Girl Scout Troop 67065 of Killingly completed their Junior Bronze Award: Pet Care Donation Kits that supported three local nonprofits: Paws in Woodstock, Necogg in Dayville, and Friends of Assisi in Danielson. The Scouts collected donations in September through a collection drive, and used cookie funds to purchase remaining items to fill the baskets. They made a total of 45 kits! Kits included food, blankets, toys, snacks, cat litter and bowls! The goal of the project was for the donations to be distributed to adopted pets.

On Tuesday, Feb. 23, St. Joseph School students, faculty, and staff joined together to display their love for God and our great nation. As part of their Catholic Schools Week celebration, everyone received a unique shirt to commemorate the occasion. The t-shirts, designed by St. Joseph School Class of 1981 alumnus and successful owner of The Airbrush Shack, Dave Laabs, featured the American flag with the words, "In God We Trust." The phrase emphasizes unity, the faith we have in God, and the spiritual foundation that students receive at St. Joseph School. Every student, from the Pre-K 3-year-old Program to Eighth Grade, proudly wore the shirts. To learn more about

the St. Joseph School experience, visit us on Facebook, go to www.sjs-webster.com, or call 508-943-0378 to schedule an afternoon, evening, or weekend tour. Applications

from new families are now accepted. Here, fourth grade students and their instructor, Sr. Jeanne Marie Akalski, look very patriotic standing on their flag-lined stairwell.

Each year, the local VFW Post 10088 in Quinebaug offers students in grades 6-8 a chance to participate in the Patriot Pen Essay Contest. The 300-to-400-word essay contest encourages students to learn about America's history and Patriotism. This year's theme was titled, "What does Patriotism mean to you?" This year's winners at Thompson Middle School were grade 6 students Sam Hachigian, Julyanna Barrows and Maddison Carlson. Members of the local VFW Post 10088, Carol and Elmer Preston, along with TMS grade 6 teacher Mrs. Groh, presented the TMS students with their awards.

Senior year in high school is always an unforgettable experience, but the Leicester High School Class of 2021 is making unprecedented memories this spring. In preparation of the school district's K-12 return to fully in-person learning, LHS seniors recently decorated their school with posters and balloons. The LHS student body was welcomed back for fully in-person education on April 5. Although seniors will only have a few months to enjoy with their classmates before graduation, they are making the most of their memories together.

It is a tradition at St. Joseph School that during Catholic Schools Week, students, staff, and families participate in a community service project. This year, the unanimous choice was to honor local heroes at Harrington Healthcare in Webster for their selfless dedication to the community, especially during the pandemic. Organized by First Grade instructor Kayla Maynard and Third Grade instructor Donna Recko, students in grades Pre-K through Grade 8 created original "Thank you" cards and purchased more than \$400 in Dunkin Donuts gift cards for the healthcare workers. The donation of the gift cards was made possible through the generosity of students, faculty, and staff who collected donations during Catholic Schools Week. The school recently presented the hand-made greeting cards and Dunkin Donuts gift cards to a representative of Harrington Healthcare and hopes that staff members have a chance to enjoy a coffee and snack "on them." Healthcare workers certainly deserve it! Pictured here are third grade students, Ivonka, Warnajty, and Tosin Akindele, third grade Instructor Donna Recko, first grade students Kirolos Ibrahim and Charlotte Dollar, and first grade Instructor Kayla Maynard.

With bright yellow mascot Smiley Ball taking the lead, a host of Worcester Red Sox personnel visited Leicester on Wednesday, July 28 at the town's Concert on the Commons in the club's first "WooSox Road Show." Providing autographs, photographs, peanuts, and Crackerjack, the club and the WooSox Foundation brought the happiness and good will from Polar Park to

one of Worcester's neighboring towns. Front office staff and foundation volunteers met fans, handed out gifts, and played catch with fans of all generations. The Road Show was a pilot of what the WooSox and the WooSox Foundation plan to do throughout Central Mass—and beyond. Fans who would like to have a road show in their town can send an email to info@woosoxfoundation.org.

The entire Northbridge High football team and staff surrounds head coach Ken LaChapelle, center, fresh off coaching his 500th career game last Friday, Sept. 10 at West Boylston. The Rams also won in dramatic fashion, 22-20, making the special occasion even sweeter. Quarterback Ryan Boyce found receiver Rory Schofer late in the game for the winning score.

Riders take a spin on the Thunder Bolt, one of many high-octane rides in the carnival section at the Woodstock Fair.

The First Annual Dudley Police Department Car Show was held on Sunday, Sept. 12, at Shepherd Hill Regional High School. Dudley Police Officers Keith Remillard and Luis Pacheco, along with their family members, coordinated this event. Assistance was also provided by Dudley Police School Resource Officer Philip Megaw. More than \$6,000 was raised during this event and the proceeds will be donated to the family of fallen Worcester Police Officer Emmanuel Familia, who died in the line of duty, while attempting to save a teenager from drowning this past June 4. The Dudley Police Department wishes to thank The Dudley Charlton Regional School District, Superintendent Steven Lamarche, Principal William Chapman, and the staff at Shepherd Hill Regional High School for the use of the facility. The Department would also like to recognize the generous sponsors of this event, Rampco Construction and Dunkin' Donuts of Dudley. Special thanks also go out to Best Auto Body, UniBank, and EGC Incorporated of Dudley for their generous

donations. A great deal of gratitude also is extended to DJ Paul Gaulin for donating his time and equipment for the day and adding a tremendous lift to this event. Of course, a program like this would not be possible without the participation of drivers and their vehicles. Between 80 and 90 cars, trucks, and other vehicles were on display. Prizes were awarded to several winners. The weather was excellent, and this day was a tremendous success. Expect the second annual event to take place in 2022.

On Sept. 27 at Uxbridge High School, three students were inducted into and recognized as new members of the Tri-M Music Honor Society. Sophomores Olivia Holden, Samuel Noel, and Lincoln Schiller performed and showcased their varying musical talents for an appreciating audience. This ceremony welcomed live music back into the school after 564 days (but who's counting). Rounding out the night were performances from all the members of Tri-M. Congratulations to the new inductees and let music fill the air!

Friday's Child

My name is Madi and I want to be a singer when I grow up!

Madi is a creative teenager of Caucasian descent who wants to be a singer when they grow up. Those who know Madi say they are a smart, resilient, empathetic person who truly cares about the well-being of others. They are also athletic, very practical and a strong advocate for themselves. They are able to express their needs without any prompting. Madi has been very interested in trying out new hair styles and those who are close to them say they are extremely stylish. Madi likes school, particularly writing and recess. They are a great problem solver who works hard to achieve desired outcomes.

Legally free for adoption, Madi would do best in a home with a single mom or a two-parent family. If there are other children in the home, they should not be close in age to Madi. Madi would thrive in a family that could give them a lot of attention and help them reach their fullest potential. A pre-adoptive family will need to maintain contact with Madi's relatives and their visiting resource through phone and visitation. Madi would like a family with pets (maybe a dog)

Who Can Adopt?

Can you provide the guidance, love and stability that a child needs? If you're at least 18 years old, have a stable source of income, and room in your heart, you may be a perfect match to adopt a waiting child. Adoptive parents can be single, married, or partnered; experienced or not; renters or homeowners; LGBTQ singles and couples.

The process to adopt a child from foster care requires training, interviews, and home visits to determine if adoption is right for you, and if so, to help connect you with a child or sibling group that your family will be a good match for.

To learn more about adoption from foster care, call the Massachusetts Adoption Resource Exchange (MARE) at 617-964-6273 or visit www.ma-reinc.org. The sooner you call, the sooner a waiting child will have a permanent place to call home.

OBITUARIES

Barbara Lucy Johnson Rawson

Barbara Lucy Johnson Rawson passed peacefully into Heaven on December 21, 2021.

Barbara was born on August 25, 1927, the daughter of the late Robert and Alice (Cortis) Johnson. She was a 1946 graduate of Tourtellotte Memorial High School. She married David E. Rawson on March 15, 1947 and they made their home in Thompson.

She was the beloved mother of two daughters, Cheryl Jane Foshay of Ayer, MA and Lynn Landry and her husband Al of Thompson. Barbara loved and was proud of her

granddaughters Julie Foshay and her husband Paul Alfredson of Ayer, MA, and Karen and her husband Ed Pflieger of Tucson, AZ. She was the loving "Moir Moir" of her great grandchildren Jocelyn Foshay of Dallas, Texas, Aaron Alfredson of Westminster, MA, and Katerina, John, Martina and Lucille Pflieger of Tucson, AZ. She is also survived by a niece, several nephews, many cousins and their families, as well as many friends.

Barbara lived in Thompson throughout her life and had a lifelong interest in horses. She participated in local parades, horse shows and trail rides, and was a 4-H Club Leader. She was a member of the Tri-State Horsemen's Association, the L & G Riding Club, the CT Horse Council, and Water's Farm

in Sutton, MA. She was a former member of the Thompson Hill Fire Engine Co. Auxiliary and the Thompson Historical Society. She was a member of the Thompson Congregational Church and was active in many roles over the years, as a Sunday School teacher, in the Ladies Aid Society and on the Executive Council, as well as being part of the Eastern CT Christian Women's Association. She truly was blessed by the fellowship of her Church Family and especially enjoyed Sunrise Services, worship at the Brandy Hill Church, and singing hymns.

Barbara and her husband travelled throughout the United States. She treasured her horses and donkeys, her dogs, her gardens and her many

friendships. She often spoke of how fortunate she was to have lived a good life.

A graveside service and burial will take place at the West Thompson Cemetery, Thompson, CT at a later date. In lieu of flowers, donations may be made to 4-H Foundation of Windham County, 326 Taft Pond Road, Pomfret Center, CT. 06259. Arrangements have been entrusted to Shaw-Majercik Funeral Home, 48 School Street, Webster, MA.

A guest book is available at www.shaw-majercik.com where you may offer condolences, share fond memories, or light a candle in remembrance of Barbara.

On Thursday, Nov. 18, the American Legion Post 184 under the direction of Commander Ron Handelson delivered many turkey baskets to the Dudley Veterans Office. The donated turkeys and fixings came from the generous support of the American Legion members, along with the Webster Price Chopper, who is always eager to support veterans in our community. Volunteers from the Veterans of Foreign Wars (VFW) Post 654 of Webster and Dudley assisted the Dudley Veterans Services Officer, Stephen Rogerson, in distributing the Thanksgiving Baskets to those veterans and families needing a little extra at this time. As this is a time of giving thanks, please remember the veterans who have served and those who are serving still. Keep in mind that the communities of Webster and Dudley have a very large veteran population for which we should be proud and grateful. Mary E. "Tina" Therrien, 87

NORTH PALM BEACH, FL: Mary E. "Tina" Therrien age 87 of North Palm Beach, FL and Osterville, MA passed away December 19, 2021 after a sudden illness with cancer.

Tina was born to the late Jennie B. (Halko) and Ernest F. Claprod on September 28, 1934 in Webster, MA where she spent a childhood she always remembered so fondly and graduated as

valedictorian from St. Louis High School in 1952.

She is survived by her loving husband of 66 years, Robert J. Therrien; her children, David and his wife Susan, Alice DeHond and her husband Mitch, James, and Robert Jr and his wife Jamie; her grandchildren Elizabeth (Liz), Joshua, Catherine, Whitney, Emma and Sophie; and great grandchildren Colton and Wyatt who were all loved immensely by her. She is also survived by two brothers Paul and his wife Dorothy, Donald and his wife Jean, and a sister Joan Claprod. Tina also leaves behind a number of nieces, nephews, cousins and many good friends.

In 1950 she met the love of her life Robert J. Therrien. He was a junior, as was she, only at Bartlett High School in Webster. They got engaged in the summer of 1952 and were married at St. Louis Roman Catholic Church on December 26, 1955. From childhood, Tina was a voracious reader with a natural intellect and developed strong office skills (shorthand, typing and bookkeeping) learned in her classroom studies and the part time jobs she held in high school. Tina was a cheerleader throughout her high school years and she cheered her heart out for a very good basketball team.

After high school Tina went to work for the state government in Worcester, MA. Following her marriage, she moved to Columbus, OH where her husband was employed. There she worked in the office of an insurance company until she started a family.

Once she and the family moved back to the Boston area she lived for more

than 30 years in Wayland and Weston where she generously gave her time to support community organizations including many that involved her children. Some of Tina's happiest times were skiing with her family and taking vacations with them over the years. After raising her children, she took up golf and was very active in the management of the 9 hole ladies group at Wellesley Country Club, Wellesley, MA. She was also a member of the Oyster Harbors Club, Osterville, MA and Lost Tree Club, North Palm Beach, FL.

Tina's love for reading never stopped, but first thing in the morning she would complete the New York Times crossword puzzle. She loved the challenge and the joy in solving their mysteries. She always noted the time it would take to finish the puzzle as a measure of improvement. And, let's not forget the wit she showed through the poems she composed for friends and special occasions.

Tina's true passions were supporting her husband's entrepreneurial career and loving and caring for her family. Her home was always open to family and friends.

Her family and friends will miss her terribly, but because Tina has left us so many special memories her spirit will never be forgotten.

A funeral mass will be held on January 8, 2022 at 10:30 am at Good Shepherd Parish at ST. ANN CATHOLIC CHURCH, 124 Cochituate Rd (Rt. 27), Wayland, MA. Masks are required in the church. Burial will be private.

Please join the Therrien family for a luncheon celebration of Tina's life at The Wayside Inn, Sudbury after the service.

In lieu of flowers, donations may be made to the Oyster Harbors Scholarship Fund at Oyster Harbors Club, 2068 Oyster Harbors, Osterville, MA 02655.

Arrangements entrusted in the care of the John C. Bryant Funeral Home of Wayland. For condolences please visit www.johnbryantfuneralhome.com.

In 2016, he graduated from UMASS Amherst with a BS in Political Science. After graduation, he spent 5 years in a successful sales career at Rapid 7 in Boston, MA.

Jeremy, better known to many as JB, Jerry, Jbear, or just plain Barefoot, was as good a brother, son and friend as anyone could have. As a friend, he always genuinely rooted for your success. You can count the times on one hand that he wasn't wearing a smile on his face or a different pair of shoes on his feet. He was taken from us all, well before anyone was willing to let him go, but the years he spent with us were filled with joy, laughter, incredible memories, and all his favorite activities. Amidst our deep sorrow, we find joy in memories of Jeremy we will hold in our hearts.

Jeremy was an avid fan of Boston sports teams, and a huge Celtics "Green teamer". He played basketball every chance he could and spent hours on end at the Putnam, CT YMCA shooting hoops. He loved spending time with family and friends, and he loved to travel. Jeremy had a competitive spirit and was the best at every board game he introduced to family and friends. Most notably, he always won in Catan or Mafia. Jeremy developed passions for long bike rides, and 36 holes of golf every couple days. Jeremy was a food enthusiast, with a taste for high quality sushi and Italian food. He considered himself to be a great chef, although he usually enjoyed his unique concoctions more than others did.

Jeremy was involved in his community, taking great joy in being a Big Brother to Mekhi Lowe-Smith in the

Big Brother Big Sister program in Boston.

He is survived by his mother, Laurie Blodgett Barefoot of Woodstock Valley, CT, father, Dwight Barefoot of Mendon, MA, and brother Jake Barefoot of Lawrence, MA. HELP US HELP YOU STAY HEALTHY IN THE NEW YEAR. STAND WITH US AGAINST COVID-19.

At UMass Memorial Health, we are committed to bringing health and healing to you, our community. This is what we stand for. We stand up against pain and pandemics. We're doing everything we can to protect our patients, our employees and our community from the harm of COVID-19. Despite our best efforts, we continue to see so much avoidable illness and death caused by this horrible pandemic.

We can't succeed without you.

Our hospitals are overflowing with patients, many of them critically ill. The COVID-19 pandemic has strained our ability to provide you and your loved ones with the immediate care you may need. Every day, amidst the crush of patients with COVID-19, we're working relentlessly to care for patients suffering from strokes, heart attacks, cancer, and car accidents. It's not sustainable.

COVID-19 is seriously threatening your access to health care, and we can't end the pandemic on our own. We need your help to stop the spread of this terrible disease. So much is at stake.

We know these are challenging times. Stand with us against COVID-19, so we can continue to provide you with the care you need when you need it.

Sincerely,
