# Tigers too much for Quaboag in MIAA State Tournament game

**BY NICK ETHIER**  
SPORTS EDITOR

DOUGLAS — Two goals in each half and a strong defensive showing were more than enough to help lead the Douglas High boys' varsity soccer team to a 4-0 victory over Quaboag Regional in a MIAA Division 5 State Championship Round of 32 game played Saturday afternoon, Nov. 6.

The now 11-5-2 Tigers, seeded third in the tournament, will next play No. 14 Granby High in the Round of 16 on Nov. 9, which comes after press time. The Cougars, No. 30, finished 9-9-2.

"The defense played solid and we moved the ball around pretty well," said Douglas head coach Alex Ferguson. "They were a physical team and we knew that coming in. They had a couple nice kids who were good players."

Ferguson credited the

play of Quaboag's Chase Potvin, Brandon Allen and Ryan Miner.

And the Cougars playing with physicality is exactly what their identity is, according to head coach Steve Pultorak.

"That's the kind of team we have," said Pultorak. "We have to play physical against a team like this. We can't play any other way because we're out-matched. They're just so quick."

Douglas took a 1-0 lead in the 19th minute. Aidan Ferguson sent a pass into the box, which was touched by Owen Gray. From there, Gray deposited his shot past keeper Gabe Paquette (11 saves) and into the net.

"The first goal was nice. Aidan split the defenders and then Owen finished it off," said Alex Ferguson.

The Tigers doubled their advantage in the 33rd minute when the

## Suspect sought after Speedway robbery; winter parking ban coming to Northbridge

TRIBUNE CORRESPONDENT

NORTHBRIDGE — Northbridge Police are seeking the public's help to identify an individual who is alleged to have committed a robbery at the local Speedway.

Police received a call from Speedway, located at 1144 Providence Rd., reporting a robbery "in which a note was passed requesting cash and indicating they were armed," the Northbridge Police Department released. The incident occurred on Sunday, Oct. 31, at approximately 9:47 p.m.

"The cashier complied and further stated there was no weapon shown however, it appeared that the suspect had something [that] he thought was a weapon in her left pocket," police said.

According to reports, the suspect was described as a white female (pale complexion), approximately five feet to five feet, six inches tall, medium build, wearing gray shorts and a red/orange hooded sweatshirt with a dark colored stripe up on the sleeves and hood, gray sneakers, aviator sunglasses, and a COVID-19 mask.

## Uxbridge receives \$2.5 million for Douglas Street improvements

**BY KIMBERLY PALMUCCI**  
TRIBUNE CORRESPONDENT

UXBRIDGE — The town of Uxbridge will receive \$2.5 million in funding for improvements to the Douglas Street/Route 16 area.

MassDOT District 3 has committed funding of \$1.25 million to the town for additional improvements to the area; this funding announcement came shortly after the Baker/Polito Administration announcement that Uxbridge would receive a separate \$1.25 million for the project in the latest round of MassWorks grant funding, according to reports.

"Many years of discussions, planning, and advocating have paid off," said State Representative Michael J. Soter, R-Bellingham. "This funding will help to propel this project forward and promote the growth of the Route 146 and Route 16 area."

The proposed project, which includes rede-

## Local police departments participate in 'No-Shave November'

**BY KIMBERLY PALMUCCI**  
TRIBUNE CORRESPONDENT

REGION — Members of several local police departments will forgo shaving for the month of November to start conversations and raise donations for causes including cancer awareness and veterans.

"No-Shave November" aims to grow awareness by embracing hair, "which many cancer patients lose," the organization released, and letting it grow "wild and free."

"Donate the money you typically spend on shaving and grooming to educate about cancer prevention, save lives, and aid those fighting the battle," the organization wrote in a statement.

Members of the Franklin Police Department donate to this annual fundraiser and in return, are allowed to "set aside the department's grooming standards and grow their

beards," the department shared.

As with previous years, the department will be donating the proceeds to Cops For Kids With Cancer, Inc., an organization that has assisted several Franklin families and children who have had or currently have cancer.

# “Here Rests in Honored Glory...”

BY JANE KEEGAN  
DAUGHTERS OF THE AMERICAN REVOLUTION

## WHEELOCK CHAPTER

UXBRIDGE — Historically, Nov. 11 is celebrated as Veterans Day. We honor veterans of all service branches and remember those who paid the ultimate sacrifice for their country. In 2018, we celebrated the 100th anniversary of the Armistice of the War to End All Wars in the eleventh month at the eleventh hour. This November 11th another significant anniversary associated with World War I is recognized, and the Uxbridge Board of Selectmen joined the Deborah Wheelock Chapter, DAR, in promulgating a Never Forget Proclamation.

WW I began in 1914. Between April 1917 and November 1918, when the United States entered the war, 136,516 American soldiers fell on battlefields across France. In four French cemeteries many were buried as “unknown” with their graves marked only by white crosses. By 1920, one “Unknown” soldier from England and France had already been interred with great honor in London’s Westminster Abby and beneath the Arc de Triomphe in Paris. However, the United States had bestowed no such singular honor on one of its “unknowns.” A Congressman

from New York, Hamilton Fish, Jr., took corrective action!

A fascinating story is associated with the selection process, transfer from France to America, lying-in-state, and re-interment with full military honors of our “Unknown”. Posters by the Deborah Wheelock Chapter, DAR, depicting this piece of American history, are displayed in the Town Hall lobby and Uxbridge Public Library. In addition to the original WW I “Unknown”, the Tomb holds the remains of an “Unknown” from WW II and the Korean Conflict. Each has been awarded the Congressional Medal of Honor and is guarded 24/7 by the Army’s 3rd Infantry Regiment, known as the Old Guard. In 1998 the “Unknown” from the Vietnam War was identified through DNA tests and reburied in a family cemetery. Today’s advances in science make burial of another “Unknown” unlikely.

On Nov. 11, proudly fly the Stars and Stripes and thank veterans for their service. Most especially express appreciation, so long delayed, to those who served in Vietnam. By order of the Defense Department, the 50th anni-

versary of that 20-year war is being celebrated on Veterans Day until 2025. Coincidentally, the Army’s first African-American four-star General, Colin Powell- a young officer in Vietnam, commander of the 1st Gulf War, first to be appointed Secretary of State under George H. W. Bush and Joint Chiefs of Staff Chairman under George W. Bush- was memorialized at the National Cathedral in Washington recently. Presently, his burial site is not known, but eternal rest at Arlington National Cemetery, among those he dearly loved and led in war and peace, would be fitting!

With more than one million members since its founding in 1890, the Daughters of the American Revolution are committed to promoting education, historic preservation and patriotism through a variety of volunteer programs and projects serving the local community. To inquire about membership, contact [deborahwheelock-DAR@gmail.com](mailto:deborahwheelock-DAR@gmail.com).

## Thanksgiving Service cancelled at Uxbridge Quaker Meetinghouse

UXBRIDGE — There are few places better suited to the spirit of Thanksgiving than the historic 1770 Quaker Meetinghouse in Uxbridge. We will miss the blazing fires, the quiet contemplation of our blessings and the peaceful feeling of community. But, on the advice of the Uxbridge Board of Health, we have agreed to cancel the traditional celebration again this year.

2020 marked the 250th anniversary of the meetinghouse. Several special events were planned to celebrate its history, but as with so many things, they also have been postponed for another year. Our new carriage shed is ready to shelter programs and celebrations well into the future, including those warm pies, pastries, hot chocolate and coffee on Thursday morning, Nov. 24, 2022. We look forward to seeing you then.

A new post and beam carriage shed graces the historic Uxbridge Quaker Meetinghouse property.

# Cahill a scoring machine as Spartans upend Bay Path

Uxbridge's Skylar Lovell lifts her right leg to kick the ball out of her team's defensive end.

Nick Ethier

Sophie Perkins of Uxbridge uses the outside of her left foot on the ball to turn the corner and maintain possession.

UXBRIDGE — Kathryn Cahill gave her Uxbridge High girls' varsity soccer team a 1-0 halftime lead thanks to a 31st minute strike versus Bay Path Regional in a MIAA Division 4 State Championship Round of 32 game on Thursday, Nov. 4.

But Cahill was far from done, as she lit the lamp four more times for an amazing five goal performance in the seventh seeded Spartans' 5-0 victory versus the Minutemen, who were ranked 26th.

Uxbridge, now 8-5-4, will next play crosstown rival Northbridge High, who are No. 10 in the bracket. That Round of 16 contest will take place on Nov. 9, which comes after press time. The Rams (8-6-3) advanced to play the Spartans thanks to a 2-1 victory over No. 23 Southwick Regional in the Round of 32, also on Nov. 4. The win came in extra time when Rachel Sawyer sent a corner kick to Karlee Battista, who scored her second goal of the game.

Uxbridge's Cecilia Schleinitz, left, does battle with a Bay Path opponent.

Kathryn Cahill of Uxbridge, who scored all five of her team's goals in a 5-0 victory versus Bay Path, receives the ball on a corner kick.

## Eastern student Allison Ronan of Northbridge competes on swimming team in fall 2021 season

WILLIMANTIC, Conn. — The men's and women's swimming teams at Eastern Connecticut State University are amid their fall 2021 seasons.

Among the student athletes is first-year student Allison Ronan of Northbridge, who majors in Pre-Elementary Education and Liberal Studies. Ronan participates in the backstroke and the individual medley swimming styles.

Both the men's and women's team are scheduled to have ten meets and three Little East Conference Championships.

"Because of Covid, I think it was hard to recruit," said Sarit Gluz the head coach for both teams. "I think that the people we have on the team want to be here and they want to work hard. The energy level is high, the effort level is high, and they all work together to get things done."

Eastern offers a broad-based, NCAA Division III athletic program aimed at safeguarding the amateur aspects of the various sports and maintaining the proper perspective of athletics within Eastern's academic mission. By placing emphasis on the values of equity, diversity, sportsmanship, health and well-being, Eastern's athletic program encourages students to contribute more effectively to our society and live richer, fuller lives.

TIGERS

continued from page A1

Cougars' Potvin took out a Douglas player in the box. Chris Dame then converted the penalty kick.

Now playing with a 2-0 halftime lead, the Tigers didn't allow Quaboag a chance at a comeback when they went ahead by three in the 59th minute. Aidan Ferguson took a free kick from 35 yards out that found the lower left-hand corner of the net.

Douglas finished off the 4-0 victory with a goal in the 78th minute. Dame threaded a pass to Aidan Ferguson, who dribbled the ball before firing a shot into the net.

"Chris made a nice pass to Aidan and then he made one touch around a guy and put the ball in," said Alex Ferguson.

Despite the loss, Pultorak was proud of Quaboag's success. Following a four-game losing streak, where they were outscored 10-0, the Cougars were 7-7 and in danger of missing the State Tournament.

"We had a string of four games where we couldn't score a goal. I'm glad that we were able to turn it around because that can get the team off track for the rest of the season, but we don't have that type of team. They fight back, they claw their way back," said Pultorak as Quaboag entered the final game of the regular season needing at least a tie versus Grafton High to reach the postseason.

"We tied Grafton. I don't know that anybody in Quaboag history boys' soccer has tied Grafton. They're three divisions up," said Pultorak.

The Cougars then played a preliminary round game on Thursday, Nov. 4, defeating No. 35 Hoosac Valley 4-0 before falling to Douglas.

Douglas girls also win: Douglas High hosted a doubleheader on Nov. 6, as the girls' varsity soccer team also played in a MIAA Division 5 State Championship Round of 32 game before the boys. The ninth ranked Tigers took care of No. 24 Rockport High, 3-0.

"It was a good win for the girls. They moved the ball really well up top today," said co-coach Desi Vega. "At halftime we told the girls we had to try to score that third girl early in the second half, it was 2-0 at half-time, and Morgan scored one within the first three minutes."

Morgan Berthiaume was the goal-scorer —

her second of the game — and she also assisted on Liv DeFalco's goal. DeFalco had an assist on one of Berthiaume's strikes.

Madison Mooney was the final line of defense for Douglas, and she pitched a shutout with two saves.

"The defense really helped out Madison a lot today. They played solid in the back. Madison isn't our normal goalie, so she was nervous," explained Vega. "We told the defense that everybody had to help step up and take the pressure off her. There wasn't one tested shot on her."

Mackenzie Catlin was given props by Vega for her performance on defense.

"She's our center back, our leader back there. She's the anchor," Vega said of Catlin.

Douglas' Michael O'Toole shields a Quaboag defender while maintaining possession of the ball.

The Tigers (10-6-1) were scheduled to play No. 8 Millis High in the Round of 16 on Nov. 9, after press time.

signed ramp intersections and improved bicycle and pedestrian accommodations, provides a significant improvement to the safety of the area. These projects are described in a press statement as a "substantial improvement" to both regional access to and from Route 146 and along the east-west corridor for the surrounding towns.

"The implementation of proper intersections and bicycle and pedestrian accommodations will bolster the roadway and create safe multi-modal options for travel," Soter added. "I want to thank the Baker/Polito Administration and MassDOT District 3 for recognizing the importance of this project and the potential here in Uxbridge."

MassDOT recognizes that this level of regional access and multi-modal improvements is "beyond what is typically identified as mitigation for anticipated truck traffic from the proposed developments" and has committed to funding an agreement for \$1.25 million in support of the MassWorks project, reports said.

"I would like to thank State Representative Soter for his advocacy on this project. Uxbridge is thrilled to receive a combined \$2.5 million in funding from the MassWorks grant program and from MassDOT District 3 to make the necessary infrastructure enhancements to the Route 146/Route 16 interchange," said Uxbridge Town Manager Steve Sette. "These improvements will expand the usability of the area and increase the quality of life for residents."

Sette added that this is an "exciting area of Uxbridge," and its continued development will "positively impact the town through revenues and additional job opportunities."

Police added that one witness stated they observed the female "to have a birth mark on her right leg approximately the size of a quarter."

The suspect arrived utilizing the Church St. Ext. entrance/exit parking what appears to be a dark colored—possibly red—Toyota Venza. Individuals with information are asked to contact Det. Sgt. Richard Gorman or Det. Jeffrey White.

In other news, the town's all-night parking ban will go into effect on Wednesday, Dec. 1, and continue through Friday, April 1, police shared. If weather conditions deem it necessary, the April 1 date may be extended; the ban is effective from 1 to 6 a.m. and is applicable to all streets

NO-SHAVE

continued from page A1

In Sutton, the department released that it will be channeling efforts to help veterans, whom they described as "some of the worthiest of folks."

"Several of our officers will be participating in 'No Shave November' and all donations will be given to the Home Base Foundation," the department released. "If you're in the giving mood, and would like to make a charitable contribution to help our Veterans, please consider making a donation."

Donations to the Sutton Police fundraiser can be made at the following website: [because.massgeneral.org/fundraiser/3554972](https://because.massgeneral.org/fundraiser/3554972).

"Throughout the month of November, we have committed to raise awareness and funds for the critical, life-saving care that Home Base provides to Veterans and their Families to heal from the invisible wounds, such as post-traumatic stress and traumatic brain injury," a fundraiser description reads.

All participants in the Home Base

campaign have individually pledged to donate and/or fundraise \$100 for this cause. Last November, 132 New England police departments (plus Florida), several individuals, companies, and sponsors joined their efforts.

"To date, this [Home Base No-Shave Campaign] has raised over \$1 million. This year, we want to raise even more awareness about the invisible wounds and care Home Base provides, as well as raising more funds—and we need your help to do it."

The origins of Veterans Day

We would like to begin this Editorial by sharing words of gratitude to our veterans. Thank you for your valor, your sacrifices and your courage to defend our rights and to keep us safe.

In honor of all those who have served our country, past and present, we thought we would share some history behind how Veteran's Day came to be.

The Great War was officially over when the Treaty of Versailles was signed in June of 1919, in France. Actual fighting ended seven months earlier between Germany and Allied nations, on the eleventh hour of the eleventh day of the eleventh month. Since then, Nov. 11, 1918 is known as "the war to end all wars."

In 1919, President Wilson proclaimed Nov. 11 as the first commemoration of Armistice Day. Wilson stated, "To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations."

In June of 1926, Congress officially recognized the end of WWI, passing a resolution. Part of that resolution stated, "Whereas it is fitting that the recurring anniversary of this date should be commemorated with thanksgiving and prayer and exercises designed to perpetuate peace through good will and mutual understanding between nations; and Whereas the legislatures of twenty-seven of our States have already declared November 11 to be a legal holiday: Therefore be it Resolved by the Senate (the House of Representatives concurring), that the President of the United States is requested to issue a proclamation calling upon the officials to display the flag of the United States on all Government buildings on November 11 and inviting the people of the United States to observe the day in schools and churches, or other suitable places, with appropriate ceremonies of friendly relations with all other peoples."

In 1938, Nov. 11 became a legal holiday to celebrate all veterans in WWI and WWII. Armistice was replaced with Veterans. In 1954, Veteran's Day would honor all veterans in all wars.

LETTERS TO THE EDITOR

The Biden administration is a failure

To the Editor:  
What I believe. Feel free to disagree.  
Have you taken a moment to consider that we are facing an unprecedented failed presidency? Biden's approval ratings in the first ten months in office have plummeted more than for any other president since World War II! The only other three presidents in competition for the lowest drop in their approval ratings during their first year in office? Obama, Clinton, and Carter. I rest my case.  
Let's discuss the Biden team at the top, shall we?  
Secretary of Transportation Pete Buttigieg has been on parental vacation leave since the summer. As a lifelong politician, he knows he does not have to show up to work because his socialist (Woke) minions will run it for him. Same as Biden. Buttigieg has no experience running anything like a big city transit system or a small 20 bus community system. He tried to run a small city, briefly. That's it. That qualifies him to run the country's transportation needs? His only real qualification? Dropping out of the Presidential primary in favor of Biden the Incompetent. This explains why he thinks his goofy smile will smooth over any hysteria on the price of gas or consumer goods locked in container ships. It's not his fault. He says Covid caused the high gas prices and crisis at the ports. Right.  
Now, for the illustrious Secretary of Labor. Marty Walsh, the former Mayor of Boston, has an intimidating resumé. First, he was born in Boston, and may have graduated from high school, but it cannot be confirmed. He joined the Laborers Union at age 21 as a day laborer, but found his true calling in getting elected to union leadership. He never actually became an electrician, carpenter, plumber or got a license in any building or trade. He clawed his way up to become the Building and Trade Union President. Then, ran for Mayor. He has no clue why eight million jobs are vacant, and why people are sitting at home instead of working.  
Secretary of Energy (blonde, blue eyed Canadian, Harvard Law, contestant on the 1978 Dating Game) Jennifer Granholm was asked about the high price of gas

and when she was going to get American gas and oil production going again. Her answer: gales of laughter. Yah, we think it's hilarious too. She said oil and gas is run by a cartel, OPEC, and she has no ability to do anything about it. She said she wished she had a magic wand. Me too. I would bring back the energy independence of the Trump administration. A year ago, gas cost \$1.87.  
America was energy independent. Let me repeat: energy independent.  
Secretary of Commerce Gina Raimondo (Harvard College, Yale Law School) never worked for industry or built a business. When asked what she was doing about the supply problems at the Long Beach California port, she said she wished she had a magic button. Yup, Democrats need magic buttons and magic wands because they have no real life work experience. When asked what businesses should do about obtaining supplies, Raimondo said: "Call FedEx."  
HHS Secretary Xavier Becerra, the former California Attorney General, is not a doctor nor has he any experience with administering Health and Human Services, but is a strident supporter of abortion. He argued before the Court of Appeals that the Little Sisters of the Poor, a Catholic religious order, should be required to provide birth control (abortion) to their employees. The U.S. Supreme Court disagreed with him and upheld their right not to.  
Secretary of Non-Existent Homeland Security Mayorkas has done nothing to stop the 1.7 million person tidal wave of illegal immigrants over the Southern border. And there is no requirement for them to get a Covid vaccine, but you cannot work unless you get the vaccine. Who exactly is this guy working for?  
I have yet to hear a conservative or a Republican say, Gee, I wish I had a magic button. Instead, they say I am working on it. This is what I have done so far.  
Is this what you voted for? Time to get on your knees and pray for the nation. Be revolutionary. Pray, eat, work. Repeat. What say you?  
Nevertheless, she persisted.

Gift ideas for bird watchers and gardeners

Give a gift that provides beauty, entertainment, and health benefits throughout the year. With the recent increase in people gardening and bird watching, what could be more perfect than a gift that supports both interests?

Birds visiting feeders, munching on the coneflower seeds in the garden and perching in the shelter of evergreens help brighten the long, often dreary days of winter. Just like gardening, bird watching helps us connect with nature, reduces stress, and elevates our mood. Plus, the gardeners on your list will appreciate the help birds provide managing insect pests. Protein-rich insects and spiders are an essential part of the diet of 96 percent of North American terrestrial birds.

Growing a landscape filled with plants that provide seeds, berries and shelter is a great way to attract these welcome guests to our gardens. Providing additional sources of food, water and shelter can increase the number and diversity of the winged visitors.

Help your gift recipient create a bird feeding station so they can easily watch the birds and enjoy their songs. Include a variety of feeders suited to the birds they want to attract. Select feeders that are easy to fill and clean and protect seed from weather and squirrels.  
You'll attract a wide range of birds with tray and platform feeders. Look for ones like the Gardener's Supply Twigs Platform Bird Feeder which has a cover to protect the seed from rain and snow and a removable mesh floor for easy cleaning. Platform feeders like this, with excellent drainage, help minimize the risk of wet seed sprouting or supporting bacteria and fungi that can harm the birds. Help keep seeds safe and fresh with regular cleaning and by only providing enough seed for a day or two.  
Hopper or house feeders protect seed against the weather and bird droppings. But if the seed gets wet, the closed environment is perfect for bacteria and fungi to thrive. Plus, they are more difficult to

clean.  
Courtesy — Gardener's Supply Company  
Roosting pockets provide some needed insulation for birds and are easy for them to enter and exit.

GARDEN MOMENTS

Tube feeders are cylinders with perches and feeding ports. Those with perches above the openings attract birds like goldfinches and chickadees that can feed upside down. Those with small perches discourage large birds from feeding. Select tube feeders with small ports for smaller seeds like Nyjer thistle and ones with larger openings for large seeds.  
Look for ones with wire surrounds to keep out squirrels and those that are easy to clean like the Gardener's Supply Cleaver Clean Tube Feeder with a removable bottom. Reduce problems on other tube feeders by blocking the bottom of the tube that extends below the lowest feeding port. Seed and water can collect there, increasing the risk of fungi and bacteria.  
Clean feeders regularly with a 10% non-chlorine bleach solution, commercial birdfeeder cleaner or mild solution of

Giant killers

Everybody loves a good story about an underdog— who overcomes impossible odds. Many movies are made with the central character as the underdog. This is the accepted structure of most screenplays in Hollywood today. The protagonist must be up against impossible odds, facing a literal or a figurative giant.  
Real-life underdogs include George Washington, Susan B. Anthony, Harriet Tubman, King David, Rosa Parks, Martin Luther King, and Gandhi, to name a few.  
Only a tiny percentage of us want to slay giants. If you are called to battle giants in a given industry or profession, learning lessons from those who have done the same will be necessary.  
Arreguin-Toft is a political scientist who calculated the odds of weaker countries winning wars against stronger countries. He found that when weaker countries fight by the same rules as the stronger countries, they only win 28% of the time. When they fight using unconventional methods, they win 64% of the time.  
Vivek Ranadive never played or coached basketball before. In his first year as coach of his twelve-year-old girl's basketball team, he brought his inexperienced team to the national championships and almost won. How was this possible? He refused to play the traditional game of basketball. Instead, he taught his girls to play using unconventional methods.  
George Washington sometimes fought the British using conventional warfare but often used guerrilla tactics to win. If he had fought only using European-style tactics, he wouldn't have won.  
Never play by the Giant's rules.  
My favorite underdog is King David of ancient Israel. He was unappreciated by his family and considered unworthy of greatness. Until he decided to become a giant killer, he spent most of his time alone in the pastures tending his father's sheep.  
During this time, the Israelites were at a standstill against the Philistine army and were powerless to stop a giant named Goliath, nine and a half feet tall.  
Every day Goliath emerged from his tent, dressed in armor, carrying a spear, a sword, and a weapon slung on his back. Daily he terrified the Israelites and challenged their best soldiers to face him in battle. Nobody was up to the challenge.  
One day, David was called out from the fields and sent to bring food to his brothers. When he arrived, he learned of Goliath's challenge and accepted. He was mocked and made fun of, but David paid them no mind. He prepared himself for the fight of his life.  
The Israelites tried to outfit David with traditional battle weapons like heavy armor, a sword, and a spear. They wanted to get him to fight the way Goliath wished to fight. David found the weapons awkward; it was then he decided he wasn't going to play by Goliath's rules. David opted to use a sling and a stone.  
Slings in David's time weren't like the slingshots we used as kids. Ancient slingers could defeat infantry armed with swords and armor most of the time. A good slinger could penetrate the skull of his enemy.  
When the contest began, David didn't hesitate. He sprinted to the fight, quickly finding a few smooth stones; swinging his sling, he released the rock and sunk it straight into Goliath's forehead. David walked over to Goliath and chopped off his head using Goliath's sword.  
This was a great victory that cemented David's position as a giant killer, and he went on to become the greatest king in Israel's history.  
How did David win? He refused to play by the giant's rules. Indeed if David had approached Goliath dressed in full armor and armed with a sword, David would have lost his life.  
Giant killers in modern times won't be using slings, swords, and spears. Our weapon will be the knowledge of the giant's weakness and a refusal to play the game the way the giant wants to play it.  
If you choose to be a giant slayer, then remove all doubt and replace it with faith. People will laugh at you but do not pay attention. Sprint into battle, knowing your victory is secure.

## Judith C. Begley, 66

Douglas- Judith C. (Marrier) Begley, 66, passed away on Mon. Nov 1, 2021 at UMass Hospital in Worcester after a courageous battle with cancer.

She is survived by her husband of 35 years, Jeffrey A. Begley; 4 children, April Vassar and significant other Dave Visser of Douglas, Erik Martinsen and his wife Kate of Douglas, Michael Martinsen and his wife Robyn of Douglas, and Ryan Begley and his wife Laura of Thompson, Ct; 7 grandchildren, with one on the way, her mother, Joyce (Golenski) Guiou of Douglas; her brother, Robert Guiou and his wife Jan of Danielson, Ct; many nieces and nephews, as well as several aunts, uncles, cousins, and great friends. Born in Bridgeport, CT on July 21, 1955, Judith lived her early childhood years in Webster before her family settled in Douglas. She was a resident of Douglas for the past 55 years.

A graduate of Douglas High School, she worked at a young age for her mother's construction business, Percy Guiou Excavating. Always a hard worker, owning multiple businesses, starting with the Craft Buggy, Judith and her husband Jeffrey then opened Movie Maddness & Candy Corner, a video rental and specialty candy busi-

ness they had for 16 years on Main St. Most recently Judith was working as store manager for Chico's retail store at the Solomon Pond Mall. She worked there for many years before her retirement in 2015.

Judith was very involved in her children's lives. She attended most of their activities and sports games. She was also a Cheerleading Coach with her daughter April for Douglas High School for 20 years, where she influenced countless young lives. Her home-made cooking and baking skills were second to none. She had a green thumb and grew beautiful flowers and vegetables, which she canned and pickled. Most of all however, Judy was a loving, full-time mother and wife, who always placed others ahead of herself. Family always came first.

Judith's calling hours were held from Jackman Funeral Home, 7 Mechanic St., Douglas on Wed. Nov. 10th from 4-7 PM. Her Celebration of Life in the funeral home was held on Thurs. Nov. 11th at 10 AM which is limited to direct and extended family. In lieu of flowers, donations in Judith's memory may be made to: Susan G. DIRECTOR NEWS  
FOR DECEMBER 2021  
NEWSLETTER

I want to personally thank all the contributors, donors, and volunteers who helped make the Thanksgiving meal distribution a success. We were able to distribute over 200 meals to our seniors on Monday, November 22nd for lunch. This year we collaborated with PJ's Restaurant in Bellingham to cook the luncheon. We limited our volunteers, for everyone's safety, but we accomplished so much!

The Town of Uxbridge is truly blessed to have so many people who care for each other. What a wonderful way for the community to come together for a great cause. Thank you for allowing the Senior Center to be a part of this endeavor.

Here is a list of our major contributors/donors:

PJ's Restaurant  
Unibank  
Savers Bank  
Table Talk Pies  
Hannafor's  
Taft School Students  
Fallon Health

I also want to acknowledge all of our volunteers. Thank you to those folks who donated canned cranberry sauce, gravy or provided monetary donations. Thank you to Fallon Health for the \$1500 grant monies that helped curb the cost to the senior center. Thank you to the students of the Taft School for making home-made greeting cards to include in the lunch bags. Thank you to the Town Manager, Directors of

various departments in Town and the BOS who also contributed. Our seniors thank you!

The Krispy Kreme Fundraiser is back! The Activities Program brings back Krispy Kreme Doughnuts for sale. Please complete the order form located in this newsletter. All orders need to be received by December 13th. Pickup date is Monday, December 20th at the Uxbridge Senior Center. Please consider donating a dozen doughnuts to a senior. Top seller will receive a \$20 Hannafor's gift card. Thank you for your support!

The Uxbridge Elderly Connection will be sponsoring our Thanksgiving and Christmas luncheons this year. The Elderly Connection supports the senior center efforts to provide extra activities and expenses that are not in our municipal budget. Please consider supporting the Elderly Connection during this holiday season.

The winter months are now upon us. Please look after your elderly neighbors, relatives and friends. Please consider to call, write or deliver a home cooked meal to your friends and those in need. A little kindness will go a long way! Remember, people will forget what you say or do but they will always remember how you made them feel. Take the time to make someone feel special!

Lastly, I want to personally wish everyone a blessed Merry Christmas and Happy New Year!

Sincerely,  
Lisa Bernard  
Director

unscented dishwashing soap. Wash the inside and outside of the feeder, perches and feeding ports. Once cleaned, rinse with clear water and dry before refilling.

Provide some shelter from wind, snow, rain, and predators for birds spending the winter in your landscape. Supplement what trees and shrubs provide by including a few roosting boxes and pockets. Gardener’s Supply fair trade roosting pockets (gardeners.com) are attractive, easy to hang, provide some needed insulation and are easy for birds to enter and exit.

Make sure to provide water throughout the year. Those in colder climates will need to add a heater, bubbler, or aerator to prevent the water from freezing. Providing fresh water reduces the calories and body heat a bird uses when melting snow and ice.

Select a birdbath that can be left outside year-round to avoid cracks and leaks as water freezes and place it in a sunny area. Add a few stones so the birds can take a sip without getting totally wet. Keep these clean just as you do during warmer months.

Looking for more ideas? Help your favorite birder prepare for the nesting season with a gift of one or more birdhouses. These make attractive additions to any landscape while providing more homes for visiting songbirds.

When selecting the right gift for your favorite bird watcher or gardener consider creating or expanding your own bird-friendly landscape. A small investment in creating a bird habitat reaps wonderful benefits all year round.

about a minute or so to soften the skin. This will make the pumpkin much easier to peel. Cut the pumpkin in large slices, peel the skin and remove the strings and seeds. Then cut the slices into smaller pieces. Boil the pumpkin pieces until tender, then mash or process the pumpkin pulp until it forms a smooth, thick puree.

\*\*\*

Pumpkin Hummus: Pureed sugar pumpkin adds just the right flavor to this hummus. To do:

Mix together in a food processor until smooth: two cups pureed sugar pumpkin; one 15 oz can of garbanzo (chi chi) beans; one tablespoon tahini, two teaspoons vegetable oil; one teaspoon cumin; one teaspoon salt; one eighth teaspoon cayenne pepper; one crushed garlic clove, and three tablespoons of water. Adjust thickness by adding a little water if it is too thick. Makes

two cups. Serve with pita bread or crackers.

\*\*\*

Perfect Pumpkin Seeds: Roasting up a batch of pumpkin seeds is not only an annual treat, it’s a great way to use up every bit of the vegetable: To properly toast pumpkin seeds, remove all pulp and clean strings from the seeds. Place seeds in a bowl and stir in melted butter or olive oil and salt to coat the seeds. Spread seeds on a cookie sheet and bake in a 275 degree oven for about an hour or until the seeds are golden brown and crisp. Avoid overcooking as seeds can become hard and tough. Prefer crisper seeds? Prior to toasting boil the seeds in salted water for about ten minutes, drain and prepare for roasting.

# Blackstone River Watershed Association (BRWA) seeks to expand Board of Directors

UXBRIDGE — For more than 50 years, the Blackstone River Watershed Association has worked to engage, educate, and advocate for improved water quality in the Blackstone River Watershed and that work continues. Consider becoming a nominee for a position on the BRWA's Board of Directors to be a part of this important work! Experience or training in water resources and the environment is

not required.

We encourage director candidates with expertise in nonprofit management, leadership development, marketing, social media, fundraising, finance, environmental studies or education, legal issues, and development to consider running.

Whatever your age or background, serving as a director is a meaningful way to volunteer your time, talent, and ener-

gy. It is a great resume builder that demonstrates your support for a non-

profit organization in your community. We are offering you a way to give back to the community and support the environment at the same time.

If interested, please contact us. We'll share our recently updated strategic plan so you can see

what work the BRWA is

currently engaged in as well as our plans for the future. You can meet with current board members either in person or via Zoom and then decide if you would like to

submit your name to the BRWA Nominating Committee for consideration.

The Board has monthly meetings, hosts periodic community events, and is engaged with other partners like the newly

formed Blackstone River Collaborative under the leadership of Stefanie Covino. We are active and engaged in water quality and cold-water stream temperature monitoring within the watershed, organize fishing and litter cleanup events, and offer an education program about watersheds, the environment, as well fish and wildlife habitat.

With your help there is much more we could do to improve the health of

the Blackstone River and watershed moving us closer to BRWA's vision of vibrant, healthy, free-flowing waterways in the Blackstone Valley, treasured by all.

If interested in learning more about the BRWA Board of Directors, please contact BRWA President JoAnne Holahan at joanne.holahan@thebrwa.org.

## ValleyCAST welcomes a gathering of poets at Alternatives' Whitin Mill

WHITINSVILLE — An Evening of Poetry will be held on Saturday, Nov. 20 at the GB & Lexi Singh Performance Center at Alternatives' Whitin Mill, 60 Douglas Rd., Whitinsville. A celebration of poetic excellence, this event features readings from four regional poets and an open mic segment following inter-

mission. Scheduled from 7:00 – 9:00pm, the event is free and open to the public.

The poetry showcase will spotlight Candace Curran, Paul Richmond, Karen Warinsky, and Gerald Yelle, who will all read during the first hour. Curran has twice been named Western Massachusetts Poet's

Seat laureate, while Richmond was honored as Massachusetts Beat Poet Laureate (2017-2019) and National Beat Poet Laureate (2017-2019). Warinsky has been a finalist in the Montreal International Poetry Contest. Her debut collection, "Gold in Autumn," was released last summer. Yelle's publications

include "The Holyoke Diaries" and "No Place I Would Rather Be." He is a member of the Florence, Massachusetts Poets Society.

Following intermission, community poets from the audience will be able to participate in an open mic segment, with five minutes allotted to each poet. Participants

will be able to sign up to read at the start of the event.

This event is being hosted by ValleyCAST, the arts and culture arm of Open Sky Community Services. Following Open Sky's COVID safety protocol, all attendees are required to wear a mask regardless of vaccination status.

For further information about this program or to learn more about participating, email Karen Warinsky: karen.warinsky@gmail.com. To learn more about ValleyCAST and/or Open Sky Community Services, visit openskycs.org.
