Local man to ride entire length of Pan-Mass Challenge

BY KIMBERLY PALMUCCI
TRIBUNE CORRESPONDENT

UXBRIDGE — In honor of his family and friends who have been impacted by cancer, one local Uxbridge resident will be riding the entire two-day 192-mile course of the Pan-Mass Challenge—from Sturbridge to Provincetown—in August.

Drew Leverone was first inspired to ride in the Pan-Mass Challenge, a bike-a-thon to benefit Dana-Farber Cancer Institute, by his father, who rode the event previously.

“The Pan-Mass Challenge has been on my bucket list for some time. I grew up with my father, uncles, and cousins talking about their experience

and one thing I remembered is that they always had a smile on their face,” Leverone said. “This year, I’m riding in support of my family members bravely fighting this disease.”

The Pan-Mass Challenge is a fully supported bike-a-thon with food and water stops, mechanical and medical assistance, lodging and luggage, bike and individual transportation, according to the challenge website. Whether it’s 25 or 192 miles, every mile pedaled equals funds raised for Dana-Farber Cancer Institute’s life-saving research and treatment. The 2019 goal is \$58 million.

Cyclists choose one or two days; 12 routes from 25 to 192 miles that cater to all levels

of cycling strength and fundraising capacity. The longest route is the two-day, 192-mile ride from Sturbridge to Provincetown, and the shortest is a one-day, 25-mile ride from Babson College to Patriot Place in Foxboro.

To ride, one must meet a fundraising minimum.

“I know that for myself, the idea of riding my bike out to the cape is much more appealing than asking people to donate their hard earned money,” Leverone wrote on his ride profile page. “The more I thought about it I came to realize that asking people to donate wasn’t a selfish question on my part, but an invita-

Northbridge voters OK Lasell Field project

BY KIMBERLY PALMUCCI
TRIBUNE CORRESPONDENT

NORTHBRIDGE — Voters in Northbridge passed a majority of the articles put to vote at the town’s annual and special Town Meetings, including the unanimous approval of an article regarding the renovation of Lasell Field.

The only article that did not pass, according to Northbridge Town Manager Adam Gaudette, was a petition for rezoning to allow Recreational Marijuana in resident 2 (R-2) zones.

One article on the warrant sought authorization to borrow for the purpose of funding the renovation of Lasell Field with artificial turf surface, new track, bleachers, and lighting. The vote was 311-0 on this article.

“I am happy that this passed unanimously at the town meeting. We now need the voters to come out and support this with a yes vote on May 21 to give the John Whittin Lasell Memorial Field the facelift it deserves,” said Timothy Labrie, who spearhead the Friends of Lasell Field group. “The Town of Northbridge deserves this and we need to continue making progress in town to bring our community back to the top of the Blackstone Valley.”

The next step for this project

is the ballot for a debt exclusion approval at the May 21 Annual Town Election.

“I was very pleased to see the strong turnout at town meeting; the enthusiasm and support for this project,” said Northbridge School Committee Chair Michael LeBrasseur. “Tim Labrie and the Friends of Lasell Field deserve all the credit for the work that they have done to advocate for this project. I’m hopeful that we will see a similar outcome at the ballot box, and I look forward to watching our student athletes compete on a safe, reliable athletic field that our entire community can be proud of.”

Additionally, several articles on the warrant addressed how the town will expend funds for the purchase of capital items. Two articles were seeking authorization to fund expenditures from free cash for items for use by the Department of Public Works and for the School District; the Sewer Department was seeking to use retained earnings for capital items and repairs to the plant, as well as infrastructure repairs to the water system.

There was also an article to appropriate funds from the building maintenance fund to

Committee Chair Michael LeBrasseur.

According to LeBrasseur, McKinstry has five years’ experience working in the district.

NORTHBRIDGE — Northbridge Public Schools has recently announced that Amy McKinstry was appointed as the district’s new Superintendent of Schools. McKinstry is currently serving as the Interim Superintendent while also fulfilling her role as Director of Curriculum, Instruction, and Assessment.

“The committee was presented with four excellent and highly qualified finalists for this position, but Amy’s experience was the best fit for Northbridge,” said School

“Her knowledge of our strengths and weaknesses, as well as her increased responsibility over her tenure in Northbridge really set her apart. Amy drove the development of the district’s Strategic Plan last year, and she has also been leading the District Advisory Council,” he added. “Both of these efforts have

Hannah Eldridge of Whitinsville receives the Franklin Pierce University President’s Award.

RINDGE, New Hampshire — Franklin Pierce University recognized outstanding undergraduate students at the Honors Convocation ceremony in Rindge, New Hampshire on Friday, May 10. Graduating seniors attended in caps and gowns, and distinguished students from every class received departmental awards and scholarships. Provost and Vice President for Academic Affairs Dr. James W. Dumond, Jr., opened the ceremony offering congratulations to all the graduates, while noting that many will pursue internships and jobs after commencement at organizations including C&S Wholesale Grocers, Fidelity Investments, and Aetna; others will begin graduate programs at institutions including Babson College, Hofstra University, MIT, and Franklin Pierce University.

Four exceptional seniors received the President’s Award from Dr. Kim Mooney ’83, the sixth president of

Franklin Pierce University. These students demonstrated exemplary engagement and leadership during their time at Franklin Pierce, motivating fellow students to set and achieve goals that impact the community on and off campus.

“By recognizing and honoring these stellar recipients, we hope to inspire others,” said President Mooney, “especially those students returning to Franklin Pierce, to make engagement, service and leadership a central part of their lives.”

Recipients of the 2019 President’s Award are Holly L. Hay of Miller Place, N.Y., Hannah M. Eldridge of Whitinsville, Gianni K. Pajaron of Carson, Calif., and Luke J. Tracy of Windham, New Hampshire. Their fellow students were exuberant in their appreciation of these exceptional graduates.

Other awards included Alumni Association awards, Rindge Faculty

Federation Scholarships, divisional awards, Honors Program awards, and departmental honors.

President Mooney concluded with words of appreciation for Franklin Pierce faculty, saying, “The impact you have had on these students is profound and yet to be fully realized.”

‘Take Steps’ walk will benefit IBD research, education

BY KIMBERLY PALMUCCI
TRIBUNE CORRESPONDENT

NORTHBIDGE — One local team that is participating in an upcoming walk in Boston as part of the Crohn’s & Colitis Foundation’s Take Steps program is seeking additional support for the cause.

The Take Steps program has launched more than 120 walk events in communities across the country, raising critical funds and awareness of Crohn’s disease and Ulcerative Colitis, two debilitating, incurable digestive diseases.

Northbridge resident Carla Smith, a member of the team

with her son, Caleb, said this is their fourth year participating in the walk; the local team is hoping to gain more members and donations before the June 8 walk from those who hold this cause “near and dear to their heart” if they have loved ones who are affected by the disease.

“Caleb was six-years-old when he was diagnosed with Crohn’s disease and now five years into his disease, he is on a biologic drug which is an infusion,” she said. “In the IBD world, there really isn’t anything after that step if it eventually stops working.”

All proceeds raised at the

walk help fund mission-critical research that will lead to cures and to provide better education and care for those living with Crohn’s disease and Ulcerative Colitis, she said. These two diseases are a form of Inflammatory Bowel Disease (IBD) for which there is currently no cure.

This year’s walk will take place on June 8 at North Point Park in Boston. Smith said the team—UMASS Colon Crusaders—is comprised of support group families, doctors, and patients from the University of Massachusetts Hospital in Worcester and is also an outlet to meet more folks

who may have been impacted by Crohn’s and Colitis.

Last year, the team raised more than five thousand dollars with very few team members. They were the second highest fundraising team in the Boston Take Steps Walk 2016.

The UMASS Colon Crusaders official team page encourages people to be a part of the nation’s largest event supporting vital research, treatment, and life-enriching programs for people with IBD. In addition to the walk, the event also includes food, music, and family activities that brings people from across the community

together in fun, solidarity, and purpose.

“One in 200 Americans live with Crohn’s disease and ulcerative colitis, yet there is no cure. That’s why UMASS Colon Crusaders is participating in Take Steps,” the team page reads.

Uxbridge Athletic Director to return in full-time capacity

BY KIMBERLY PALMUCCI
TRIBUNE CORRESPONDENT

UXBRIDGE — Uxbridge Superintendent of Schools Dr. Frank Tiano has recently announced that the district’s Athletic Director, Christopher Carbone, will continue in his role in a full-time capacity after joining the school district last fall.

“I am extremely fortunate for the opportunity to continue to build and strengthen our athletic department and showcase what Uxbridge High School and Whitin Intermediate School Athletics truly has to offer,” Carbone said.

When he filled the vacant Athletic Director position last September, Carbone had just completed a year-long Executive Internship with the Massachusetts Interscholastic Athletic Association (MIAA). He

stepped in and immediately took charge of the district’s fall sports already in progress, said Tiano, and since then, he has worked diligently to enhance organization of the department by working collaboratively with coaches and administrators to develop systems that ensure stability going forward.

“Chris got thrown into the fire,” said Tiano. “He was a first-time [Athletic Director] joining a district already into its first season. He immediately went to work building relationships with students and staff while assessing the department. With his training and desire to do well, I know he will help take our programs to new levels.”

The Athletic Director is responsible for the programming for student-athletes at both Whitin Intermediate School and Uxbridge High School.

According to a district statement, Carbone holds a Master’s Degree in Education, with a concentration

in Athletic Administration, from Endicott College, and a Bachelor of Arts from UMass-Amherst. He also holds several certifications including: Athletic Administrator; Registered Athletic Administrator; Interscholastic Coach; State Coaches Education; Heartsaver CPR/AED; and Fitness Trainer. He is also in the process of completing his credential work as a Certified Athletic Administrator, the highest credential available to Athletic Directors.

In addition to his MIAA internship, Carbone brings additional practical experience, on and off the field, to the school district as well, according to the district statement. He served as Assistant Athletic Director for Milton Academy for a year and has coached in high school and college for football, track and field, cross country, and strength and conditioning.

Soter supports bill providing \$234,641 in road and bridge funding for Blackstone

BOSTON — State Rep. Michael Soter, R-Blackstone, is supporting legislation that will provide \$234,641 in funding assistance to Blackstone for local road and bridge repairs under the state’s Chapter 90 program.

The money was included in a \$200 million bond authorization approved unanimously by the House of Representatives on May 8 by a vote of 156-0.

“I’m proud to support this bond bill, which will provide additional financial resources for Blackstone to address some of its most pressing transportation infrastructure needs,” said Soter.

The state’s Chapter 90 program was established in 1973, and allocates funding on an annual basis to cities and towns using a formula based on the weighted average of a municipality’s population, employment, and total road miles. The funds are paid out as reimbursements to communities for qualifying infrastructure work.

Chapter 90 funds can be spent on a variety of municipal roadway projects, including resurfacing, drainage, sidewalks, guardrails, traffic control, right-of-way acquisition and street lighting. The funding can also be used for bikeways, landscaping and tree planting associated with certain projects, and for purchasing and maintaining certain road

building machinery, equipment and tools.

The bond bill now heads to the Senate for further action.

BRWA hosting Strawberry Moon Paddle

BLACKSTONE — On Saturday, June 15, the Blackstone River Watershed Association (BRWA) will host “A Full Strawberry Moon Paddle.” This is an evening paddle to watch the moon rise. Registration will take place at 8:15 p.m., and canoes will be in the water and participants will begin paddling at 9 p.m., darkness will occur at 9:45 p.m. The event will take place at the Blackstone Gorge, the end of County Street, Blackstone. It is part of the Blackstone River and Canal State Park operated by Massachusetts Department of Conservation and Recreation. We will paddle up the

Blackstone River as the moon rises behind us and the return the same as way as we face the red Strawberry Moon.

Eavesdrop on beavers slapping their tails, look for great blue herons gliding overhead, listen for bats squeaking and crickets chirping and try to identify some constellations.

The June full moon is called the Strawberry Moon and got its name because the Algonquin tribes knew it as the season when strawberries are at their peak and ready for picking. The moon is close to the horizon then and it takes on a reddish tint. It is also known as the Full Rose Moon, the Honey Moon or the Hot Moon.

This event will be limited to 20 canoes/kayaks and is open to all from beginner to expert paddlers. However, because this paddle takes place in darkness, participants should have some paddling ability

and be able to swim.

The cost is free for BRWA members and \$5/person for non-members. Canoes will be available for use for an additional fee of \$10.

To register, view the Blackstone River Watershed Association website <http://thebrwa.org/fullmoonpaddle2019>. If you need more information, email maggie.plasse@thebrwa.org or call 508-381-9824.

Soter: House budget includes increased aid for Blackstone, Uxbridge

BOSTON — State Rep. Michael Soter, R-Bellingham, joined with his House colleagues last week to approve a \$42.7 billion state budget for Fiscal Year 2020.
Engrossed on a vote of 154-1 on April 25, the House spending plan includes significant funding increases for local aid to cities and towns, while foregoing any broad-based tax increases. It also calls for a \$264 million deposit into the rainy day account, which will provide the state with more than \$2.7 billion to mitigate future spending cuts in the event of an economic downturn.
The House budget provides a \$218 million increase in Chapter 70 education aid, bringing the statewide total to \$5,126,000,000, while setting minimum per-pupil aid at \$30. An additional \$1.1 billion has been allocated for unrestricted local aid to help support a wide range of municipal services, reflecting a \$29.6 million increase over current fiscal year spending.
Rep. Soter noted that the FY20 House budget plan will provide Uxbridge with \$9,438,614 in Chapter 70 education aid, an increase of \$53,310 from FY19,

and \$1,461,125 in unrestricted state aid, an increase of \$38,413 from FY19. During floor debate on the budget, Rep. Soter was also able to secure funding for important local initiatives for his district, including funding for needed senior center improvements for Uxbridge.
The House budget would also provide \$183,898 in Chapter 70 aid to the town of Blackstone, an increase of \$27,391 from FY19, and \$1,453,444 in unrestricted state aid, an increase of \$38,211 from FY19. An additional \$10,985,239 was allotted for Chapter 70 funding for the Blackstone-Millville Regional School District, an increase of \$52,320 from FY19. Additionally, regional school transportation reimbursement increased to 80 percent funding.
Soter stated, “This is desperately needed to aid the Blackstone-Millville Regional School Budget.”
To address some of the funding equity concerns raised by the Foundation Budget Review Commission, the House budget sets aside \$16.5 million to assist school districts serving a high percentage of low-income students. An addi-

tional \$2 million has been allocated to the Supporting Healthy Alliances Reinforcing Education (SHARE) grant program, which will help schools address non-academic barriers to student success using community-based resources to improve access to social services and behavioral health providers.
Cities, towns and regional school districts will also see additional education funding under the House budget proposal, which contains:
-\$328.8 million for the Special Education Circuit Breaker, a \$9.5 million increase over current spending.
-\$73.8 million for regional school transportation, a \$4.9 million increase over current levels that will provide for an 80 percent reimbursement rate; and
-\$113 million for charter school tuition reimbursements, an increase of \$23 million.
To help individuals and families struggling with addiction, the House budget provides \$143.9 million for the Bureau of Substance Abuse Addiction Services, which

includes funding increases for five new recovery centers and the Massachusetts Access to Recovery services. The budget also includes \$49.4 million for Substance Use Disorder Trust Fund, and provides EMS and ambulance companies with access to discounted prices on the overdose-reversing drug naloxone.
Several Republican-sponsored initiatives were also adopted as part of the budget, including:
-language directing the State Comptroller to transfer up to \$10 million in net surplus funding the Massachusetts Community Preservation Trust Fund to assist cities and towns with their open space, affordable housing, and historic preservation efforts;
-a provision to increase the Conservation Land Tax Credit’s annual cap from \$2 million to \$5 million over a three-year period to encourage permanent protection of conservation land;
-an \$85,000 appropriation for the NEADS Assistance Dogs for Veterans program to train service dogs for veterans; and
-a \$500,000 increase for the Healthy Incentives Program,

which provides funding assistance to help low-income residents purchase fresh produce from local farmers, bringing the program’s total appropriation to \$4.5 million.
Other budget highlights include:
-\$17.9 million in funding for local Councils on Aging;
-the creation of a task force to study the financial stability of Massachusetts nursing homes, following the recent closing of several facilities and warnings by the Massachusetts Senior Care Association that up to 35 additional facilities are at risk of closing this year;
-a \$35 million supplemental rate increase for nursing homes; and
-the implementation of the Division of Marine Fisheries’ recommendation to permit the possession, sale and processing of lobster parts in Massachusetts.
The budget now moves to the Senate, which is expected to release its own spending proposal on May 8.

Rebecca Siefken inducted into Honor Society of Phi Kappa Phi

BATON ROUGE, La. — Rebecca Siefken of Uxbridge, Massachusetts, was recently initiated into The Honor Society of Phi Kappa Phi, the nation’s oldest and most selective all-discipline collegiate honor society.

Douglas to elect delegates to Democratic State Convention

DOUGLAS — Registered Democrats in Douglas will hold a caucus on Saturday, May 18 at the Douglas Municipal Center at 29 Depot St. at 10 a.m. to elect delegates and alternates to the 2019 Massachusetts Democratic State Convention. This year’s state convention will be held September 14th at the MassMutual Center in Springfield, where thousands of Democrats from across the state will come together to discuss Party business and celebrate our successes as we prepare for upcoming elections.
The caucus is open to all registered and pre-registered Democrats in Douglas. Pre-registered Democrats who will be 16 by May 11 will be allowed to participate and run as a delegate or alternate. Douglas Democrats can elect 3 delegates and 3 alternates to the Convention. Youth, minorities, people with disabilities, and LGBTQ individuals who are not elected as a delegate or alternate may apply to be an add-on delegate at the caucus or at www.massdems.org. Those interested in getting involved with the Douglas Democratic Town Committee should contact Lisa Mosczynski at 508-341-4876.

Siefken is pursuing a degree in Criminal Justice at Salem State University.
Siefken is among approximately 30,000 students, faculty, professional staff and alumni to be initiated into Phi Kappa Phi each year. Membership is by invitation only and requires nomination and approval by a chapter. Only the top 10 percent of seniors and 7.5 percent of juniors are eligible for membership. Graduate students in the top 10 percent of the number of candidates for graduate degrees may also qualify, as do faculty, professional staff and alumni who have achieved scholarly distinction.
Phi Kappa Phi was founded in 1897 under the leadership of undergraduate student Marcus L. Urann who had a desire to create a different kind of honor society: one that recognized excellence in all academic disciplines. Today, the Society has chapters on more than 300 campuses in the United States and the Philippines. Its mission is “To recognize and promote academic excellence in all fields of higher education and to engage the community of scholars in service to others.”
More About Phi Kappa Phi

Since its founding, more than 1.5 million members have been initiated into Phi Kappa Phi. Some of the organization’s notable members include former President Jimmy Carter, NASA astronaut Wendy Lawrence, novelist John Grisham and YouTube co-founder Chad Hurley. Each year, Phi Kappa Phi awards nearly \$1 million to outstanding students and members through graduate and dissertation fellowships, undergraduate study abroad grants, funding for post-baccalaureate development, and grants for local, national and international literacy initiatives. For more information about Phi Kappa Phi, visit www.phikappaphi.org.

LEARNING

Nichols awards 505 degrees at Commencement

BY JASON BLEAU
VILLAGER CORRESPONDENT

WORCESTER – Nichols College held its annual commencement exercises on Saturday, May 11, graduating 505 students during the ceremony at the DCU Center in Worcester. The event was filled with the usual pomp and circumstance as graduates of the colleges bachelors and graduate programs all celebrated their big day and prepared for the next step in their futures as contributing members of the work force and society.

To prepare the graduates for the next step in their adult lives, several speakers took to the podium to offer words of wisdom and inspiration over the course of the event. This included three student speakers who all shared their personal stories and lessons learned in and out of the classroom during their time at the school.

The first to peak was Daniel Baker, who earned a business degree and discussed how enrolling in college was a massive accomplishment seeing as his struggles with anxiety prevented him from attending high school in the traditional sense. Speaking in front of around 4,000 people, including more than 500 of his fellow students, served as evidence of how much Baker has evolved leading him to leave his fellow students with three life lessons he learned at Nichols.

“I hope each and every one of you walks away with some

Nichols College graduates take a glance at their diplomas after crossing the stage during the school's Commencement ceremony last weekend.

Jason Bleau Photos

important lessons in your life,” Baker told his fellow graduates. “For me, I will always remember take that risk, don't be afraid to be different, and, most importantly, don't be afraid to fail.”

Speaking for the graduate degree students was Caitlyn Llewellyn, who earned a Master's in Business Administration after earning her initial degree from Nichols

in 2017. After five years at Nichols College Her message to the graduate students was to leave a mark on the world no matter how big or small.

“No matter where life takes you, leave a legacy. With this mindset, you have the ability to make every single day count,” Llewellyn said.

The third student speaker of the afternoon was Valedictorian Sabrina

Boermeester, who earned an accounting degree when she crossed the stage later in the ceremony. Her speech focused on what she called the “three F's of life”: fear, failure, and future.

“Success is not money. Success is happiness, love, meaning, and longevity. It's about being able to jump through hoops and digde obstacles and teaching others to do

the same,” Boermeester said. “Nichols has provided us with the base we need to be successful in a career. Now it's our turn to teach ourselves how to not only survive, but also to live. It's up to us to learn how to redirect fear, lead through the surmounting of failure, and succeed in our futures that stand before us.”

While hearing from their fellow students provided some of the most poignant moments for the graduating class of 2019 the 505 students were also greeted by Lt. Governor Karyn Polito, who offered words of wisdom after being honored herself with an honorary doctorate. Polito's partner in Boston, Governor Charlie Baker, served as commencement speaker for the 2016 ceremony during the pairs first term in office. Polito left students with an important message, to follow their compass which she defined as “purpose.”

“Helping others in your community is purposeful, and I'm blessed with the opportunity to do a whole lot on that front,” said Polito. “Now is the time and opportunity for you to calibrate your compass. Define what it is that gives your life purpose. Your family and community here at Nichols have helped you create the foundation for this exercise. You have the opportunity to be bigger than yourself, and to serve your communities in positive, impactful ways.”

Nichols College student inducted into Honor Society

DUDLEY — Nichols College recognized on April 30, 2019, the following students with their induction into the College's and national honor societies. The seniors will graduate at the College's May 11 Commencement at the DCU Center in Worcester, Mass.

Kayla Hewett of Uxbridge was recognized.

Political Science Professor Erika Cornelius Smith, Ph.D., presided over the general ceremony.

"I feel privileged to be an advisor to Zeta Alpha Phi-not just because of the achievements of our outstanding student inductees-but also because ZAP is unique to Nichols College. We are part of something very special, a Bison legacy," said Dr. Cornelius Smith, who serves as faculty advisor to ZAP. And, working with our ZAP student president, Jared Maymon (junior finance and economics major from Coventry, R.I.), and board members, we hope to increase the visibility of these truly terrific students next year."

About Nichols College

Nichols College is a college of choice for business and leadership education as a result of its distinctive career-focused and leadership-based approaches to learning, both in and out of the classroom, and through impactful research and professional education. Founded in 1815, Nichols transforms today's students into tomorrow's leaders through a dynamic, career-focused business and professional education. Within a supportive community, Nichols offers and experiential business curriculum with a strong liberal arts foundation that is enhanced by the scholarship of practice and pedagogy; integrates research and scholarship into the student experience programs and activities that cultivate and enhance professional skills and readiness; and develops the communication and critical-thinking abilities, the ethical and cultural perspectives, and the necessary teamwork skills that are required of leaders in a global economy.

Uxbridge resident graduates from Eastern Nazarene

Samuel Danis

QUINCY — Eastern Nazarene College is proud to announce that Samuel R. Danis of Uxbridge graduated Magna cum laude in May 2019 with a Bachelor of Arts degree in Criminal Law and a double minor in Biology and Sports Management. At graduation, Samuel was also named the 2019 Senior Male Student of the Year. Samuel maintained a 3.814 GPA and was named to the college's Dean's List for all 8 semesters.

During his sophomore year, Samuel Danis was inducted into Eastern Nazarene's Honor Society as well as the National Criminal Justice Honor Society (Alpha Phi Sigma Nu Xi Chapter). During the induction, he was also selected as the male Outstanding Underclass Student of the Year in Crime Law & Justice.

Samuel was the starting catcher for the ENC baseball team as a freshman and then moved onto golf where he was ranked fourth on the ENC golf team. During his senior year, Samuel was elected to Chi Alpha Sigma, the National College Athlete Honor Society.

His proud parents are Edward and Susan Danis of Uxbridge.

Fattman supports legislation to stop spam calls

BOSTON – State Sen. Ryan C. Fattman (R-Sutton) recently joined fellow legislators in co-sponsoring legislation to regulate spam callings. The bill would enact regulations to protect consumers from these phone calls and penalize those who seek to defraud them.

The bill comes on the heels of consumers experiencing a sustained influx of spam and phishing calls from fake companies trying to defraud victims of money and personal information. Fattman also recently joined a group of state senators in a letter requesting the State Senate Committee on Post Audit and Oversight look into the effectiveness of the "Do Not Call Registry."

The letter also suggested assessing the feasibility of whether the Commonwealth can block fraudulent callers both from landlines and cell-phones in an effort to completely abolish telemarketing for those consumers who wish to no longer be contacted.

nuisance for constituents. There are serious safety concerns about people losing money or their identity. More needs to be done to better inform people about the risks, protect them from the calls, and penalize those who are acting illegally," said Fattman.

Data from the Federal Communication Commission (FCC) and First Orion, a call protection company, stated that 50 percent of all calls will be spam by the end of 2019.

Sen. Fattman signed onto the legislation in hopes to continue an effort to protect consumers against phishing phone calls and data breaches. Last year Fattman supported legislation to protect consumers and their personal information following the Equifax data breach.

Constituents with questions or comments may call the Senator's office at 617-722-1420.

No donation is too small or too large, Leverone added, as 100 percent of every rider-raised dollar will be used for research and treatment at Dana-Farber.

"It's the biggest fundraiser in the country for cancer; it's just an amazing opportunity to be involved in that," said Drew's mother, Jen Leverone, who added that biking is a family hobby in the Blackstone Valley.

"Feel free to reach out to me if you

would like me to ride in support or in memory of a loved one. I'll have plenty to think about on my ride out to Provincetown and knowing your stories could boost my resolve just when I need it," he added.

To learn more or donate to Leverone's ride, visit his fundraising Web site at <http://profile.pmc.org/AL0175>. Checks can also be made out to Pan-Mass Challenge, PMC, Jimmy Fund and/or Dana-Farber Cancer Institute, Leverone said. They can be mailed to the PMC at 77 4th Ave., Needham, MA 02494. “Senioritis”:
a very real
mindset, with
very real
consequences

We’ve all heard the term ‘senioritis,’ but is this diagnosis real? After some lengthy research, we say absolutely.

Senioritis is defined as, “A supposed affliction of students in their final year of high school or college, characterized by a decline in motivation or performance.” The end is near, with graduation just around the corner, and many seniors can taste freedom, but aren’t quite sure what to do with it. Even with some students heading off to college, the fear of the unknown, combined with a complete change in the cadence in life, is enough to make several seniors come down with a serious case of senioritis in an attempt to break away from the stress and rigors of 13 years of schooling.

Some signs of the affliction include a lack of motivation, a decline in grades or feeling as though nothing they do in the final months leading up to graduation really matters much. Most students’ entire senior year of high school is spent trying to plan for the future; this can be daunting and stressful for these kids, who are still, at the end of the day, just kids. Some symptoms parents should look for include extreme laziness, apathy, spending all of their free time with friends away from home.

Unfortunately, this rapid decline in motivation does not go unseen by universities. Many schools will look at a student’s last semester, even after he or she has been notified of acceptance, and a substantial decrease in grades raises a red flag. This has admissions offices questioning a prospective student’s level of commitment, and the question of maturity is also put on the table. If the situation is bad enough, a college or university can rescind an acceptance. Each year, thousands of students receive such letters. Sometimes a student will enter their freshman year of college already on academic probation. If a student was issued merit aid from an institution they risk losing those funds.

There are things that can be done to help offset senioritis. One thing a student can do is to set tiny goals, such as getting a B or higher on the next quiz or test, or to finish an assignment ahead of time. Working on better ways to study for tests is also crucial. Too much pressure can cause students to shut down so taking some time to relax and have fun with family and friends is a great idea.

Another idea is for parents and teachers to reassure students that life after high school is an exciting time and that not every graduate needs a definitive plan right away. Explain different opportunities for a gap year, including the pros and cons of taking one.

If your child becomes too self-destructive handing out consequences is key. Finding their currency and removing it may change their perspective and keep them on track. Remembering to reward good behavior is a must. If your child is behaving in such a way that they become emotionally removed, disobedient and disrespectful taking a gap year might be the best option as college is expensive and tuition should never go to waste. Sometimes when students see their friends off at school while they are left behind can be motivation to get back into the swing of things.

Memories of summer days

BY LU KOGUT

Many years ago, when I was a young girl growing in the town of Whitinsville, my girlfriends and I felt if we hung on tightly enough, our youth would not slip away. After breakfast, if we did not have a picnic with us, our mothers would say, “Be home in time for lunch!” Our mothers cared no less about our whereabouts or our safety than mothers of today. But it was a different era, a gentler time, if you will.

We would go on long hikes in the woods, ride our bikes to Purgatory Chasm, spend many an afternoon swimming in the pool at the gym: girls 1-3 p.m. and boys 3-5 p.m., and all for a nickel. (It later went up to a whole dime.) Besides the pool, this included a shower, a bar of soap and towels. Imagine!

There was this big pine tree at the end of the parking lot where kids parked their bikes. Many times we’d climb that tree, which gave us a bird’s-eye view of the Whitin Machine Works, fondly known throughout the valley as “The Shop.” When the tower bell rang at noon, the employees would come streaming out the doors and down Church Street to go home for lunch. Office workers in suits and ties, factory workers in their work clothes. We’d laugh and say, “Bet they’ve forgotten how to have fun!” How little we knew. Based on these girlhood memories, I wrote this poem with those carefree summers and special friends in mind.

Remember those summer days when high

up in a tree we would sit
And talk about the time when old age
would hit.

Remember the picture we drew while we
were sitting up there
Of a mother sitting in her rocking chair
with children at her feet,
Pulling the gray from her hair. How we
laughed!

“That will never happen to us,” we said,
“Oh, no, we would always stay young
instead.”

Yes, always stay young, never stop climb-
ing trees
And always play jacks and aggies on our
knees.

But the years belied us, our hair did turn
gray
And the children at our feet have grown
and moved away.

And I had my 60th birthday this
December,
We would have said “Gee, that is S-O-O-
O-O OLD!” Do you remember?

And there are those who would say that I
am over the hill,
But the girl that you knew, lives in me
still.

LETTERS TO THE EDITOR

Let’s make Lasell Field the centerpiece it deserves to be

To the Editor:

My name is Tim Labrie, I am a lifelong resident of Northbridge and the President of Friends of Lasell Field, a non-profit group seeking renovations to Lasell Field athletic complex. As we wind down our campaign and prepare for the election on May 21, I would first like to thank Northbridge’s School Committee and Board of Selectmen for recognizing the importance of this project by agreeing to co-sponsor Article 21. I would also like to thank the Finance Committee for voting to support our project, as well as our Town Manager, Adam Gaudette, for his guidance and support throughout this process.

Lasell Field is officially known as the “John Whitin Lasell Memorial Field,” and is located at the Northbridge Middle School on Linwood Ave. The field is named in honor John Whitin Lasell. He was born in 1897 and at a young age dedicated his life to public service. John was a selectman, a state representative, and a pilot in World War I, and a Captain in the United States Army. In World War II, he volunteered as an Observer with the United States Army Air Forces. He died serving his country when his plane disappeared in Burma in 1943.

Lasell Field is a centerpiece for this community and currently serves as the primary field for all high school sports and activities to include: Football, Soccer, Lacrosse, Field Hockey, Track, and Band. The field is also used by the same middle school sports and activities and bringing the total number of groups using the field to 17. This does not include physical education time and a few other miscellaneous groups that use the field during the school year. Not only is this complex used by our students, many residents of our community and surrounding communities use the track during the spring, summer, and fall.

The status of the complex today is that it is rundown due to the excessive use, lack of rest, lack of other field space in town, and the addition of several boys and girls’ sports. Lasell Field was originally designed for football and that was the only sport played on it for years and years. Over time, soccer, field hockey, and lacrosse have all been added as school sports and these programs have clearly increased the amount of usage at Lasell. This increased usage has caused the surface to become worn, compacted, and muddy. The grass simply can’t handle the usage. These conditions are unsafe for our student athletes and our competitors.

These conditions caused the field to be periodically shut down in the fall and permanently shut down this spring. Our senior athletes and band members were not able to play and perform on historic Lasell Field in their last year in the school system, losing an opportunity and memory that I and many others in this audience have and cherish. This temporary fix of Lasell is ultimately putting additional strain on the upper fields behind the high school, which was originally designed as practice fields and will result in additional money being spent up there on repairs. This is creating a cycle of wasted money. Rest one field, over use another, and so forth.

For those of you wondering why we don’t just put grass back down, we have tried to re-sod the middle of the field, with negative results. Forty thousand dollars of sod and labor lasted a little over a year, due to the excessive use. We shut the field down every summer in an attempt to rest it and a month into fall sports, the field is torn up, muddy, and unsafe due to the over usage. Why do I say unsafe, the field turns to mud and mud is unsafe to play on!

The wood bleachers on the away side are

over 50 years old and are falling apart. The bleachers on the home side are over 30 years old. Both sets are rusted and are non ADA compliant. They are unsafe and I personally have been at a game when a child has fallen through the bleachers.

The track is over 30 years old, and is beyond repair. It is worn out, broken down, heaved in spots, and is patched in numerous areas. The track floods during rain storms due to the lack of a proper drainage system, old age, and compacted soil on the field inside the track. This not only limits the use by our students, but as mentioned, the residents of our community are also negatively impacted. You can’t run or walk around a flooded track. The track has been shut down for home track meets and has been shut down for several years due to safety concerns. You can’t have people participating in track meets with an uneven patched surface. This will and can cause leg injuries, which is clearly a safety concern! Again the closed track is stripping our children of opportunities and memories of participating at their home venue, Lasell Field!

The lights are over 30 years old and are at the end of their life cycle. Bulbs and parts are getting difficult to replace due to lack of production and the change to LED lighting. The wooden poles will eventually rot at the base and topple over as did the light poles at the little league field in Rockdale.

The solution to these problems is to install a synthetic turf field, with a sophisticated drainage system under the field and on the inside perimeter of a new track. The proposed project includes the new field, which will have a regulation size soccer field, with a football, field hockey, and lacrosse field inside the soccer field, a new track that will have a 6 lane oval and 8 lane straight away, new LED lights with metal poles on a concrete base, and new ADA compliant bleachers. The drainage system allows for proper drainage of the field and track and ultimately increases their life. Like I stated earlier, frequent flooding has caused the field and track to deteriorate.

Towns, colleges, and universities across the state and country have installed similar synthetic turf projects to solve these same problems. In fact, our neighbors to the south(Uxbridge) and neighbors to the north(Grafton) have synthetic turf fields. Grafton has two synthetic turf fields behind their high school. One of their fields has the exact same track, lights, and bleachers as our proposed project. We have a letter from Grafton Athletic Director, Jim Scanlon, about the benefits of their two synthetic fields. “With the advent of newer synthetic turf installations and the ability to incorporate numerous boundary systems for a variety of sports, the utility of even one synthetic turf athletic field greatly outweighs the benefit and related maintenance of a traditional grass athletic field. We have the ability to host a wide spectrum of athletic contests to include district and state level tournaments, face fewer health and safety concerns on days with inclement weather, and provide a complete schedule for our school programs with significant less risk of cancelled games and subsequent fees due to unplanned transportation, officiating, etc.) Furthermore, our venues are highly sought after by other groups in the community and throughout the state,” wrote Mr. Scanlon.

The total cost of our proposed project is estimated at \$2.775 million, by which we have validated this through several different companies and comparisons to other projects. We were able to obtain a high, mid, and low range quote ranging from \$2.775 million to \$2.675 million. In speaking with the various compa-

Take a closer
look at myths
surrounding
529 plans

FINANCIAL
FOCUS

DENNIS
ANTONOPOULOS

If you want to help pay for your children’s college educations, you might want to consider contributing to a 529 plan. With this plan, your earnings grow federally tax-free, as long as the withdrawals are used for qualified higher education expenses such as tuition and room and board. Yet, you may have heard some things about 529 plans that are keeping you from investing in one. However, these concerns may be more myth than reality – so let’s take a look at a few of them.

“I need a lot of money to contribute to the plan.” This myth has essentially no truth to it. Typically, only a modest amount is required to open your 529 plan, and you can generally transfer small sums to it from your checking or savings account.

“If my child doesn’t go to college, I lose out on the money I’ve put in.” This myth runs counter to one of the 529 plan’s greatest benefits: flexibility. If you’ve named one child (or grandchild) as a beneficiary of a 529 plan, and that child or grandchild decides against pursuing higher education, you can simply change the beneficiary to another eligible family member. Furthermore, if none of your intended beneficiaries will need the 529 plan, you can name yourself the beneficiary and use the money to take classes or receive some other type of qualified education opportunity. In a worst-case scenario, in which the money is never used for education, you will be taxed on the earnings portion of the withdrawals – but had you never contributed to a 529 plan, the funds would have been taxed, anyway. (However, you might be subject to a 10 percent penalty tax, in addition to regular income taxes, again on the earnings portion of the withdrawals.)

“I have to invest in my own state’s plan.” Not true. You’re free to invest in the 529 plan of any state, no matter where you live. But it could be advantageous for you to invest in your own state’s plan, as you might receive some tax breaks for state residents. (The tax issues for 529 plans can be complex, so you’ll want to consult with your tax advisor about your situation.) Investing in your own state’s plan also might provide access to financial aid and scholarship funds, along with possible protection from creditors.

“A 529 plan will destroy my child’s chances for financial aid.” While a 529 plan could affect your child’s financial aid prospects, it might not doom them. And the benefits of building significant assets in a 529 plan could outweigh the potential loss of some needs-based financial aid.

Before investing in a 529 plan, you’ll want to explore it thoroughly, as you would any investment. You can find details about a 529 plan’s investment options, share classes, fees, expenses, risks and other information in the plan’s program description or offering statement, which you should read carefully before making any purchasing decisions.

But, in any case, don’t let “myths” scare you off from what could be one of your best college-savings vehicles.

TECHNOLOGY

Making Sense Of Cryptocurrencies

(NAPS)

Social and traditional media have been abuzz with articles and information about the rising phenomenon of digital currencies. But what does it all mean and should you buy in?

What Is Cryptocurrency?

Cryptocurrency, or simply crypto, is one type of digital currency. Cryptocurrencies are distinct from “fiat currencies” such as the dollar, euro or yen. Unlike fiat currencies, crypto isn’t represented or organized by physical paper units or coins. Rather, each unit is a unique alphanumeric string of computer code.

Also, cryptocurrencies are not issued by a central bank. Instead, they are controlled by technology that determines how many units are produced and how transactions are recorded. While Bitcoin is one of the earliest and most recognized cryptocurrencies, more than 1,000 cryptocurrencies currently exist.

For U.S. federal tax purposes, cryptocurrency is treated as property, which means selling or exchanging it can have tax consequences.

Cryptocurrencies and Risk

Buying, selling and using cryptocurrencies comes with numerous risks.

- In some cases, you can spend and trade crypto, but these products are not legal tender in the U.S. and most other jurisdictions. No law requires companies or individuals to accept crypto as a form of payment. If no one accepts a specific cryptocurrency, that crypto will become worthless.
- Platforms that buy and sell cryptocurrencies can be hacked, and some have failed. Consumers can—and have—lost money.
- Cryptocurrency payments are irreversible. Once you complete a transaction, it cannot be reversed.
- Cryptocurrencies and Investing

Cryptocurrency is a digital representation of a stored value secured through cryptography, a mathematically intensive encryption process designed to enhance data protection and authentication.

All investments come with some degree of risk, and cryptocurrencies are no exception. Only invest what you can afford to lose and be aware that you may lose some or all of your investment.

Investing in cryptocurrencies can take many forms, such as purchasing coins in the hope their value increases or buying shares in platforms or companies that facilitate blockchain technology and other aspects of the cryptocurrency revolution in the hope they succeed.

Another way to invest is through an Initial Coin Offering, or ICO. An ICO is a way for companies to raise

money that involves the creation and sale of digital tokens. A certain number of these tokens are sold to investors in exchange for other cryptocurrencies or fiat currencies like the dollar.

As with any new industry or concept, be alert for fraud, which has occurred in both ICO and direct currency purchases. Pump-and-dump scams are a potential risk with some crypto-related stocks, particularly those that do not list on a major exchange such as the NYSE or Nasdaq.

Crypto Takeaways

Cryptocurrencies and the technologies that power them may hold great potential for

legitimate innovations in capital raising and financial markets. But it can be a challenge for investors to verify information about these products to make informed decisions. There are also major questions about how these currencies are regulated both domestically and across the globe.

The markets for cryptocurrencies continue to display high levels of volatility, and involve speculative risk and the potential for fraud. Speculators have been drawn to cryptocurrencies as a way to make a quick profit. But like any speculative investment, you can lose money.

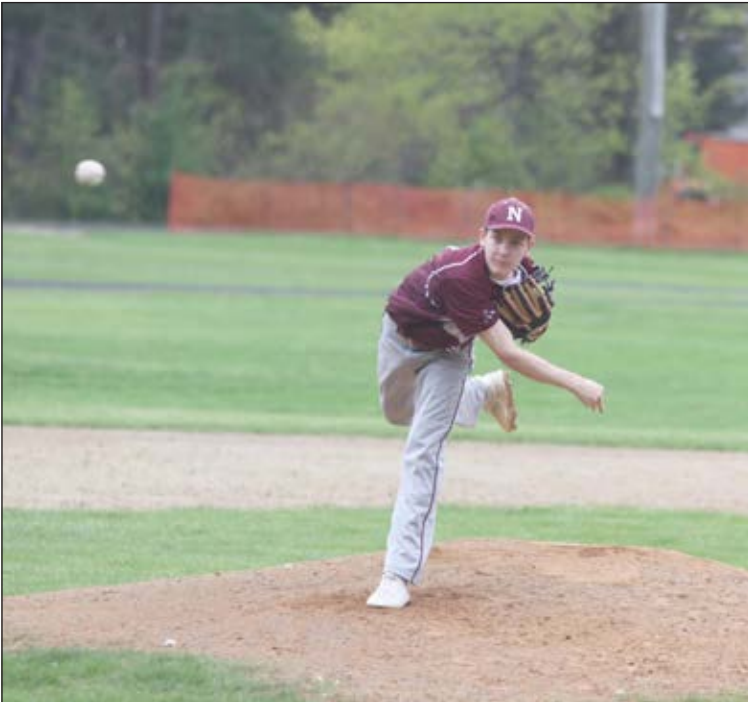

And even when legitimate

companies flock to a hot, new sector, fraudsters almost always follow suit. Look out for guarantees, unregistered products, claims of overly consistent returns, complex strategies, missing documentation, account discrepancies and pushy salespeople. All are red flags of potential fraud. Use FINRA BrokerCheck® to check the registration status of, and additional information about, the people and firms that tout these opportunities.

Blackstone Valley Tech steals one away from Rams

Northbridge starter Oliver Gareau hurls a pitch toward the plate versus Blackstone Valley Tech.

An optical illusion makes it seem like Blackstone Valley Tech's Ethan Lynch gets hit in the helmet with the ball, but he in fact avoids the pitch.

BY KEN POWERS
SPORTS CORRESPONDENT

NORTHBRIDGE — The Blackstone Valley Tech varsity baseball team put the hit and the run in hit-and-run in its game with Northbridge High on Friday, May 10, pounding out 11 hits and stealing an eyebrow-raising 15 — yes, 15 — bases in a 15-4 victory over the Rams.

With the victory, their seventh straight, the Beavers improved to 8-3 on the season. Northbridge's record evened off at 5-5 with the loss.

"We ran a lot and we had some good at-bats," Valley Tech head coach John Burke said. "We're quick one through nine and our guys were able to put together some good at-bats. We're starting to learn that if we're patient we'll eventually get something to drive.

"When we get guys on base they have to challenge the catcher and get in scoring position because that makes the job for the guy at the plate easier because the pitcher has to come at you and make a pitch,"

Burke continued. "I thought we did a pretty good job with our running game today."

Also aiding the running game was the fact that the Beavers' batters were walked nine times.

Blackstone Valley Tech grabbed a 1-0 lead in the top of the first inning. Senior Alex Pinette led off the game with a single to left and then stole second base. He moved to third on a groundout by senior Steve Earle and came home on an RBI single to center field by junior Justin Metcalf (3-for-3, two walks, four RBI, four runs scored).

Northbridge answered BVT's run in the top of the first with four of its own in the bottom of the inning. With one out junior Jake Stuczynski walked and then scampered to third on a single to left by senior Zach Roberts (two singles). Stuczynski then scored to make it 1-1 when the throw to third on the play bounced into the Beavers' dugout. Roberts moved to third on the error.

Roberts then gave the Rams

a 2-1 lead, scoring on a groundout by senior Matt Remillard. Sophomore Matt Ceruti (two singles, double) followed with a double to right field and scored to make it 3-1 when the next batter, sophomore Jonathan Cray, doubled to left center. Cray scored to push the Northbridge lead to 4-1 when sophomore Mason Consigli (two singles, RBI) singled to right field.

The Beavers then took the lead for good in the top of the third inning. With one out Pinette walked and stole second and then scored to cut the BVT deficit to 4-2 on an RBI double by senior Joel Anderson (3-for-4, two doubles, single, RBI). The next three batters — Earle, Metcalf and junior Jack Charron — all walked, Charron's walk bringing in Anderson from third base to cut the Ram's lead to a single run, 4-3.

Earle tied the game, 4-4, coming home on a sacrifice fly to center field off the bat of junior Ethan Lynch (two singles, sacrifice fly, four RBI). Metcalf then scored on a wild pitch

during the at-bat of junior Cam Bern, giving the Beavers a 5-4 lead.

BVT extended its lead to 9-4 in the top of the fifth inning, scoring four times on two singles, a sacrifice fly, a hit batsman, a walk, a wild pitch and five stolen bases. The Beavers made it 11-4 in the top of the sixth inning, scoring a pair of runs on a single, double, two walks and two stolen bases. Valley Tech closed out the scoring with four runs in the top of the seventh on three singles, a walk, a stolen base and a three-run double off the bat of Metcalf.

"We're starting to click. The team is looking good in all facets," Burke said. "We have a good mix of older and younger guys and the younger guys are working their way into playing time. We made our mistakes early, we started 1-3, so we're starting to put it together; we're starting to roll a little bit."

After the game Keith Verra, Northbridge's first-year head coach, addressed BVT's success on the base paths.

"We have a young catcher [Cray]. He does a really good job of blocking and a good job of receiving and he's a good

Center fielder Matt Remillard of Northbridge camps under the ball before making a catch.

hitter. We don't have catching depth in the program. We try to not let people on base so they can't do that. Or steal one and make the plays," Verra said. "They not only stole bases but they hit, too. They had a little bit of an advantage [on the base paths] and they built the lead and then it was a track meet out there for them."

Super Bowl State Champion Beavers honored at State House

UPTON — The Blackstone Valley Tech varsity football team was honored with a visit to the Massachusetts State House on April 23. They achieved school and state history by winning the MIAA Division 7 Championship on Dec. 1 at Gillette Stadium in Foxborough. It was a win for the record books with BVT being the first vocational school in Massachusetts to win a State Football Championship. The BVT Beavers beat St. Mary's of Lynn, 17-0.

The local student-athletes from that team are as follows:

Sal Ante (Uxbridge), Francis Caccavelli (Uxbridge), Christian Fenooff (Douglas), John Nasuti (Douglas), Thomas Puda (Northbridge) and Alex Tashjian (Uxbridge).

Perseverance aplenty as Spartans edge Northbridge

Uxbridge pitcher Sydney Norberg watches the ball cruise down the chute and toward the plate.

Colleen Kenny of Uxbridge squares up the barrel of her bat to bunt the ball into play.

Shortstop Maggie Streichert of Uxbridge throws the ball over to third base to record a force out.

Northbridge third baseman Shannon Timmons and pitcher Hailey Bober converge on the ball in hopes of making a strong defensive play.

BY NICK ETHIER
SPORTS STAFF WRITER

UXBRIDGE — The Uxbridge High varsity softball team has been playing its home games on the upper field behind the Whitin School but, after an 0-3 start to the season (all at home), the Spartans’ coaching staff decided to make a change.

“This has been the Uxbridge legacy,” first-year Uxbridge head coach Jeff LaCure said when pointing toward the upper field, “and if I’m hired to create a new legacy, we have to have a new field.”

The new field — still behind the school but below the upper field — features a fence for home runs and has the same basic dimensions as the other diamond.

“We’ve got to try something,” LaCure remembers he and his team saying after the slow start.

The Spartans have certainly taken a liking to the new home digs, as they improved to 3-1 on the field following a 6-5 victory over Northbridge High in walk-off fashion in the eighth inning on Wednesday, May 8.

Uxbridge trailed in the game, 4-0 and 5-1, before rallying for the win.

“I was so proud of the way we chipped and we chipped and we chipped. You don’t let a team hang around, not that they intentionally did, but things like this happen,” said LaCure.

The Rams seemed to be the team destined for victory, as they scored twice in the top of the first inning, twice more in the second and once in the fourth for a 5-1 lead. Erika Kwasek (3-for-5) drove in two with a triple in the first, Hailey Bober plated two with a single in the second, and Chloe Frabotta scored another with her single in the fourth. All of the RBI hits were driven hard to left-center field.

“It is frustrating because we had a lead early and we thought we were in control early, and we never had a chance to put it away,” explained Northbridge head coach David Mills.

Uxbridge scored its first run in the bottom of the third on an RBI single by Sydney Bretana (2-for-4) and kept shrinking the Rams’ lead with another run in the fourth, one more in the fifth and two in the sixth before winning it with one in the eighth.

Spartans’ Pinch-runner Madigan Lane scored in the fourth when Maggie Streichert grounded one to the shortstop, which turned into a throwing error.

Then, in the fifth, Sam Arroyas scored on a wild pitch.

The two-run sixth featured an Ashley Dube (2-for-4) RBI groundout and Erika Dube (2-for-5) scoring on a wild pitch.

Northbridge committed four errors in the contest, as Bober — the Rams’ pitcher — only allowed four earned runs.

“We can’t play defensively like that,” Mills said, adding that the errors and lack of putting the game away with additional runs were the main reasons for the loss.

Uxbridge nearly won the game in the seventh inning, but Bober fought through adversity and got out of the jam unscathed.

“We were able to fight through that in the seventh — they had a runner on second and only had one out — and with a runner on second and one out we were able to fight through and were able to give ourselves another opportunity to hit,” said Mills.

But Uxbridge pitcher Sydney Norberg pitched a 1-2-3 top of the eighth inning to give her team the opportunity to win it in the home half of the frame.

“She just got better and better as the game went on,” LaCure said of Norberg.

The Spartans then won it in the eighth when Erika Dube hit a lined shot off Bober in the circle for an infield single and Ashley Dube followed with a blooper that fell just in front of the second baseman for another hit, moving Erika to second.

“Erika Dube, you don’t see many — even at the varsity level — make the base-running play that she made,” LaCure said of her awareness. “She played it perfectly.”

Arroyas then laced an RBI double to left-center to plate Erika Dube.

Uxbridge’s defense also showed up, playing error-free ball.

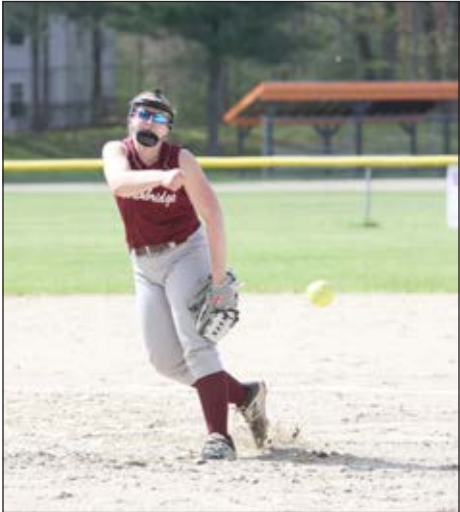

“It’s the only way we win,” LaCure said of Norberg throwing strikes and he defense playing well behind her. “We never win without it — never. The defense kept us in it.”

The victory improved the Spartans’ record to 4-8 as they hope to remain hot on their home field — and on the road — and qualify for postseason play.

“You never know. We’re not giving up on it — this was a big win for us,” said LaCure.

Northbridge, meanwhile, dropped to 3-7.

“Ten games in and 3-7, not where we want to be. We’ve got to rebound,” said Mills.

Hailey Bober of Northbridge releases a pitch to the plate.

Uxbridge’s Colleen Prior connects on one of her two hits versus Northbridge.

Walk ‘n Mass Volkssport Club invites walkers to scenic Blackstone route

On Saturday, June 29, the Walk ‘n Mass Volkssport Club invites walkers to complete a 5 km or 10 km (3.1 or 6.2 mile) route in Blackstone. This is a walk-at-your-own pace, just-for-fun event “in your own backyard.”

The start point is Walker’s Pub, 88 Canal Street. Registration for the walk is 9:30 a.m. to 12:30 p.m., finish by 3:30. This event is free. There is a \$3 fee for those participating in the AVA/IVV achievement program.

The 5km route explores a small section of the Blackstone Gorge, with a few areas of natural terrain. The 10km route is on part of the Southern New England Trunkline Trail (SNETT), the portion through Blackstone is called the Blackstone Greenway. Other sites include the Blackstone River & Canal Heritage State Park and the Blackstone Historical Museum.

These routes are generally doable for strollers and wheelchairs. The routes are on paved surfaces with some areas on natural terrain. Leashed pets are welcome on the trails and cleanup laws apply.

Volkssporting events sponsored by Walk ‘n Mass Volkssport Club promote fun, fitness and friendship through non-competitive walking and biking free to the public. There is also an achievement awards program through the American Volkssport Association (AVA). For further information contact Dawn Harlow at (978) 804-3404, or email dawnvt@yahoo.com or visit www.walknmass.org.

Out and about

This past Saturday was a perfect day to be outdoors enjoying numerous activities. The Uxbridge Rod and Gun Club held their annual kids’ fishing derby at the club pond. The turnout was great, with more than 30 youngsters and their parents and grandparents enjoying a day of fishing. This week’s photo shows Charlotte Walker, age six, with her prize-winning rainbow trout. It was the largest fish of the day, measuring 22 inches and weighing over 3 pounds. The second rainbow, caught by Bentley Bedard, is show with his prize-winning trout. Nice fish! Every young angler received a prize from a table of fishing equipment that includ-

ed many donations from Jerry’s Bait and Tackle in Milford.

Because of a dispute with a landowner at Westhill this year, no access to Harrington’s Pool cancelled the annual fishing derby for kids. Hopefully it will be scheduled at a later date. Trout fishing below the damn has been very good for anglers including the West River at the Route 16 bridge. Trout stalking should continue up through Memorial Day.

Wild Turkey hunting in the Valley was very good last week, with some hunters bagging their annual two-bird limit. Ken Mercer bagged a monster 25-pound bird in Rhode Island, and then returned back to Mass. to harvest his second bird on the same day. The second bird in Massachusetts sported a large beard and weighed in at a cool 22 pounds.

Striper fishing is improving each day

in Massachusetts and Rhode Island, with numerous legal size bass being reported in both states. Striper fishing should blow wide open any day now if the weather improves. As of this past Sunday, porgies (bait fish) have not yet shown up in the Providence River, but when they do, some of the best striper fishing can become a reality.

Live-lining a porgie and having a large striper engulf the bait fish provides some of the greatest fishing all year.

Take a kid fishing and keep them rods bending.

Timely Tips

The long awaited warm weather is finally here and summer is right around the corner! While springtime promises plenty of outdoor fun in the sun it can also bring with it a new season of everyday hassles. From repelling pesky fleas to growing a better garden, the following “timely tips” are geared toward making life’s little challenges a little easier!

Make Fleas Flee: It’s flea season and here are some home remedies:

* Are fleas bugging your dog? Field and Stream magazine touts Avon Skin So Soft as a great flea and bug repellent for dogs. The magazine recommends mixing: Five parts water to one part Skin So Soft. As a bonus, brushing the mixture into the pet’s fur makes its coat gleam.

*Here’s an easy way to turn any inexpensive shampoo into a highly productive flea bath for your dog. Add a few drops of natural eucalyptus oil (food grade, not craft oil) to regular shampoo, lather up the dog and rinse away fleas! Note: Never use essential oils on cats.

*Or, try (original blue) Dawn dishwashing detergent in a tub of water. Lather up the dog or cat well, let sit for five minutes or so and rinse thoroughly. (I tried this and was amazed at all the dead fleas in the sink!). This treatment is for occasional use only as any shampoo can dry your pet’s skin.

*Whip up a great, natural flea spray for dogs by mixing equal parts apple cider vinegar and water in a spray bottle. Spritz directly on fur and rub in for maximum benefits.

* Gardening season has arrived! Read on for some tips and tricks from green thumb sources:

Want the secret to growing great tomatoes? Blue Ribbon tomato growers reveal planting deep is the golden rule to successful tomato plants! Bury a tomato plant’s stem and the stem will sprout new roots that help the plant grow sturdy and tall quickly!

How does your garden grow? With a little help from your garden tools! Keep them clean with a five gallon bucket of coarse sand mixed with a quart of clean motor oil in the garage. After using spades and shovels push the metal end in the sand mixture and wipe dry. The sand will knock off the dirt and the oil will prevent rusting!

Do pesky insects invade your garden each year? Here’s how to banish bugs the natural way! Aluminum foil “foils” aphids: Use a tin foil mulch around the base of plants. The reflection drives insects away. Deter cabbage worms with a sprinkle of flour, and slay a slug with a dose of table salt.

If visions of planning a lush garden have taken their toll on your trusty old house plants, try this tip: Just stir together one package of granular dry yeast and one quart of warm water. Mix it well and water plants with the elixir monthly to perk up your plants!

Plant a chrysanthemum plant in the vegetable garden. Because the flower wilts before other plants when water is needed, it’ll act as a red flag to tell you to irrigate. Cucumber and squash plants can also act as indicators because they are the first to droop during a dry spell.

Going on vacation? Keep house plants watered for up to a month by watering well placing pot and all in a clear plastic bag. Tie it top and bottom and place in northern light. When you’re back, untie the top and let the plant adjust to room air for a day or two before removing the plastic completely.

Here are some more seasonal tips: Firing up the grill for a sizzling steak? New York Times ‘Minimalist’ and cookbook author Mark Bittman claims the five best steaks for grilling are: rib eye, skirt, sirloin, t-bone and flank steaks, one inch thick. His secret? Dry the steaks with paper towels then grill them without turning for three minutes

Want to serve up the “catch of the day?” Here’s a tip to serve up perfect fish every time: Store fresh fish in the refrigerator between self-sealing plastic

bags filled with ice cubes. This will keep it from getting soggy and ensure a fabulous fish feast. And if you need to remove fish odors from a pan, just rinse the pan with vinegar while it is still hot.

Sleeping under the stars this season? To keep warm, make sure your sleeping bag fits properly. Too big and you’ll lose heat, too small and insulation compresses, compromising the warmth factor. And before turning in, indulge! A high calorie treat like hot cocoa will give your body fuel to burn and keep you warm through the night.

Win Dinner for Two at the Publick House

Your tips can win you a great dinner for two at the historic Publick House Historic Inn in Sturbridge! Simply send in a hint to be entered into a random drawing. One winner per month will win a fabulous three course dinner for two at the renown restaurant, located on Route 131 across the town common in historic Sturbridge. Because I’m in the business of dispensing tips, not inventing them (although I can take credit for some), I’m counting on you readers out there to share your best helpful hints!

Do you have a helpful hint or handy tip that has worked for you? Do you have a question regarding household or garden matters? If so, why not share them with readers of Stonebridge Press newspapers? Send questions and/or hints to: Take the Hint!, C/o the Southbridge Evening News, PO Box 90; Southbridge, MA 01550. Or E-mail KDRR@aol.com. Hints are entered into a drawing for dinner for two at the historic Publick House Inn.

helped her to understand the needs and wants of our students, parents, and teachers.”

Because of her work and prior involvement in the district, the committee expects a smooth transition,

and the continuity McKinstry will bring was also a priority for the district, LeBrasseur added. “I appreciate the work that all the members of the Superintendent Screening Committee put forth, as well as all those who expressed interest in this position, especially the other three finalists.”

Prior to her role as the Director of

Curriculum, McKinstry was the acting Principal at Northbridge High School, the Principal at Southbridge Middle High School in Southbridge, and Principal at Mary E. Wells Middle School in Southbridge where she created the SOAR (Students Owning and Accepting Responsibility) program for students with social-emotional and behavioral issues that were impeding

their academic growth.

The district’s previous Superintendent, Catherine Stickney, left at the end of March after serving as Superintendent for six years. She said her plans include moving to North Carolina to join her husband, who has been working there for more than a year.

The power of positive persistence

I have enjoyed a fair amount of success in my life, and yes, I have endured near devastating defeat. Regardless, I’ve always been able to stand up, brush myself off and keep moving forward. I always have hope of a bright future. I am constantly optimistic that success is coming, and because I have hope and optimism, I’m driven to be persistent in pursuit of my dream. I am rarely the smartest guy in the room, but I’m always the most persistent.

I have written often about hope, optimism and persistence. I believe these are the essential building blocks for health, happiness and prosperity. It doesn’t always take intelligence, education or IQ to succeed. Some of the unhappiest and least successful people I know are also the smartest. Although intelligence and education are important, they are not the be-all of success and happiness.

Hope, Optimism and Persistence.

I began writing a book in late 2002. My father had lived a fascinating life in baseball and war. He served in the Navy during the Second World War and was a star baseball player, growing up in the rural coalmining town of Sesser, Ill. I felt the story had wide appeal and would be inspirational to readers. I was not a trained writer and in fact had little experience writing anything, but I began.

After 14 months of pecking away on my laptop, I had a rough manuscript I was calling, “Playing with the Enemy” and I began sending copies out to publishers. I was certain they’d all jump at the chance to publish my book. However, the rejection letters began

pouring in. One, two, three ... twenty-six ... forty-two ... sixty-three ... seventy-four ... yes, I was deeply disappointed but not discouraged. I had hope that a publisher would say yes. I was optimistic that the next submission would be the one, but most importantly, I kept submitting my manuscript to publishers even though seventy-four had said no.

I submitted for the 75th time to a publisher that focused on military titles. This time, I didn’t only mail a copy as their submission guidelines instruct ... I called their President, Theodore P. Savas.

Me: Hello, Mr. Savas? My name is Gary Moore, and I’m mailing a manuscript to you today that I know is a perfect fit for your publishing firm.

Savas: Give me your ten second version.

Me: It’s about a young man’s journey through life in baseball and war.

Savas: Don’t bother mailing it. We don’t do sports books and we are not interested.
“CLICK”

I put my manuscript in an envelope, addressed it and sent it to the man who had just abruptly said he wasn’t interested and hung up. Most people would think I’m crazy. I was just rejected and instructed not to send anything. Regardless, I was hopeful he would read it. I was optimistic that he would love it. I knew if I did not send it, I had zero chance he would publish it ... so with enthusiasm, I rushed it to the post office. A one percent chance is better than no chance at all.

POSITIVELY SPEAKING

By GARY W. MOORE

A few days later, I called Mr. Savas again.

Me: Mr. Savas? This is Gary Moore. I was calling to see ... (interrupt)
Savas: I told you not to send it. We are not interested.

Me: I know, but I am confident when you read it, you will love it and ... (interrupt)

Savas: I won’t read it. I don’t have time and we don’t publish sports books and ... (interrupt)

Me: Right, and if this was a sports book, I never would have sent it, but ... “CLICK”

Again, I was disappointed, but not discouraged. I logged onto the internet to find out who publisher number 76 would be, but truth is stranger than fiction! The next day, I received a call from the man who had hung up on me twice.

Savas: Do you have a publisher for this story?

Me: Yes ... you.

Savas: You know ... I told you not to send it.

Me: I remember.

Savas: When you sent it anyway, I told you I would not read it.

Me: Yes, you did.

Savas: But last night ... I took my son to Karate class along with a handful of manuscripts I wanted to read. When I settled into the chair, I realized I accidentally grabbed yours. I wasn’t happy, but read it anyway ... (long pause)

Me: (I stopped breathing.)

Savas: Congratulations. I’ll fax a contract to you later today.

Savas Beatie released my book in September 2006 and it was heralded as a surprise hit!

Surprise? I wasn’t surprised. I remained hopeful and optimistic that it would be a bestseller. In 2008, Penguin, the world’s largest English language publisher, purchased the paperback rights and again, it was released and succeeded. Today, “Playing with the Enemy,” the book that was rejected seventy-four times is now in its nineteenth printing. It is read and taught in high schools all over America and is optioned as a motion picture. Since then, Savas Beatie has published two more of my books and I’ve become a freelance columnist appearing in thirty-four newspapers.

What would have happened if after seventy-four submissions ... and after the seventy-fifth told me not to send it ... what if I had just given up? Today, “Playing with the Enemy” would be gathering dust in a cabinet drawer, having never been published and my dream of my book would be dead ... and I would not be in this newspaper.

What is the moral of this story?

Never give up on your dream.

GARDEN MOMENTS

MELINDA MYERS

Incorporate arbors, trellises and other structures into your designs when planning new or updating existing gardens and landscapes. These structures help form the framework of any garden, add year-round interest and provide years of beauty and function.

Utilize arbors to define and connect distinct areas of the landscape. Invite visitors into your landscape with a vine-covered arbor. Guests won’t be able to resist the invitation to enter and experience the beauty that lies beyond. Cover these structures with vines for seasonal interest, additional texture and blossoms. Combine two different vines to extend or double your floral display. Plant an annual vine for quick cover with a perennial that takes a year or more to establish and cover the structure.

Beat summer’s heat by creating your own shade with vine-covered arbors. Plant annual or deciduous vines that let the sun and its warmth shine through during the cooler months. When the leaves return, they provide shade and cooler temperatures during warmer times.

Arbors are as much at home in the food garden as the flow-

erbed. Connect two garden beds with an over-the-top arbor. Grow pole beans, melons or squash up and over the Titan Squash Tunnel (gardeners.com). You’ll expand your gardening space by going vertical and help reduce disease problems by increasing the sunlight and airflow reaching the plants. Secure large fruit to its obelisk with a net, cotton or macramé sling to prevent them from breaking off the vines.

Dress up any home, garage or shed with trellises covered with flowering vines, climbing roses or an espaliered fruit tree. Provide space between the wall and trellis when mounting them to a building. The space reduces the risk of damage to the wall and the plants benefit from the added airflow and light.

Many trellises are works of art in their own right, so when the plants go dormant the structure continues to dress up an otherwise blank wall. Whether you prefer simple squares and diamonds, circles, leaves or ceramic songbirds perched among the branchlike supports of the Enchanted Woods Trellis; select a design that reflects your personality and complements your garden design.

Combine several trellis sections to create a decorative screen or bit of fencing. This is a perfect solution for creating privacy or a bit of vertical interest in any size or shape of garden space. Add colorful glass bottles and contemporary design to a vertical planting with a trellis like Gardener’s Achla Designs Vinifera Bottle

Trellis.

Use obelisks as focal points and plant supports in the garden or containers. They’re perfect for creating scale in the garden, especially when new plantings are small and immature. Select a support tall and sturdy enough for the plants you are growing.

Add a bit of beauty and elegance when growing watermelons, cucumbers, pole beans or tomatoes. Train them onto decorative obelisks and they’ll be pretty enough to include in flowerbeds and mixed borders. Add more beauty and a bit of hummingbird appeal with scarlet runner beans. The bright red flowers are followed by green beans that can be eaten fresh or its large seeds harvested and used fresh or dried.

Always consider the function, strength and beauty when selecting structures for your landscape. Team them up with plants suited to your growing conditions and you will benefit from years of enjoyment.

LETTERS TO THE EDITOR

Let the record show

To the Editor:

I would advise all Uxbridge voters to look at the candidates closely when you vote on who will sit on the Board of Selectmen. There are three candidates for two open seats. May 21 is the date of our Town election.

Candidate #1: Stephen Mandile has a record of recent service in the military and is still serving his fellow veterans who are struggling with civilian life. He is devoted to giving back to the community in which he lives. He understands the regular economic and emotional struggles that many of us share.

Candidate #2: Jeff Shaw (incumbent) also has a record of giving back to his community over many years, serving in various roles in Town government. He devotes much of his time to serving as a Boy Scout leader. Many of his opinions I disagree with, but I know his over-riding motivation is to do what is best for Uxbridge.

Candidate #3: Pat Hannon deserves a more detailed look. The record shows that he is involved in several lawsuits brought against the town. How could he avoid a conflict of interest serving on a Board which represents a town he is suing? The record also shows that

he has filed multiple requests for large numbers of Town records. Fulfilling these requests have cost the Town hours of staff time in locating and copying and sometimes legal fees for redacting personal information. How could he work with Town employees who have needed to take time away from their regular duties to fulfill his requests? The record shows that he sued nine citizens for infringing upon his civil rights. The lawsuit was dismissed, but at no small cost to those accused. How could you feel comfortable disagreeing with a person who might bring you to court?

In addition, the record shows that he was recently found guilty of defrauding a business partner and engaging in unfair and deceptive business practices. The total of the damages awarded was \$750,000 and the judge in the case opined that Mr. Hannon’s actions were “unconscionable.”

Would you want candidate #3 on your team? Please vote for Stephen Mandile and Jeff Shaw on the 21st.

nies and surrounding communities that have a complex like the one proposed, the industry standard seems to fall within this range.

The estimated yearly maintenance cost that was proposed to us for a synthetic turf field is \$7500 compared to the \$33,000 the school spent in 2016, \$33,000 the school spent in 2017, and the \$29,000 the school spent in 2018.

The estimated cost to the taxpayer is as follows based on a 3 year debt exclusion. For a house valued at \$216,000, it would be \$123.69/year (that is, \$30.92/quarter), for a house valued at \$316,000, it would be \$180.96/year (that is \$45.24/qtr), and a for a house valued at \$416k, it would be \$238.23/year (that is \$59.55/quarter). This is for three years, and the project is paid off.

We have done our research, and feel confident that we are bringing forth a smart, safe and well thought out plan to the important tax payers of Northbridge. While a few have referred to this project as a luxury - we feel strongly that it is a responsible solution to a problem that is only going to worsen. Let’s provide the same field conditions and opportunities that students in neighboring towns are benefitting from - let’s do it for the kids and coming generations, while also honoring a local war hero, John Whitin Lasell.

We ask that you remember to get to the polls on the 21st and help us give our town and school system the centerpiece that it deserves.

PAXTON SENIORS

Paxton’s bus tour season starts Wednesday, April 24, on the Maine / New Hampshire seacoast topped off with a vist to a Winery. First stop is the Kittery Historical & Naval Museum where you will wander through Kittery’s past as you browse the exhibits, from colonial times to grand hotels, shipbuilding and lighthouses, up to the present day. Find out what makes Kittery special... at the Museum!
Next stop is lunch at Warren’s Lobster House in Kittery, Maine. Our prior visits to Warren’s have always been wonderful. Warren’s has the Seacoast’s Finest Salad Bar, which offers over 60 selections and homemade pumpkin bread, soup and rolls — For an entrée you may select from; Seafood Casserole, Fried Baby Shrimp, Ritz Filet of Haddock, Crab Crusted Salmon, Top Sirloin Steak and Chicken Parmesan. Beverages and dessert will be included.

After a delightful lunch on the River separating Maine and New Hampshire, we move on to Zorvino Vineyard. A family-owned and operated winery, that originally started as a hobby. Jim and Cheryl Zanello purchased the 80-acre lot in Sandown, NH in 2000 after retiring. Four years later Zorvino Vineyards was established. The “Zor” in Zorvino comes from the original family name Zorzanello and “Vino” means wine. Family and Wine, the perfect pairing.

In the first years, 150 cold climate vines, mostly hybrids, were planted. To date, there are roughly 2,000 vines on site. The bulk of the grapes are brought in from Italy, California and South America. They are mostly known for their “off dry”fruit wines. blends and unusual 100% fruit or vegetable wines like Pumpkin, Beet and Rhubarb to name a few. New favorites include their red wines and white wines aged in American White Oak.

Our bus trip leaves the Paxton Senior Center, 17 West St., at 9 a.m. on Wednesday, April 24. Baring any traffic concerns on Route 495, we plan to be back in Paxton around 5 p.m.

The cost of the trip is \$82 per person. Reservations, payment and your choice of entree at Warren’s should be mailed to Bob Wilby, 11 Tanglewood Rd., Paxton, by Monday April 15. Checks should be made payable to the FRIENDS OF PAXTON COA.

For more details, please contact Bob

at 508-792-4662.

Are you interested in joining another wonder trip in 2019?

A group of Seniors from Paxton and surrounding towns are planning a trip this year to Italy. The group plans to leave Paxton on Sept. 9, with transportation provided to Logan and return. Our flight will take us to Rome, Italy for 10 days visiting many historical sites of Italy. Rome has many beautiful attractions that many of us have not seen on previous visits. After two nights in Rome, we will move on to one night in Perugia where we will have the opportunity to visit Assisi, the birthplace of St. Francis of Assisi. Following our stay in Perugia, we move on to Florence, “the Cradle of Italian Renaissance,” where we will view Michelangelo’s incredible statue of David. After two nights in beautiful Florence, we will move on to Venice. On the way to Venice, we will stop at a 12th century castle and learn about the famous Tuscany wines and enjoy a cooking class and lunch. Next we are off to Venice for two nights. During that time, we have an opportunity to visit many of the wonderful sites of the Canal City.

After Venice, our next and last night will be Milan where we will have an opportunity to visit and shop at the “Quadrilatero della Moda,” Milan’s high-fashion district. We will depart for home from Milan.

2019 is the Society’s 27th anniversary in providing members and non-members alike the opportunity to experience excursions of a day or extended days. All are welcome to travel with our organization.

June 14 — “Evening at the Boston Pops” features a musical journey to European countries with a noted conductor leading the Boston Pops Orchestra, with each concert piece a selection of stirring 19th century anthems by Romantic-era composers, including Greig, Smetana, Strauss, Berlioz, Elgar, Wagner and Verdi. Each piece honors a particular nation, while the finale, Beethoven’s “Ode to Joy” (Europe’s official anthem) pays homage to the continent’s motto of “United in Diversity.” The concert is enhanced by a montage of evocative video images curated by Rick Steves, America’s leading authority of extensive knowledge of European history and culture and of PBS frame. All considered, this promises to be an extremely entertaining night, and please reserve early. The cost is \$59 per person for the 8 p.m. concert, with reserved second balcony center seating and motor-coach transportation. Departure is 5:30 p.m. from the RMV, La Rochelle Way in Southbridge. This is the 37th annual excursion to the “Pops.”

Aug. 11 – “A Sunday Afternoon at Tanglewood” — a noon luncheon at the Red Lion Inn followed by the 2:30 p.m. concert with reserved seating in the Koussevitsky Music Shed. Thomas Ades, conductor, leads the Boston Symphony Orchestra with the music of Ives and Beethoven and guest pianist Inon Barnatan. The cost is \$127 (an inclusive luncheon, concert and motor coach transportation). A payment plan is available. The reservation deadline is July 30. Departure is 9 a.m., RMV parking lot, Southbridge.

Sept. 23-25 — A three-day excursion to Cape May, N.J. The cost and all of the details to be announced soon in this listing of trips.

Nov. 16 — “Do As You Wish Day in New York City” – shop for Christmas, do some sightseeing, visit a museum, attend a Broadway matinee, dine at a special restaurant, a visit to the aircraft Intrepid, visit the 911 Memorial complex. There is much to do and enjoy. Departure is 6:30 a.m. from the Southbridge RMV parking lot, and the return departure from New York City is

PILGRIM SOUL PRODUCTIONS PRESENTS "SIX DANCE LESSONS IN SIX WEEKS": GB & Lexi Singh Performance Center, 60 Douglas Rd., Whitinsville. Performances are at 2 p.m. on the 19th; all others begin at 7:30 p.m. This international hit play tells the story of Lily, an aging but formidable retiree, who hires Michael, an acerbic dance instructor, to give her dance lessons in her condo in St. Petersburg Beach, Florida. Antagonism between a gay man and the wife of a Southern Baptist minister gives way to profound compatibility as they swing dance, tango, foxtrot, and cha-cha while sharing barbs and intimacies along with the dance steps. As Michael takes Lily in his arms on their final meeting, they both transcend fear and mortality while the sun sets on their last dance.

Friday and Saturday, June 14 & 15 and 21 & 22

BRAID PRODUCTIONS PRESENTS “THE FOX ON THE FAIRWAY”: GB & Lexi Singh Performance Center, 60 Douglas Rd., Whitinsville. A tribute from Ken Ludwig to the great English farces of the 1930s and 1940s, “The Fox on the Fairway” takes audiences on a hilarious romp which pulls the rug out from underneath the stuffy denizens of a private country club. Filled with mistaken identities, slamming doors, and over-the-top romantic shenanigans, it’s a furiously paced comedy that recalls the Marx Brothers’ classics. A charmingly madcap adventure about love, life, and man’s eternal love affair with... golf.

Saturday, June 15

CHURCH COMMUNITY YARD SALE: 8 a.m.-3 p.m., 315 Church St., Whitinsville. Don’t have a yard or garage for a tag sale? Want to sell stuff you no longer need? Docket No. WO19P1520EA
CITATION ON PETITION FOR
FORMAL ADJUDICATION
Estate of:
Stephen H Bishop, Jr.
Date of Death: 01/06/2019**

To all interested persons:
A Petition for **Formal Probate of Will with Appointment of Personal Representative** has been filed by **Wayne C Bishop of Whitinsville, MA** requesting that the Court enter a formal Decree and Order and for such other relief as requested in the Petition. The Petitioner requests that **Wayne C Bishop of Whitinsville, MA** be appointed as Personal Representative(s) of said estate to serve **Without Surety** on the bond in **an unsupervised** administration.

IMPORTANT NOTICE
You have the right to obtain a copy of the Petition from the Petitioner or at the Court. You have a right to object to this proceeding. To do so, you or your attorney must file a written appearance and objection at this Court before: **10:00 a.m. on the return day of 06/04/2019.** This is NOT a hearing date, but a deadline by which you must file a written appearance and objection if you object to this proceeding. If you fail to file a timely written appearance and objection followed by an affidavit of objections within thirty (30) days of the return day, action may be taken without further notice to you.

UNSUPERVISED ADMINISTRATION UNDER THE MASSACHUSETTS UNIFORM PROBATE CODE (MUPC)
A Personal Representative appointed under the MUPC in an unsupervised administration is not required to file an inventory or annual accounts with the Court. Persons interested in the estate are entitled to notice regarding the administration directly from the Personal Representative and may petition the Court in any matter relating to the estate, including the distribution of assets and expenses of administration. **WITNESS, Hon. Leilah A. Keamy, First Justice of this Court.**

No Substitution

“If you want to know what’s going on in your town – whether the news is about the mayor or taxes or high school football – there is no substitute for a local newspaper. Wherever there is a pervasive sense of community, a paper that serves the special informational needs of that community will remain indispensable...”

CNA'S

"Care with compassion and give from their hearts.... Helping and assisting, working hard from the start. Just making a difference with their kindness and caring.... Listening and walking, wheeling and sharing. This work yes, it's hard, and tiring at times.... But the rewards are so great seeing other's eyes shine. Follow our journey, become a CNA, and you'll see.... How wonderful and great other lives will be!"
