Southbridge Lions Club hosts annual pre-game dinner for SHS Football team

SOUTHBIDGE — The Southbridge Lions Club continued a cherished community tradition on Tuesday, Nov. 25 as it hosted the Southbridge High School football team and cheerleaders for the annual pre-game dinner preceding the 105th Thanksgiving Day matchup between Southbridge and Bartlett.

Players, cheerleaders, coaches, and school administrators gathered for an evening that highlighted teamwork, school pride, and the long-standing history of the Thanksgiving rivalry. Throughout the program, several speakers reflected on the significance of the upcoming game, the spirit of the school, and the traditions that unite the Southbridge community each year.

Lions Club members once again dedicated their time and effort to preparing and serving the meal—a commitment that has helped sustain this event for more than seven decades. Their volunteer work remains at the heart of the dinner's continued success.

This year's guest speaker was Chief Raymond Gonzales, U.S. Navy, a 2007 graduate of Southbridge High School and former Pioneers football player. Now a 16-year Navy veteran, Chief Gonzales shared how his experiences in Southbridge football shaped his character both on and off the field. His message resonated strongly with the students, emphasizing resilience, teamwork, and pride in one's community.

The evening also included the presentation of two annual honors:

- Yadier Colon Martinez, recipient of the Joe Capillo 12th Man Award
- Gino Pointdujor, recipient of the Anthony Santilli Sr. Outstanding Player Award

This year marked the 71st time the Southbridge Lions Club has hosted the pre-game dinner, a tradition that remains a highlight of the season and a testament to the Club's ongoing support of local youth.

It was a memorable night celebrating students, school spirit, and the strong sense of community that continues to define Southbridge.

Free holiday fun for everyone at Hitchcock

Live music, cookie decorating & crafting, games, and more for all ages

BRIMFIELD — Christmas at Hitchcock returns on Saturday, Dec. 13 from 1 to 5 p.m. The popular all ages event will include live music, cookie decorating & crafting, games, face painting, and more. The event is free of charge and there is no registration required. Attendees should dress warmly as the event is held both indoors and outdoors.

Live music will be performed from the building's balcony by The Voice's Noah Lis and seasoned musician and Hitchcock's new guitar and piano instructor Jim Perry. DA urges participation in 24th Annual Worcester County Gun Buyback Program

WORCESTER — Worcester County District Attorney Joseph D. Early, Jr. is urging participation in the 24th annual Guns to Gardens program, an opportunity for members of the community to turn in unwanted firearms at participating police departments on Saturday, Dec. 13.

Since the program’s start in the City of Worcester in 2002, more than 4,000 guns have been voluntarily turned in across the county. This annual program encourages participants from all of Worcester County to turn in firearms at participating police department headquarters stations in Charlton, Fitchburg, Northborough, Milford, Worcester, or City Welding & Fabrication, 10 Arant St., Worcester.

Anyone who turns in an operable firearm will receive a gift card in exchange (\$50 for a rifle, \$100 for a pistol, and \$150 for an automatic or semi-automatic weapon). Free gun locks are also available, even if you are not turning in a firearm.

“By getting unwanted and unsecured firearms out of the house and safely disposed of, we can help prevent accidental tragedies, theft or misuse. This not only helps reduce gun-related tragedies and save lives, but also avoid the high costs of medically treating gunshot victims,” said District Attorney Early. “I commend Worcester Division of Public Health Medical Director

Dr. Michael Hirsh, who started this program, and all our local police departments for their continued efforts to advocate for gun safety and protect our communities.”

“Every gun that we can get out of homes that are not safely secured or not in an environment where it is safe to keep them at home is a win for a peaceful holiday season in the Woo,” said Dr. Hirsh.

As in the past, Mr. Early will relax law enforcement of the law prohibiting the carrying of firearms for those participating in the program. Participants may bring firearms without any registration requirement, and anonymity is guaranteed for everyone. All weapons should be brought unloaded and wrapped up or in a bag. Replica guns and ammunition will also be accepted. Ammunition should be separately bagged. Residents are reminded to treat all firearms as though they are loaded and dangerous.

Participants can watch their weapons be destroyed at the City Welding & Fabrication location. In recent years, these destroyed firearms have been turned into garden tools to be used in the UMass community garden, which is maintained by members of the UMass community and produces fresh produce that is donated to those in need.

Guns to Gardens is sponsored by the Worcester County District Attorney’s Office, UMass Memorial Medical Group, the City of Worcester, the Worcester Police Department, and the Worcester Department of Public Health.

Firearms can be turned in at the following locations during the specific hours:

- Charlton Police Department from 10 a.m. to noon
- Fitchburg Police Department from 10 a.m. to noon
- Milford Police Department from 10 a.m. to noon
- Northborough Police Department from 10 a.m. to noon
- Worcester Police Department from 9 a.m. to 1 p.m.
- Worcester City Welding & Fabrication (10 Arant St., Worcester) from 9 a.m. to 1 p.m.

Giving thanks, giving back

A Thanksgiving tradition at Saint Joseph School

WEBSTER — As Saint Joseph School students, faculty, and staff began the holiday week, they gathered in prayer for the school’s annual Thanksgiving Prayer Service—an opportunity to thank God for the many blessings of the past year while also remembering neighbors in need. Organized by Religion Instructor, Sr. Mary Ann Papiez and the Grade 6 students, the service reminded everyone that gratitude is more than a feeling; it is an invitation to respond with generosity, compassion, and love.

A cherished part of this tradition is Saint Joseph School’s ongoing support of the Webster-Dudley Food Share. Each year, the school community unites around the belief that no family should face the holidays without the basic necessities—

and that even the smallest contributions, offered with great love, can make a meaningful difference.

In the days leading up to the prayer service, students participated in the Spare Change, Big Hearts! Thanksgiving Coin Drive. Families were invited to send in spare change from home, and students were encouraged to “do good to give good” by completing kind deeds and helpful chores—serving siblings, assisting parents/guardians, and finding simple ways to bring joy to others. Through this effort, students learned that generosity begins in the heart and grows through everyday acts of service.

During the Prayer Service offertory, representatives from each class—from PreK-3 through Grade 8—pro-

Saint Joseph School Kindergarten teacher Mrs. Alicia Maurer assists student Sadie Dejordy as she carries the kindergarten class’s jar of “spare change” to the offertory during the Annual Thanksgiving Prayer Service. The donations were collected during the school’s “Spare Change, Big Hearts!” Thanksgiving Coin Drive supporting the Webster-Dudley Food Share.

cessed forward to present containers filled with the spare change they had collected throughout the week. The sight of students of all ages bringing forward their gifts was both moving and joyful, a powerful reminder that everyone has something to give and that they are strongest when they act together as one school family.

Adding to the excitement was the class challenge: the class that collected the most spare change earned a fun celebration of ice cream sundaes

and extra recess with Assistant Principal, Mr. Richard Skrocki. Congratulations to the Saint Joseph School Kindergarten class for collecting the most “spare” change – contributing \$399.84 to the overall school total of \$1,937.96. While the students certainly enjoyed the friendly competition, the lasting message was clear—their gifts are most meaningful when they offer to help others.

Saint Joseph School is grateful to every family that supported this initiative and helped make this tradition possible. Through the leadership of Sr. Mary Ann Papiez and the Grade 6 students, this year’s Thanksgiving Prayer Service beautifully reflected the mission of Saint Joseph School, and the Gospel values the students strive to live each day. It is a reminder that as they enter the holiday season and prepare their hearts for Advent, they do so with renewed gratitude for God’s blessings—and a deeper commitment to share His love with others, especially those most in need.

Winter roads and the quiet work behind safe travel

When winter settles over our community, we tend to notice the season in familiar ways: the early dusk, the sharp cold, the steady hum of furnaces working through the night. What we do not always notice is the quiet, essential work that keeps our region moving despite the weather.

Long before most residents step outside in the morning, highway department crews in each town are already on the road. Their preparation begins well before the first snowflake falls. Public works staff track storm forecasts, ready their equipment, and load sand and salt mixtures designed for different temperature ranges. Plow routes are reviewed and adjusted each season to reflect new developments, road repairs, and shifting traffic patterns. These are not small tasks. They are the foundation of safe winter travel.

A winter storm today is not the same as a winter storm a generation ago. Weather has become less predictable, and storms often move quickly from rain to ice to snow, forcing crews to make real-time decisions about treatment. Each town must balance the safety of its roads with rising material costs, limited staffing, and aging equipment. The work is technical, time-sensitive, and often thankless.

It is easy to forget what goes into a road being clear by sunrise. It is even easier to assume that such service is automatic. But nothing about it is automatic. These are conscious choices made by local departments committed to public safety. That commitment is seen in early-season planning sessions, investment in infrastructure through the Department of Public Works, and the ongoing work to adapt routes and staffing to the changing needs of a growing town.

Residents also play a role in maintaining safe roads. Clearing driveway entrances, avoiding parking on roadways during posted snow emergencies, and giving plow trucks the space they need to do their work all make a measurable difference. A plow driver navigating a narrow secondary road at 3 a.m. cannot perform the job safely if vehicles are left in the way. Cooperation shortens routes, speeds cleanup, and prevents accidents.

The winter ahead will bring its share of challenges. There will be mornings when the commute takes longer, when an unexpected freeze catches everyone off guard, or when crews must regroup after back-to-back storms. But the strength of a community often shows in its routine responses, not only in its emergencies. Our towns have weathered harsh seasons before, not because winter was easy, but because the work was shared.

As the first significant storms approach, it is worth pausing to recognize the people who help thousands of residents reach their destinations every day of the season. Their work is rarely visible, but their impact is. This winter, a little patience, a little preparation, and a little appreciation can go a long way toward keeping our roads — and our communities — safe.

The first real snow of winter always seems to arrive with a lesson attached. It is rarely the deep, postcard snow that shows up on calendars and greeting cards. More often, it is the practical kind. The kind that needs shoveling. The kind that turns a five-minute errand into a twenty-minute production. The kind that reminds us, gently but firmly, that winter is no longer theoretical.

In small Massachusetts towns, that first snowfall sets off a familiar chain reaction. Plow trucks rumble through neighborhoods

Christmas – the magic of making a difference

BY DR. RB MCFEE
DRMCFEE2020@GMAIL.COM

Christmas is a time when need is keenly felt, to paraphrase a line from Dickens' A Christmas Carol, and a time for miracles, too.

Recognizing this, how often have we looked at the magnitude of needs in our community – homeless veterans, lonely people, elderly folks who can't afford heat, hungry families, sick children, kids who might not get toys or a family for Christmas – the list is long. What can one person, what can we do?

I think about the story of the little boy and his grandfather who walk the beach after a dramatic storm; lots of starfish have been stranded beyond the waterline and will without getting into the water. The little boy picks one up and tosses it back into the ocean. His grandfather turns to his grandson and asks how does it matter to toss one in when there are so many others? The boy replies "it mattered to that starfish."

We can't save everyone, but we can help someone, and for that person, it matters a lot! Put differently never underestimate the strength of a committed few who see a need and try to fill it!

The other day I was listening to the radio; a Marine was talking about Toys for Tots, inviting the audience to share new, unwrapped toys for children this Christmas.

Very likely you, like me, are familiar with this venerable charitable endeavor, and I intend to purchase a toy or two to donate.

Here's where it gets interesting. The Marine shared a brief

accounting of how many toys have been collected over the years and children helped over the years.

Did you know how Toys for Tots got started? It was a story I didn't know. Let me share it.

In 1947, the wife of Marine Reserve Major Bill Hendricks was making dolls and wanted

to give them to a charity. They couldn't find any to give the dolls to, so after some rolling up the sleeves and brainstorming, the Major got his unit together on a 'mission' to do some good; they ended up collecting and distributing 5,000 toys that Christmas!

In the next year, the Commandant of the Marine Corps directed Reserve units nationwide to do this. Soon thereafter Walt Disney got involved, including designing the Toys for Tots highly recognizable logo.

Since 1947, Toys for Tots has given over 700 million toys to over 300 million children. It started with a doll and a heart to give.

You and I can make a difference even if it doesn't grow into a nationwide toy campaign.

Consider a few women in our congregation thought the community could benefit from another food pantry – they started with a few bags of food, and now the congregation supports it and it shows...many more people are now helped with food.

Any idea how the Red Ket-

ties of the Salvation Army we see at Christmas were started?

Well, let's go back in time to San Francisco, 1891. At the time there were around 1000 destitute people in the area, and Salvation Army Captain Joseph McFee was looking for a way to fund a community Christmas dinner for these poor

people. Not having the money, he remembered the Simpson's Pot - an old, iron pot in Liverpool, England, where people would drop coins into it. So Captain McFee placed a similar kettle at the Oakland Ferry Landing with a sign saying "Keep the Pot Boiling," and raised enough money to feed the 1000 people. By 1895 there were 30 kettle locations on the West Coast.

Today, it is estimated that the Christmas Red Kettles support the annual efforts of Salvation Army to help roughly 30 million people.

I could go on and on with examples how the vision of one or a few people to do some good grew and grew. Remember the child who started a lemonade stand to help a sick kid and raise awareness and lots of money, too?

If we lead with the heart, and let faith power the vision, we can make a difference in someone's life, and if each one of us reached one or a few people and helped make their day a bit brighter, together we can change the world.

What can you and I and a dedicated community of friends and the faithful create – to help a few, to help many? I've been involved in starting programs and projects. It is exhilarating, challenging, and most of all joyous when you look into the eyes of someone being blessed by the endeavor.

Speaking of blessing others... Blue Christmas is a reality. While many are celebrating and making merry, others are mourning a loss, dealing with health challenges, facing job loss and financial insecurity, or other painful experiences impose hurt during a season meant to be happy.

If you or someone you know is hurting this Christmas, consider the ecumenical Blue Christmas service Saturday, Dec. 20, starting 6:30 p.m., hosted by Charlton City United Methodist Church, 74 Stafford St., Charlton.

Christmas is a time for blessings. Being blessed by Christ as God's Gift to us, and blessing others through the gifts we have been given – time, talent, treasure. Whether a simple smile and cup of coffee to a homeless beggar, or taking the time to help tutor or help a shut in or caroling at a nursing home or starting something that may one day grow nationwide.... The possibilities to make a difference at Christmas are as many as the angels who welcomed our Savior 2000 years ago in Bethlehem.

Together, we can make a difference.

May you be blessed with the opportunity to make a difference, at Christmas, and beyond...

Managing risk at different stages of life

As an investor, you will always need to deal with risk of some kind. How can you manage the risk that accompanies the volatility of the financial markets? The answer depends somewhat on where you are in life.

When you're starting out... If you're early in your career, with perhaps four or five decades until you retire, you can likely afford to invest primarily for growth, which also means you'll be taking on a higher level of risk – because risk and reward are positively correlated. But, given your age, you will have time to overcome the market downturns that are both inevitable and a normal part of investing. Still, even at this stage, being over-aggressive can be costly.

When you're in the "middle stages"... At this time of your life, you're possibly well along in your career and working on at least a couple of financial goals, such as saving for retirement and your children's college education. You'll want to begin adjusting the balance in your portfolio between assets with higher growth and those with lower growth since there will be progressively less time to rebuild losses. You'll need to decide on the balance between risk and growth that's right for you.

achieved some key goals – perhaps your children have finished college, and you've paid off your mortgage. As a result, you may have more money available to put away for retirement. Growth still matters because your retirement could be 25 or 30 years long, and you'll need investments that can keep up with inflation. But you'll also need investments designed to help provide for your income needs in retirement and provide more stability. Also consider reducing your exposure to higher-risk investments and instead consider investing more in stable dividend-paying stocks, government and investment-grade bonds, and cash.

When you're retired... Once you're retired, you might think you should take no risks at all with substantial assets held in cash. However, you could spend two or three decades in retirement, so you may need some growth potential in your portfolio to stay ahead of inflation. A more balanced mix be-

tween equities and fixed income is generally appropriate. Establishing a withdrawal rate that's appropriate for your lifestyle and projected longevity can help reduce the risk of outliving your money. Of course, if there's an extended market downturn during any time of your retirement, you may want to temporarily lower your withdrawal rate.

Managing investment risk is a lifelong process that evolves with your goals, responsibilities, and time horizon. While you'll look for balance among your investments based on your life stage, having a balanced and diversified portfolio doesn't fully protect against a loss. Still, aligning your strategy with your stage of life can help navigate market volatility and stay on track toward long-term success while avoiding emotional investment decisions. The key is staying informed and making intelligent choices that reflect your current income needs and future aspirations.

Lanterns Along Main Street

long before dawn, their orange lights blinking patiently as they inch along narrow streets. Driveways develop neat piles at the ends just after you finish clearing them. Sidewalks become unofficial obstacle courses, with patches of careful walking between the salt.

It is easy to grumble about all of this. Most of us do, at least once. But alongside the annoyance, there is a quieter awareness that kicks in this time of year. A sense that things are happening as they are supposed to.

Snow brings out the unspoken systems that keep a town functioning. Someone is already awake, clearing roads before most people have hit the snooze button. Someone else is scraping the town hall steps. Somewhere, a contractor is answering a call about a furnace that chose the wrong night to quit. None of these tasks come with applause, but they matter more than most of what we talk about on a regular basis.

I've noticed that winter has a way of slowing conversations down, too. People linger a little longer at the post office counter. A neighbor checks in across the driveway, shovel paused mid-task. Even brief exchanges seem more intentional when the cold presses everyone closer to shared routines. We are reminded that help is often

nearby, even if we do not always need it.

There is also something clarifying about snow. It erases the clutter temporarily, covering lawns, curbs, and roadside distractions in the same clean layer. Familiar places look different, not because they have changed, but because we are seeing them stripped down. A simple line of houses. A quiet town common. A road leading somewhere familiar, just softened at the edges.

For children, the first snowfall still carries a certain magic. Even now, you can feel it in the air. Will school be canceled? Will there be enough for sledding? Can snowmen be built before the sun dulls the edges? For adults, the magic may be quieter, but it has not disappeared. It shows up in the first footprints across an untouched yard, or in the sound of snow falling late at night when the world feels temporarily hushed.

Winter also sharpens our awareness of the margins. We notice which steps are icy. Which homes have lights on late. Which businesses stay open even when foot traffic slows. The season quietly reminds us that not everyone experiences it the same way. That awareness does not always translate into action, but it should at least translate

into attention.

Massachusetts towns have lived with winter for a long time. The older houses were built to face it. Main streets developed ways of adapting to it long before anyone used the phrase "winter preparedness." There is no drama in how communities respond. Just repetition, experience, and a steady sense of responsibility.

As the season settles in, snow will become less novel. The complaints will get louder. The novelty will wear thin. But beneath all of that is a structure that works because people make it work, day after cold day. The plow driver. The public works crew. The neighbor with an extra shovel. The shop owner who keeps the lights on even when the street is quiet.

Winter does not ask us to be heroic. It asks us to be steady. To show up. To do what needs doing. Our towns manage that reasonably well most years, not because of grand gestures, but because of ordinary ones repeated often.

When you hear the plow go by tonight, or step carefully across a salted sidewalk tomorrow morning, you are seeing that quiet agreement in action. It is not celebrated, but it is dependable. And in winter, dependability counts for a great deal.

Reliant Foundation awards more than \$1 million in community grants to area nonprofits

WORCESTER — Reliant Foundation has announced that it is awarding \$1,065,000 in Community Grants to 59 nonprofits across Central and Metro West Massachusetts. This brings the Foundation’s 2025 grant total to \$1,125,000, marking the second consecutive year the Foundation has awarded more than \$1 million in Community Grants.

Reliant Foundation’s mission-driven grants program is focused on strengthening mental health and behavioral health resources for children and youth; helping individuals of all ages reach recovery from substance use; building the pipeline of professionals to provide mental health, behavioral health, and recovery services; and supporting initiatives to reduce stigma around mental health and substance use. Over the past eight years, the Foundation has provided nearly \$6.6 million in funding to area nonprofits.

“Last year marked the first time in our history that we granted more than \$1 million; to be able to do it for a second consecutive year gives us an immense sense of pride and impact,” said Reliant Foundation president Kelsa Zereski. “As nonprofits everywhere are having to make difficult programming decisions, driven largely by funding constraints, we feel an even greater obligation to support their missions. Fortunately, our donors and volunteers continue to step up year-after-year to help us fundraise so we can provide this level of funding, and our Board of Trustees has remained steadfast in their commitment to expanding our impact.”

“Our grantees are doing extraordinary work under increasingly precarious circumstances - facing rising community needs with fewer resources than ever before. Their resilience inspires us, but it also underscores just how essential sustained donor support is to the health of our non-profit ecosystem,” said Kristine Bostek, Reliant Foundation Board Chair. “Every contribution—large or small—helps ensure that vital services remain available to those who rely on them. On behalf of our entire board, I want to express our deepest gratitude to all who stand with us. Your generosity enables our mission, strengthens our partners, and brings hope to the communities we collectively serve.”

Worcester County Sheriff’s Office warms communities with annual winter coat distribution

REGION — Throughout November, Worcester County Sheriff Lew Evangelidis and staff from the Worcester County Sheriff’s Office visited Webster Dudley Food Share (Webster), Reconciliation House (Webster), Tradewinds Clubhouse (Southbridge), House of Destiny (Southbridge), the Milford Police Department (Milford), and several other local nonprofits to deliver hundreds of brand-new winter coats for community members in need.

These Southern Worcester County visits were part of the Sheriff’s Office Annual Winter Coat Drive, which included more than thirty stops countywide. The Sheriff’s

Office distributed 4,000 winter jackets during November. All jackets were purchased by the Worcester County Reserve Deputy Sheriff’s Association, a nonprofit that raises funds year-round to support the coat drive and other community-focused programs.

“Many of our residents have little social support and are working to regain stability. The Sheriff’s winter coat drive not only meets a practical need for warm coats but also shows them community support they often don’t expect, and it is deeply appreciated,” commented Jose Vazquez, House Director at Reconciliation House, Inc.

Sheriff Lew Evangelidis and Staff from the WCSO Webster Regional Resource Center pose for a photo with AJ Alkire, Webster Dudley Food Share Director.

“We would like to extend our sincere appreciation to the Sheriff’s Department for their generous donation of winter coats to the Tradewinds Clubhouse,” commented Christine Regan, Clubhouse Director. “This act of kindness made a meaningful impact on our members, many of whom expressed relief and gratitude knowing they will be warm and prepared for the colder months ahead. Moments like this strengthen the sense of belonging and dignity that is central to the Clubhouse model.”

“Handing out these coats each year is truly a joy,” said Sheriff Evangelidis. “They represent far more than a warm layer for winter. They reflect a community and law enforcement organization that cares. The individuals who receive these jackets are always grateful, and this drive gives our department a special opportunity to connect with the communities we serve.”

This year’s initiative was made possible thanks to the generosity of many community partners, including Saint Francis

Community Health Care, The Gun Parlor, Mercadante Funeral Home, Cliff & Susan Rucker Foundation, The Krock Family & Commerce Associates, CareOne at Millbury, The Overlook, Diamond Auto Group, KAL Construction & Remodeling, Chop Chop Convenience, Falcone Enterprises, NEPBA Local 550 Worcester County Correction Officers, Pat’s Service Center, Quality Companies, Rockland Trust Bank, and Pam Massad in memory of ‘Duddie’ and Bette Massad, along with numerous additional supporters.

“The level of support we receive each year is remarkable,” added Sheriff Evangelidis. “Every contribution directly helps make our communities stronger and safer.”

Beyond their stops in South County, Sheriff Evangelidis and his team delivered coats to nonprofits in the greater Worcester area and Northern Worcester County, ensuring residents across the region have access to warm winter apparel as the cold weather approaches.

TCA IS PROUD!

Trinity Catholic Academy is incredibly proud of our fifth grade and NJHS students for making the needs of others a priority. At the recent Vendor Fair, our fifth graders sold handmade jewelry, cards, and birdhouses, raising over \$400. Just a few days later, our NJHS members collected much needed personal care items to fill backpacks for the homeless. All donations were delivered to St. Luke’s Guesthouse in Southbridge. At TCA, we strive to teach our students not only strong academics but also the importance of compassion, service, and caring for those who are less fortunate. Their efforts are a beautiful example of faith in action.

Saint Joseph School celebrates annual Thanksgiving feast, honors retired Fire Chief

Courtesy
Saint Joseph School Student Council President Mycheal Jones and Vice President Tenleigh Dowd present a commemorative plaque to Retired Webster Fire Chief Brian Hickey, honoring his 43 years of dedicated service and steadfast commitment to the safety of the Saint Joseph School community.

WEBSTER — On Tuesday, Nov. 25, Saint Joseph School gathered as one faith-filled family for its annual Thanksgiving Feast—one of the most cherished traditions of the school year. For the occasion, the school gymnasium was transformed into a warm and welcoming dining area, complete with two buffet lines to serve more than 300 students, faculty, staff, and guests.

Principal Mrs. Beth Boudreau opened the celebration by welcoming students, guests, and the many parent volunteers whose generosity and teamwork made the day possible. Mrs. Boudreau also offered heartfelt thanks to school chef Mr. Keith Lukasek, who spent hours preparing a delicious turkey dinner for the entire community.

The feast was made even more special by the presence of honored guests, including benefactors John and Jane Gogolinski, Dr. John Kalinowski, and Mrs. Marilyn Fels. Members of the Saint Joseph School Consultative Board were also in attendance, including Chairwoman Mrs. Catherine Kabala and her husband Stanley, and Vice Chairperson Mr. Donald Cushing. The Parish Council was represented by Mrs. Nancy Dowgiewicz and her husband Mark, and Mrs. Gosia Kicilinski and Robert Wojcik. Co-Chairperson Krystal Kolesnik represented the SJS Home and School Association. Saint Joseph School also welcomed community safety partners from the Webster Fire Department including Chief Brian Hickey, Chief Jeffrey Saad, and

several firefighters.

Following introductions, Pastor and Headmaster Fr. Richard Polek led the community in a meaningful Thanksgiving Prayer, encouraging gratitude for God’s gifts and awareness of those in need. Afterward, parent volunteers served a traditional meal of turkey, mashed potatoes and gravy, stuffing, and butternut squash, with 8th graders delivering plates to guests and students, exemplifying leadership and service.

After dinner, the assembly continued with a heartfelt presentation honoring retired Fire Chief Brian Hickey for his 43 years of dedicated service to the Town of Webster. Student Council President Mychael Jones and Vice President Tenleigh Dowd expressed

gratitude on behalf of the entire community, recognizing Chief Hickey’s steadfast commitment to protecting and caring for their school family.

They presented a plaque to Chief Hickey, inscribed with the following: “In grateful recognition of 43 years of dedicated service and steadfast commitment to the safety of the Saint Joseph School community. With heartfelt thanks from the students, faculty, and staff of Saint Joseph School. May God richly bless you in your retirement and always.”

The celebration concluded on a joyful note, as the Saint Joseph School Choir led the community in song with “Trading My Sorrows”—a spirited reminder of faith, gratitude, and the strength found in togetherness.

Wales Community Pantry needs help to meet increasing need

Courtesy
On pizza day with Villa Sofia of Brimfield, Pantry Manager Julie Burnell enjoys a hug with a member of our neighborhood.

BRIMFIELD — Neighbors are helping neighbors at the Wales Community Pantry.

Our End-of-Year campaign is in full swing, and our community is stepping up as our needs grow. We have had amazing support from local businesses, individuals, and grant funding this year. We are fortunate to be able to meet the needs of our community but the increased need for food for our neighbors requires fundraising to make it all happen. Can you join them?

Over the last year, the distribution has exploded. In the month of October 2024, we served 179 households 13,102 pounds of food. In October 2025, we saw an increase to 251

households, and we provided 17,563 pounds of food.

Our neighborhood volunteers have stepped up with food drives, weekly distributions, and restocking our shelves with food brought by our van from the Food Bank of Western MA, Stop & Shop, Big Y and many other places.

If you’d like to help your neighbors by donating, please visit www.walescommunitypantry.org or checks may be mailed Wales Community Pantry P.O. Box 185, Wales, MA 01081

Cornerstone Bank donates \$20,000 to Worcester County Food Bank to support families facing ongoing food insecurity

WORCESTER — Cornerstone Bank has reaffirmed its commitment to addressing hunger in Central Massachusetts with a \$20,000 donation to the Worcester County Food Bank. The contribution continues Cornerstone’s annual tradition of redirecting funds typically spent on holiday cards. The bank contributed \$10,000 in both 2022 and

2023, and increased its support this year to meet rising community need.

While the recent federal government shutdown has concluded, many families continue to feel the ripple effects of temporary delays in Supplemental Nutrition Assistance Program (SNAP) benefits. With food costs still elevated and demand for assistance remaining high, Cornerstone

Bank prioritized support for local hunger relief efforts. “As a community bank, we believe our resources should create meaningful, measurable impact for our neighbors,” said Cornerstone Bank CEO Todd Tallman. “Redirecting holiday card spending allows us to invest directly in helping families access healthy meals during a season that can be especially

difficult for many.”

The Worcester County Food Bank, a Feeding America member, distributes nutritious food through a network of local pantries and meal programs while working to reduce hunger through advocacy and equitable access. The Bank’s funds will be allocated directly to distribution efforts to support residents in immediate need.

“We want our community to feel supported, not just during the holidays, but throughout the year,” Tallman added. “This donation reflects our ongoing commitment to strengthening the well-being of the neighbors we serve.”

All Saints Academy students answer the call

WEBSTER — Food insecurity does not have one face. Children, seniors, veterans, college students, and so many others may experience it at different points in their lives. Some individuals rely on assistance for long periods of time, while others only need temporary support to get through an unexpected challenge.

Many people who have always had food on their tables are surprised to learn that some fam-

ilies must choose between buying groceries and paying for essential expenses like housing, childcare, utilities, medical costs, and other basic needs. Lack of proper nourishment affects both mental and physical health, and for children it can weaken the immune system, hinder development, and make learning significantly more difficult.

So, what can be done to help local food banks?

At All Saints

Academy, the answer came from our families. The All Saints Academy National Junior Honor Society hosted a themed food and hygiene

drive during New England Catholic Schools Week—and our school community donated more than 1,100 items to support area food pantries (St. Vincent

de Paul, Buckey's Food Pantry, Thrive Food Pantry and some local families directly).

To make the week fun and engaging, NJHS in-

troduced a daily theme and a special challenge to “hide the Knight,” our school mascot, under the mountain of donations: Munchie Monday kicked off

the week with over 100 snack items such as granola bars, peanut butter crackers, and nuts; Two-Can Tuesday brought in more than 300 canned goods; Wellness Wednesday added over 250 hygiene items, including toothpaste, toothbrushes, deodorant, and soap; Thankful Thursday focused on Thanksgiving staples, collecting 286 items; Family Favorite Friday revealed that our students love pasta, macaroni &

cheese, and peanut butter (greater than 165 items).

By the end of the week, we had successfully covered the ASA Knight—and even more importantly, students gained a deeper understanding of food insecurity, the challenges many families face, and the power they have to help. They also walked away with a renewed sense of gratitude for the food they enjoy every day.

Santa pet photo shoot a success!

BY JIMMY FALZONE
FOCAS BOARD OF DIRECTORS

CHARLTON — Saturday, Dec. 6 was a great day for the annual Santa Pet Photo Shoot sponsored by FOCAS (Friends of Charlton Animal Shelter) and the Cornerstone Bank Charlton branch. The parking lot of their Route 20 location in Charlton was busy with four legged friends, children, and adults alike. All were very anxious to have their picture taken with Santa. Friends of Charlton Animal Shelter (FOCAS) have been putting this event on for more than 14 years now. Cornerstone Bank's Charlton branch has partnered with FOCAS on this event for so

many years that customers now regularly ask manager Julia Westwell ahead of time for the date, which is typically the first Saturday in December each year, so they can put it on their calendars.

The lobby was filled with excitement of children waiting to see Santa. Parents and animal owners were all smiling as each took turns for a photo with Santa on his sled or his chair. All you can hear is the sound of squeaky toys trying to get the dogs' attention for the perfect photo. The photo shoot yielded 33 dogs, 1 cat and many children and adults. Focas is grateful for Cornerstone Banks continued dedica-

tion to the people of the community for helping in sponsoring this event. If you would like more information on what FOCAS does

for the community visits its website at www.focascharlton.org to read all the amazing things Focas has done and if you would like

to donate funds so we may continue to help the animals at the Charlton Animal Shelter from our community.
