Bridgewater residents launch free library

BRIDGEWATER

— Calling all readers and all would be readers on the Lake side of Bridgewater New Hampshire! Nancy and Kristin Hand have established a Free Access Library in the entry area of the Town Office building on Route 3A/Mayhew Turnpike. This space is usually accessible even when the rest of the building is closed.

Nancy says, "I wanted to do something to share my love of reading with the community. As members of the local Pemigewasset Valley Chapter DAR (Daughters of the American Revolution), we are promoting Literacy this year. These two objectives came together nicely in creating a local spot where you can borrow a book or two, for as long as you'd like. By encouraging accessibility to books, we hope others can find the joy in learning about other people, other places and even other times. Reading has opened many doors for me that would have otherwise remained closed."

Kristin adds, "I always think its nice to have a goal to head for when out walking or riding a bike. This might be a nice quick stop for both kids and adults to add to your route."

The plan is to keep the Free Access Library stocked with books for all ages. Feel free to trade or help restock the shelves with clean, unmarked books for others to enjoy.

Owl's Nest Resort expands entertainment offerings with line dancing

THORNTON – Owl's Nest Resort, located on the Campton/Thornton town line, is pleased to announce that besides Three-Star lodging, New Hampshire's only Nicklaus Design golf course, racquet sports and other outdoor recreation, they will now be adding a new form of entertainment in their Panorama Six82 restaurant each Tuesday night — line dancing.

This past winter, line dance instructor Charlene Dellascio of Groton began leading line dance sessions at Tenney Mountain's Back Country Bar and Grill each Wednesday. Now she will be spreading her love for the dance-style to Owl's Nest Resort on Tuesday evenings from 6:30 until 8:30 p.m. each week.

Joining her will be her some of her loyal dancers, nicknamed the "Tribe," who love experiencing the exercise, fun and camaraderie and Dellascio is excited to meet others who also want to get in on this easy to learn form of dance.

"This is something new to us but it sounds great. We're looking forward to it," said Mike MacDonald, Food and Beverage manager for the resort.

For those who have seen line dances such as "Achy, Breaky Heart," "Electric Slide" and other popular wedding dances performed but have never taken part, fear not. New comers of all ages are not just welcome, but cordially invited to come see what it is all about.

Participants will find Dellascio up front going over all the steps to each dance. Best of all, if anyone feels a bit lost on the moves, there is always her group of regulars who are ready and willing to help them catch on.

"After they got nicknamed the 'Tribe' they began wearing cowboys hats so if anyone 'gets lost' with the steps they can just follow along behind one of them," she said.

Her playlist is not just country music though; it's filled full of songs with a lively tempo, which are suited for the easy line dance steps she has choreographed. Among them are Hip Hop tunes, Rock, and Disco tunes, and even the theme from the movie "Ghostbusters."

Adding to the summer entertainment at Panorama Six82 will be live music on the patio each Wednesday evening where diners can enjoy not only the fresh country air but the beautiful view. And there's no better way is there to enjoy all this fun than with a great meal.

"We just put our new menu up on our Web site (www.owlstnresort.com) where people can look it over before they come," said Food and Beverage Manager Mike MacDonald.

That menu is filled with amazing appetizers and salads, along with burgers, sandwiches and more under their "Handheld" meal selections. Entrees include NY Strip Steak or a tender Ribeye steak, stuffed bone-in pork chops, Monterey Chicken and a Creamy Vegetable Pasta. Panorama Six82 also offer Fish and Chips, Spicy Crab Butter Swordfish,

Grilled BBQ Salmon, Sesame Seared Tuna and an exotic Caribbean Spiced Mahi Mahi dish. A Kids Menu is available and their tempting desserts will round out any great meal.

The restaurant is open daily from 11 a.m. until 9 p.m., allowing plenty of time for a few drinks and appetizers, or even a full meal before the line dancing begins on Tuesdays.

"I'm really excited about this opportunity to bring line dancing to the Owl's Nest Resort and look forward to seeing a lot of new people joining us there," said Dellascio.

Line dancing takes place from 6:30-8:30 p.m. and there is a modest \$10 cover charge.

Owl's Nest Resort is located at 40 Clubhouse Lane on the Campton/Thornton town line, just 15 minutes from downtown Plymouth.

Heartfelt Quilters Guild welcomes guest speaker Carla Klop

RUMNEY — At our April Guild Meeting Carla presented her program, "From Quilter to Designer" via Zoom. Guild members were inspired by Carla's shortcut sheets method of constructing quilt blocks. Her presentation was clear and spoke to all skill levels of the quilters in our guild. Her presentation was a series of "aha" moments! Her "out of the box" unique method of making half square triangles, flying geese and other blocks in five sizes in a more efficient way amazed members. We had many members who were excited to try the new techniques and also ordered binders showing these techniques.

Guild members continued their charitable contributions by making and donating 22 quilts which were delivered the end of April by Kate Lowe and Susan Cheney to the Newborn Intensive Care Unit (NICU) at Dartmouth Hitchcock in Lebanon, New Hampshire. They make the trip every few months and deliver anywhere from nine to more than 15 quilts each trip. Members are very generous with their fabrics and their time in making

these quilts and the nurses in the NICU love seeing all of the quilts that are donated and truly appreciate them.

Our May program scheduled for Thursday, May 9 at 5:30 p.m. will feature New Hampshire local, Tracy Szantos in person. Her program is titled, "Three of My Favorite Things." Szantos will be teaching a class the next day, Friday May 10 on "Coloring Fabric with Ink-tense Pencils." This class will be held at North Country Quilters shop in Rumney.

For June, Guild members are asked to bring their favorite quilting tool to share and talk about why this tool is important to them.

Some fun things:

Heartfelt Quilters Guild members have been participating in a "Color Wash" block exchange. Check out Terry Rowland Color Wash video on You Tube. We are in month number five of the exchange. Each month a different color is assigned and each member participating makes 30 inch squares using this color. Members than bring them to

the next meeting for the exchange. This will be going on until October and after that members will decide how they want to put their Color Wash quilt together. It should be a lot of fun to see everyone's completed quilt.

Another thing the Guild is participating in is two challenges. The first one is the UFO (unfinished objects) challenge. Guild members created a list of all their unfinished projects and as projects are completed they are checked off the list and their name is put in for a drawing at the end of the challenge. The second challenge is called "Anything Musical". Members will create a quilt/wall hanging based on a their favorite song, band or musical. Both challenges will be judged at the January 2025 guild meeting.

Come join us for some education and some fun.

Heartfelt Quilters Guild meets on the second Thursday of each month at 5:30 p.m. at the Rumney Baptist Church in Rumney.

We look forward to seeing you.

CADY Corner

A Climb Above Addiction thank you!

BY TOM RISHWORTH
CADY Marketing Specialist

On Saturday, May 4, Dr. Bonnie Bechard and students from Plymouth State University's Event Planning and Marketing class hosted the Seventh Annual Climb Above Addiction event, a fun-filled community gathering on the Plymouth Town Common. This event's purpose is to help raise awareness for Substance Misuse Prevention, Treatment and Recovery, and support CADY's Restorative Justice Program, an accredited juvenile diversion program. A large gathering of local community members, families, students, and the PSU Campus Community gathered for field day activities, including Music, Corn Hole, Face Painting, Arts & Crafts, Pet Therapy with PSU Professor Dr. Clarissa Palmer, hot dogs and fun snacks like Cotton Candy, Ice Cream, Snow Cones, cake, and cupcakes, all generous contributions provided by local businesses. The day was a huge success, and there was something for everyone to participate in - even the numerous four-legged friends were seen playing with one another and enjoying the day. People from all walks of life were able to come together, connect, eat and enjoy themselves while celebrating CADY's mission of preventing and reducing substance misuse and promoting healthy environments and promising futures.

The day began with opening remarks from Deb Naro, CADY Executive Director, and Dr. Donald Birx, PSU President, followed by a delightful performance from the Fiddlehead Field Youth Orchestra, a local after-school music program for youth ages four to 17. In addition, DJ Zak Tinnin, PSU Alumni Class of 2023, provided music throughout the day to keep attendees energized, and Keynote Speaker Dr. Andrew Seefeld, Medical Director for the Speare Memorial Hospital Emergency Department, delivered a powerful talk on Emotional Sobriety.

Plymouth Police Chief Alex Hutchins, University Police Sergeant Amanda Hutchins, CADY Director of Programs Liz Brochu and many other brave and playful members of the PSU Campus Community volunteered to take a pie to the face. "Pies for Prevention" was a highlight of the Climb Above Addiction event, where attendees placed bids for a chance to "pie" their favorite professors, coaches, and community and student leaders. Other fundraising activities included the "Pluck-A-Duck Raffle," where attendees purchased rubber ducks to be placed in a pool and randomly selected for a chance to win raffle prizes; a Silent Auction with items ranging from gift certificates from local businesses to priceless collectible items; as well as a Pet Photo Contest where attendees submitted their cutest pet photos for a chance to win prizes.

CADY is very grateful to all event sponsors as well as local businesses and individuals for their contributions. A full list of sponsors can be seen at climbaboveaddiction.com. We would also like to recognize Dr. Bechard and the PSU Event Planning and Marketing students for their tireless work in coordinating this community-wide event to support CADY as well as a scholarship for PSU students to help overcome personal challenges. All the students' hard work and planning produced an amazing day for everyone to enjoy while raising awareness for an important cause. We are so thankful and honored to have had the opportunity to work alongside PSU. Thank you—together, we are providing vital opportunities that build growth, support resilience, and create bright futures for our youth and young adults!

Four excellent candidates for NHEC Board of Directors

To the Editor:

I am writing to express my strong support for a slate of four exceptional candidates for the upcoming election of Directors at the New Hampshire Electric Cooperative (NHEC). As members of this vital cooperative, it is imperative that we elect leaders who embody the values of reliability, affordability, and forward-thinking vision that define NHEC's mission.

Pat Barbour, Brian Norton, Paul Bolduc, and Peter Laufenberg each bring a unique set of qualifications and experiences that make them invaluable additions to the NHEC board. All four candidates were nominated by the NHEC nominating committee which recommends the candidates for the NHEC Board of Directors

Pat Barbour's extensive background as a practicing CPA, business owner, and board member makes her an ideal candidate to guide NHEC's financial stewardship. If elected she is committed to fighting for lower rates in electricity and broadband, alongside her focus to ensure continued investment in network infrastructure and talented employees, ensures that NHEC will remain a leader in providing reliable and affordable services to its members.

Paul Bolduc's active participation within NHEC, including his role on the Nominating Committee and his extensive professional experience, uniquely qualify him to contribute to the cooperative's strategic direction. His advocacy for broadband expansion, fair rates, and infrastructure fortification underscores his commitment to enhancing the value NHEC delivers to its members while recognizing the importance of employee support and recognition.

Brian Norton's perspective as both a residential and commercial member of NHEC gives him

a deep understanding of the diverse needs of our cooperative's stakeholders. His plan to ensure that an emphasis on strategic investments to sustain affordable and reliable services, coupled with his advocacy for supporting NHEC's dedicated employees, demonstrates his dedication to ensuring that NHEC remains responsive and resilient in the face of evolving challenges.

Peter Laufenberg's breadth of experience in community involvement, non-profit leadership, and municipal governance positions him as a candidate with a deep understanding of the interconnectedness between NHEC and the communities it serves. His priorities, including seeking the lowest possible electric rates, investing in robust infrastructure and skilled personnel, and expanding broadband accessibility, align closely with NHEC's mission of providing indispensable services to our communities.

In supporting Barbour, Norton, Bolduc, and Laufenberg for the NHEC board, you are voting for individuals that will make good on the promise of furthering NHEC organizational mission: Affordable electric and broadband rates, investment in infrastructure and employees that carry out the mission every day. We are not just electing individuals; we are affirming our commitment to a cooperative that anticipates and meets the needs of its members with integrity and foresight. They see the

I urge all NHEC members to cast their votes in favor of these outstanding candidates to ensure a brighter, more reliable, and affordable future for our cooperative and the communities we serve.

Respectfully,
Peter A Laufenberg

Should life be all work and no play?

Life seems busier than ever, and it's not slowing down. Despite technological advances, our workload doesn't seem to lighten. Business owners might find AI tools helpful, yet often, they handle these tasks themselves instead of hiring additional help. With rising inflation and economic pressures, what was a full-time job for one person has now become just an hour's task a day for many CEOs. As technology simplifies processes, the burden of multiple tasks increasingly falls on just a few

shoulders.

placed on many of us often surpass what one person can manage. I might even need a Teslabot to handle my household chores—come on, Elon, I'm drowning in responsibilities here!

What happens when a loved one falls ill? Suddenly, you're forced to reprioritize to take care of them. If it's a severe illness, the time it demands can feel overwhelming. In such situations, lowering your expectations about what you can accomplish becomes necessary.

But should life be all work and no play? The concept of work-life balance is frequently discussed, and for many years, for me it was non-existent. My life was like a seesaw stuck to the ground, burdened by an overload of work without any relief. Is this truly fulfilling? I guess it depends on what you find fulfilling.

A friend of mine used to watch me exhaust myself and would eventually ask, "Why? What's the point?" To me, the sense of accomplishment was all the fulfillment I needed.

There was a time after my acting career when I didn't need to work and wasn't worried about finances, but I found that period somewhat empty.

But I digress. Let's ask the question again. Should life be all work and no play?

This reminds me of an old U2 T-shirt. It read, "Smell the flowers while you can." Once, as I was walking by, an older gentleman shouted, "Ain't that the truth!" while pointing at my shirt.

"While you can..." The implications of that phrase are vast. What does it mean? Will the flowers vanish one day? Will we no longer be around to enjoy their scent? At this point, nothing would surprise me.

Last week was another hiccup for me, my apology. Had an appointment with my wonderful orthopedic doctor on Monday. A shot in the knee for the time being, and will proceed with the what's next once all things ticker gets sorted out. Ayuh, tests of poking and prodding, things that make me glow or something and finally deciding what's best to do.

The Pasquaney Garden Club seeks to be a contributing partner in the beautification of many areas in our community. This includes the planting and summer maintenance of some

town planters and several small garden areas such as the Bristol Town Line signs, the beach signs and similar small gardens. It's that time of year when you are ready to tackle those Spring projects. Please make sure you contact the Town's Land Use Department first to determine if a permit is required. It is important you take care of this before it begins. Waiting until after it is done may be costly!

Christian Science Society, Plymouth

We love to have visitors at our Sunday services, which we hold each week at 10:00 in our Emerson Street building. This week's Bible lesson begins with this verse from Psalms: "I have called upon thee, for thou wilt hear me, O God..." Christian Science churches in more than sixty countries around the world will be reading this lesson next Sunday.

Children and teens are invited to visit our Sunday School which is held at the same time as this service. Students learn how the truths and lessons in the Bible can help them learn to pray for themselves, their community and the world.

Our Wednesday meetings which are held at 6 p.m. each week include short readings from the Bible and from the Christian Science textbook with thoughts to

help meet personal and world needs. Then there is time for sharing with one another gratitude for healing experiences in our lives, as well as thoughts and insights from our spiritual study and prayer. Everyone is welcome.

Please visit our Web site at www.cs-plymouth-nh.org if you would like to join in our services by Zoom.

The Reading Room in our church building is open Monday noon to 2 p.m. You're welcome to come in to browse, borrow books and resources which include Bible reference materials and many other books and publications. There are free magazines which you are welcome to take as well.

At jsh-online.com there are new articles each week, many with audio. There's a whole section of articles and ideas especially for teens and the challenges they are facing. This week's Sentinel magazine has a helpful article, "Choosing where our thoughts dwell."

OBITUARIES

Joyce Darlene Drew

Bridgewater, NH- Joyce Darlene (Asher) Drew left her earthly life on Saturday, March, 23rd to enter her glorious heavenly home. Joyce was born to John and Grace Asher on September 29, 1952 at the U.S. Naval Hospital in Great Lakes, Illinois where her father was stationed in the U.S. Army. She grew up in Woodbury, NJ, also spending several years in Germany, while her father was stationed there.

She graduated from Woodbury High School and went on to earn a nursing degree through Presbyterian / University of Pennsylvania School of Nursing. It was during these years that she met Christopher Drew, who was a student at then Eastern Baptist Theological Seminary (now Palmer Seminary) in Philadelphia and was a student intern / associate pastor at Central Baptist Church in Woodbury, NJ. They were married on August 23, 1975 at Central Baptist. They would have celebrated their 49th anniversary this year.

Having been an "army brat" she was quite amiable to living and working in various places. They first lived in Pittsfield, NH where Chris served the Park Street

Baptist Church and the Loudon Center Baptist Church. Joyce became a nurse in pediatrics at Concord Hospital, a position she loved. She then moved to work at Epsom Manor for a time. When Chris was called to South Baptist Church in New Bedford, MA, Joyce took a hiatus from nursing to be at home with their two daughters, Tosia and Erin. When she did return to work it was as an administrative assistant at the Children's Museum in South Dartmouth, MA and the Pastoral Care and Counseling Center for the Inter-Church Council of Greater New Bedford.

When Joyce and Chris moved to North Adams, MA, she took a position as administrative assistant at the United Methodist Church which was across the street from First Baptist Church to which Chris had been called. They went to work together

each morning but "went to their separate corners" as they used to say.

Joyce nearly always had some kind of stitching in her hands. Cross-stitch was her passion and she earned several first-place ribbons at the Terryville Country Fair, in Terryville, CT where they lived for many years. When cross-stitch became difficult to see, crocheting and knitting filled her time.

Joyce is survived by her husband Rev. Dr. Christopher Drew of Bridgewater, NH, daughters, Tosia Hodge (David) and grandchildren, Izabella and Olyvar also of Bridgewater, NH; Erin Drew and companion, David Ward of Bristol, CT. Also surviving are a sister, Jacky Leeds (Steve) of Estelle Manor, NJ and John Asher, Jr (Joyce) of Columbia, SC as well as 2 nephews. She was predeceased by her parents and a sister, Judy.

A Celebration of Life will take place on Saturday, May 18, 2024 at 12 Noon. Friends may call from 11 to Noon, prior to the service, at the Holderness Community Church in Holderness, NH. For more information go to: Dupuisfuneral-home.com.

Tuesday, May 14, 5 p.m. — Common Man for Ukraine presentation

Please join the Common Man for Ukraine's co-founders as they describe how they turned small-town New Hampshire heart into global impact, refusing to stand idly by after the February 2022 invasion.

Without a clear path to help Ukraine's children, the four volunteers reached out and built one.

Inspired by the Plymouth Rotary Foundation's

commitment to Service Above Self, the all-volunteer team efficiently and effectively partners with fellow Rotarians on the ground to deliver impactful relief programs for Ukraine's most vulnerable children.

Thursday May 30, 5 p.m. — Visualizing the Wisdom in Ukrainian Folk Tales

Marie Zack Nolan, local artist and museum teacher, has mined folk literature from her ancestral heritage, namely Ukrainian and Polish, to learn how ancient moral lessons remain relevant today. She will share some folktales and describe how she translated these stories into 2D visual depictions as woodcuts and display some of the resulting prints. Ukraine's folk literature can be viewed from the lenses of ancient pagan symbols, Christian themes and characters, and modern political forces, to exemplify the values of honesty, generosity and kindness. She will share how folk tales can help make

sense of the world today and how evil in its many forms can be defeated and heroes can succeed through determination and the help of others.

Every Monday at 10:30 a.m., please join us for our Family Storytime. Join the fun and enjoy some time with other children and their parents/caregivers. Crafts, yoga and playtime jkel-so@rumneylibrary.org.

We'll see you at the library!

New puzzle in the Plymouth Historical Society series marks anniversary celebrations!

PLYMOUTH — 2024 marks 50 years since the founding of the Plymouth Historical Society in 1974 and 250 years since the opening of what is now known as The Old Webster Courthouse (OWC) in 1774. We will be celebrating these anniversaries with a Grand Opening event on May 18, and with the release of a new puzzle in our PHS series. Watch our website (www.plymouthnhhistory.org), Facebook page, and local papers for details. Visit us at the Plym-

outh Historical Museum, 1 Court St. in Plymouth every Saturday through November from 10 a.m. to 1 p.m.

The Plymouth Historical Society, working with Pease Public Library, and New Hampshire Humanities will host a series of talks in Plymouth running through November 2024.

The new 300-piece (11 by 17 inches) puzzle features the Old Webster Courthouse then (ca. 1820) and now and is offered for \$19.95. The OWC is the second oldest courthouse build-

ing in New England still in use. It has been in service to the Plymouth community for 250 years. It has served as a courthouse (1774-1823), a school, a paint shop, a wheelwright shop, the town library (1878-1991), and now, through the generosity of the Young Ladies Library Association, the Plymouth Historical Museum.

Earlier puzzles in the PHS series remain available at \$16.95. (Pemigewasset House Hotel II, Smith Millenium Bridge, Town Common ca. 1950,

Main Street c. 1980s, Pemigewasset Stage Coach (children, 54 pieces, 5 X7, \$10.95)

We hope to see you at the Grand Opening on May 18 and at the Museum throughout the year. Come by and share your memories of Plymouth. Please consider becoming a Plymouth Historical Society member (see the Web site) or supporting PHS with your donation. We are all brought together by our shared connections to the Plymouth community.

The weight of "while you can" hit home a couple days ago when a dear friend of mine passed away unexpectedly. It's a stark reminder. We never truly know the future.

Finding balance is essential. It doesn't have to be just vegging out on the couch watching reality TV although occasionally that's what is needed. Ultimately, it's going to look different for each of us. It's a personal journey to discover what that balance means.

Reflecting on a quote by Jim Rohn, whom I often cite and had the fortune to meet as a boy, might offer some guidance.

He said, "Something my parents taught me, that

they practiced all their life, and now I practice. Don't miss anything. Don't miss the game, don't miss the concert, don't miss the performance, don't miss the show. Don't miss the conversation, don't miss the sermon, don't miss the class...don't miss anything. Go look, see, learn, try, taste. Let that flavor of life be part of your lifestyle."

Why pursue balance? It's about personal enrichment and development, about becoming a person of value. True, thriving in our workplace demands education, hard work, determination, and dedication. But what about beyond the office?

Consider the value added to your life when you're not only accomplished at work but also knowledge-

able in the arts, skilled in playing chess, experienced in gardening, or have read the greatest book upon that which western civilization was founded upon. You've set down the path of enriching your whole self, making you a more rounded and insightful individual, and what is that truly worth?

Can we quantify it? No, but consider this: being a cultured individual stimulates fresh thoughts, inspires new actions, and fosters new ways of being and can help you get out of a rut. This not only adds layers of value to your personality, but also introduces a much-needed balance. What's it worth? I'd say it's priceless.

Bobcat net boys knock off defending champions to finish strong week

BY JOSHUA SPAULDING

Sports Editor

PLYMOUTH — The Plymouth boys' tennis team finished out a busy week by knocking off the defending champions in a rematch of last year's Division III title tilt.

"It was a great display of tennis for two outstanding teams," said coach Tony DiNardo of his team's 6-3 win over Kearsarge. "To play a match of that caliber, not every high school tennis player gets to do that and they will all be better because of it."

Leo Ebner came up with an 8-2 win in the top spot in the lineup, with Chance Twomey dropping an 8-4 decision in the second spot in match that featured a bunch of great shots by both players. Charlie Cushing continued his steady, consistent play and won 8-2 at number three, Jack Swanson dropped an 8-2 decision in the fourth spot, Grady Marunowski won 8-0 at number five and Max Levin won 9-7 in the sixth spot, clawing his way back from an early deficit to pick up a key win for the Bobcats.

In doubles play, Twomey and Ebner got the 8-3 win at number one and Cushing and Swanson won 9-7 at number two. Levin and Marunowski dropped an 8-1 decision in the third and final doubles spot.

The Bobcats started the week with a match against White Mountains, picking up an 8-1 win. Ebner dropped an 8-2 decision at number one against Rob Southworth, one of the better players the Bobcats see during the season.

"Leo had a very good week, this loss included," DiNardo said. "He and Chance show a passion to improve and they are a great example for the other kids."

Twomey won 8-0 at number two, Cushing got a win by the same score in the third spot and Swanson also won 8-0 in the fourth spot. Marunowski won 8-1 at number five and Levin got the 8-1 win in the sixth spot.

Ebner and Twomey won 8-3 at number one doubles, Cushing and Swanson won 8-2 in the second spot and Marunowski and Brennan Johnson got an 8-2 win at number three to close out the 8-1 win.

The Bobcats played a shorthanded Littleton team the next day and picked up a 9-0 win over the Crusaders.

Ebner won 8-1 at number one, Swanson moved up to number two and won 8-1 and Marunowski moved into the third spot and got an 8-0 win. Levin played at number four and won 8-1 and Declan Ulricson got an 8-0 win in the fifth singles spot.

Ebner and Marunowski played at number one doubles and won 8-1 and brothers Brennan and Connor Johnson played at number two doubles and won 8-3. Plymouth got the default wins at number six singles and number three doubles.

The Monadnock Huskies also came into their match with the Bobcats with just five players and Plymouth got the 9-0 win.

Ebner got an 8-0 win in the top spot against a kid who beat him in a tiebreaker last season, with DiNardo noting it was as solid as a singles match that he's seen him play. Twomey at number two, Cushing at number three, Swanson at number four and Marunowski at number four all won by 8-0 scores.

Ebner and Twomey won 8-1 at number one doubles and Levin and Ulricson won 8-0 in the second spot, with Plymouth again getting default wins in

the sixth singles and third doubles matches.

The Bobcats are slated to be in action at home against Inter-Lakes on Friday, May 10, will be at Profile on Monday, May 13, and at Kennett on Wednes-

day, May 15, all with 4 p.m. starts.

Plymouth tennis girls win three of four

BY JOSHUA SPAULDING

Sports Editor

PLYMOUTH — With the early-season rain, the Plymouth girls' tennis team was faced with a busy week coming out of vacation, but Mother Nature again made things complicated, forcing another postponement as the Bobcats won three of the four matches that were played on the week.

"Despite the lack of practice time due to so many makeup matches, the girls are continuing to show more improvement in their play as the season progresses," said coach Diane DiNardo. "And it doesn't slow down now."

The week began with a match with Gilford on Monday, April 29, and the Golden Eagles left town with a 5-4 win over the Bobcats. Emma Smith started things off with a steady win at number one by an 8-6 score and Lela Bakhshi played at number two and fell 8-1 and Arianne Lee rallied from behind to take an 8-6 win in the third spot. Abey Gordon fell 8-4 at number four and Katie Park, in her first varsity singles match, lost by an 8-5 score in the fifth spot. Kate Ricotta came through with an 8-1 win at number six.

Smith and Bakhshi fell 8-1 at number one and Park and Izzy

Son won 8-5 at number three, leaving the fate of the match in the hands of the number two team of Gordon and Lee. The duo rallied from a 7-2 deficit to cut the lead to 7-5 but eventually dropped an 8-5 decision. Claire Miller and Hailey Guilbert both won exhibition matches for the Bobcats.

The Bobcats headed north to Bethlehem on Tuesday and picked up a 5-4 win over Profile. Smith won 8-6 and Bakhshi got the 8-4 win. Lee fought back but came up a bit short, falling 9-7 and Gordon got an 8-6 win in the fourth spot in a well-played match. Kerry Tole went to a tiebreaker in the fifth spot, eventually falling 9-8 (9-7 in the tiebreaker).

In doubles play, Smith and Bakhshi lost 8-6 at number one and Park and Son fell in the tiebreaker, 9-8 (8-6 in the tiebreaker). The Bobcats got a pair of default wins as the Patriots had just five players.

The Bobcats journeyed to Moultonborough on Wednesday and picked up an 8-1 win over the Panthers. Smith won 8-2, Bakhshi won 8-3, Lee won 8-5, Gordon got the 8-6 win, Tole won 8-0 and Ricotta finished things off with an 8-3 win.

Smith and Bakhshi played into

a tiebreaker at number one, falling 9-8 (7-3 in the tiebreaker), Lee and Gordon got a 9-7 win at number two and Son and Tole won 8-4 in the third spot.

After another match with Profile scheduled for Thursday was postponed until May 14, the Bobcats finished out the week with a Saturday road trip to Kearsarge.

Smith dropped an 8-4 decision at number one, Bakhshi, playing with a lot of confidence, came through with an 8-4 win, Lee and Gordon both won by 8-1 scores, Tole dropped an 8-4 decision and Ricotta won 8-3.

Smith and Bakhshi played another good match, with long points and long games, but dropped an 8-5 decision in the top doubles spot. Lee and Gordon, who continue to play well together, got an 8-1 win in the second spot and Tole and Son finished the day with an 8-4 win with great net play.

The Bobcats will be at home against Littleton on Saturday, May 11, at 1 p.m., will be hosting Moultonborough on Monday, May 13, and Kennett on Wednesday, May 15, both at 4 p.m.

Flaherty's pitching, strong defense lift Bobcats over Raiders

BY JOSHUA SPAULDING

Sports Editor

PLYMOUTH — Behind a dominant performance on the hill from Johnny Flaherty, the Plymouth baseball team bounced back from a loss to Kennett earlier in the week with an extra-inning win over Lebanon on Wednesday, May 1.

"Johnny was dynamic on the mound and the team played exceptional defense behind him," said coach Chris Sanborn.

Lebanon got on the board first, scoring a run in the top of the third inning before the Bobcats came back to tie it at one in the bottom of the sixth inning and when neither team scored in the seventh, they went to the eighth.

Noah Shaw led off the winning rally with a base hit and took second on a passed ball. Luke Diamond was intentionally walked and Tyler Dekutoski singled to load the bases with

nobody out, bringing the Lebanon defense in. Jaxon Rineer promptly smoked a shot toward third base that was too hot for the Raider player to handle played in on the grass and Shaw scampered home with the game-winning run.

Flaherty went all eight innings, giving up just one run on five hits and striking out six.

Offensively, Dekutoski had two hits, Owen Cahoon had two hits and drove in a run, Thomas

Daigneault had a double, Rineer had a hit and drove in a run and Shaw and Diamond each had a hit and scored a run.

Plymouth is scheduled to be in action on Friday, May 10, at home against Pembroke at 4 p.m. and at Hanover on Monday, May 13, at 4:30 p.m.

Errors haunt Newfound baseball in Tilton

BY JOSHUA SPAULDING
Sports Editor

TILTON — The Winnisquam baseball team has struggled to get the offense going in the early portion of the season. The Newfound Bears helped them out a little on Monday, April 29, as the two teams returned from vacation week with a battle in Tilton.

Winnisquam scored six times in the second inning, taking advantage of eight Newfound errors on the day and cruised to an 11-1 win.

Alex Nichols toed the rubber for the hosts and set the side down in order in the top of the first while his Newfound counterpart, Landon Sargent, had a bit tougher time, but still didn't allow a run in the bottom of the inning. Ethan Carter reached on an error and Zach St. Onge followed with a base hit. Nichols grounded to third to force Carter and Nik Puffinburger had a sacrifice groundout before Sargent got a strike-

out to end the inning. Calvin Colby worked a two-out walk in the top of the second, but Nichols promptly picked him off first to end the inning.

Dio Katsigiannis led off the bottom of the second by reaching on an error and Ben Wood also reached on an error. Justin Tardif reached on an error to drive home the game's first run and Mike DeFosse put down a bunt, with Sargent making a nice play to cut down the lead runner at third. A base hit from Carter drove in another run and after St. Onge reached on an error and a line drive to center, Puffinburger reached on an error to push the lead to 3-0. A wild pitch added another run and after John Shea walked, Katsigiannis reached on an error to make it 5-0 and a wild pitch pushed the lead to 6-0. Wood worked a walk and a Tardif infield hit pushed the lead to 7-0 before Sargent got a fly ball to center to end the inning.

Cody Laflamme led off the top of the third inning with a base hit and came around to score on a double by Gavin Royea to get the visitors on the board. One out later, Jenkins singled to keep the inning alive before Nichols got a fly ball to center and a groundout to third to end the inning.

Nate Arnold took over on the mound for Newfound in the bottom of the inning and Carter reached on an error to start the frame. Jenkins was able to gun him down stealing second before St. Onge reached on an error and Nichols was hit by a pitch. Puffinburger reached on an error to push across another run and a Shea groundout scored another run for Winnisquam. Katsigiannis walked and Wood was hit by a pitch to load the bases before a fly-out to center ended the inning.

With two outs in the bottom of the fourth, St. Onge worked a walk and Nichols singled. A Puffinburger walk

loaded the bases and a walk to Shea plated the 10th run for the hosts.

After Nichols set the side down in order in the top of the fifth, back-to-back singles by Wood and Tardif started the top of the frame for Winnisquam. DeFosse worked a walk and a Carter base hit pushed across the final run of the game for the 11-1 win.

Newfound is scheduled to be in action on Friday, May 10, at Prospect Mountain, and at Stevens on Monday, May 13, both with 4 p.m. scheduled starts.

Winnisquam is slated to be at home against defending champion White Mountains on Friday, May 10, at home against Conant on Monday, May 13, and at Campbell on Wednesday, May 15, all with 4 p.m. scheduled starts.

JOSHUA SPAULDING

Addison Bernier of Winnisquam takes a lead behind Madison Bush of Newfound in action last Monday.

JOSHUA SPAULDING

Adeline Dolloff comes up throwing in action at Winnisquam last week.

Bats come to life as softball Bears double up Winnisquam

BY JOSHUA SPAULDING
Sports Editor

TILTON — Both teams found ways to put runs on the board, but in the end the Newfound Bears were able to put up twice as many as their hosts from Winnisquam and walked away with a 14-7 win on Monday, April 29, as both teams returned to action after the vacation week.

Winnisquam pitcher Danica Weymouth and Newfound hurler Sarah Buchanan both pitched scoreless first innings before the visiting Bears got on the board in the bottom of the second inning. Jayden Gilpatric led off with a walk and one out later Buchanan had a base hit and Bailey Dow doubled,

giving Newfound the 2-0 lead.

Both pitchers had clean third innings, with Buchanan striking out the side and Weymouth striking out two, but Newfound came up with six runs in the top of the fourth to open the lead up. Buchanan doubled to start the inning and one out later, Cora Sanschagrín also doubled. Madison Bush and Evie Bastarache both worked walks and Katie Sweeney also reached. A double from Adeline Dolloff kept the inning going and she eventually came around to score and Newfound had the 8-0 lead.

Addison Bernier had a one-out hit for the hosts in the bottom

of the fourth inning, breaking up Buchanan's no-hitter, but the Newfound pitcher got a strikeout to end the inning. Buchanan then led off the top of the fifth with an infield hit and Casey Bush took over on the bases, coming around to score when Madison Bush reached on an error for the 9-0 lead.

Winnisquam got on the board in the bottom of the fifth inning. Ava Sargent reached on an error and Caidyn Carter put down a bunt to move her along but reached on an error. One out later, a base hit from Camilla Cote loaded the bases and a triple from Weymouth cleared the bases and cut the lead to 9-3. Mackenzie Bassett fol-

lowed with a triple of her own and the lead was cut to 9-4.

The visitors added to the lead in the top of the sixth, with Sweeney reaching on an infield hit to start the inning. Cote gunned her down stealing second before walks to Gilpatric, Arianna Plummer and Buchanan loaded the bases and a base hit from Dow pushed across two runs. Walks to Sanschagrín and Madison Bush plated another run before Sargent came in to pitch and got a ground-er to third to end the inning.

Winnisquam added three more runs in the bottom of the sixth inning. Lucy Prunier opened the inning with a walk and one

out later, Sargent had a base hit and Carter reached on an error on another bunt attempt to load the bases. Cote then doubled to plate all three runners, cutting the lead to 12-7 before Buchanan got a strikeout to end the inning.

Newfound did the final scoring in the top of the seventh inning. Sweeney reached on an error to start the inning and then scored when Dolloff followed with a base hit and Gilpatric reached on an error to drive her home for the 14-7 lead. Sargent was able to retire the next three batters in a row, including a nice play by Weymouth at shortstop.

Bernier had a one-out base hit in the bot-

tom of the seventh, but Buchanan settled in and got a pop up and a strikeout to close out the 14-7 win.

Newfound returns to action on Friday, May 10, at Prospect Mountain and at Berlin on Wednesday, May 15, both at 4 p.m.

Winnisquam is back in action on Friday, May 10, at home against White Mountains, then hosts Conant on Monday, May 13, and visits St. Thomas on Wednesday, May 15, all with 4 p.m. scheduled starts.
