PRHS defeats Bow High in "Granite State Challenge" quarterfinals

DURHAM —Bow High fell to Plymouth Regional High in the third quarterfinal game of "Granite State Challenge."

Bow High was represented by senior and captain Alessandra Sargent, along with seniors Emily Vincent, Theodore Barker, and Logan Fox. The team alternates were seniors Daniel Miranda and Becky Zheng. The team was coached by Michelle Hlavaz. Bow High enrolls around 650 students from Bow and Dunbarton. Bow defeated Mascoma High on their way to the quarterfinals.

Captain and senior Dash Ough, junior Khalil Dakhlia, senior Na-

talie Boyer, and senior Trevor Tobine played for Plymouth Regional High. The team alternates were senior Jason Vuong and sophomore Reagan Sutherland. The team was coached by Jay Fogarty and Troy Harris. Plymouth Regional High enrolls around 647 students from Plymouth, Ashland, Holderness, Campton, Rumney, Wentworth, Warren, Ellsworth, Waterville Valley, and Thornton. Plymouth Regional High defeated Salem High to secure their spot in the quarterfinals.

Round One

Both teams were stumped on the opening question about Nashua native and wrestler Paul Michael Levesque, also known as Triple H. Khalil put the first 10 points of the game on the board for Plymouth on a question about Elton John and later picked up another 20 points for his team on questions about Ukrainian president Volodymyr Zelenskyy and singer Etta James. Dash of Plymouth correctly calculated how much you would save by not having to pay a sales tax if you bought a \$600 computer in New Hampshire and not Massachusetts and Plymouth was

Profile last week.

PLYMOUTH — The Plymouth boys' tennis team swept three matches on the week, winning a pair of matches on the road and one on their home court.

The week started with a trip north to Lancaster to take on the White Mountains Regional Spartans on Monday, April 10.

Leo Ebner dropped an 8-2 decision at number one and Chance Twomey fell 9-7 in the second spot, but Charlie Cushing won 8-2 in the third spot and Jack Swanson got the 8-1 win. Spencer Inwood won 8-1 in the fifth spot and Max Levin got the win by the same score in the sixth spot in

the lineup.

Ebner and Twomey fell by an 8-3 score in the top doubles spot, but Cushing and Swanson won 8-0 in the second spot and Sami Lakkal and Brennan Johnson won 8-1 in the third spot as the Bobcats took the 6-3 win.

The Bobcats hosted Profile on Wednesday, April 12, and walked off the court with a 9-0 victory, though coach Tony DiNardo noted the match was closer than the final score indicated.

"The score wasn't really indicative of some of the matches," DiNardo said. "Some of the matches were really close, it was a good test for us."

Ebner picked up the 8-6 win at number one, Twomey won 8-4 in the second spot and Cushing got the 8-0 win in

Asquamchumaukee Regatta runs fifth season!

PLYMOUTH — The Mountain Village Charter School of Plymouth is getting ready for the fifth annual running of their popular canoe and kayak race. Last year we changed the name to the Asquamchumaukee Regatta to reflect the original Abenaki word for the river.

"The whole school community felt it was the right time to invoke the Abenaki name for what we call the 'Baker,'"explained Board Trustee David Goldstein. "The word means 'river flowing from high places' and we like the way it connects the paddlers to the river and the human history of the whole val-

ley in a positive way."

The spring regatta has become a fun, local tradition, and it is an important fundraiser for the school.

The 2023 Regatta is on Saturday, May 6s Registration for the race is online at or opens at 9 a.m. on race day at both starting lines. More information and preregistration is at https://www. mountainvillagecharterschool.org/asquamchumaukee-river-regatta. Registration is \$25 for adults and \$15 for children 12 and under. Registrants receive a T-shirt, commemorative glass, entry into raffles and more. All proceeds support the Mountain

Village Charter School.

The Regatta is a family-friendly paddling race that raises money for the Mountain Village Charter School. This year's race is the fifth time the school has held the event, and it has grown each year. Drawing paddlers from near and far, the regatta includes a short beginner course and longer expert difficulty course. The short course (4.5 miles) begins at Plymouth Sands Campground on the Quincy Road, and the long course travels nine miles from Riverbrook RV in Rumney. The crowd will cheer all ashore at Plymouth Riverfront Park that

serves as the finish line and awards venue for both courses. According to Race Director Jamie Hannon "the Asquamchumaukee/Baker River in this stretch is very novice-friendly. From low water to high, the only obstacles are some tight corners and low branches."

We offer competition classes for nearly any combination of paddlers in a canoe, kayak or other paddlecraft. Some of the most popular classes are Family, High School, Junior-Senior and Century. Many pad-

dlers come not for the speed but for the fun of the Best Costume and Most Trash Picked Up divisions. Regatta paddlers have pulled over a half-ton of trash from the Asquamchumaukee/Baker and Pemigewasset Rivers over the last four races.

The Mountain Village Charter School was established in 2014 as a tuition-free nature based public school open to all NH residents. Located in Plymouth, the school offers Montessori education in a nature-based curriculum to over 100

students for first through eighth grades. Goldstein, who is also a race volunteer, explained that charter schools in New Hampshire receive only 38 percent of the funding that traditional public schools receive, and are fully subsidized by the federal government through grants given to the State of New Hampshire. Fundraisers like the Asquamchumaukee Regatta are extremely important to the school's continued success in providing a nature based alternative education to the families in our state.

Panel discussion planned on Plymouth's progress on climate change

PLYMOUTH — On Wednesday, April 26, just four days after Earth Day, the Plymouth Area Democrats will host a panel discussion on the state of climate change in our area and the steps being taken to reverse the process.

The panel of local experts will bring us up to date on what's here and now, what's being done, and where we're headed. Do you know what the New Hampshire Electric Cooperative is doing to conserve energy and include renewables in their array of power sources? Do you know what the Plymouth Energy Commission is doing? What is the story with the solar array we voted on at the town meeting? What does the Office of Sustainability at PSU do, and are they coordinating with the town? And what is the state division of the Climate Change Lobby focused on? How can they contribute to Plymouth and the surrounding towns? What is happening in Concord that might affect our community?

Just last Friday, the news reported that New Hampshire is just rejected the \$3.6 billion Northeast Clean Hydrogen Hub Proposal, which was set up by all our neighboring states. Only four of the fifty states have rejected this — New Hampshire, Florida, South Dakota, and Idaho. Are we becoming an outlier when it comes to action on climate change and clean energy? Does this show that we are "open for business" when it comes to promising new technologies and economic opportunities?

We need to know where we stand and where we are going. This panel discussion on climate action and clean energy will give us an opportunity to hear from the most knowledgeable activists in our area and to ask questions.

The meeting will be held at the Plymouth Regional Senior Center at 8 Depot St., Plymouth. We will start promptly with a potluck supper at 5:30 p.m., followed at 6 p.m. by a brief business meeting and reports from our local representatives to the New Hampshire House. The panel discussion will start at 6:30 p.m. This is a non-partisan discussion, and all are welcome to attend.

Help clean up Holderness this Earth Day

HOLDERNESS
— Earth Day is Saturday, April 22. The Town of Holderness Conservation Commission is jumping in to clean up our roadsides and invites residents to join in the effort.

Blue garbage bags are available (for free) at both the Town Hall and our Transfer Station. Folks who clean up the garbage along roadsides can either bring the bags to the transfer station or

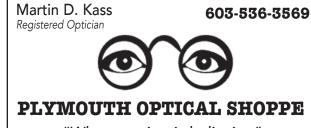

leave them (tied closed) along the main roads and our Public Works crew will pick the bags up on Monday. We are pleased to hear that a group of students from the Holderness School will be volunteering on Sunday to clean up the road section they adopted near Town Hall and downtown. Everyone is welcome to help out and clean up our environment now that the snow is gone!

Happy Spring, and Happy Earth Day!

Science Center welcomes new mountain lion cubs

HOLDERNESS — Squam Lakes Natural Science Center is pleased to announce the arrival of two new mountain lion cubs.

Two young male mountain lions arrived at the Science Center in mid-January after a flight from their previous location in the state of Washington. The cubs are now approximately six months old and were orphaned and surrendered to Washington Fish and Wildlife. Because mountain lion cubs stay with and rely on their mother for up to eighteen months, they could not be released back to the wild and Washington officials found suitable placements around the country for these and other orphaned cubs. The Science Center met the strict criteria required to house and care for these animals and after a quarantine period, the mountain lions were recently moved into their permanent exhibit on the live animal exhibit trail.

The previous mountain lions at the Science Center were a brother and sister from Montana who arrived as eight-week-old cubs in 2003. The Mountain Lion Exhibit was built specifically for their arrival. Both mountain lions lived long, healthy lives with the female passing away at 19 years old in November 2021 and the male passing away at 20 years old in November 2022.

Iain MacLeod, the Science Center's Executive Director, is excited to see them make their public de-

"Although it is unfortunate that these cats were orphaned, we are pleased to have the facilities to provide them with a safe and nurturing home for their lives. Our previous mountain lions were very popular and thrilled our visitors for two decades. A new generation of visitors can now see these cubs grow into magnificent big cats," MacLeod said.

The mountain lions and new black bear cub, who arrived in late November 2022, are exciting additions to the 2023 trail season. The Science Center looks forward to welcoming visitors back to the trails on Monday, May 1. See information and purchase tickets in advance at nhnature.

Mid-State Health Center announces oral health recycling program in Bristol

BY ANNA SWANSON

Mid-State Health Center

BRISTOL — Mid-State Health Center is excited to announce its partnership with TerraCycle, a leading company in the recycling industry to provide a recycling option for dental products. As part of its commitment to environmental sustainability, and in honor of Earth Day on April 22, Mid-State's Bristol location is now a designated drop-off location for oral health products.

Did you know?

One billion toothbrushes are thrown away every year in the US. That's enough to stretch around the Earth four times.

The average person uses 300 toothbrushes in their lifetime.

Toothbrushes not recyclable in mainstream recycling programs because they get stuck in the machinery.

50 million pounds of toothbrushes are added

to landfills in the US annually.

Protect your teeth and our planet! Patients and community members can bring in their oral health products, such as plastic toothbrushes, floss containers, toothpaste tubes, and any other oral health packaging to Mid-State's Bristol facility at 100 Robie Road. These items will be collected and sent to Terra-Cycle for recycling and upcycling.

"I am thrilled to partner with TerraCycle to offer our patients and members community a convenient way to recycle their oral health products. By taking small steps towards sustainability, we can make an enormous difference in the health of our planet," said Kelly Perry, DMD, Dental Director at Mid-State Health Center. "By participating in this program, we hope to reduce the amount of oral health product waste that ends up in landfills and oceans. We encourage everyone to join us in this effort to make our planet a healthier and more sustainable place to live."

How else can you help our planet?

Try alternative, biodegradable materials like bamboo toothbrushes and flossers. Bamboo grows quickly and is biodegradable, composting in 6 months. A plastic toothbrush will not breakdown for hundreds of years.

Look for companies that reduce or avoid plastic packaging. Aluminum, glass jars, cardboard and plant-based plastic alternatives are all available for oral health products.

Try to find sustainable options at local

Consider buying in bulk to reduce the packaging and shipping footprint.

Mid-State Health Center is committed to promoting a healthy lifestyle for its patients and the environment. Mid-State believes that slight changes can have a big impact and is proud to offer this opportunity to its community.

> **About Mid-State Health Center**

Mid-State Center delivers primary care and supportive services at locations in Bristol, Plymouth, and Lincoln, offering medical services, dental services, behavioral health imaging, counseling, recovery, and care management for the entire family. The mission of Mid-State Health Center is to provide sound primary health care to the community accessible to all regardless of the ability to pay.

Bobcat lax boys win first three games

BY JOSHUA SPAULDING

PLYMOUTH — The Plymouth boys' lacrosse team had a strong first week of the season, winning three games and improving as the first week went on. "We got better each time, which is what I am looking for," said coach

The week started with a 15-1 win over Stevens on Tuesday, with Brendan Marcoux finishing with seven goals, Nolan Galvin adding four goals and an assist, Caden Sanborn netting two goals and Cooper Legacy scoring his first varsity goal. Luke Legacy had five assists and Lincoln Manson and Parker Eastman each added an assist.

Robert Thorne finished with six saves in picking up his first win.

The next day, the Bobcats played their home opener against Bishop Brady and came through with a 12-3 win, with Mausolf noting it was a much less sloppy game than the previous day.

Luke Legacy had four goals and an assist, Sanborn had two goals and an assist, Manson had two goals, Galvin and Marcoux each had a goal and an assist, Cooper Legacy and Dylan Welch each had one goal and Mason Lessard added an assist.

Thorne got the win with 16 saves in the Bobcat net.

The Bobcats finished the week against the defending champions from Laconia and came up with an 8-6 win.

Thorne paced the Bobcats with 11 saves on the day, while Luke Legacy had three goals and an assist, Marcoux had five goals and Galvin added two

Mausolf praised the work of Logan Trusock and Ben Valenti on faceoffs, as they won 11 of 17 faceoffs between the two of them.

"That was really important on such a hot day, getting possession right off the faceoff," the Bobcat coach said.

He also praised the man-down unit of Jake Killian, Lessard, Matt Cleary, Logan Libby, Caedon Manseau and Eastman for their hard work throughout

The Bobcats will finish the pre-vacation portion of the schedule today, April 20, at home against Pelham.

Sports Editor Joshua Spaulding can be reached at 279-4516, ext. 155 or josh@ salmonpress.news.

Bobcat girls net a trio of wins

BY JOSHUA SPAULDING

PLYMOUTH — It was a busy week for the Plymouth girls' tennis team, as the Bobcats had four matches on the week.

The week started with a 5-4 win over White Mountains Regional. Jenna Benoit lost 8-0 to a strong Spartan player in the top spot, while Sophia Inwood fell 8-3 in the second spot. Emma Smith got the Bobcats the win at number three with an 8-0 victory and Rhiannon Harris got an 8-1 win in the fourth spot. Samantha Sanborn played a long drawn out match at number five until she pulled out the 8-6 win and Abey Gordon got the 8-0 win in the sixth spot.

In doubles, Smith and Harris came through with the clinching win at number two by an 8-0 score, while Benoit and Inwood fell 8-2 at number one and Gordon and Sanborn lost 8-1 in the third spot.

The Bobcats hosted Profile and came through with an 8-1 win. Benoit dropped an 8-6 decision at number one, but the Bobcats won the rest of the singles. Inwood and Smith both won 8-3, Harris and Sanborn both won 8-4 and Gordon won by an 8-6 score.

In doubles, Inwood and Benoit and Harris and Smith both won by 8-6 scores and Sanborn and Kerry Tole finished the match with an 8-3 win at number three doubles.

On Wednesday, the Bobcats made the trip to Bethlehem for a rematch with Profile and got the same 8-1 result. Benoit came through with an 8-4 win in the top spot, while Inwood played her aggressive game

and got an 8-3 win. Smith won 8-0 in the third spot and Harris won 8-5 at number four. Sanborn came out on the short end of a long match, 9-7 and Gordon won 8-5 to close out the singles.

In doubles, Benoit and Inwood won 9-8 (7-2 in the tiebreaker) at number one. Smith and Harris won 8-4 and Sanborn and Gordon got the 8-4 win in the third spot. Katie Park won an exhibition singles match and Tole and Hailey Guilbert teamed up for a doubles exhi-

The Bobcats closed the week on the road at Littleton, falling by an 8-1 score to the runners-up from a

"The girls deserve a lot of credit, it was a long week," said coach Diane DiNardo. "The scores are not truly indicative of the way they played. Most of the games were very long, trading points back and forth."

The lone win for the Crusaders came from Gordon, who played a very consistent match and came away with the 8-6 victory. Harris and Smith had a great doubles match at number two, using long rallies and great net play before falling by an 8-6 score. Benoit and Inwood lost 8-4 and Gordon and Sanborn fell 8-5.

The Bobcats wrap up the pre-vacation portion of their schedule today, April 20, at White Mountains

It's almost Earth Day, when people around

the world focus on ways of protecting and

preserving the environment. And the lessons

from this occasion can be applied to other

Sustainability - From an environmental

perspective, sustainability encompasses a

range of issues, such as using natural re-

sources wisely. As an investor, you, too,

need to protect your resources. So, for ex-

ample, to sustain a long-term investment

strategy, you won't want to dip into your

retirement accounts, such as your IRA

and 401(k), to pay for major home or car

repairs or other unexpected, costly bills be-

fore retirement. You can help prevent this

by building an emergency fund containing

several months' worth of living expenses,

with the money kept in a liquid, low-risk

account. And once you're retired, you need

to sustain your portfolio so it can help

areas of life - such as investing.

Here are some themes to consider:

you have a choice of where you receive them

Our rehab staff works with all ages and conditions, including Physical Therapy, Occupational Therapy and Speech Therapy.

WHAT IS DOMESTIC VIOLENCE?

Domestic violence can be defined as a pattern of behavior in any relationship that is used to gain or maintain power and control over an intimate partner.

Does your partner ever....

- Embarrass you with put-downs?
- Control what you do, who you see or talk to or where you go?
- Push you, slap you, choke you or hit you?
- Control the money in the relationship?
- Tell you that you're a bad parent or threaten to take away your children?
- Prevent you from working or attending school?

If you answered 'yes' to even one of these questions, you may be in an unhealthy or abusive relationship. Find more information at www.thehotline.org.

The production of this material was supported by Grant #90SV0001-01-00 from HHS Administration for Children and Families/Family Youth Services Bureau. Its contents are solely the responsibility of The National Domestic

volatile than stocks and stock-based mutual

funds and ETFs. The appropriate percentage of growth and fixed-income investments in your portfolio depends on your

> • Avoidance of "toxins" - At some Earth Day events, you can learn about positive behaviors such as disposing of toxic items safely. And in the investment world, you'll also want to avoid toxic activities, such as chasing "hot" stocks that aren't appropriate for your needs, or trading investments so frequently that you run up commissions and taxes or jumping out of the markets altogether when there's a temporary decline.

• Consolidation - Getting rid of clutter and unnecessary possessions is another les son some people take away from Earth Day. All of us, when we look around

can last a lifetime.

investment strategy.

provide income for many years. For that to happen, you'll need to maintain a withdrawal rate that doesn't deplete your investments too soon.

• Growth potential - Many people plant trees to celebrate Earth Day, with the hope that, as the trees grow, they'll contribute to cleaner air. When you invest, you also need growth potential if you're going to achieve your goals, including a comfortable retirement. So, your portfolio will need a reasonable percentage of growth-oriented vehicles, such as stocks and stock-based mutual funds or exchange-traded funds (ETFs). Yet, you do need to be aware that these investments can lose value, especially during downturns in the financial markets. You can help reduce the impact of market turbulence on your holdings by also owning other types of investments, such as bonds, government securities and certificates of deposit (CDs). While these investments

Clean out your medicine cabinet—It's Rx Take Back Day on Saturday, April 22!

BY DEB NARO Contributor

You can help prevent prescription drug diversion and misuse as well as accidental poisonings by monitoring and properly disposing of your unused, unwanted, or expired medications on Saturday, April 22. The DEA is holding its 24th National Prescription Drug Take-Back Day this Saturday and many local police departments are participating in the collection effort.

In October 2022, Americans nationwide did their part to reduce the opioid crisis by bringing the DEA and its more than 4,340 law enforcement partners a record-setting 647,163 pounds—324 tons—of potentially dangerous expired, unused, and unwanted prescription drugs for disposal at more than 4,900 collection sites nationwide. These numbers bring the total amount of prescription drugs collected by the DEA since the fall of 2010 to 16,636,729 pounds, or 8,318 tons.

Medicines that linger in home cabinets are susceptible to diversion and misuse. Rates of prescription drug misuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that most misused prescription drugs are obtained from family and friends, too often from the home medicine cabinet. In addition, Americans are advised that their usual methods for disposing of unused medicines flushing them down the toilet or throwing them in the trash—pose potential safety and environmental health hazards.

This year, Newfound Coalition for Youth, CADY and the Bristol Police Department will be hosting an Rx Take Back Day Event at the Bristol Town Offices located at 5 School Street in Bristol. The event will take place from 10-2pm on Saturday, April 22nd. It will include a FREE cookout, resource fair, and opportunity to meet Bristol first responders including police dog Arro! We will also be collecting single serve food items to support the "Every Child is Ours" program. Please be sure to stop by and bring your unused or expired medications for safe disposal!

Looking for other drop off locations? Please consider bringing your unused or expired medications (just pills or liquids - no pressurized canisters or needles) to the following local police stations this Saturday, April 22 between 10 a.m. and 2 p.m. Disposal is free, convenient, confidential, and safe.

Ashland Police Department, 137 Main St., Ashland

Lincoln Police Department 148 Main St., Lincoln Plymouth Police Department 334 Main St., Plym-

Thornton Police Department, 16 Merrill Access Rd., Thornton

Waterville Valley Police Department, 14 Tac Lane, Waterville Valley

Looking to safely dispose of your prescription medications at home? CADY is offering free Deterra Drug Deactivation Bags which are a safe, easy, and an environmentally friendly way to dispose of unused or expired medications at home. Once the prescription drugs are placed in the pouch, warm water is then added and activated carbon is released, then allowing disposal in regular household trash. For more information about the safe disposal of prescription drugs or to get your FREE Deterra Drug Deactivation Bag visit cadyinc.org, or contact the CADY office at 603-536-9793.

Substance misuse prevention requires community action, and our collective commitment will help preserve bright futures for our children. Thank you for being part of the solution by helping to prevent the diversion of unused prescription medications. If you, or someone you know, struggles with substance misuse or addiction, please call 2-1-1 or the Doorway at (603-934-8905) for help. You can also connect with Plymouth Area Recovery Connection (PARC), our local recovery center, located at Whole Village Family Resource Center in Plymouth at info@parcnh. org or 603-238-3555. To learn about prevention, treatment, and recovery resources in the Central New Hampshire, visit Findwell NH at findwellnh.org.

Bears of the Week

Newfound Memorial Middle School's Bears of the Week Student & Staff Winners for the week of April 7 are sixth grade students Miles Barney, Mason Cunningham and social studies teacher Mr. Jenkins. They have been recognized for their representation of the NMMS Core Values. These members of our NMMS community continually show us what RESPECT, RESPONSIBILITY, PRIDE & INTEGRITY are all about! Thank you to Franklin Savings Bank in Bristol and the Newfound Lake Inn in Bridgewater for sponsoring this week's winners!

Letters to the Editor

Help clean up the Kanc

To the Editor:

Local Rotary clubs would like to invite readers to participate in the third annual Clean up the Kanc on June 3, as well as Clean up Pinkham Notch on July 22.

This fun morning of community service enlists volunteers from the region to help remove trash from these beautiful scenic areas. Rotary

provides trash bags, disposable gloves, snacks, and a free lunch afterwards. For more information, or to register, go to Rotarycleans.org. (Registration is free and allows us to know how much food to provide.)

> Lora Miller Secretary Rotary Club of Plymouth

Conservation Matters

A place for pollinators

BY MIRKA ZAPLETAL Newfound Lake Region Association

among us (myself included) are counting down until we're surrounded by flowers, singing birds, and butterflies. Pollinators like bees, beetles, and butterflies are incredibly important parts of our local ecosystems, helping ensure that fruits and seeds that feed us as well as local wildlife are produced each year-we can thank pollinators for the blueberries we enjoy in the summer, the rose hips turning red each fall, the milkweed seeds floating through the air-and, ultimately, supporting species in the larger community food web.

Given how important pollinators are, it's worrying that so many have declining populations. In New Hampshire one bumblebee species is endangered and three more are of special concern; four butterfly species are endangered, two butterflies and one moth are threatened, and a further nine species are of special concern. Last summer monarch butterflies were listed as endangered by the International Union for the Conservation of Nature (IUCN), and in 2020 the US Fish & Wildlife Service determined that listing monarchs as endangered was warranted, but did not take precedence over listing other species-its status is currently reviewed each year.

There are a number of factors that contributed to these population declines, including pesticides

and disease, but the biggest issue is habitat loss-as land is cleared and "weeds" cut down, pollinators have more and more trouble finding the food they As the days lengthen and weather warms, some need. Adding climate change to the mix doesn't help. It's even more complicated with migratory species like monarch butterflies-habitat from northern Mexico into Canada is vital to their survival. The good news for monarchs and other pollinators is that people are aware of their plight and have options to

> Depending on where you live, one of the best ways for you to help pollinators may be to do nothing: don't use pesticides, don't clear land, don't mow the lawn often, don't over-till the soil-just take the summer off, sit back, and give pollinators the time and space they need to use your habitat. This will limit the toxins they encounter, give wildflowers a chance to grow and bloom, and ensure that ground-nesting bees (most bees!) can find safe shelter. If you want something a bit more active, you could install a bee hotel or plant a pollinator garden. Creating secure productive habitat supports the pollinators that we depend on.

> At Grey Rocks Conservation Area, Newfound Lake Region Association (NLRA) has made space for pollinators in a variety of ways. While some areas are moved or tended regularly, the majority of plants are allowed to grow freely with the result that wildflowers bloom by the water, along trails, at ground level and arching over shrubs, throughout the many different plant communities covering the property. There are pollinator gardens with plants such as bee balm (Monarda fistula) and blazing star (Liatris spp.) that bloom profusely and offer both small and large landing spots for pollinators. Timing can be key when it comes to pollinator-plant relationships, so providing a range of bloom times can give pollinators food over the whole

Cole Ahern clears the high jump bar on his way to the win and a new personal best last week

Tegan Hershey clears a hurdle during the 300-meter event last Tuesday in Wolfeboro.

Bobcats kick off track season in Wolfeboro

BY JOSHUA SPAULDING Sports Editor

WOLFEBORO — The Plymouth track team opened the new season at The Nick in Wolfeboro for a meet hosted Kingswood. Kennett, Pelham and Hollis-Brookline also competed on Tuesday, April 11.

The Bobcat boys finished in third place and the girls finished in fourth place, with Kennett winning for the girls and Pelham winning for the boys.

The Bobcat boys were led by Cole Ahern, who picked up a pair of wins on the day. He won the 110-meter hurdles in a time of 16.99 seconds and won the high jump with a personal best of six feet.

In the discus, Alex Luehrs tossed a distance of 105 feet, four inches to take first place, Ahern was second at 015 feet, Dash Ough was fourth at 74 feet, Brian Medeiros finished 12th at 48 feet, eight inches and Evan Duchette was 13th at 41 feet, five inches.

Tate Hayman won the 3,200 meters with a time of 12:09.76 and was also sixth in the 1,600 meters in a time of 5:12.92, with Cameron Ciechon in 14th in 6:01.15.

Gabe Kean picked up three top-four finishes on the day. In the 100 meters, he crossed in 12.49 seconds for fourth place, in the 200 meters he was third in 25.16 seconds and in the long jump he placed fourth at 18 feet,

3.25 inches.

The Bobcat 4X100-meter relay team of Landon Fogg, Luehrs, Evan Tyler and Kean finished in second place with a time of 48.48 seconds and the 4X400-meter team of Ahern, Fogg, Nick Ring and Hayman finished in sixth place in 3:58.74.

Luehrs added a second place in the shot put with a toss of 33 feet, 11.5 inches and Ough was fourth at 32 feet, 3.5 inch-

es. Ough was also fourth in the javelin at 100 feet, six inches, Medeiros was fifth at 99 feet, five inches, Luis Estrella thew 91 feet, one inch for seventh place, Luehrs was eighth at 88 feet, nine inches, Sebastian Sargent was ninth at 86 feet, nine inches, Eliot Sargent was 12th at 59 feet, seven inches, William Smoker was 13th at 56 feet and Jacob Benton was 15th at 52 feet, 11 inches.

Gavin Rheaume picked up a fifth place finish in the triple jump at 26 feet, 3.5 inches.

In the 100, Fogg was ninth in 12.73 seconds, Benton was 21st in 13.75 seconds, Rheaume was 22nd in 13.96 seconds, Ethan Savage was 24th in 14.26 seconds, Tyler was 25th in 14.3 seconds, Eliot Sargent was 26th in 14.35 seconds, Estrella was 27th in 14.42 seconds, Brogan Dixon was 30th in 14.68 seconds, Sebastian Sargent was 31st in 15 seconds, Medeiros was 32nd in 15.28 seconds and Harrison Dixon was 39th in 16.58 seconds.

Fogg was 16th in 26.51 seconds, Tyler was 32nd in 29.33 seconds. Eliot Sargent was 34th in 29.85 seconds, Brogan Dixon was 36th in 30.53 seconds, Sebastian Sargent was 37th in 30.54 seconds, Savage was 39th in 30.93 seconds and Harrison Dixon was 46th in 36.34 seconds.

In the 400 meters, Benton was 12th in 1:00.97 and Rheaume was 17th in 1:14.12, while in the 800 meters, Ciechon was ninth in 2:37.31 and Smoker was 12th in

2:44.29. For the Bobcat girls, Elli Englund took the win in the 1,600 meters with a time of 5:39.81, with Kelsey Maine running to third in 6:06.74, Anna Boyer in 10th in 6:45.17 and Alexandra MacDonald in 13th in 6:58.71.

Boyer won the 3,200

JOSHUA SPAULDING

Elli Englund won the 1,600 meters during Plymouth's first meet at Kingswood last week.

meters with a time of 14:12.53 and Anelie Flynn cleared four feet, six inches to take the win in the high jump.

Jennifer Watson finished fourth in the 100 meters with a time of 14.38 seconds, with Violet Towers in 11th in 14.77 seconds, Ella Claudio in 16th in 15.21 seconds, Erica Currier in 23rd place in 16.26 seconds, Courtney Sabato in 25th place in 16.46 seconds and Kailey Burtt in 33rd in 18.14 seconds.

Sydney Valenti picked up a fifth place finish in the 200 meters, with Towers in eighth place in 30.4 seconds, Heron Hannon in 13th in 31.27 seconds, Clau-

dio in 15th place in 31.41 seconds, Sabato in 27th in 34.15 seconds, Currier in 28th in 34.84 seconds, Flynn in 29th place in 34.84 seconds, Maggie Pitman in 30th in 34.91 seconds. Clara McCauley in 43rd in 38.97 and Burtt in 44th in 40.16 sec-

Valenti also added a second place in the long jump at 14 feet, seven inches, with Pitman in fifth place at 13 feet, 4.75 inches, Sabato in 11th at 11 feet, 3.5 inches and Currier in 12th at 10 feet, 10.75 inches.

Hannon was sixth overall in the 400 meters with a time of 1:10.63, Watson was ninth in 1:13.1 and McCauley was

13th overall in a time of 1:26.1.

Leah Ines was sixth overall in a time of 2:50.09 in the 800 meters. with MacDonald placing 12th overall in 3:08.43.

Tegan Hershey finished in sixth place in the 300-meter hurdles with a time of 1:02.21, while in the 100-meter hurdles, Flynn was seventh in 20.05 seconds, Pitman was ninth in 22.36 seconds and Hershey was 10th in 22.72 seconds.

The Bobcat 4X100-meter relay team of Towers, Claudio, Flynn and Valenti was third in 56.09 seconds and the 4X400-meter team of Englund, Ines, Hannon and

Maine finished in third place in 4:44.81.

Katie Campbell had three top-five finishes. She was fourth in the shot put with a toss of 21 feet, 10.5 inches and added a third in the discus with a toss of 54 feet, 10 inches, with McCauley in fourth at 54 feet, seven inches. Campbell was also fifth in the javelin at 59 feet, with Natalie Payne at 52 feet, five inches for sixth place.

The Bobcats are slated to compete on Saturday, April 22, at 10 a.m.

Sports Editor Joshua Spaulding can be reached at 279-4516, ext. or josh@salmon-

Lots of spots up for grabs as Plymouth baseball opens new season

BY JOSHUA SPAULDING

PLYMOUTH — The Plymouth baseball team only brings back a handful of starters from last year but will be looking to a number of other kids to step up and fill the roles.

The four returning starters for coach Mike Boyle are senior captains Noah Dutille and Cam Stratton and juniors Johnny Flaherty and Logan Finkle. The only other returning senior is Logan Custance, who will be vying for a starting role this year in the outfield and on the mound.

"We have a number of juniors and sophomores coming up that will compete for starting roles," said Boyle. "The newcomers to varsity are all pushing each other to earn a starting role and a lot of that will be determined by who is on the mound at any given time."

Juniors competing for time on the diamond are Tyler Dekutoski, Owen Cahoon, Cillian Kenneally, Luke Bassingthwaite, Trevin Stone, Bailey Veasey and Will Foisy, while sophomores looking for playing time are Luke Diamond, Jake Sanborn, Thomas Daigneault, Kyle Dodge, Jaxon Rineer and Noah

Boyle anticipates that Flaherty and Finkle will

see the bulk of the time on the mound for the Bobcats, while Custance, Stratton and Diamond will also be expected to carry some of the load throughout the

"Our goals for the season are to continue to get better every day and become a defensively sound team and generate runs by being aggressive on offense," Boyle noted "Division II is one of the toughest divisions to play in from top to bottom and we know we have to show up every day ready to work and progress."

The Bobcats are slated to play two games each with regional rivals Laconia, Kennett and Kingswood and single games against Souhegan, Merrimack Valley, Con-Val, Pelham, Coe-Brown, Lebanon, Pembroke, Hanover, Bow and John Stark.

The season kicked off with games last week against Laconia and Souhegan and after deadline this week against Kingswood and Merrimack Valley. The Bobcats will be at Con-Val on Friday, April 21, will be hosting Pellham on Monday, April 24, and at Coe-Brown on Wednesday, April 26, all with 4 p.m. scheduled start times.

Talk of the Towns

News from our Local Correspondents

Alexandria

Merry Ruggirello 744-5383 merrysunshine51@yahoo.com

Hope you have been enjoying this nice warm weather! It sure is nice to hear the peepers out there too. The ticks are a bit bothersome though. The turkeys would have quite a feast for sure.

Town

Conservation Commission meeting Wednesday, April 26 at 6 p.m. at the Alexandria Village School, Mt. Cardigan Road.

Board of Selectmen meeting Tuesday, May 2 at 6 p.m. in the Municipal Building.

Alexandria UMC

Sunday, April 12, services will begin at 9 a.m. with Sunday School following at 10:15 a.m.

There will be a brief Trustees meeting after church services for an update on the window repairs, shrubs and Vestry usage.

Time to hit the chow wagon, been a long time since breakfast. Or so it seems. A big mug of chicken soup sounds mighty fine! Have a great week everyone!

Ashland

David Ruell 968-7716 davidruell@gmail.com

Drug Takeback Day

This Saturday, April 20, is National Drug Takeback Day, when the public can drop off unused or expired prescription drugs at various sites throughout the country for free proper disposal by the Federal Drug Enforcement Administration. One of those sites is the Ashland Police Station in the Town Hall. The entrance is on the Cottage Place side of the building. The Ashland Police cannot accept liquids or needles, but will take any other drugs from 10 a.m. to 2 p.m. on Satur-

Fourth Of July meeting

Now that spring is here, it is time to get ready for summer's big celebration on the Fourth of July. The

Fourth of July Commit-

tee will meet at 6:30 p.m. next Wednesday, April 26, in the Booster Clubhouse. Anyone interested in the holiday is welcome to attend.

Whitten Woods Storywalk

The Storywalk in Whitten Woods, featuring the children's book "No Two Alike" by author-illustrator Keith Baker, will be up until April 30. Now that the snow has melted, it is much easier to visit. The Storywalk is sponsored by the Ashland Town Library and the Squam Lakes Association.

Ashland Woman's Club News (from **Bobette Glidden**)

The Ashland Woman's Club held our first meeting of 2023 on March 16 in St. Mark's Hall on Highland Street. We were pleased to welcome 12 members and one guest. We began at noon with a delicious lunch prepared by Jeanette Stewart and Sue Harville. followed by our business meeting. Reports were given by various committees. Our main fundraiser for the year was Breakfast With Santa held in December at the Common Man Restaurant. Everyone had a great time, and we thank the Common Man for their assistance. The money raised went towards our scholarship fund, Books for Babies at Speare Hospital, projects at our local elementary school, and other organizations, throughout the year. Our Club registered by April 30 at and bright lipstick? Alalways welcomes new members. Please join us at our meeting at noon on Wednesday, May 17, in St. Mark's Hall. Hope to see you there.

Ashland Garden Club News (from Elizabeth

Greason) The Ashland Garden Club had its first meeting of the year on Sunday, April 16, at the Holderness Library. Refreshments were pot luck. Members shared gardening tips, successful plants, and favorite gardening tools.

Save these dates for May. On Saturday, May 13, we will have a "Named Lily Sale" at Memorial Park from 9 a.m. to 12 noon. "Named Lilies" are highly collectible. So, this will be a wonderful opportunity

to add to your existing collection or start one from scratch. We will be selling only the lilies at this sale. We have the opportunity to dig the lilies from an Ashland garden, so the plants will be freshly dug for you to purchase. On Saturday, May 20, from 9

a.m. to noon, in Memorial Park will be our annual Plant, Pie and Vintage Garden Sale. The plants will all be from our members' gardens, so they will do well in your garden. The pies will all be homemade, and anything vintage is always interesting. We hope to see you at both events.

On Monday, May 15, Club members will meet at Memorial Park to separate into groups and plant the public gardens in town.

Enjoy spring!

Bristol

Al Blakeley

Ladies Tea

Ladies, please join us for a Tea Party on Tuesday, May 9 at 10 a.m. Remember dress up days with big floppy hats, your mom's high heels though we're all grown up now, we can still relive those times. So put on your loveliest summer frock, a becoming chapeau, a dab of lipstick and join us for a charming tea party! Please bring your favorite tea cup or mug. Hosted by the Campton Baptist Church Ladies Fellowship at 1345 Main St. (Route 175) in Campton. Their speaker is Susan Cheney. Please R.S.V.P. to Bette Ann Coy, 603-346-0332.

Campton Historical Society news

We are open on Wednesday from 9 a.m.-1 p.m.! Stop by, say hi, check out the museum and ask all sorts of questions. It's a free for all. We are looking for help. We have a solid

crew but there's a lot do and many hands make easy work. Curator, librarian, swapping out and coming up with displays etc... Don't be shy or feel you need to know about Campton histo-A willingness to help and learn is all it takes. Spring cleanup day is Saturday, April 29 from 9 a.m.-noonish. Yard work, windows, and everything in-between we hope to get a lot done so grab a friend

Danbury

and join the crew.

Donna Sprague huntoonfarm@myfairpoint.net

Danbury Winter Market

The last Danbury Winter Market of this season will be held on May 6 from 9 a.m. to Remember to noon. come buy leftovers from the Merrimack County Conservation District plant sale. Getting ready for gardening, Danbury Grows will again host their seed swap. More people are bringing seeds and started extra plants/dug perenniels are also welcomed

Energy workshop

The saving energy presentation is this Sunday, April 23 at 2 p.m. The hour and a half program gives suggestions on saving energy and homeowner programs available. Presented by Andy Duncan, he has ample energy conserving knowledge to help us lower our energy bills and get funds to help.

Open House

Blazing Star Grange will host a program and make membership award presentations on Sunday, April 30 at 2 p.m. Tricia Taylor, Terry Taylor, Sandra Daughen and James Phelps are scheduled to receive their golden sheaf certificates.... An honor attained after belonging to the Grange for 50 years. Louise Huntoon has reached the 75 year milestone. For more information, email blazingstargrange71@ gmail.com or call donna at 512-676-7722.

Holderness

Fran Taylor 968-3846

This is Literacy Week at the Central School. Students and staff are celebrating their love of reading and writing. NH's own author/illustrator and Manchester native Marty Kelley visited our students on Tuesday. His books include "Tooth Fairy Trouble," "Fall is Not Easy" and "The Messiest Desk."

Several midday activities for children at the Squam Lakes Association during vacation week including a movie, an outdoor activity and tie dying. Check out the calendar for days and times.

The Conservation Commission is encouraging one and all to participate in a clean-up of our roadsides in celebration of Earth Day. Blue garbage bags are available at the Town Hall and the Transfer Station. You can either take the filled bags to the Transfer Station or leave them at the edge of a town road for the Public Works crew to collect next Monday. Holder-School students will be cleaning up the section between Town Hall and downtown.

Congratulations to our Mathalon students in grades 5 and 6 who competed with other local students in a competition at Plymouth Elementary on April 13 and came in third.

During the chapel prior to Patriots Day, Head Athletic Trainer Nick Laurence at the Holderness School shared his experience as a Boston Marathon runner in 2013, who found himself near the finish line at the time of the bombing. His theme was "The Healing Power of Community". He described how staff at the school helped him recover from that traumatic experience.

Our Library will hold a reception for the opening of a display of works of local artist Woolsev Conover. Join the Friends of the Library on Wednesday, May 3 in the Community Room from 5:30 - 7

Mud season is coming to a close and the Highway Dept has lifted weight limits on paved roads. They remain on dirt roads.

Annual Herbicide Application Notice from NH Electric Cooperative by Vegetation Control Service, Inc intends to selectively apply herbicides to undesirable vegetation growing within power line rights of way. You can find more information on the town website including a link to location maps.

The updated Transfer Station Fee Schedule is available on the Town Web site.

For those signing their children up for the Town Summer Camp online registration information form, you only need to submit it once and not for each session. It is shared with all the summer camp registrations your child enrolls

Sign up for Jumping into Journaling on May 6 from 9:30 - 11:30 a.m. Single session for anyone who has, or wants to start keeping a journal. Registration and fees on the town website.

Adult and Children's tennis lessons start in June at the Central School tennis courts. Sign up now for this great opportunity to improve your game.

The Library offers Chair Yoga on Mondays from 9-10 a.m., Stitch and Chat on Tuesdays from 1-2 p.m. and Storytime with Susan on Tuesdays and Wednes-

days from 10-11 a.m. SEE **TOWNS** PAGE A10

Jenni

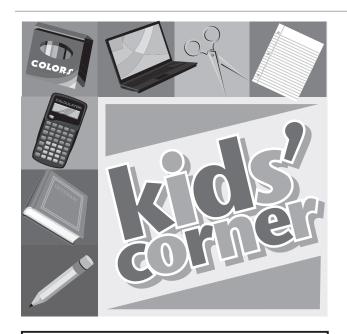

I'm Jenni and I bet you want my number, or the one for the shelter to come adopt me! I am most comfortable around the people I know and would probably do best with adults only. There is potential for me to share a home with a male dog, of course we'd have to meet first. A low traffic home able to help me build my confidence with new people

Colt

Meet Colt! This pup is beyond smart and would be an amazing companion. He knows so many tricks and commands... especially "treat?". He enjoys nothing more than getting to go for long walks outside, need a hiking buddy this spring? After a long day outdoors, Colt will be ready for snuggles and watching your favorite movies. He would be a candidate for a home without other animal friends.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Beginner

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Towns FROM PAGE A9

During the repaving of Route 113 last year, the state D.O.T. was not able to repair that section of highway which has fallen into Cotton Cove through the years. So concerns over whether highway salt is getting into Squam are leading to the need for testing the lake water at that location.

Warren/

Wentworth

Gary Jesseman 707-7129 garyj@together.net

Greetings everyone. Hope you are all having a good week. It's nice to finally get a little bit of rain. Although I have to say I enjoyed those hot days we had!

WARREN NEWS-Warren Old Home Days will be celebrated on July 14, 15, and 16. The theme for this year is "Life on the Farm." More information as

time gets closer.

Moose Scoops Ice Cream opens for the 2023 season on May 11!

Hours for May are Thursday and Friday 4-8 p.m., Saturday and Sunday noon-8 p.m. and on Memorial Day noon-8 p.m.

WENTWORTH NEWS—The next offering in the Library's Book Club is Deborah Harkness' "A Discovery of Witches." Books available at the Library. Next Book Club meeting is May 8 at 6 p.m.

On May 27 from 9 a.m.-2 p.m. at the Wentworth Elementary School Soccer Field, there is a town-wide yard sale. \$20 for a spot. Bring your own table, chair or canopy. For reservations or answers to questions, contact hbilodeau@pemibaker. org. There will also be a "Touch A Truck" exhibit, with fire trucks, tractors, police cars and

more!

Rain date has yet to be determined.

Wentworth Open Air Market is currently accepting vendor applications for the 2023 season. It runs from July 5 to Oct. 7, Saturdays from 10 a.m. to 2 p.m.Email Renee at wentworthfarmmarket@gmail.

to register, or for more information.

Have a good week, and always remember to count your blessings!

Conservation

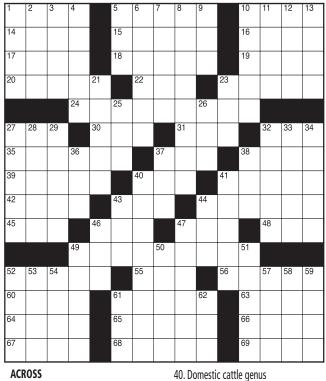

(Asclepias syriaca), swamp milkweed (A. incarnata), and butterfly weed (A. tuberosa) are scattered throughout the space and their overlapping but not identical life cy-

cles ensure that monarchs and other members of the milkweed community have food collecting data at Grey Rocks as part of a national look at which creatures are eating milkweed and when.

Given the global decline of polli-

nators, pollinators need everyone to do their part and everyone has a role to play. May through October. To help researchers By making your space pollinator-friendbetter understand the role of milkweed in ly, whether it's acres of field and forest or its habitat, NLRA staff and volunteers are some potted plants by the outside door, you're giving pollinators more habitat and support. Each new person that takes these steps helps ensure that pollinators continue to be present around us.

Ah Spring! During this time of year many people feel revitalized, refreshed, and renewed. both in their lives and in their faith. As we shake off the winter doldrums. our surroundings turn green, flowers begin to bloom, and we may consider starting a new positive habit or recommitting to prayer life or coming to Church. Reading Bible verses about spring can be a powerful way to draw closer to

God as we are presented with the possibility of new beginnings. Join us Sunday for a positive message of renewal.

All are welcome Sunday mornings, as we come together to worship and praise God. Our Church is a member of the National Association of Congregational Christian Churches, a national body of churches dedicated to preserving traditional Congregational principles and practices in the world.

Our Services are available on Facebook. Bible studies are available on Zoom. If you are unable to be with us in person, tithes and offerings may be sent to PO Box 328, Campton, NH 03223.

Please direct any questions or needs to ourccc1774@gmail.com or call 603-536-2536.

Christian Science Society, **Plymouth**

We welcome everyone to our Sunday church services at 10 a.m. in our Emerson Street building. The Bible lesson sermon this coming Sunday begins with these words from Luke: "...behold the kingdome of God is within you." lesson, which This can be studied during the week, will be read this Sunday in more than seventy countries around the world.

We also have a Wednesday meetings at 6 p.m. each week. It begins with short readings from the Bible and from the Christian Science textbook. Then there is time for sharing with one another gratitude for healing experiences in our lives, as well as thoughts and insights from our spiritual study and prayer. We'd love to have you join us.

Please visit our website at www.cs-plymouth-nh.org if you would like to join in our services by Zoom.

jsh-online.com you'll find a wealth of articles and audio offerings which are new each week, including ones for children and teens. In the weekly Sentinal magazine the lead editorial is "Touches of grace," and there are many other interesting articles on the site as well. There is also a section for young people, "Teen Connect" with sharing written by children and teenagers.

The Reading Room in our church building is open Monday noon to 2 p.m., where you can read these articles. The reading room has just gotten in several books young children based on loved Bible stories. We welcome you to browse, and borrow all books and resources. and there are free magazines to take home..

Starr King **Unitarian Universalist Fellowship**

Starr King Unitarian Universalist Fellowship holds Sunday services each Sunday at 9:30 a.m., both in person at 101 Fairgrounds Rd., Plymouth, and live streamed via Zoom. Nursery and childcare services are available. Religious education classes are offered every week.

April 23 **Living Our Love for** the World **Member Led Service**

Our Fellowship is gifted with committed, loving people who strive to make the world a better place, be it working for equity or saving the planet. Come be inspired by their actions and their stories.

Unitarian Universalism is a caring, open-minded religion that encourages you to seek your own spiritual path. Our Faith draws

on many religious traditions, welcoming people with different beliefs. We are a Welcoming Congregation recognizing no distinction of class, nationality, race, gender, or sexual orientation.

For more information and Zoom link, visit our Web site: www.starrkingfellowship.org.

Refreshments. Reverend John Muehlke Jr.

David D, Raycroft Sr. September 28, 1925 - December 23, 2022.

It is with great sadness and honor that I share the passing of David D, Raycroft Sr.

September 28, 1925 -December 23, 2022.

Veteran, writer, musician, loving husband and caring father. David is survived by his son, daughter, son-inlaw, grandsons and his great-granddaughter.

His generous soul will be missed, but the

light of his spirit continues to shine.

Services will held on April 22,2023 -10:00am

Union Congrega-Church, Hetional bron, NH

In lieu of flowers consider making a donation to the Winnipesaukee Playhouse or the Newfound Lake Region Association.

Ronald C. Smith 81

Ronald C. Smith 81, of Dunnellon, FL, passed away Monday, April 10, 2023 following a brief battle with cancer.

Ronald was born in Plymouth, NH and graduated from Plymouth High School. After high school he worked for Ferretti Brothers Supermarket and then for Silver Brothers Distributors in New Hampshire. After retiring in the late 80's, he moved to Englewood FL where he owned a private property management company on Manasota Key. After his second retirement in 2012 he moved to Dunnellon, FL.

Ronald liked yard work, working around the house, connecting with his neighbors and antique cars but more than anything he loved

spending time with his dog Sophie who he adopted when he moved to Dunnellon.

Ronald was preceded in death by his parents, Charles Smith and Maud Stevens, his brother Wayne E Smith and his sister Ann Marie Hart. He is survived by his sister Judy A Lapointe, Cornwall ON, Canada, his brother Lawrence W Stevens, Jr. (Donna Stevens) of Raymond,

NH and his sister Linda J Stevens (Jim Watson) of Desert Hot Springs, CA; and, of course, his beloved So-

phie. A visitation for Ronald was held at Fero Funeral Home, 5955 N Lecanto Hwy., Beverly Hills, FL on Saturday, April 15, 2023 from 1 to 4 PM. Visitation will also be held at Bennett Funeral Home in Concord, NH on Wednesday, April 19, 2023 from 1 to 4. Burial in NH will be held at a later date.

In lieu of flowers please make a donation to an animal rescue organization of your choice.

Fond memories and expressions of sympathy may be shared at www.bennettfuneral. com for the Smith/Stevens family.

Rita Ellen Dorothy Grote, 98

Rita Ellen Dorothy Grote, 98, of Campton, NH, died at home on Thursday, April 6, 2023. Her life will be celebrated in August.

Rita was born Feb-

ruary 18, 1925 in New

York City, the daughter of Otto and Helena Rugenstein Schmidt, who immigrated from Germany. After attending business school, she worked as a bookkeeper and German-English translator for various employers including Rockefeller Rockefeller Centre, NYC. Rita met Joseph A. Grote, the love of her life, at the NYC Turn Verein, a German-American gymnastic and social club. They married in 1948, moving to Franklin Square, Long Island, NY where they raised their 4 children. In 1967 Joe and Rita relocated their family to Plymouth, NH when they bought the Knoll Motel on Rte. 3, a business which they built up and successfully ran together for more

Rita did volunteer work most of her life, beginning in NYC during WW2 when she worked for the Red Cross and later taught 'Home Extension' classes in Franklin Square. She served as a board member and president of the Wash-

than 30 years.

ington Street School Parent-Teachers Association, where her children attended school. After relocating to Plymouth, Rita volunteered at Speare Memorial Hospital and later at the Plymouth Regional Senior Center, where she attended the front desk with cheerfulness and good humor. She acquired surplus fabric from friends which she sewed into quilts for babies with AIDS. Rita was also a member of the Plymouth **Professional Business** Women's group. As a lifelong avid reader and lover of books, she was a member of a local book group which has been thriving for about 53 years and regularly donated funds for the purchase of books at the Pease Public Library

Rita was well loved by her friends, appreciated for her optimism, generosity and love of storytelling. She was quick to invite friends over for a kaffeeklatsch (coffee/ tea, homemade cakes and joyful conversation). Rita was well known for her baking and cooking abilities, teaching her young children these skills, (reminding them to 'never throw out the past years.

in Plymouth.

potato water!'). Both Rita and Joe were animal lovers and kept many feline and canine companions over the years, feeding the birds in winter and the occasional bear scavenged their compost pile in the woods.

Rita is survived by her children and their partners: Douglas Grote (Marian Mostovy) of Greenfield, MA; Lorrie Grote Eaton (Brad Eaton) of Rumney, NH; Ellen Grote (Howard Golden) of Perth, Western Australia; Edmund Grote (Christy Kopasz) of Moab, Utah; and her cousin Warren Buhler (Helen) of Poughkeepsie, NY. She also leaves behind 10 grandchildren and step-grandchildren; 9 great-grandchildren and step-great-grandchildren; as well as numerous nieces and nephews and their families. She was preceded in death by her parents, her husband of more than 50 years, her cousin Christa Fagerberg with whom she maintained a sibling-like relationship, her daughter-in-law Patricia Vidiella and her husband's 6 siblings.

The family are appreciative most of the kind and respectful care provided by Galen Beach, Donna Coulter and Tess Price as well as the Pemi-Baker Hospice & Home Health nurses and doctors. Importantly, Lorrie's siblings are especially grateful to her for the loving care and oversight of Rita's health and wellbeing over the

Ashland

FROM PAGE A1

agreed to represent the selectmen on the committee. Other appointments included Kendall Hughes to the Planning Board, Tim Peters to the ZBA, and Ray Mason to the Police Station Study Committee.

The selectmen authorized the expenditure of \$16,800 already appropriated for the crack sealing of town roads and the payment of the \$7,250 quarterly appropriation to the Town Library. A \$7,500 grant for the hazard mitigation plan has been approved, so the selectmen authorized the Fire Department to spend that money on receipt of the funds.

They also authorized

the Tax Collector to issue notices of tax liens to mortgagees, and. approved applications to the State for wastewater treatment grants. Selectman Ann Barney, who is also the Parks & Recreation Director, explained that the Ashland school will be closing over a week earlier than expected, on June 14 instead of June 23. because of fewer snow days. Parents have therefore asked her to start the Summer Camp program earlier. She felt that there would be enough campers to cover the costs. The consensus of the board was to change to an earlier start date, if that was the case. Barney also reported that she had three lifeguards signed up for the Town Beach this summer, but could use a fourth.

Tel: (603) 968-3372

Fax: (603) 968-9367

Elliott E. Dupuis, Director

Town Manager Fred Welch had presented a draft of the regulations for a proposed sewer system development charge. Selectman Andrew Fitch had concerns about the wording of one section of the rules, which the Town Manager will rewrite to clarify. The selectmen will consider the proposed document again at their next meeting. The Town Manager had also given the selectmen a late arriving notice form NH Electric Cooperative about plans to spray herbicides along their power lines, which he asked them to read carefully. Welch explained that, once winter officially ended, notices of disconnection had been sent to 25 electric

not paid their bills. 24 subsequently paid up or entered into a payment agreement with the town owned utility. The one customer who did not do either was shut off. Welch explained that the town is willing to work with delinquent customers on payment schedules so that power does not have to be shut off.

The selectmen approved a proclamation for National Fallen Firefighter Memorial Weekend, honoring those who died in the service, from May 4 to 11. People are asked to lower their American flags to half staff on May 7 and to light their buildings with red lights. The selectmen ended their meeting with a non-public session.

Recycled Percussion FROM PAGE A1

severance and encouraged the students to embrace their dreams and work hard to reach their goals. Well known for their television show, Chaos and Kindness, they spoke about the importance of each individual in the room and stressed the need for continued kindness to one another. Highlights of the performance included Justin and Ryan's world record drumming speed and their skill in incorporating ladders into the show. Tony Zane amazed the audience with his amazing roller-skating skills. All three band members also answered questions from the students.

Justin invited all of the eighth grade students to the floor to compete in a basketball free throw contest. Two lucky students, Evan O'Leary and Noah Alexander walked away with \$50 in prize money. The staff were invited to join the band on stage for a dance-off. The crowd showed their appreciation with lots of laughter and applause.

Middle Tier student Lucas Newton and Spencer Pack were the lucky recipients of a Recycled Percussion drumstick.

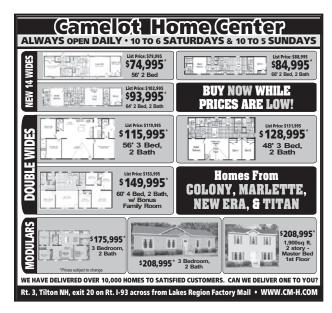

Every student and staff member who attended the assembly, left with an very important message of the importance of perseverance, positivity and kindness.

Position will remain open until filled.

PRHS FROM PAGE A1

out to a 40-0 lead. Khalil took the score to 50-0 on a question about camels. Logan picked up the first points for Bow on a question about Bill Russell and Emily picked up another 10 points for Bow on a question about astronaut and senator John Glenn.

Natalie added 10 points to the board for Plymouth on a question about historian and author Howard Zinn and Khalil picked up another 10 points on a question about Benjamin Franklin and with just under a minute left in the round Plymouth he's a commanding lead of 70-20. Dash extended that lead to 80-20 with a question about the author Aldous Huxley, but Logan of Bow knew that the Los

Angeles Dodgers were once the Brooklyn Dodgers and narrowed the score to 80-30.

Three Strikes and You're Out Round

The second round of the game is the Three Strikes and You're Out Round. Each team picks a 10-question category, and each team member gets a question, starting with the captain. The team continues to answer questions until they miss three questions. Each team also has three passes in each round. If a team answers all 10 questions correctly, they pick up an additional 10 points.

round, In Bow's Allesandra, Logan, and Emily each picked up ten points, and Bow narrowed the lead to 80-60.

In Plymouth's round, Dash picked up 40 points, Khalil and Trevor each

picked up 20 points, and Natalie picked up 10 points giving Plymouth a total of 90 points in the round and the score was now 170-60.

60-Second Round

In the third round, alternates join their teams. Each team picks a ten-question category and has 60 seconds to answer the questions. If they answer all ten correctly, teams get up a 10-point bonus. Team members can confer in the round, but the captain answers for the team.

Bow chose the category "N to N" in which all of the answers were words that began and ended in the letter N. The team answered eight questions correctly and added 80 points to their score.

Plymouth chose the category "Eggsellent" in

which all of the answers were related to eggs. They missed only one question in the round and added 90 points to their score and the round ended with Plymouth in the lead by a score of 260-140.

Final Round

In the game's final round, each correct answer is worth 20 points, but teams lose 20 points with an incorrect answer and leads can quickly be lost or gained.

Dash of Plymouth answered the two first questions of the round about Jackie Robinson's retired number 42 and guitarist Jeff Beck and added 40 points to Plymouth's score. The next question was the Unitil Power Question worth double points. Dash of Plymouth picked up the points on a question SEE **PRHS** PAGE A16

EGAL

INTER-LAKES KINDERGARTEN REGISTRATION IS OPEN March 20th - April 21st

Registration is open to all children who reside within Center Harbor, Meredith or Sandwich; and who will be 5 years of age by September 30, 2023.

To receive a registration packet, please call: Inter-Lakes Elementary School at 603-279-7968, Monday through Friday between the hours of 9:00 a.m. and 2:00 p.m. Registration packets can be mailed or picked up at the school, and <u>must be completed and returned to schedule</u> a screening appointment. What is required with your registration packet for Kindergarten?

- Your Child's Birth Certificate
- Physical Exam within the last 12 months
- Up-to-Date Immunization Forms
- Proof of Residency

Screening dates are tentatively scheduled for May 15th and 22nd.

The screening takes approximately 1 hour

Parents/Guardians must bring their child to this screening

PRHS FROM PAGE A15

about the Scarlet Witch and Plymouth was out to a lead of 340-140. Emily picked up 20 points for Bow on a question about the Purple Heart medal and her teammate Theodore picked up another 20 points on a question about Harvey Milk and the score was now 340-180. Plymouth played a commanding round, and despite their best efforts, Bow was not able to overcome their lead. The game ended with Plym-

outh winning by a score of 540-220.

Plymouth Regional now moves on to the semifinals where they will meet the winner of the final quarterfinal game, between Oyster River High and Trinity High airing on Thursday, April 20 at 7:30 p.m. on NHPBS.

Hosted by Bow High School teacher and former Granite State Challenge coach (Bedford High), contestant (Belmont High), and Granite State Challenge crew member, Jon Cannon,

Granite State Challenge features New Hampshire's top high school academic quiz teams as they demonstrate remarkable teamwork, quick thinking, and smarts to beat the clock and buzz in first on this iconic New Hampshire game show. The game emphasizes quick recall of math, science, social studies, language arts, and fine arts facts - along with questions about current events, entertainment, sports, and New Hampshire.

Riverfront Park is overrun with

NEWZ FLASH

The Tilton Parks Commission is predicting an infestation of Tilton Turtles @ Riverfront Park around Earth Day, April 22, 2023

This semi-scientific study finds the possibility of a springtime rallying reemergence of these rascally rubber reptile refugees stemming from river races in the 2000's. The Tilton Parks Commission is seeking teams of volunteers to help capture the turtles on Saturday, April 22 at Riverfront Park. People will meet at Riverfront Park in Tilton @ 9 AM should be a walk in the park!" There will be prizes as there are bounty on particular turtles. Please email Parks@tiltonnh.org or call Bill at 286-4322 to preregister.

> Saturday April 22, 2023 At Riverfront Park Pavilion 9:00 AM

Prizes will be awarded in several categories so bring the family and help us clear the invasive turtles from the park.

Please email us at Parks@tiltonnh.org or call Bill at 286-4322 to preregister.
