Some might say that I am in the winter of my career at Stonebridge Press. I've had the pleasure of working here for 16 years, for a total of 21 years as an advertising sales representative, thus far. Prior to this, I worked for 15 years in the medical field which was so very different from what I'm doing now. I'll be honest...if I didn't enjoy what I'm doing, I'd be retired like many people my age, but I totally love helping my customers and the general public who seek my help and advice on how to promote their businesses. These past 18-19 months with COVID have been a bit of a challenge, not knowing if I should be meet people face-to-face or just communicate by email or phone, but it's worked out with doing some in person but, more often than not, by computer and/or phone, even on Facebook.

I'd like to thank all of my customers for being flexible when needed, and totally cooperative when circumstances require, such as with early deadlines, etc. I feel blessed to have the perfect job which allows me the autonomy to be creative and offer new things for our businesses, and fun contests for our readers. Please feel free to reach out to me with any questions or new ideas. We don't stop working because we grow old, we grow old because we stop working (my own version of George Bernard Shaw's famous quote). God bless and stay safe.

As a proud member of the team at Stonebridge Press since the Fall of 2015, I am coming up on my 6th year anniversary. This job has given me the opportunity to learn all about our local businesses, and it's been my pleasure to help them grow and prosper.

Growing up on a small farm in quiet East Brookfield, I am happy to be working close to home. I know times have been trying over the last year and a half for all of us, but together we will continue to get through it.

If there is anything we can do here at Stonebridge Press to help your business, please don't hesitate to reach out.

I can be reached by phone at 508-909-4126 or by email Mikaela@stonebridgepress.news.
Thank you.

These days our name means
more than it ever has before!

We are so thankful for this community's support over the last six years and especially during the last year and a half. We will celebrate with our annual event at the start of October.

This year it is "6 for 6", six days of storewide savings for six years of being here to help you feel your best! They'll be gift baskets to raffle off, tastings and demos, plus gifts for most purchases.

We have always believed that we are all part of Nature and the more we respect those gifts it has to offer, the more we respect ourselves.

Sharing that wisdom is why we are here and it is with gratitude that we are planning to throw a six day event for each year we have worked together to keep the community a little healthier and thriving.

We have a great selection of healthier foods for multiple diets, quality supplements, cleaner body care items and more.

If you haven't visited us before, feel free to come say hello.

You'll enjoy meeting Oboe, he guards the place with barks but always comes at you with love.

With gratitude,

David, Your Health Matters

Re/Max Advantage 1
c: 774.230.5044
o: 508.943.7669

With over 44 years of experience, I have a home office in Dudley. The RE/Max Advantage office is located on 25 Union Street in Worcester. Being a real estate agent is more than just placing an ad in the newspaper or marketing online. I act as a counselor to my client (buyer or seller). I provide assistance in marketing, staging, inspections, negotiation, and educating them to real estate values. It is a full time job. In order to provide good service, I have a client coordinator, Vicki Bennett assisting me.

I was originally a math teacher and always had an interest in real estate. When I acquired a license I approached a local broker and began my real estate career. I am still actively involved in teaching. I do teach real estate licensing and conduct numerous real estate education classes in buying foreclosures and landlord/tenant classes in Night-life programs at Bay Path Vocational and Assabet Valley Technical School.

The business has changed because of technology and the information network making it easier for buyers to obtain much of their needed information through the internet. For sellers, environmental issues and more informed consumers has made it critical that sellers get professional assistance early to sell their home. Buyers are all watching HGTV and have very specific expectations. Sellers need guidance in staging and making sure they have prepared their house for home inspections. Professionals are able to make it a more

pleasurable experience for both buyers and sellers by counselling them.

The most recent achievements I have received were the Ruby Level by the Board of Realtors for Sales Level, and the 100% Club from Re/Max which recognizes sales achievements. I would say more important to me is being the recipient of the Natalie Quinlan Award for service to the Board of Realtors, serving the town of Dudley as a selectman for 6 years and serving on the Dudley Board of Assessors for 20 plus years.

COMMUNITY IS IMPORTANT... PEOPLE ARE IMPORTANT. If you need help in buying or selling I offer a hometown advantage along with regional experience. Feel free to call me to discuss your real estate options.
