep grills away from deck railings, eaves, overhangs, and tree branches.

- Keep the grill clean. Thoroughly clean the grill prior to first use, and keep it tidy all year long. Grease or fat buildup can ignite and cause a fire.

- Always attend the grill. Grill distraction-free and keep an eye on the food being cooked. Simply stepping away for a few moments can lead to a fire or accident.

- Start fires safely. Charcoal grills and gas grills may be lit using electronic starters that do not require fire. If using starter fluid, only do so on charcoal, and do not add more fluid or other flammable liquids after the fire has ignited.

- Check for gas leaks. Whether the gas grill is hooked up to a propane tank or the natural gas supply of a home, ensure that the hoses or tanks are not leaking. Apply a light soap-and-water solution to hoses to see if they bubble from leaking gas.

- Keep baking soda nearby. Baking soda can control grease fires, but it's also helpful to have a fire extinguisher or a bucket of sand on hand for other types of fires.

- Watch children and pets. Keep children and pets at least three feet away from grilling areas.

- Wait for the grill and coals to cool. Practice safety around the grill until all coals are cool and the grill is no longer hot to the touch. Only then should the grill be moved or relocated.

Grilling is a passion that is enjoyed throughout much of the year. Safely cook outdoors by heeding safety guidelines.

Entertain summer guests with a DIY taco station

(MS) — Tired of eating the same old staples of burgers and hot dogs at barbecues? Try this easy-to-make, do-it-yourself taco station that lets you do some simple prep beforehand. Arrange ingredients in fun serving bowls and have guests serve themselves for a delicious fiesta.

For a healthy shortcut, you can feel good about serving your guests, use Mann's Nourish Bowls. These ready-to-eat bowls feature pre-cut veggies and cook in just a couple of minutes using your microwave.

TACOS WITH GRILLED STEAK AND VEGGIES

Prep time: 5 minutes
Cook time: 14 minutes
Serves 6

Ingredients:

2 10.5-oz. packages of Mann's Southwest Chipotle Nourish Bowl
4 beef flat iron steaks (about 7 ounces each)
Juice of 2 limes
Salt and freshly ground black pepper to taste
1 package whole wheat tortillas
1 avocado, sliced

CHIPOTLE MAYONNAISE

1/2 cup mayonnaise
Juice of 1/2 lime
1 to 2 teaspoons adobo sauce (the sauce that canned chipotle peppers are packed in)

Directions:

1. Prepare the Nourish Bowl according to package instructions. Squeeze lime juice over the vegetables and season with a bit of salt and pepper. Toss to combine then set aside.

2. Season steaks with salt and pepper. Place on grill and cook with the lid closed for 10 to 14 minutes over medium-heat for medium to medium-rare doneness, turning occasionally. Allow to rest off the grill for 5 minutes, then carve into slices.

3. To make the mayonnaise, place all ingredients into a small mixing bowl and stir well to combine.

4. Place tortillas on grill and cook until warm and slightly charred.

5. To assemble the tacos, place a couple slices of grilled steak on the bottom. Add vegetables and top with a slice of avocado. Drizzle the top with chipotle mayonnaise.

How to handle raw meats when grilling out

Cooking over an open flame on a grill in the backyard requires cooks keep watchful eyes on their grills. Charcoal

grill devotees must stay nearby as flames grow before settling down as the coals turn gray. Cooks using charcoal

grills should also make sure children or pets don't accidentally run into the grill, potentially knocking it over and creating a fire and/or injury hazard. But even gas grill users must be mindful of safety, checking hoses for leaks before igniting fires and then staying within arm's length of the grill to make sure everything is working smoothly.

Fire safety is essential when grilling outdoors, but cooks also must prioritize safe handling of raw meats. The U.S. Food and Drug Administration has established a host of guidelines to promote safe grilling and the safe consumption of grilled foods and offers the following recommendations to cooks planning to grill raw meats.

- Separate foods when purchasing them. The grocery store might be far away from home, but safe grilling begins at the checkout counter. The FDA recommends consumers separate raw meat, poultry, seafood, and eggs from other foods in their shopping carts and grocery bags to prevent cross-contamination. Keep these items separate when storing them in the refrigerator as well.

- Use separate cutting boards. Another way to prevent cross-contamination is to use separate cutting boards.

Designate one cutting board for produce and another for raw meat, poultry and seafood. If grilling more than one type of raw food at once, thoroughly clean the cutting board with soap and hot water between uses.

- Keep separate plates for precooked foods and cooked foods. The FDA notes that cooked foods should never be placed on plates that previously held raw meat, poultry, seafood, or eggs unless the plate has been washed in hot, soapy water. Bacteria from the juices of raw meat can linger on an uncooked plate, compromising the safety of cooked foods placed on unwashed, previously used plates.

- Discard marinades once you start cooking. Marinades used on raw foods should be discarded once the foods are removed from the marinade and placed on the grill. Repurposing marinades to use as sauces can increase the risk for bacterial infections. However, the FDA notes that marinades used on raw foods can be repurposed so long as they are boiled before resuing them.

When grilling raw meat, poultry, seafood or other foods, cooks must be careful to prevent cross-contamination that can lead to bacterial infections.

GRILLING

Practice food safety

Warmer temperatures lead to an increase in outdoor dining. Grillmasters anxiously wait to show off their skills while guests gravitate around the barbecue in the backyard.

No matter the temperature outside or the size of the crowd around your dinner table, food safety is a concern whenever foods will be transported inside and outdoors or enjoyed in the fresh air.

A survey conducted by the Academy of Nutrition and Dietetics found that, while most people realize the months of May through September are prime times for the threat of food poisoning, consumers still are not practicing correct outdoor food safety procedures. The Centers for Disease Control and Prevention says there are around 76 million cases of foodborne illnesses each year in the United States alone. Those involve hundreds of thousands of hospitalizations and thousands of deaths. The CDC warns that people need to be even more diligent during warmer months to prevent food-related illnesses.

FOOD SAFETY STARTS AT THE STORE

Food can spoil even before making its way into your kitchen. When food shopping, put the cold and frozen items on your list in your cart last. This will help keep them fresher longer.

Always use plastic bags to

Maintain food safety when cooking or dining outdoors.

protect other foods against raw meat or poultry juices that can leak. Bag these items together at checkout so that you'll know to immediately put all of the perishable items away when you get home.

Some people invest in insulated, reusable tote bags that can keep cold food cold on the ride home. Even if you use such bags, always head directly home after food shopping; do not stop along the way and

leave food in a warm car where it can quickly spoil.

SAFETY AROUND THE GRILL

Preparing foods involves avoiding cross-contamination between uncooked and cooked foods. That means switching utensils so that bacteria will not transfer from uncooked or partially cooked food to fully cooked food.

Use a cooler to keep refrigerated foods cold until it's time to put them on the grill if you're cooking away from home, such as at a public picnic site. Otherwise, wait until the grill is hot and ready before bringing out foods that need to be cooked.

Rely on a cooking thermometer to test the internal temperature of foods to ensure they reach temperatures that will kill bacteria or other patho-

gens. Hamburgers should reach 160 F and chicken breasts 165 F. When reheating fully cooked meats like hot dogs, grill to 165 F, or until steaming hot.

Discard any unused marinades so that they do not contaminate cooked foods.

OUTDOOR BUFFET TIPS

Food also needs to be protected once it is served. Use ice or coolers to keep cold salads and condiments at at least 40 F. Foods should not remain outside in hot weather of 90 F or above for more than one hour. The maximum time food should be kept sitting out is two hours, says the USDA.

Keep hands and utensils clean at all times. This way you do not transfer any germs onto safe foods. If a fresh water source is unavailable, keep hand wipes or disinfecting gels at the ready to clean up before eating.

CLEAN UP WELL

Promptly clean all serving platters, utensils and cutting boards if they have been in contact with raw food juices. The FDA even recommends that you sanitize your cutting board with chlorine bleach, and replace it if the surface gets worn and difficult to clean.

Outdoor cooking and dining are quite popular. Following safety precautions can go a long way toward preventing foodborne illnesses.

Master magical marinades

With their mix of acidic ingredients and spices, marinades add flavor and may even pack some nutritional punch.

Grilled foods boast inviting flavors that put many diners on the lookout for second helpings. Quite often the magic behind grilled meals lies in the marinade used to give foods that flavorful kick.

Marinades can be used to enhance the flavor of meats, vegetables and poultry. While marinades add flavor, they also may be responsible for some other benefits in grilled foods.

MARINADES ADD FLAVOR

Defined as a savory acidic sauce in which food is soaked to enrich its flavor, marinades help break down fiber and tenderize certain foods. The base of many marinades include vinegar, lemon juice or wine, and marinades can be enhanced with spices, oil and herbs.

It's important not to let foods sit in marinades for too long, as any alcohol, acid or salt in the mixture can chemically "cook" the food in a process known as "denaturing." Adhere to timing recommendations when using store-bought marinades, and keep such guidelines in mind when using homemade marinades as well. Many may tell you to let foods sit no longer than four hours. Marinades with citrus juices may require even less time for flavor to penetrate.

The timing of marinade use also will depend on the foods being marinated. Delicate items, such as seafood, may change with regard to texture or color in a matter of minutes.

It's important to always marinate foods in the refrig-

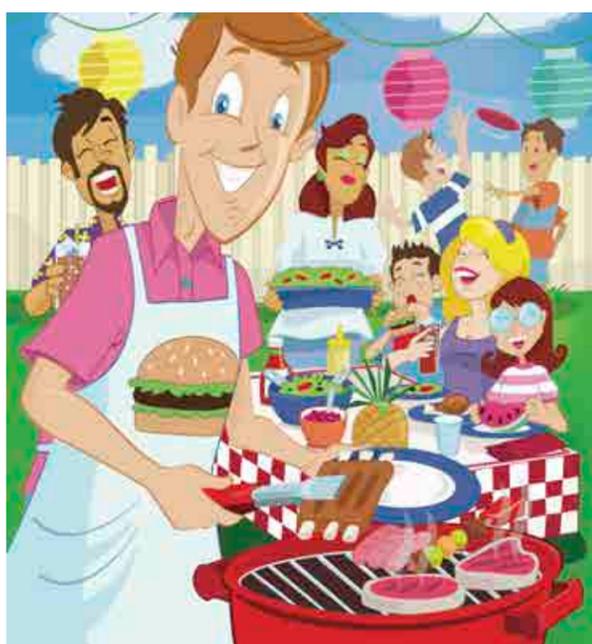

erator. Food left sitting out on a counter — even when it's in a marinade — invites the growth of bacteria. If a recipe calls for marinating at room temperature, continue to marinate in the refrigerator, but extend the length of time you marinate. This helps to prevent foodborne illnesses.

When marinating, use plastic or glass containers so the marinade does not cause a chemical reaction, which may occur if you marinate foods in metal containers. Discard all marinades for raw meats and poultry when the time comes to cook the foods, as leftover marinades may contain bacteria that makes them unsafe to reuse on other foods.

THE NUTRITIONAL BENEFITS OF MARINATING

In addition to flavor, marinades may improve the nutritional value of grilled foods. In 2008, researchers at Kansas State University discovered that marinating meat in antioxidant-rich spice blends can reduce the risk of forming heterocyclic amines, or HCAs, by more than 80 percent. HCAs are harmful, cancer-causing compounds that form when food chars over an open flame at high temperatures. Marinades must be rich in spices to have any HCA-busting properties.

Marinades are a secret weapon in the creation of tasty, tender and healthy foods. They come in quite handy when grilling, and add an extra dose of flavor when cooking over high heat.
