Worcester Red Sox President to speak at Chamber’s Annual Meeting

STURBRIDGE — The Chamber of Central Mass. South will hold its Annual Meeting on Wednesday, Jan. 22 from 11:30 a.m. – 1 p.m. at The Barn at Wight Farm, 420 Main Str., Sturbridge. The Chamber is very pleased to welcome Dr. Charles Steinberg, the President of the Worcester Red Sox, as the keynote speaker. The meeting is sponsored by Quinsigamond Community College.

Dr. Charles Steinberg joined the Pawtucket Red Sox as President on Nov. 5, 2015 after many years as Executive Vice President of the Boston Red Sox. In a vast career in which he has also worked with the Baltimore Orioles, San Diego Padres, Los Angeles Dodgers, and Commissioner Allan H. (Bud) Selig, “Dr. Charles” has helped revamp and re-energize the PawSox front office while leading the effort to aggressively reach out to the community to restore and enhance bonds of connection.

Working with his friend and mentor, PawSox Chairman Larry Lucchino, nearly all of their careers, Steinberg spent 11 seasons with the Red Sox (2002 through 2007 and 2012 through 2016), but also two with the Dodgers as Chief Marketing Officer and two with Commissioner Selig as Senior Advisor for Public Affairs. He is currently helping Selig with his memoirs. He spent 19 years with his hometown Orioles, rising from intern to head of public relations, and followed Lucchino to San

Diego, where, in 7 years with the Padres, he rose to Executive Vice President.

Each of the four major league clubs established attendance records in his tenure. With each club, he has created innovative ballpark entertainment and community initiatives. He led the creation of the Padres Scholars, Red Sox Scholars, and PawSox Scholars programs, as well as landmark initiatives in pediatric cancer research awareness and fundraising. Among his memorable ceremonies was the Fenway Park event following the Boston Marathon tragedy in which David Ortiz made his unforgettable and unrepeatable speech.

Dr. Steinberg also serves as Director of Sports Communication at Emerson College and is a musician and songwriter whose compositions have been recorded by Marilyn McCoo & Billy Davis Jr. among others. He wrote the theme songs for Wally the Green Monster and the PawSox, and performed with Jimmy Buffett at Fenway Park in 2004. He sang (briefly) on the Dropkick Murphys’ hit song, “Tessie,” and had a cameo with Drew Barrymore in the Farrelly Brothers’ hit film, “Fever Pitch.”

Help decide the future of the Sturbridge Senior Center

STURBRIDGE — The next step for the future of the Sturbridge Senior Center will be voted on at a Special Town Meeting on Jan. 27 at 7 p.m. Currently, the Senior Center Study Committee, the Town Administrator and the Board of Selectmen are working on a Warrant Article for the next town meeting that seeks approval for funding of a Feasibility Study. There are two Forums planned by the Senior Center Study Committee members, that will be hosted at the Senior Center on Jan. 14 (10 a.m.) and Janu. 21 (5 p.m.), and everyone is invited to attend and bring questions.

These forums will provide an overview of the progress since March 2015 when Sturbridge established the Study Committee. It is critical that all residents of Sturbridge understand that the 2017 Needs Assessment of the Senior Center found deficiencies, both on current and future needs. The proposed Warrant Article will provide for the determining if either the current site or an alternate town-owned property would best accommodate the programs and services in a facility

“Christmas by Candlelight” welcomes visitors to new Christmas Tree Trail

SUTRBRIDGE — More than 3,500 wishes were made at the Christmas Wish Bridge at Old Sturbridge Village (OSV) during the first weekend of its popular Christmas by Candlelight event. A new feature this year, the Wish Bridge is a part of OSV’s Christmas Tree Trail - 50 sparkling trees set along a quiet path that visitors can enjoy to escape the hustle and bustle of the Common and take in a more serene holiday experience. The bridge, found at the end of the Christmas Tree Trail, encourages guests to write out a special wish and place it on one of the nearby trees in hopes that holiday magic will make the wish come true.

Christmas by Candlelight is a holiday tradition at Old Sturbridge Village, celebrating a season of memories and magic while honoring the New England Christmas of the 19th century. Also new to the event this year was a member cookie contest, encouraging village members to submit recipes to be selected and showcased during a cookie sampling in the Parsonage building. For this first-time contest, held in November, the winner was announced

Charlton Lions spread Christmas cheer

Courtesy Photo

Members of the Lions Club are pictured here during their holiday visit to Charlton Manor.

CHARLTON — The Charlton Lions Club continued its Christmas tradition of helping community members in need again this year with donations to the Elementary and Heritage Schools, and a visit to the Charlton Manor.

More than ten years ago, the Lions were approached by the Principal at the Heritage School and asked if the Lions could possibly help out a few families in need for the holiday. The Lions happily responded with Walmart gift cards for the Principal, and ever since have been helping out at Christmas. This year the Lions gave the Principals at the Elementary and Heritage Schools each \$600 worth of Walmart gifts cards for them to hand out to families in

need. The Lions Club supports numerous charitable causes throughout the year, but the members agree that helping families at Christmas is one of the most rewarding. Knowing that we can make a small difference in some of our families in Town makes the work we do year-round worth the effort.

The Lions also visited the residents at the Charlton Manor to spread some Christmas joy. For over 20 years the Lions have visited the Manor with Santa and Frosty the Snowman, bringing gifts and singing Christmas Carols. Again this year, Santa got the residents involved in an old fashion sign-along, while his elves handed out gifts for all 31 residents, including blankets, socks

and scratch tickets. We even had a \$50 and a \$100 winner in the group. Santa can still work miracles.

The money for these great Christmas traditions comes from our fundraisers; the Lions' Sausage and Peppers tent at Old Home Day, the Meat Raffles, the Toll Road in May, the spring dance at the Elks in Auburn, Night Golf in August, and all the other fundraisers we do throughout the year. Most of the money we raise comes from our great supporters throughout the Town of Charlton. Every year you support us, so we in turn can support some of our citizens in need during the holiday season. So, the Charlton Lions would like to thank all of you for supporting

us. This year, as we think about all of our good fortunes, please take a minute to pat yourselves on the back, because your kind and generous donations to the Lions Club has meant a better holiday season for so many members of our Charlton family.

If you're interested in learning more about what the Charlton Lions Club does for our Town, or perhaps if the Lions Club could help you, please call Steve Doucette, the Club President, at (508) 248-4411. Be Part of Something Great – Become a LION.

Spirits bright at Auburn High School’s holiday craft fair

AUBURN – Although this is Santa’s busiest time of the year, he always makes time to stop at Auburn High School and say hello to youngsters. On Dec. 14, families from throughout the area attended the annual holiday craft fair at AHS. The event is one of the largest fairs in the area, with hundreds of vendors occupying two floors. No matter what guests were searching for, there was something for everyone’s Christmas list. The event also featured several AHS student volunteers who assisted vendors and served meals throughout the day.

Maverick MacDonald, 5, of Woodstock, CT, shares his Christmas list with Santa.

Make those resolutions stick

Christmas has come and gone. Wrapping paper now fills waste baskets everywhere, and leftovers are still piled high in the refrigerator. There are gifts to be returned (or perhaps re-gifted; don't worry, we won't tell). Thank you cards are being sent out by the dozens and our hearts are full with another year of Christmas memories. New Year's Day is here, and resolutions are a fun way to celebrate the year to come. What will 2020 bring for you, and how will you make it your best year yet? The idea is to make a plan and stick to it.

In the United States, only a mere 8 percent of people are successful in keeping their New Year's resolutions. If you want to keep yours, we've provided a few tips.

Identify why you want to make the resolutions you do. Our level of motivation determines whether or not we fail or succeed at any given goal. Those who change their ways because they think they should tend to fail. Their counterparts who find success do so because they truly want to make changes.

If you have too many resolutions, you could bombard yourself into not attaining any of your goals. The idea is to start small. If you want to become a runner, yet have never run before, going out for an hour long run every day won't last long. Start with running or exercising two or three days a week at 30 minutes a pop. Easing into any change is the best avenue, because it allows you to slowly build your new habit. If you want to change your diet, you'll need to change how you shop and how you cook.

If you put your money on the line, you could become more successful than you think. Studies show that individuals who have a financial incentive lost 14 more pounds than those who don't.

Invite family and friends in on your resolutions. We all know the famous phrase "strength in numbers," and the support of those around us has hefty benefits. If you have someone to work out with likely their motivation can pass over to you and vice versa.

Oftentimes, when a person fails or experiences setbacks, they give up on their goals altogether. If you view your goal as an adventurous journey and realize that persistence is a choice, you will be more likely to succeed.

There are two types of goals, prevention and promotion. Promotional goals are hopes, or things we'd like to achieve. Prevention goals are things we believe we are responsible for doing. So your goal goes from "I'd like to lose weight so I can fit into my clothes better" to "I'd like to lose ten pounds because it is my duty to my family to stay healthy." Prevention goals tend to stick. When someone experiences a set back while trying to achieve a prevention goal they are more likely to get back on the wagon again.

Writing things down is another great way to make a goal easier to attain. To look at your progress can be a chief motivator.

In the words of Simon Newcomb, "As years passed away I have formed the habit of looking back upon that former self as upon another person, the remembrance of whose emotions has been a solace in adversity and added zest to the enjoyment of prosperity."

OPINION

VIEWS AND COMMENTARY FROM STURBRIDGE, BRIMFIELD, HOLLAND AND WALES

Go in the strength you have

To many of us obsess in life believing we aren't enough, or we don't have enough. I both see it and hear it all the time. "I'd love to do ____ but I'm not ____ enough to do it" ... or "I'd love to have ____ but I don't have enough ____."

That's enough material to write a dozen columns, and I will over time, but today let's focus on the first one.

What is it you'd love to do but don't? We all have dreams. As children, we dream of being astronauts or firemen. Soldiers or nurses. Musicians or actors. As we mature, we become more focused and either choose a career in life or settle for one. We either choose for ourselves or allow others or circumstances to choose for us.

Why is it we don't pursue our dreams? Too often we believe we are not enough. We quickly convince ourselves we aren't good enough, talented enough or smart enough. We give up on whatever we want and settle on what we believe we can have ... or worse ... what someone else tells us we can have.

I sat in church Sunday and was reminded of the ancient but applicable scripture contained in the book of Judges. No, I'm not going to preach. And you don't have to be a believer to benefit from old wisdom passed down through the ages.

"The LORD turned to him and said, "Go in the strength you have and deliver Israel from the hand of Midian. Am I not sending you?"
Judges 6:14

I find great encouragement in these words. I use them in my life as "Go in the strength I have and pursue my dreams."

I've mentioned in this column several times that I was blessed to be raised in a positive home with parents that encouraged me and a father who convinced me I could do and become anything I wanted to be. I realize how fortunate I am and understand that for most others in life, their circumstances were different. I say "were" different and not "are" different. How we were raised certainly impacts our lives, but we cannot allow it to rule our lives.

As a former teacher and CEO, I've listened to too many people blame their parents and upbringing for their bad circumstances or negative results in life. I always listened patiently, then responded with, "Okay, that was then. What will you do now?"

So, life's been unfair? Join the club. You were dealt a bad hand? Get in line. Insecurity has you paralyzed with doubt? What makes you think you are

POSITIVELY SPEAKING

alone?

The world is crowded with people less fortunate than you who have succeeded and are living their dreams. You don't have to search long or look far to find a person who has overcome devastating odds to share a miraculous story of great achievement. The Internet now makes it easy to find these stories of great inspiration.

So now I have three very simple questions for you.

Why not you?

Why not here?

Why not now?

A thousand sound reasons why these questions are unfair and unreasonable are flooding your brain right now masquerading as legitimate justifications for why you cannot step out in faith and pursue your dreams. You aren't equipped enough, educated enough or talented enough. Or worse, my circumstances won't allow it or it's all my parents fault.

Pull yourself out of your self-doubt and say, "I can." Muster the courage to say, "I will." Take a deep breath and begin right now. And please, do not say, "it's too late!" I became a CEO at 29 years old and published my first book at age 52. I wrote my first column at age 61. Why not you?

You say it's too hard? Of course it is! It's supposed to be! Great achievement comes at a great price. Price rarely refers to money but almost always to time, effort and sacrifice.

Life's too short to settle at any age. Achievement begins with the desire to achieve and the question, "why not me?"

What am I trying to accomplish with this column? I want you to understand that you have the power to determine your destiny at any age. You are probably asking, "What happens if you fail?" The answer is "So what? Try again!"

Take a lesson from Rocky Balboa. In the first movie, Rocky's great achievement wasn't that he defeated the World Champion. He lost the bout. He did however decide to get into the ring. Face overwhelming odds and went the distance.

Why not you?

Why not here?

Why not now?

Go in the strength you have.

You are enough.

A Round of Tips and Tricks from Readers

With the hustle and bustle of the holidays behind us, for many, thoughts turn to vows for the new year. From planet-friendly recycling and re-purposing ideas to being mindful and thrifty in our everyday lives, the following strategies, employed by readers, offer some simple inspiration for the coming year!

Bread bags are necessary packaging that can easily be recycled back into use. And as this reader attests, their sturdiness can accommodate even heavy loads:

Commercial bread bags are fantastic to reuse as trash bags for your car as well as durable enough to hold gathered collections of seashells or rocks.

Year-end – time for some New Year's financial resolutions

FINANCIAL FOCUS

JEFF BURDICK

Have you thought about your New Year's resolutions for 2020? When many of us make these promises,

es, we focus on ways we can improve some form of our health. We vow to get more physically healthy by going to the gym, or we promise to improve our mental health by learning a new language or instrument. But it's also important to think about our financial health – so it's a good idea to develop some appropriate resolutions for this area, too.

What kinds of financial resolutions might you make? Here are a few suggestions:

Increase your retirement plan contributions. One of the best financial moves you can make is to take full advantage of your 401(k) or similar employer-sponsored retirement plan. If you contribute pre-tax dollars to your plan, the more you put in, the lower your taxable income will be for the year, and your earnings can grow on a tax-deferred basis. So, if your salary goes up in 2020, increase the amount you put into to your plan. Most people don't come close to reaching the annual contribution limit, which, in 2019, was \$19,000, or \$25,000 for those 50 or older. You might not reach these levels, either, but it's certainly worthwhile to invest as much as you can possibly afford.

Use "found" money wisely. During the course of the next year, you may well receive some money outside your normal paychecks, such as a bonus or a tax refund. It can be tempting to spend this money, but you may help yourself in the long run by investing it. You could use it to help fund your IRA for the year or to fill a gap in another investment account.

Don't overreact to market downturns. You've probably heard stories about people who lamented not getting in "on the ground floor" of what is now a mega-company. But a far more common investment mistake is overreacting to temporary market downturns by selling investments at the wrong time (when their prices are down) and staying out of the market until things calm down (and possibly missing the next rally). The financial markets always fluctuate, but if you can resolve to stay invested and follow a consistent, long-term strategy, you can avoid making some costly errors.

Be financially prepared for the unexpected. Even if you're diligent about saving and investing for your long-term goals, you can encounter obstacles along the way. And one of these roadblocks could come in the form of large, unexpected expenses, such as the sudden need for a new car or some costly medical bills. If you aren't prepared for these costs, you might have to dip in to your long-term investments to pay for them. To prevent this from happening, you may want to keep sufficient cash, or cash equivalents, in your investment accounts. Or you might want to maintain a completely separate account as an emergency fund, with the money kept in low-risk, liquid vehicles. If possible, try to maintain at least six months' worth of living expenses in this account.

It will take some effort but following these resolutions could help you move closer to your financial goals in 2020 – and beyond.

Be careful not to fish on thin ice

Ice fishing was enjoyed by

THE GREAT

TRUE

many anglers Christmas week, but extreme caution needed to be practiced, as most ice thickness ranged between three and four inches, on most ponds. A good cold blast of two or three days is needed to insure safe ice on most lakes and ponds. The rain that was predicted for this past weekend, could stop all ice fishing in the valley. Numerous Rod

& Gun clubs are planning ice fishing derbies as soon as the ice is four inches or better. This week's picture shows a huge Northern pike caught a few years ago by an angler that was ice fishing. Numerous anglers that enjoy fishing for Northern Pike are constantly asking Mass. Fish & Wildlife to include a few local ponds in the valley to be included in the pike stocking program. Manchaug Pond did very well with pike stockings in the past, but MF&W still ignores the request of local anglers to stock pike in it. The state often trades trout for pike from states that have an abundance of them. Many pike were stocked in the Western & Northern part of the state, but it is a long drive for some of the older residents

and some handicapped fishermen of the valley. Neighboring states like Rhode island and Connecticut have numerous bodies of water that sustain Northern pike and are fished by many local anglers annually. Fishing licenses in both states are reasonable for out of state anglers to purchase. This writer is completely satisfied with my jig fishing in local ponds for yellow perch, bass, & pickerel. The excitement of catching a dozen yellow perch from just one hole, and an occasional bass or pickerel provides all of the fishing pleasure I can handle in one day. The great eating of the yellow perch can provide a good meal when pan fried, & served with a good order of shrimp fried rice and a couple of egg

rolls from my favorite Chinese Restaurant, the Food Works in North Uxbridge. Local deer hunters did very well during the two weeks of black powder season in Massachusetts! The season closed this past Tuesday, Dec. 31, but not before Phil Harper of Uxbridge harvested a huge eight-point buck in the Uxbridge area with his bow. The buck weighed in at 246 pounds live weight and sported a huge set of antlers, as shown in this week's second photo. Local residents are still having problems with deer eating there expensive ornamental bushes, but they will need to wait until next year for any relief by sportsmen. Coyote season in Massachusetts remains open until March 7, 2020 for sportsmen that enjoy hunting them. There is no shortage of these animals, which have become overpopulated in many areas of the state. Groups of hunters were holding coyote

hunting contests, but were stopped by anti hunting protesters. These killing machines are responsible for killing numerous deer and wild turkeys throughout Massachusetts, as well as killing residents pets annually. The situation is only going to get worse as the coyote packs increase annually. With the possibility of a substantial increase on most all fishing and hunting licenses in Massachusetts in 2021, many sportsmen feel that some type of permit fee for residents and non residents that use Fish & wildlife property for walking, bird watching, hiking, etc. should be required to pay an annual fee also. It would sure help MF&W with their annual budget, and could alleviate the pending licenses increases for the sportsmen, that have paid millions of dollars over the years to purchase open land throughout the state. sides together at the top, keeping all sharp edges away from the cleaning crew. Both of these practices also makes it much safer for employees at the MURF's (recycle centers) who are doing all the sorting. We all have families and they care about our safety.

Attending conferences, and sitting in auditoriums etc. this week, with the sounds of coughs, sneezes and so much more, I joked we could film a TV ad for Flu Shots! However, I keep a hair scrungie (pony tail holder) on my wrist which works great to hold or open door handles (auditorium, class room, restroom), etc. I also took a Zip-lock bag, placed a wet one (wipe) inside and added a little extra hand sanitizer. I had a moist towel to clean my hands every time a pen, clipboard etc. was shared. Finally a nurse told me to help when the flu hits hard, they put a drop of hand sanitizer beneath each of their nostrils and invite patients to do do the same, it seems to help as sneezes (droplets) can travel 14 plus feet.

Friday's Child

McKenzi
Age 13

Hi! My name is McKenzie and I love to swim!

McKenzi is a creative, kind young lady of Caucasian descent. McKenzie loves to cook, swim, paint, watch television, play with her dolls, collect Shopkins and spend quality time with her friends. McKenzie's favorite food is macaroni and cheese. Her favorite athlete is Michael Phelps and her favorite singer is Ke\$ha! McKenzie would describe herself as a funny child who can also be a good friend. She is very loyal to those she cares about, and she remains dedicated to her interests and passions. McKenzie is also very fashionable and she loves to dress up.

Those who are close to McKenzie would add she is hard working, caring, and a good role model to others. She is very resilient and does not give up easily! Her teachers report she does well in school and works at grade level. Her favorite subjects are art and math. McKenzie likes going to school because she enjoys learning and getting to socialize with her friends. When she grows up, McKenzie's dream is to become a professional chef. She also hopes to be a homeowner, have a successful career, and start a family of her own.

Legally free for adoption, McKenzie's ideal family would consist of one or two moms, with no other children in the home. Because McKenzie's social worker believes she could thrive in any type of family, she will consider all families who express interest. McKenzie's one wish is that her future family be caring and understanding. They should also be willing to abide by the Open Adoption Agreement with her birth parents, and also maintain contact with her siblings who are placed separately.

Who Can Adopt?

Can you provide the guidance, love and stability that a child needs? If you're at least 18 years old, have a stable source of income, and room in your heart, you may be a perfect match to adopt a waiting child. Adoptive parents can be single, married, or partnered; experienced or not; renters or homeowners; LGBTQ singles and couples.

The process to adopt a child from foster care requires training, interviews, and home visits to determine if adoption is right for you, and if so, to help connect you with a child or sibling group that your family will be a good match for.

To learn more about adoption from foster care, call the Massachusetts Adoption Resource Exchange (MARE) at 617-964-6273 or visit www.mareinc.org. The sooner you call, the sooner a waiting child will have "a permanent place to call HOME."

Create a festive centerpiece from your indoor and outdoor garden

GARDEN
MOMENTS
.....
MELINDA
MYERS

Take a break from the holiday rush for a bit of gardening relief. Grab a pruner and basket then wander through your landscape gathering a few evergreen branches, berry-laden stems and cones to create a holiday centerpiece.

Most gardeners are used to walking into their summer garden collecting blossoms to create a bouquet or arrangement for their summer parties. Winter should be no exception.

Start by gathering some greens. The fan-like sprays of arborvitae, blue-green sprigs of juniper and stems of other evergreens like yews, boxwood, pines, and spruces provide all the greenery you'll need.

Now look for items with interesting color or shapes. Red and yellow twig dogwoods, curly willow, contorted filbert and fantail willow provide interesting color and form.

Next, gather cones, berries and fruits such as rose hips, the blue berry-like cones of junipers, sweet gum seed-pods, alder's cone-like fruit, and of course evergreen cones as substitutes for summer

Festive homemade centerpieces add a personal touch to holiday gatherings.

blooms.

Don't overlook purple cone-flower, black berry lily, penstemon and other seed heads and pods. Fluffy seed heads of ornamental and native grasses make nice fillers. All these make beautiful additions to any arrangement and can be painted or glittered for some added glitz. And don't be afraid to add a few shiny ornaments for a bit of holiday flare.

Look for decorating possibilities that your indoor garden can provide. Dress up small plants to create a centerpiece and larger plants to provide a bit of seasonal color and decor.

Stop by your favorite florist or garden center and purchase a few water picks and cut flowers. Place the cut flowers in the picks and sink them into the pots of your favorite houseplants. This adds some color

and seasonal interest to any green plant.

Consider creating a changeable houseplant container. Plant several compatible indoor plants in a large container. Sink a small empty pot in the space where you want to create a focal point. Set a small potted flowering plant inside this empty one. Replace the flowering plant occasionally to freshen up the container gar-

den or create a seasonal display. Miniature poinsettias, azaleas, African violets and cyclamen allow you to change out the display throughout the year and for any special occasion.

Make it even easier to change the display by filling a large basket with a collection of potted houseplants and flowering plants. Switch out the flowers as they fade and foliage plants as the holidays, your mood or the décor changes.

Use silk flowers, glittery spikes and decorative ornaments to add a splash of color and sparkle to your indoor garden as needed. Exchange these for red, pink and white hearts on Valentine's Day, colorful Easter eggs, or faux fall leaves as the seasons change.

Once you've created your first arrangement, you'll be looking for additional opportunities to create more. And as you plan this year's garden, consider growing more plants that can be used to dress up your dinner table and other rooms in your home.

‘Multi-dimensional’ Warriors too much for Shepherd Hill to handle

Tantasqua’s Ainsley Way holds the ball up high to keep it away from Shepherd Hill defenders.

Tantasqua’s Sophie Law wins the game-opening jump ball tip.

BY KEN POWERS
SPORTS CORRESPONDENT

STURBRIDGE — Double trouble. Times two.

That was the theme that played out in the Tantasqua Regional girls’ varsity basketball team’s 58-42 victory over Shepherd Hill Regional on Monday, Dec. 23.

The Warriors, who improved to 2-1 with the victory, were led offensively by the 1-2 punch of

senior Lydia Boland and sophomore Sophie Law, who tied for team-high scoring honors with 14 points each. In addition, eight of the 12 Warriors who got into the game scored.

“That’s one of our strengths,” Tantasqua head coach Tom Goyette said. “I think we’ve got a lot of weapons out there; you can’t just focus on one of us.”

Making matters worse

defensively for the 0-3 Rams was where the Warriors’ points came from. Of Tantasqua’s 24 field goals, 17 were scored inside and accounted for 34 of its points while seven field goals were scored from the perimeter, including five 3-pointers. The Warriors’ outside shooting produced 19 points.

“The kids have multi-dimensional offensive skills. They can all

play inside and outside,” Goyette said. “Each kid can shoot the 3 and take it to the basket and post up. I think we’re tough to defend because we’re strong in all those areas. I think we showed that [today].”

After Shepherd Hill jumped out to a quick 3-0 lead, thanks to a left-side 3-pointer by senior Paula Barbale (5 points), four different Tantasqua players combined to stake the Warriors to an 8-3 lead. The Rams cut the lead to 8-7 on baskets by freshman Emery Mullen and junior Megan Burdett, but Tantasqua scored the final five points of the period and led after one, 13-7.

The Warriors’ pressing defense — which helped to force Shepherd Hill into 19 turnovers in the game — paid dividends in the second quarter, limiting the Rams to just six points in the period, after which Tantasqua was in control of the game. The Warriors led by 15, 28-13, at halftime.

“I thought we were really strong defensively,” Goyette said. “We played great man defense and we limited their scoring opportunities, especially in the first half. I thought we really shut them down.”

Making it into the scoring column for Tantasqua, in addition to Boland and Law, were junior Emerson Cherry (8 points), freshman Haley Courtney (7),

Tantasqua’s Lydia Boland gets fouled on her way to attempt a layup.

junior Ainsley Way (5), senior Kylee Fortuna (4), and junior Madison Varney and sophomore Shea Coleman (3 each).

“I thought it was just an overall good team effort out there. They worked well as a unit. We had a lot of good passing, we ran the floor well, we broke their press and we were able to score off breaking the press, too,” Goyette said. “They’re a Division 1, Mid-Wach A team, so this is a huge, huge win for us.”

Mullen led Shepherd Hill in scoring, pouring in a game-high 16 points. Her seven baskets included a pair of 3-pointers, four drives to the basket and an in-lane jumper.

“Emery has a natural basketball ability,” said Shepherd Hill head coach Maura Hackenson, who has replaced longtime coach Jim Hackenson on the bench for the Rams due to Jim Hackenson retiring last summer.

“Emery works hard. We’re very excited to have her.”

Burdett also scored in double figures for Shepherd Hill, tossing in 10 points. Junior Emma Lanpher scored 4 points, classmate Flora Marderosian added 3, and senior Kerry Greenough and junior Trinity Sughrue added 2 points each.

Hackenson seemed most please by the Rams’ defensive effort, which resulted in 20 Tantasqua turnovers.

“We’re a defensive team, for sure. They really work hard on defense; that’s all I care about right now,” Hackenson said. “Our offense will come. We’re working on taking baby steps, but it will come. We’re a young, inexperienced team but I’ve got great kids who work hard and they’re going to make it happen.”

Emerson Cherry of Tantasqua sets herself and shoots a midrange jumper.

HIGH SCHOOL NOTEBOOK

Dec. 18

Leominster 94, Tantasqua 89 — In a very tight matchup, the Warriors’ girls’ swim team came up just short. Kira Dambly, Zoey Zhu and Emily Owens, all freshmen, swept the 500 Free, but it wasn’t enough. Sarah Kersting-Mumm won the 200 Free, Zhu also won the 100 Butterfly, and the 200 Free relay team of Kersting-Mumm, Erika Madden, Kami Davis and Katie Wade also won for Tantasqua (0-2).

Leominster 11, Tantasqua 61 — Jonah Green won the Diving, Andrew Wade won the 100 Butterfly and Eben Mazeika (freshman) won the 500 Free, but the boys (0-2) lost to the Blue Devils’ swim team.

Bartlett 62, Tantasqua 28 — Owen O’Brien’s 6 points led the Warriors, but their freshman boys’ basketball team lost to the Indians.

Total team effort helps Tantasqua get past Rams

DUDLEY — Way back on Dec. 12, teams were allowed to open up their high school varsity basketball seasons. For Tantasqua Regional, its season-opener was set for five days later, but a snow day halted the game with Bartlett High. The Warriors were then set to play at Millbury High on Dec. 20, but a water pipe had burst, so that game was called off.

Finally, on Monday, Dec. 23, Tantasqua was ready to play at Shepherd Hill Regional, a team that has already been able to play three games.

"We've had more practices than most college teams in the preseason," said Tantasqua head coach Scott Dion. "We've tried to do some different things in practice to make it not monotonous for the boys because they were starting to get sick of listening to me. Certain practices I let these guys [assistant coaches Nate Orzech and Dan Lavin] run it and I just officiated and we let them hear a different voice. Some of our alumni came in and scrimmaged us."

Dion wondered how his team would come out in this first contest of the 2019-2020 season.

"You always worry about your conditioning, you worry certainly about your execution...and I think our guys responded pretty well," he said.

The Warriors led at all the stops — 16-15 after a quarter, 34-25 at the half and 49-32 through three quarters — before pulling away and winning by 21 points, 58-37.

"Their length and their athleticism posed problems for us," Dion said of the early going. "They played exclusively between a 2-3 zone and a 3-2 zone. We don't do a lot of that ourselves, so we hadn't really practiced against it all that much. We were able to figure out a little bit there, certainly in the second half."

Tantasqua took what Shepherd Hill was giving them, which was the outside shot, and the Warriors made those attempts count. By halftime, Tantasqua had connected on seven shots from 3-point land. They finished with nine 3s as the Warriors then went inside effectively in the second half.

"When you make shots, it certainly helps open everything else up because then they have to extend [defensively], you can get some dribble-drive and it opens up other areas," explained Dion.

Tantasqua saw nine of its players register at least one basket, with Cameron Varney (15 points), Troy Lee (10 points, 7 rebounds), Will Pieczynski (8 points) and Joe Groccia (7 points) leading the charge.

"I think you will see with this team that on any night I've got five guys that could go for 15 and I think the other seven or eight guys are going to get their 6 to 9, which can make us dangerous," Dion said of his spread-the-wealth offense. "Who do you match up with?"

Simply put, the Rams could not, as they dropped to 0-4. Leading the charge offensively for Shepherd Hill with double-digit point performances were Brandon De Jesus (11) and Cam Hackett (10).

Tantasqua's Troy Lee puts up a shot while drawing a foul.

Tantasqua's Cameron Varney leaps up in order to catch a pass thrown his way.

Shepherd Hill's George Karamanakis reaches out to catch a pass.

On Wed, Dec. 18 we will travel to the Newport Playhouse to see "A Christmas Cactus" For \$79, you will enjoy a great play, a bountiful buffet and the Christmas Cabaret.

Show Synopsis: Christmas Eve is tough for private investigator Cactus O'Riley, a white-hot redhead with the holiday blues. She is trying to lure her secretary Fred away from his protective mother, dodging the affections of Deputy D.A. Windsor, and considering closing her business. She doesn't need the added aggravation of two fugitives who burst into her office looking for justice and a dead detective named Jake Marley. Cactus also doesn't need Fred's mother, who arrives to take Fred home but decides to stay because she thinks this is the Christmas murder mystery party she has always dreamed of attending. Christmas turns into a Dickens of a holiday for Cactus as she solves mysteries, delivers small miracles and takes a second chance on love and sleuthing.
